CAUTION!!! - EXTERNAL EMAIL - THINK BEFORE YOU CLICK

Hello Ron,

Per our conversation, here are my concerns with the potential approval of the liquor license for the Millerton Rd & Marina Dr location:

Millerton Rd is an incredibly dangerous road. We've been a resident of this community for 8 years. We have lost count of the fatal accidents on this road. In fact, someone died early this morning in an accident. Also consider the westbound boaters that frequent Millerton lake during spring and summer. How will they affect cross traffic trying access the liquor store, with a boat in tow, before going out on the lake?

Casino patrons coming and going at all hours of the night. Alcohol already plays a role in this activity. Making it more convenient (and cheaper) to consume alcohol before and after casino visits presents yet another danger to our community.

The Sky Harbor road has a long history of problems with illegal activity. Again, making alcohol more convenient increases risk to the residents of this area.

Impact of operating hours and road access to a proposed liquor store: How will the parking lot of the liquor store be accessed? Off the main road, or through our neighborhood entrance (Marina Dr)? Also, what hours of the night will people be stopping in to buy more liquor? Where will they go from there? We already have problems with suspicious individuals wandering through our neighborhood that have no business there. Myself and several neighbors have had to deal with this multiple times. Car break-ins and theft will only become a bigger problem.

The presence of law enforcement is already stretched thin. We have spoken to several deputies patrolling the area over the years. We are aware of the vast area they must patrol with only a couple on shift at any given time. Again, a liquor store will only strain resources further.

On behalf of Myself and several neighbors, please consider our concerns and the impact this will have on public safety and our immediate community. We already have 2 liquor stores in proximity, so why approve another one and add fuel to the fire. I will be happy to submit a neighborhood petition if necessary. Thanks again for your time.

Respectfully, Phillip Bryant
