Director  
Administration  
Fresno County Department of Public Works & Planning

Dear Mr. White:

**SUBJECT: REQUEST TO ACQUIRE RIGHT-OF-WAY WITHIN THE COUNTY OF FRESNO**

The City of Fresno is reviewing street and traffic signal improvement plans that will require the dedication of right-of-way for public street easement purposes within the County of Fresno in conjunction with the street and traffic signal improvements along Shields Avenue at Hayes Avenue as shown on the enclosed exhibits.

The proposed area of dedication and construction of street and traffic signal improvements are within the County jurisdiction. The City requests that the County of Fresno grant the City the authority to acquire the dedication of the public street right-of-way dedicated to the County.

The City agrees that maintenance of the improvements can best be performed by one agency, and the City agrees to perform all maintenance for the improvements installed within the area.

Please contact Harmanjit Dhaliwal at 621-8694 if you need any additional information and to keep us informed of when the request will go to the County Board.

Sincerely,

A handwritten signature in blue ink that reads "Andrew J. Benelli".
