---	--

Benefit to the Department or County for Participating?
This supports the County's mission to reduce illegal dumping by increasing public awareness of proper waste disposal.

Is there a public purpose for the proposed financial expenditure?
Yes, to promote responsible waste management practices and provide available waste disposal resources countywide.

How is the proposed financial expenditure connected to the County?
While there is no net county cost, expenditures are funded by the Resources Division ORG 9015.

Is this a Sponsorship? ☐ Yes ☒ No	Has the Department done this in the past? ☒ Yes ☐ No
--	---

List of materials to be passed out?
Informative literature, pens, pencils, coloring books, crayons, stress balls, magnetic clips, bags, oil-kits, and food waste pails.

Is this a required activity? ☐ Yes ☒ No
If so, by which entity? N/A

If participation is denied, is funding or program jeopardized? Explain:
If participation is not approved, the funding and program will not be at risk. However, education and outreach remain essential to ensure compliance with SB 1383 and other solid waste management regulations.

Additional justification for this request:

The referenced event attracts significant residential foot traffic, making it an ideal opportunity for community engagement. In previous years, staff participated in the event and engaged with more than two thousand residents and business owners, providing education on proper disposal practices and sharing information about available community resources, including the Environmental Compliance Center (ECC). Participation in this event offers meaningful, long-term benefits for Fresno County.
