General Conditions: Unless otherwise specified a 6-hour day, 8-hour night/weekend minimum will be incurred on any trucking day, as well as an 8% increase on all rates for nights and weekends. On all night work there will be a 24-hour cancellation policy or an 8-hour minimum will be applied. There will also be a 10% increase for all rubberized asphalt in transfers. **All tonnage quotes are per U.S. ton, based on full loads and direct routes to and from the jobsite and never will any averaging of standby be allowed. Standby will be assessed at the first point of arrival or delay due to the construction site (i.e., traffic control, detours, etc.) and will end when the truck is free and clear to return to the plant or point of origin without delay. If for any reason, there is a dispute over standby, all tonnage prices will be reversed to hourly rates. If two or more trucks are sent back on standby and don't receive a load there will be a return charge applied for each truck that does not receive a load.** A fuel increase will be applied to all rates at 1% for every \$0.10 increase once fuel goes over \$6.50 per gallon. For a current rate on fuel please refer to www.eia.gov on-highway retail diesel prices. All quotes including material subject to change without notice depending on material availability. Also, please note that material prices do not include material environmental fees. All individual quotes will be void if this quote is not used in its entirety. It will be customer's responsibility for any citations written for load showing or over loads from job site off hauls. **Also, it is customer's responsibility to make Tanney Transport aware of any prevailing wage costs associated with project. All trucking rates shown are "non-prevailing" unless specified. Tanney Transport will pass on the extra costs associated with prevailing wage to the customer.** To ensure truck availability Tanney Transport requires a weekly estimate of trucks needed, with a minimum of 24-hour notice of confirmation for the scheduling of trucks. With the major shortage of trucks due to the new EPA state mandates, Tanney Transport will not be held liable for any shortages of trucks on any project. Please be advised Tanney Transport is a Vendor not a Sub Contractor.

Life of Quote: Unless otherwise specified herein this quote will be VOID 30 days after the noted bid date of Tanney Transport. Due to material availability and price fluctuations all material prices will be VOID after 30 days.

Payment: All invoices shall be paid by the 20th of the following month. Tanney Transport is a Vendor-Supplier not a Sub Contractor, late payments will be assessed carrying charges at 1.5% compounded monthly on the outstanding balance. If a dispute arises between the parties, the prevailing party shall be entitled to recover attorney fees in addition to any other relief to which the party may be entitled.

Acceptance: Buyer shall SIGN and RETURN this quote sheet confirming "Special Conditions", price and estimated delivery date, via fax or return mail. **Failure to return a signed copy within 5 days after the start of quoted project constitutes complete and full acceptance.**
