If any real or personal property acquired or improved with ESG funds is sold and/or utilized by SUBRECIPIENT for a use which does not qualify under the ESG program, SUBRECIPIENT shall reimburse COUNTY in an amount equal to the current fair market value of the property, less any portion thereof attributable to expenditures of non-ESG funds. 3 SUBRECIPIENT who is related by blood or marriage to any member of the Board of Directors or any

6 A. If SUBRECIPIENT expends Seven Hundred Fifty Thousand Dollars
7 (\$750,000.00) or more in Federal and Federal flow-through monies, SUBRECIPIENT agrees to

14 result of such audit. Such audit shall be delivered to COUNTY's DSS, Administration, for review within
15 nine (9) months of the end of any fiscal year in which funds were expended and/or received for the
16 program. Failure to perform the requisite audit functions as required by this Agreement may result in
17 COUNTY performing the necessary audit tasks, or at COUNTY's option, contracting with a public
18 accountant to perform said audit, or, may result in the inability of COUNTY to enter into future
19 agreements with SUBRECIPIENT. All audit costs related to this Agreement are the sole responsibility
20 of SUBRECIPIENT.

21 B. A single audit report is not applicable if all SUBRECIPIENT's Federal contracts
22 do not exceed the Five Hundred Thousand Dollars (\$750,000.00) requirement or SUBRECIPIENT's
23 only funding is through Drug related Medi-Cal. If a single audit is not applicable, a program audit must
24 be performed and a program audit report with management letter shall be submitted by
25 SUBRECIPIENT to COUNTY as a minimum requirement to attest to SUBRECIPIENT's solvency.
26 Said audit report shall be delivered to COUNTY's DSS, Accounting Office for review no later than nine
27 (9) months after the close of the fiscal year in which the funds supplied through this Agreement are
28 expended. Failure to comply with this Act may result in COUNTY performing the necessary audit

tasks or contracting with a qualified accountant to perform said audit. All audit costs related to this Agreement are the sole responsibility of SUBRECIPIENT who agrees to take corrective action to eliminate any material noncompliance or weakness found as a result of such audit. Audit work performed by COUNTY under this paragraph shall be billed to the SUBRECIPIENT at COUNTY cost, as determined by COUNTY's Auditor-Controller/Treasurer-Tax Collector.

C. SUBRECIPIENT shall make available all records and accounts for inspection by COUNTY, the State of California, if applicable, the Comptroller General of the United States, the Federal Grantor Agency, or any of their duly authorized representatives, at all reasonable times for a period of at least three (3) years following final payment under this Agreement or the closure of all other pending matters, whichever is later.

CONTRACT: Housing and Disability Advocacy Program
CONTRACT TERM: September 11, 2018 to June 30, 2020
CONTRACT AMOUNT: \$957,800

SUMMARY OF SERVICES

WestCare, California Inc. (WestCare) shall provide Housing and Disability Advocacy Program (HDAP) services, including disability advocacy, case management, emergency shelter motel vouchers, and permanent housing financial assistance. Disability benefits advocacy will be provided in adherence with the Substance Abuse and Mental Health Services Administration's (SAMHSA) SSI/SSDI Outreach, Access, and Recovery (SOAR) model. Housing services will primarily be provided through the rapid rehousing model of assistance, though linkages to permanent supportive housing services shall be made when appropriate and available.

TARGET POPULATION

This program will provide services to individuals who are both homeless and disabled and are seeking disability benefits. The chronically homeless and long-term recipients of County General Relief benefits will be given the highest priority in receiving HDAP services. Veterans will also be prioritized.

HOUSING AND DISABILITY ADVOCACY PROGRAM

WestCare shall provide HDAP services to clients that have been referred and accepted into the program. WestCare shall review all HDAP referrals received, conduct an intake assessment to determine eligibility, and if approved, provide services tailored to the needs of each individual client. Clients that are referred but are not approved for HDAP services shall be linked to outside resources as available.

The Sample SOAR Referral Application (incorporated herein as Attachment 1 to Exhibit A) shall be used as a screening tool, unless WestCare and COUNTY's DSS Director or designee mutually agree in writing to use a different tool. The tool shall be used to determine if a client is potentially eligible for disability benefits and is a viable candidate for HDAP services.

Additionally, all individuals referred to HDAP shall be administered a Vulnerability Index - Service Prioritization Decision Assistance Tool (VI-SPDAT) prior to service commencement, either during Coordinated Entry System (CES) intake, or at HDAP intake, if not previously assessed.

WestCare shall provide the following services to approved HDAP participants:

1. Disability Advocacy and Case Management

WestCare will provide assistance in obtaining benefits for Supplemental Security Income/State Supplementary Program for the Aged, Blind and Disabled (SSI/SSP); federal Social Security Disability Insurance Program (SSDI); the Cash Assistance Program for Immigrants (CAPI); and Veterans benefits provided under federal law, including disability compensation.

