## ALTERNATIVE ACTION(S):

There is no viable alternative action. If the recommended actions are not approved, no additional services will be provided.

## RETROACTIVE AGREEMENT:

The recommended agreements are being brought to the Board retroactively due to the delay in receiving them from the USFS. These agreements were received from the USFS on May 11, 2018 and are being brought to your Board at the first available Board date. The agreements will provide additional law enforcement coverage during the summer months for the period commencing on or about June 15, 2018 through September 30, 2018.

## FISCAL IMPACT:

There is no additional Net County Cost associated with the recommended actions. The proposed agreements provide for additional law enforcement services not to exceed \$44,000. The appropriations and estimated revenues for these agreements are included in the Sheriff-Coroner's FY 2017-18 Adopted Budget for Org 3111 and will be included in the Sheriff-Coroner's FY 2018-19 budget request for Org 3111. The approval of the recommended actions will allow the Sheriff-Coroner's Office to recover the cost of salaries, benefits, radio usage, mileage and equipment usage for the Deputy Sheriff position at the FY 2017-18

approved Master of Schedule Fee (MSF) rate of \$106.46/hour (regular) and \$60.43/hour (overtime).

DISCUSSION:

The Sheriff-Coroner's Office has provided additional law enforcement services in the National Forest System lands since 2000. The USDA Forest Service wishes to continue providing funding for patrol and enforcement coverage for multiple areas within the Shaver and Huntington Lake recreational sites and campgrounds to include the USFS roads. In addition, the Forest Service wishes to continue services to suppress manufacturing and trafficking of controlled substances on National Forest System lands.

The Sierra National Forest is within Area 4 of Fresno County Sheriff's designated patrol routes. The existing law enforcement patrol standard for Area 4 is twenty-four hour daily land patrol. Designated patrol time conducted on property and the area around both Huntington and Shaver Lakes varies. Deputy response time from another location to High Sierra Recreation Area can take up to 45 minutes or more depending on the response location.

On March 28, 2017, your Board approved a Cooperative Law Enforcement Agreement #17-103 with the USDA Forest Service for a period of five years effective from March 28, 2017 through December 31, 2021. The agreement consists of an annual operation plan negotiated on a fiscal year basis via Modification(s) as follows:

- Modification 1 from October 1, 2016 to September 30, 2017 for patrol from Shaver Lake to Huntington Lake Recreation Area approved by your Board on March 28, 2017.
- Modification 2 from October 1, 2016 to September 30, 2017 for investigative services to suppress controlled substances on National Forest System lands approved by your Board on March 28, 2017.

The first recommended action will approve a 2018 revenue agreement that will provide additional patrol hours commencing on or about June 15, 2018 through September 30, 2018 and will allow the Sheriff-Coroner's Office to collect revenue in the amount of \$26,000. The agreement includes funding for the following: regular salaries, residential rental at Huntington Lake for the period of June 15, 2018 through September 30, 2018, training not to exceed 10% of the total allocation (\$2,600), and equipment not to exceed 10% of the total allocation (\$2,600).

The second recommended action will approve a 2018 revenue agreement that will provide reimbursement of \$18,000 to support operations to suppress manufacturing and trafficking of controlled substances on or affecting the National Forest System Lands. The agreement includes funding for the following: regular salaries and overtime, supplies and equipment not to exceed 10% of the total allocation (\$1,800).
