## **FRESNO COUNTY EMPLOYEES' RETIREMENT ASSOCIATION (FCERA)**

### **CONFLICT OF INTEREST CODE**

#### **I. INTRODUCTION AND PURPOSE**

1. The Political Reform Act (Government Code Section 81000 et seq.) requires local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations, Section 18730) that contains the terms of a standard Conflict of Interest Code ("standard code"), which may be incorporated by reference in an agency's Code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act.

#### **II. PROVISIONS**

1. Therefore, the terms of 2 California Code of Regulations, Section 18730, and any amendments to it duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference and, along with the attached Appendix A and Appendix B, in which officials and employees are designated and disclosure categories are set forth, constitute the Conflict of Interest Code of FCERA.
2. Designated employees who do not file statements pursuant to Government Code section 87200, listed in Appendix A, shall file Statements of Economic Interest with the FCERA Executive Assistant, who will retain the statements and make the statements available for public inspection and reproduction.

3. The Retirement Administrator and Board Members, who file statements pursuant to Government Code section 87200 as public officials who manage public investments are to file their original Statements of Economic Interest directly with the Clerk of the Board for the Fresno County Supervisors using the electronic filing system. If the Statements of Economic Interest are not filed electronically, the paper Statements of Economic Interest and waiver shall be filed with the FCERA Executive Assistant and, upon receipt of these paper Statements of Economic Interest with waivers, the FCERA Executive Assistant shall make and retain a copy and forward the original to the Clerk of the Board of Supervisors<sup>1</sup>. The FCERA Executive Assistant, shall retain a copy of all electronically filed Statements of Economic Interest, a copy of all paper Statements of Economic Interest with waivers, and the original Statement of Economic Interest of designated positions and shall make the Statements of Economic Interest available for public review, inspection and reproduction. (Gov. Code section 81008.)

### **III. POLICY REVIEW**

1. Per Fair Political Practices Commission regulations and state law the Board shall review this code at least every two (2) years to ensure that it remains relevant and appropriate.

---

<sup>1</sup> The original statements (Form 700s) are forwarded to the Board of Supervisors despite the general rule of Title 2, California Code of Regulations § 18753(d), because the FPPC has exercised its discretion under that regulation to have the statements filed with the local agency's filing officer which is the Board of Supervisors. (Memo from Tech. Asst. Div. to Co. Clerks and other filing officers, Dec. 1994; *Kuhs* Advice Letter, A-96-063, March 8, 1996.)

**IV. POLICY HISTORY**

1. This code was originally adopted on November 3, 2010 and reviewed on October 7, 2015, September 21, 2016, June 20, 2018, February 6, 2019, September 7, 2022, and September 4, 2024.

## **Disclosures for Third Party Consultants**

On a case-by-case basis, the County Superintendent or his/her designee shall determine if a third party consultant is a “designated employee” who must disclose financial interests. When so identified, the County Superintendent or designee shall, in writing, provide a description of the consultant's duties and a statement of the extent of disclosure requirements based upon that description. All such determinations are public records and shall be retained for public inspection along with this Conflict of Interest Code.

For purposes of this section and for compliance with the Political Reform Act and 2 CCR section 18701, a consultant is defined as “an individual who, pursuant to a contract with County Superintendent, makes a governmental decision whether to:

1. Approve a rate, rule, or regulation;

(2 CCR section 18701.)

## **Disclosures by Employees in Newly Created Positions**

Such written determination shall include a description of the newly created position's duties and, based upon that description, a statement of the extent of disclosure requirements. County Superintendent's determination is a public record and shall be retained for public inspection in the same manner and location as this Conflict of Interest Code. (Gov. Code section 81008.)

