

Board Agenda Item 26

DATE: March 3, 2026

TO: Board of Supervisors

SUBMITTED BY: John Zanoni, Sheriff-Coroner-Public Administrator

SUBJECT: Retroactive Grant Application/Award/Agreement for Central California Internet Crimes Against Children Task Force Program and Grant Award

RECOMMENDED ACTION(S):

- 1. Retroactively approve and authorize the Sheriff's previous submittal of an online grant application on behalf of the County to the U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), Office of Juvenile Justice and Delinquency Prevention (OJJDP), for the Central California Internet Crimes Against Children (ICAC) Task Force Program, effective October 1, 2025, to September 30, 2026, in the amount of \$477,566;**
- 2. Approve, ratify, and authorize the Sheriff's, or his designee's, execution of retroactive Grant Award/Agreement Number 15PJDP-25-GK-01574-MECP, which requires compliance with assurances and certifications that relate to conduct during the performance of the Award/Agreement on behalf of the County to the DOJ, OJP, OJJDP, for the Central California ICAC Task Force Program, effective October 1, 2025, to September 30, 2026, in the amount of \$477,566;**
- 3. Authorize the Sheriff, or his designee, to sign claims for reimbursement, activity reports, and extend the grant ending date to expend allocated funding; and**
- 4. Authorize the Sheriff, or his designee to execute a Memorandum of Understanding (MOU) in substantially the form as attached to this item to add new participating law enforcement, investigative, and prosecutorial agencies to the ICAC task force, subject to approval as to legal form by County Counsel.**

There is no additional Net County Cost associated with these recommended actions, which will approve an agreement with DOJ/OJP/OJJDP for the continuation of the Central California ICAC Task Force (Task Force) program. The first recommended action retroactively approves submittal of the online grant application on behalf of the County. The second recommended action retroactively authorizes the Sheriff's, or their designee's, execution of the cooperative agreement for the third year of the three-year grant program. The third recommended action authorizes the Sheriff to sign documents associated with this grant agreement, and extend the grant ending date to expend allocated funding. The fourth recommended action will authorize the Sheriff, or his designee, to execute MOUs with any agencies that would like to be added to the Task Force, subject to approval as to legal form by County Counsel. This item is countywide.

ALTERNATIVE ACTION(S):

Not approving the recommended actions will result in cancellation of the grant, and de-obligation of the allocated Federal funding. Your Board could also elect not to approve the fourth recommended action, in which event, each of those MOU's would have to come back to your Board for approval.

RETROACTIVE AGREEMENT:

The recommended agreement is retroactive to October 1, 2025. DOJ/OJP/OJJDP published a letter of invitation for ICAC 2025 application on November 19, 2025. To meet the application deadline of December 8, 2025, the Department submitted the online application on December 4, 2025, contingent upon your Board's approval. The Sheriff's Office was notified on December 23, 2025, that the application was accepted for funding.

FISCAL IMPACT:

There is no additional Net County Cost associated with the recommended actions. Sufficient appropriations and estimated revenues are included in the Sheriff's Org 31116309 FY 2025-26 Adopted Budget and will be included in future budget requests to fund one Deputy Sheriff position, one Community Service Officer position, and associated costs for the Task Force. If funding goes away, positions will be deleted unless an alternative funding source is found. There is no match requirement associated with the program.

DISCUSSION:

OJJDP created the Task Force Program, a national network of federal, state, and local law enforcement agencies to enforce laws regarding ICAC, under the Missing and Exploited Children's programs within the DOJ Appropriations Act. The Sheriff's Office is the recipient of a DOJ/OJP/OJJDP grant to enforce laws regarding ICAC and has been using the funds to administer and operate the Task Force.

On December 17, 2024, your Board accepted the ICAC award for the performance period from October 1, 2024, through September 30, 2025, in the amount of \$469,594; as well as the third of the three-year cooperative agreement. On November 28, 2023, your Board accepted the ICAC award for the performance period from October 1, 2023, through September 30, 2024, in the amount of \$491,054; as well as the second of the three-year cooperative agreement. On January 24, 2023, your Board accepted the ICAC award for the performance period from October 1, 2022, through September 30, 2023, in the amount of \$449,906; as well as the first of the three-year cooperative agreement. The first recommended action will retroactively approve and authorize the Sheriff's submittal of an online application for the first of a new three-year cooperative agreement. The second recommended action will retroactively approve the Sheriff's, or their designee's, execution of the Grant Agreement.

The grant is requesting to continue funding one Deputy Sheriff position, and one Community Service Officer position to investigate internet crimes perpetrated against children; to provide educational programs aimed at law enforcement officers, teachers, parents, and children; to serve as a forensic resource to law enforcement agencies; and to participate in nationally-coordinated investigations. The application is also requesting to fund travel costs associated with Task Force training, software programs, and miscellaneous office supplies. The Task Force is dedicated to locating, identifying, and arresting those who prey upon our children, and who sexually exploit children through the use of technology, including the crime of child pornography.

The Task Force service area is comprised of nine (9) counties within Central California, and presently provides training and support to sixty-four (64) cooperating affiliate agencies. Approval of the third recommended action will allow the Sheriff's Office to execute MOUs with those agencies involved in the Task Force, as well as add new agencies to the Task Force. This agreement differs from the County's model contract in that it contains mutual indemnification language. This has the effect of making each party responsible for losses arising from their own negligent or wrongful performance, or failure to perform. The mutual indemnification language has been reviewed by Risk Management and deemed to be acceptable for this agreement between public entities.
