Dear Fresno County Board of Supervisor Magsig,

My name is Rob Michaels and I am a Fresno County resident in District #5. I am urging the Board of Supervisors of Fresno County to act and support policies that support Creek Fire survivors by passing the Amendment to Extend the Creek Fire Disaster Recovery Temporary Housing Urgency Ordinance until December 31, 2022.

I am working very hard to recover and rebuild after the Creek Fire but this process takes time. I have been living in a trailer since October and do not expect to be finished rebuilding until spring of 2023. I am currently trying to rebuild but due to financial constraints, lumber costs, lack of available contractors and the county road and water district having issues on my property I have been delayed in my rebuilding process.

You have said in your town hall meetings with us, the survivors of this deviation, that you would do everything in your power to help us in our recovery process. So could you encourage the Board of Supervisors for Fresno County to pass the Amendment and at least extend the Creek Fire Disaster Recovery Temporary Housing Urgency Ordinance until December 31, 2022. Failure to pass this amendment would have enormous negative side effects on the community's recovery as families are already struggling to recover.

Sincerely,

Rob Michaels

Dear Fresno County Board of Supervisors,

My name is **Wendy Michaels** and I am a Fresno County resident in District #5. We are urging the Board of Supervisorsof Fresno County to act and support policies that support Creek Fire survivors by passing the Amendment to Extend the Creek Fire Disaster Recovery Temporary Housing Urgency Ordinance until December 31, 2022.

We are working very hard to recover and rebuild after the Creek Fire but this process takes time. We have been living in a trailer since 9-2021 and do not expect to be finished rebuilding until 2023. I am unable to rebuild due to financial constraints and long time cleaning debris and permits and wait for contractors/architects etc.

We would highly encourage the Board of Supervisors for Fresno County to pass the Amendment and at least extend the Creek Fire Disaster Recovery Temporary Housing Urgency Ordinance until December 31, 2022. Failure to pass this amendment would have enormous negative side effects on the community's recovery as families are already struggling to recover.

Sincerely,

Wendy Michaels
