MCAH Directors and BIH Coordinators:

NOTICE OF INTENT TO AWARD: ALLOCATION FOR THE BLACK INFANT HEALTH PROGRAM (BIH),  
FISCAL YEAR 2022 – 2023.

The California Department of Public Health, Maternal, Child and Adolescent Health (CDPH/MCAH) Division intends to award your local health department Black Infant Health Program (BIH) funding for administration and expansion of BIH, aligning with budget language that amends the MCAH allocation for Local Health Jurisdictions that currently receive State General Fund allocations for the Black Infant Health program. This funding is to be utilized solely for the purpose of improving black infant birth outcomes and reducing black maternal and infant mortality through the expansion of the existing BIH program.

To carry out the program(s) outlined in the SOW and Budget(s) and expand the capacity to work toward the Participant Service Goal during the period of November 14, 2022 through June 30, 2023, the CDPH/MCAH Division will reimburse expenditures up to the amounts listed in the attached allocation table.

The availability of BIH State General Funds are based upon funds appropriated in the FY 2022-23 Budget Act. Reimbursement of invoices is subject to compliance with all federal and state requirements pertaining to the CDPH/MCAH related programs and adherence to all applicable regulations, policies and procedures.

Please ensure that all necessary individuals within your Agency are notified of this intent. If you have any questions, please submit them to [Blackinfanthealth@cdph.ca.gov](mailto:Blackinfanthealth@cdph.ca.gov) within 15 calendar days from the date of this letter.

Sincerely,