Disability advocacy includes completion of the entire disability benefit application process for any of the programs specified above. Advocacy services shall include, but are not limited to, the following:

- Developing and filing completely prepared documents for applications, appeals, reconsiderations, reinstatements, and recertifications;
- Coordinating with federal and state offices for pending applications, appeals, reconsiderations, reinstatements, and recertifications;
- Obtaining all relevant documentation from hospitals/medical centers, physicians, clinics, employers, case managers and others to meet the necessary burden of proof of a disability application; and
- Advocating on behalf of the client in all activities listed above.

Once accepted into the program, clients will work with Disability Advocates to develop an Individualized Service Plan and immediately begin to compile any documents they may need to apply for benefits. Advocates will meet with participants as often as needed for each specific case. Additionally, WestCare staff shall travel as needed for outreach and service delivery, including case management meetings in the clients' place of residence. Advocates shall take a proactive role in working with clients to ensure accountability and progress with each case.

Disability advocacy services shall continue until benefits are obtained. If a client is denied benefits, the advocate shall continue with the appeals and reconsideration process for as long as the client is willing to continue participation in services. In the event that the contract expires while there are participants whose cases have not been resolved, they will be transitioned to the Fresno Madera Continuum of Care (FMCoC) navigation process, and WestCare will continue to monitor their progress through the CES.

Advocacy staff will work closely with the HDAP housing case managers in a team effort to ensure efficiency and rapid progress for clients. Additionally, advocates with the housing team are to maintain contact with clients after they exit the program to monitor progress and housing retention.

2. Housing Financial Assistance and Housing Case Management

HDAP housing services provided shall include housing case management and rapid rehousing financial assistance. Financial assistance shall include rental assistance (full or partial rental subsidies), security deposits, utility deposits, utility payments, moving and storage costs (including arrears), motel or hotel voucher costs, paid shelter costs, and costs for making the home habitable (such as furniture, appliances, or household supplies). Case management provided shall include housing and relocation services, including landlord engagement, housing search and placement, and credit repair, as needed. The housing case manager shall work closely with the Disability Advocates to foster clients' self-sufficiency and prevent returns to homelessness.

Upon entry to HDAP, participants will be assigned to a housing case manager who will provide brief interventions, link them with the CES for housing prioritization, and help them secure temporary shelter or bridge housing until they can be placed in permanent housing. The housing case manager shall work with each participant to create a Housing First Individualized Service Plan, which will serve as the basis for developing short- and long-term goals for housing stability. Participants who desire treatment for substance use or mental health disorders will be admitted to residential programs or enrolled in outpatient treatment as needed.

Participants shall be placed into permanent housing within thirty to sixty days. Participants will typically remain in the program for three to six months, while the disability benefit application is reviewed, but those who require assistance for a longer duration will be accommodated. Housing services shall be available to clients for the entire length of the disability application process, including a brief transition period after final award or denial.

The housing case manager shall identify barriers to stable housing and work to help participants overcome those challenges. The case manager shall provide wraparound services for individuals and their families to ensure their successful transition to independent living. This includes arranging, coordinating, monitoring, and delivering services related to meeting participants' housing needs and obtaining stability.

Once housed, the case manager shall work with participants to maintain their residence and increase their economic, social, and medical stability. This may include, based on their needs assessment, linkages to programs for literacy, vocational training, education (GED, community college), and job readiness skills (interpersonal and interview skills, resume preparation, job search assistance). Case managers shall also provide life skills training in the areas of money management, hygiene, and nutrition education. Housing case managers shall work closely with disability advocates to address each participant's medical, mental health, medication management, and substance use treatment needs.

The HDAP housing component is funded in part by U.S. Housing and Urban Development (HUD) Emergency Solutions Grant (ESG). WestCare is required to comply with 24 CFR 576 and all other federal, state, and local regulations regarding ESG funded services while carrying out HDAP housing services.

SUBRECIPIENT RESPONSIBILITIES

- Receive referrals, conduct appropriate screenings to determine potential eligibility for disability benefits, and accept eligible candidates into the program. Ensure that ineligible HDAP candidates are linked to other available resources.

- Ensure that clients are placed in permanent housing that will be financially sustainable upon award of disability benefits.

- Enter all clients assisted into the FMCoC Homeless Management Information System (HMIS).

- Schedule and facilitate meetings as often as needed for service coordination, problem/issue resolution, information sharing, training, review, and monitoring of services.
- Provide the match for all ESG funding provided through this contract that is beyond the \$65,000 total required from WestCare.

WestCare shall provide complete and accurate monthly activity reports to COUNTY in a report format approved by the County by the 10th of each month.
