WHEREAS, Project will be primarily funded through local funding sources; and

WHEREAS, City and County will each contribute the resources, financial or otherwise, necessary to fully fund the Project; and

WHEREAS, preliminary engineering (PE), construction engineering (CE), and construction (CON), are necessary to complete the Project; and

NOW, THEREFORE, in consideration of the mutual acknowledgments, covenants, and conditions herein contained, it is hereby agreed as follows:

1 1. The Project shall be performed and administered by City or its agents thereof
2 and shall be constructed under a single construction contract.

3 2. Upon completion of Project, each Party's jurisdictional and maintenance
4 responsibilities shall remain unchanged from that which existed prior to completion of the
5 Project except as modified through any street maintenance agreement entered into
6 between City and County.

7 3. City shall, either with City staff or by contracting with a consultant, provide PE
8 in accordance with the requirements of the funding agencies and all federal, state, and
9 local laws, including:

10 a. Administering California Environmental Quality Act Environmental

13 Project.

14 c. Preparation and administration of permits necessary for the
15 construction of the improvements.

16 d. Performing the administration for the advertisement, bidding, and
17 award of the Project construction contract.

18 e. Providing Design Engineering services; including preparation of plans,
19 specifications, and engineer's estimates and other Project documents necessary for the

21 4. City shall provide to County, for County's review and approval, plans and
22 specifications for the work to be performed within County's jurisdiction.

23 5. Acquisition of necessary right-of-way for the installation of ADA compliant

4 inspection will be borne entirely by County, and those costs will not be included as part of
5 the Project costs upon which the percentage allocation of cost sharing hereunder is
6 determined, nor will such inspection costs be reimbursable through project funding sources.

7 8. County and City shall each be responsible for the actual costs of the County

18 made to account for actual quantities used in construction of the Project), unless otherwise
19 approved in writing by County's Director of Public Works and Planning.

20 11. If the lowest responsible bid for Project's construction contract does not
21 exceed the engineer's estimate, including contingency, by more than ten percent (10%),
22 City's Department of Public Works shall recommend to the City Council that the
23 construction contract be awarded to that bidder. In the event that the lowest responsible
24 bid for Project's construction contract exceeds the engineer's estimate by more than ten
25 percent (10%), then City's Department of Public Works will not recommend that the City
26 Council award the construction contract, unless mutually agreed upon in writing by City's
27 Director of Public Works and County's Director of Public Works and Planning.

28 12. If the lowest responsible bidder's proposal is more than ten percent (10%)

5 writing by City's and County's respective Directors of Public Works.

6 13. Within forty-five (45) days after award of Project's construction contract by the
7 City Council, County shall deposit with City an amount equal to ninety percent (90%) of
8 County's estimated share of cost as shown in Exhibit A to this Agreement.

14 the remaining balance of County's share of costs as adjusted (if necessary), in accordance
15 with actual costs and the terms of this Agreement, County shall deliver payment in full of
16 such remaining balance to City's Department of Public Works

17 16. City agrees to indemnify, save, hold harmless, and at County's request,
18 defend County, its officers, agents, and employees from any and all costs and expenses,
19 damages, liabilities, claims, and losses occurring or resulting to any person, firm, or
20 corporation who may be injured or damaged by the performance, or failure to perform, by
21 City, its officers, agents and employees, under this Agreement; provided, that nothing
22 herein shall constitute a waiver by City of governmental immunity that may be available as

5 18. Without limiting the applicability or scope of the indemnification provisions
6 contained in Sections 16 and 17; County and City shall maintain, at their sole expense,
7 insurance policies or self-insurance programs including, but not limited to, an insurance
8 pooling arrangement and/or Joint Powers Agreement sufficient to fund their respective
9 liabilities hereunder throughout the term of this Agreement. Coverage shall be provided for
10 comprehensive general liability, automobile liability, professional liability, and workers'
11 compensation.

12 19. Neither party shall assign, transfer, or sub-contract this Agreement, nor any of
13 its respective rights or duties hereunder without the written consent of the other party.

14 20. This Agreement shall become effective immediately upon execution and shall
15 expire on June 30, 2017; provided, however, that its term may be extended by a maximum
16 of two additional one-year terms, upon mutual written consent of City's Director of Public
17 Works and County's Director of Public Works and Planning. This Agreement may be