Within 90 days of creating the newly created position that must file a Statement of Economic Interest, County Superintendent shall update this Conflict of Interest Code to add the actual position title in its list of designated positions and submit the amended conflict of interest code to the Fresno County Board of Supervisors, the code reviewing body of County Superintendent. ### I. DISQUALIFICATION

1. Disqualifying Financial Interests. Persons holding Designated Positions must disqualify themselves from making or participating in the making of any decisions or using their official positions to influence the making of any decision which will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally on the official or a member of his or her immediate family or on: (2 CCR 18730)

2. Legally Required Participation. No person holding a Designated Position shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. (2 CCR 18730)
3. Disclosure of Disqualifying Financial Interest. SCHOOL DISTRICT****CONFLICT OF INTEREST CODE****DESIGNATED POSITIONS  
EXHIBIT 2**Designated Positions

Employees determined to hold positions subject to the Conflict of Interest Code will be organized into three categories. Reporting requirements will then be determined by the category into which a specific position has been designated.

The following three categories have been identified pursuant to law:

Category One: Positions that have authority to vote on a matter, appoint a person or obligate or commit the agency to a course of action, or authorized to bind the agency into a contractual agreement.

Category Two: Positions with significant authority to negotiate decisions on behalf of the agency with little review.

Category Three: Positions that advise or make recommendations to key decision-makers and conduct substantive research or investigation that requires the exercise of judgment on the part of the employee and that influences decisions on behalf of the agency without significant review.

**A. REPORTABLE INTERESTS**

An investment, interest in real property, business position, or income, is reportable if the business entity in which the investment or business position is held, the interest in real property or income or source of income may foreseeably be affected materially by any decision made or participated in by the person holding a Designated Position.

**B. DESIGNATED POSITIONS IN CATEGORY ONE MUST REPORT**

1. Interests in real property located in whole or in part within or within two miles of the boundaries of the District including any leasehold, beneficial or ownership interest or option to acquire such interest in real property, if the fair market value of the interest is \$2,000 or more. "Interest in real property" includes interest held by an individual, a business entity, or a share or interest in real property of any business entity or trust in which a designated person or his or her immediate family owns directly, indirectly or beneficially, a ten percent interest or greater. Generally, a residence, such as a home or vacation cabin, used as a personal residence of the person holding the Designated Position, need not be reported. However, a residence for which the designated person claims a business deduction for income tax purposes may be reportable.

**CLOVIS UNIFIED  
SCHOOL DISTRICT**

2. Investments in, business positions with, and income from the business entities which are contractors or subcontractors, which are engaged, foreseeably may be engaged, or have been engaged within the previous two year period, in the performance of building, construction, and/or design with the District.
3. Investments in, business positions with, and income from persons or business entities engaged in the acquisition or disposal of real property within the District.

“Investment” includes any financial interest in or security issued by a business entity, including, but not limited to, common stock, preferred stock, rights, warrants, options, debt instruments and any partnership interest or other ownership interest. Investments of any individual also include a pro rata share of investments of any business entity or trust in which a designated person or his or her immediate family owns directly, indirectly or beneficially a ten percent interest or greater.

“Investment” does not include bank accounts, savings accounts, and money market accounts, shares in a credit union, any insurance policy, annuities, retirement accounts invested in non-reportable interests, interest in a diversified mutual fund registered with the Securities Exchange Commission under the Investment Company Act of 1940 defined benefit pension plans and profit sharing plans qualified under Internal Revenue Code section 401(a), or any bond or other debt instrument issued by any government or governmental agency.

No investment or interest in real property is reportable unless its fair market value exceeds \$2,000. No source of income is reportable unless the income received by or promised to the public official aggregates \$500 or more in value, or \$50 or more if a gift, during the preceding twelve (12) month reporting period.

**C. DESIGNATED POSITIONS IN CATEGORY TWO MUST REPORT**

Investments in, business positions with, and income from business entities which are doing business with the District, foreseeably may do business with the District, or have done business with the District at any time during the two years prior to the filing of the statement, which manufacture or sell materials, commodities, supplies, books, machinery, vehicles or equipment of the type utilized by the District. Investments include interests described in Category One.

**D. DESIGNATED POSITIONS IN CATEGORY THREE MUST REPORT**
