**Approval of Funding from Small Community Drought Relief Program –
Water Works District 40 Water Treatment and New Well Project**

Your request for funding from the Department of Water Resources' Small Community Drought Relief Program (Program) for the Water Works District 40 Water Treatment and New Well Project (Project) has been approved. The approved funding is not to exceed the amount of \$1,202,000. The term of the funding will be from June 14, 2023, to June 30, 2025.

The Program was authorized by the Legislature pursuant to the Budget Act of 2021, as amended (Stats. 2022, ch. 44, § 25). The intent of the Program is to provide immediate and near-term financial and/or technical support to help small communities survive this and future droughts.

The purpose of this funding is to help the County of Fresno implement the above-referenced project. The Project is comprised of constructing a new well and wellhead treatment for one of the existing wells exceeding maximum contaminant levels to ensure the continued supply of safe and reliable water to the community of Shaver Springs during future droughts.

A draft funding agreement is being developed and will be sent to you for review. You may begin incurring costs from June 14, 2023. No reimbursement of Eligible Project Costs will be issued until the funding agreement is executed. Any costs incurred are at your own risk until the funding agreement is executed. For guidance as to what are Eligible Project Costs and what type of documentation is required for reimbursement, please see the *Small Community Drought Relief Program Guidelines and Agreement Template* which may be found at: <https://water.ca.gov/Water-Basics/Drought/Drought-Funding/Small-Community-Drought-Relief>.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Department of Water Resources (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
