Dear State Legislative Delegation:

On behalf of the residents of Fresno County, We are writing to thank you for all your hard work to help secure federal funding on our behalf. We were elated to see funding for our Cantua Creek/El Porvenir Improvements, Tranquility Complete Streets, and Emergency Egress Routes projects included in the Budget Acts of 2023.

- **Cantua Creek and El Porvenir Improvements Project (\$2 million)**
  - This project focuses on the improvement of streets, sidewalks, and drainage facilities in the rural, impacted communities of Cantua Creek and El Porvenir to address flooding risks while improving safety and accessibility. Street repairs, curb ramps, and drainage facilities will be installed in addition to construction of sidewalks leading to Cantua Creek Elementary.

- **Tranquility Complete Streets Project (\$3 million)**
  - This project provides essential facilities by reconstructing streets, building sidewalks/bike lanes, and making ADA improvements.
- **Emergency Egress Routes Project (\$1 million)**
  - This project will clear vegetation and dead trees along 23 emergency evacuation roads to ensure a safe route for residents and first responders in case of emergencies such as wildfires.

Thank you again for your support of the County and our residents. We appreciate your partnership and your leadership within the State Legislature.

Sincerely,

**Fresno County Board of Supervisors**
