DISCUSSION:

The Fresno County Ordinance Code, Title 2, Chapter 2.04, Section 2.04.010 29 is currently written that Board of Supervisors' meetings commence at 9:00 a.m. Approval of the first recommended action will amend the Ordinance Code to provide your Board the flexibility to commence board meetings at start times based on current needs.

The first hearing for this change was held on November 3, 2020 and set the second hearing for November 17, 2020. However, the November 17 meeting date was cancelled, and the second hearing was moved to November 24, 2020.

The recommended change to the Ordinance Code will be effective 30 days after adoption. Additionally, on November 3, 2020, your Board also approved revisions to Administrative Policy 29 - Board of Supervisors Meetings to align with this change.
