

BEFORE THE BOARD OF SUPERVISORS  
OF THE COUNTY OF FRESNO  
STATE OF CALIFORNIA  
RESOLUTION NO. 20-059

Resolution Establishing Specific Plan Development Fees to Provide for Millerton New Town Facilities for  
Tract No. 6189

WHEREAS, the Board of Supervisors of the County of Fresno, on December 7, 2004, adopted the latest update to the Millerton Specific Plan (Specific Plan) creating and establishing the authority for imposing and charging a fee for the development of roadway and park facilities identified in Exhibit A to this resolution for projects within the Millerton Specific Plan area (Development Fee); and

WHEREAS, notice of the public meeting and a general explanation of the matter to be considered was published according to Government Code Section 66018; and,

WHEREAS, notice of the public meeting and a general explanation of the matter to be considered was mailed at least 14 days prior to the meeting to any interested party who had filed a written request for mailed notice of the meeting on new or increased fees or service charges, as required by Government Code Section 66019; and,

WHEREAS, pursuant to public notice, a hearing was held as part of a regularly scheduled meeting at which oral or written presentations could be made; and,

WHEREAS, application has been made for approval of the Final Map for Tract No. 6189; and,

WHEREAS, on December 14, 2000 the Fresno County Planning Commission approved Vesting Tentative Subdivision Map No. 4968, Classified Conditional Use Permit No. 2956, Site Plan Review No. 7082, and Mitigation Measures adopted and/or approved through the associated Initial Study subject to certain conditions; and,

WHEREAS, a detailed study of the cost of construction of those roadway and park facilities (Improvements) identified in the Specific Plan was prepared for and reviewed by the Department of Public Works and Planning entitled "MILLERTON NEW TOWN INFRASTRUCTURE PLAN FACILITY FEES AND SPECIFIC PLAN DEVELOPMENT FEES" dated June 2008, and is on file with the

1 Department of Public Works and Planning, Development Services and Capital Projects Division (Fee  
2 Study); and,

3 WHEREAS, said Specific Plan sets forth the relationship between the proposed development  
4 and the needed facilities and said detailed study estimated the cost of those improvements; and

5 WHEREAS, these studies were made available for public inspection and review for at least 10  
6 days prior to this public hearing, as required by Government Code section 66019; and,

7 WHEREAS, said Specific Plan requires the payment of the Development Fee to fund the  
8 construction of Improvements within the Specific Plan area; and,

9 NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of County of Fresno that:

10 1. Findings.

11 The Board makes the following findings:

- 12 A. All of the recitals stated above are true and correct.
- 13 B. The purpose of the Development Fee is to finance public facility improvements to mitigate  
14 the impact caused by development of Tract No. 6189. Such improvements include the  
15 construction of roadway and park facilities within the Millerton Specific Plan area. (Gov.  
16 Code section 66001, subd. (a)(1).)
- 17 C. The fees collected pursuant to this resolution shall be used to finance the cost of  
18 Improvements identified in Exhibit A attached to this resolution. (Gov. Code section  
19 66001, subd. (a)(2).)
- 20 D. After considering the Specific Plan and the Fee Study, and the testimony received at this  
21 public hearing, the Board of Supervisors approves and adopts the Fee Study and  
22 incorporates it into this resolution, and further finds that the development of Tract No.  
23 6189 will generate additional demands on facilities.
- 24 E. As development occurs throughout the Millerton Specific Plan area, there will be a need  
25 for expanded, improved, and newly constructed Improvements.
- 26 F. The Specific Plan, Fee Study, and testimony establish:
- 27 1. That there is a reasonable relationship between the fee's use, namely, expanded,  
28 improved, or newly constructed Improvements as described above, and the type

1 of development for which the fee is charged, which is residential development  
2 associated with Tract No. 6189, as described above (Gov. Code section 66001,  
3 subd. (a)(3));

4 2. That there is a reasonable relationship between the need for the Improvements as  
5 designated in Exhibit A and the impacts of the development of Tract No. 6189 as  
6 identified in the Specific Plan and Fee Study for which the corresponding fee is  
7 charged (Gov. Code section 66001, subd. (a)(4)); and,

8 3. There is a reasonable relationship between the amount of the fee and the cost of  
9 the Improvements or portion of the Improvements attributable to the development  
10 of Tract No. 6189 on which the fee is to be imposed (Gov. Code section 66001,  
11 subd. (b)).

12 2. Fee Imposed.

13 A Specific Plan Development Fee, in the amount stated in Section 3, shall be charged and paid  
14 before the issuance of a building permit for each residential lot developed in Tract No. 6189; provided,  
15 however, that the developer may enter into a written agreement with the County to pay the fee no earlier  
16 than concurrently with the recordation of a final map for property within the Specific Plan area.

17 3. Amount of Specific Plan Development Fee.

18 A. The fee for each single-family lot in Tract No. 6189 shall be \$7,453.96.

19 B. The amount of the fee shall be adjusted on January 15 annually by a percentage equal to  
20 the change in the Engineering News Record Construction Cost Index for 20 Cities for the  
21 preceding year as published in the Fourth Quarterly Cost Issue in the preceding  
22 December.

23 4. Payment of Other Fees Required.

24 A. Notwithstanding any other provision of this Resolution, development of Tract No. 6189  
25 within the Specific Plan area is responsible for the payment of all other applicable fees  
26 adopted by the County.

27 B. Nothing in this Resolution affects the obligation of any person to pay Area of Benefit fees  
28 established pursuant to Fresno County Ordinance Code so long as this fee shall not

1 result in a duplicate fee for any development or portion thereof included in an Area of  
2 Benefit.

3 5. Use of Fee Revenues.

4 A. The revenues collected by payment of the Development Fee shall be placed in the  
5 Millerton Specific Plan Development Fee accounts and such revenues, plus any interest  
6 earnings on each account, shall be used for the following purposes:

- 7 1. To pay for design and construction of designated Improvements; and
- 8 2. To reimburse developers who have designed and constructed designated Specific  
9 Plan Facilities which are oversized with supplemental size, length, or capacity; and
- 10 3. To pay for and/or reimburse costs of program development and ongoing  
11 administration of the Specific Plan Funds.

12 6. Expenditure of the Fees.

- 13 A. Fees in the Millerton Specific Plan Development Fee accounts shall be expended only for  
14 those facilities listed in Exhibit A and only for the purpose for which the fee was collected.
- 15 B. Proceeds of the Development Fees shall not be used to pay for existing deficiencies of  
16 any public facilities.

17 7. Administrative Regulations.

18 The Director of the Department of Public Works and Planning shall develop procedures for the  
19 effective implementation and administration of the Millerton Specific Plan Development Fees and to  
20 annually review and update the Fee Schedule.
