Steven E. White, PE, PLS
Public Works & Planning Director
Fresno County Department of Public Works & Planning

Dear Mr. White:

SUBJECT: REQUEST TO ACQUIRE RIGHT-OF-WAY WITHIN THE COUNTY OF FRESNO AND DEDICATE IT TO THE COUNTY OF FRESNO

The City of Fresno is reviewing street and traffic signal improvement plans that will require the dedication of right-of-way for public street easement purposes within the County of Fresno in conjunction with the street and traffic signal improvements along Willow Avenue at Alicante Drive as shown on the enclosed exhibits.

The proposed area of dedication and construction of street and traffic signal improvements are within the County jurisdiction. The City intends to acquire the right-of-way and requests that the County of Fresno accept the dedication of the public street right-of-way as a dedication to the County.

The City agrees that maintenance of the improvements can best be performed by one agency, and the City agrees to perform all maintenance for the improvements installed for the Traffic Signal within the area dedicated to the County.

Please contact Jairo Mata at 621-8714 if you need any additional information and to keep us informed of when the request will go to the County Board.

Sincerely,

A handwritten signature in blue ink that reads "Andrew J. Benelli".

Andrew Benelli, P.E.
City Engineer/Assistant Director
