RE: Chevron Retailer Application
5596 East Kings Canyon Road
Fresno, CA 93727

- 1) **The issuance of a license would not tend to create a law enforcement problem and increase the level of crime activity;**

A Type 20 ABC License has been at this location for over 35 years. I'm asking to upgrade this License to a Type 21 License. The census tract 14.09 where this license is located in shows the census tract to be a low crime area. We are not adding any services that would change the character of the neighborhood.

- 2) **The issuance of a License would provide a needed service to the community, and that without this use there would be an inconvenience to the community;**

There is only 1(one) Type 21 license in this census tract 14.09. This would only make two Licenses on the west side of west side of Clovis Ave. from Tulare ST going south to Highway 99. People living in this area have been coming here to shop at the Chevron/Mini Mart for 35 years.

- 3) **The issuance of a License will have a positive impact on the local economy;**

We employ 6 people at this Chevron Food Store & Gasoline Facility with the addition of the upgrade from a Type 20 License to a Type 21 License, our customers can make all of their purchases at one location and not have to make additional stops to get all their needs. The sales increase will allow us to increase the number of employees to 7 or 8.
