

Board Agenda Item 59

DATE: August 9, 2022

TO: Board of Supervisors

SUBMITTED BY: Sanja Bugay, Director, Department of Social Services

SUBJECT: Retroactive FY 2022-23 Subvention Program and Medi-Cal Cost Avoidance Fund
Certificates of Compliance

RECOMMENDED ACTION(S):

- 1. Approve and authorize the Chairman to execute retroactive California Department of Veterans Affairs Annual Subvention Certificate of Compliance FY 2022-23, for the Fresno County Department of Social Services - Veterans Services Office (Org 7110), effective July 1, 2022 to June 30, 2023 (\$149,525); and,**
- 2. Approve and authorize the Chairman to execute retroactive California Department of Veterans Affairs Annual Medi-Cal Cost Avoidance Program Certificate of Compliance FY 2022-23, for the Fresno County Department of Social Services - Veterans Services Office (Org 7110), effective July 1, 2022 to June 30, 2023 (\$6,031).**

There is no additional Net County Cost associated with the recommended actions. Approval of the recommended actions will allow the Department of Social Services to receive annual subvention funding and Medi-Cal cost avoidance funding for FY 2022-23 to offset expenses incurred in the operation of the County Veterans Service Office (VSO). This item is countywide.

ALTERNATIVE ACTION(S):

There are no viable alternative actions. Annual approval of the County Subvention Program and Medi-Cal Cost Avoidance Compliance Certificates are required in order to receive the funding from the California Department of Veterans Affairs (CDVA).

RETROACTIVE AGREEMENT:

The recommended actions are retroactive to July 1, 2022, as CDVA made the Certificates of Compliance available to counties on June 8, 2022.

FISCAL IMPACT:

There is no increase in Net County Cost associated with the recommended actions. The County VSO is eligible to receive an estimated \$149,525 under the CDVA FY 2022-23 County Subvention Program and \$6,031 from the Medi-Cal Cost Avoidance fund. Sufficient estimated revenues are included in the Department's VSO Org 7110 FY 2022-23 Recommended Budget.

DISCUSSION:

Each year, CDVA authorizes an allocation of funds through a subvention program for a portion of the cost of the local VSO operations so long as the County meets the eligibility requirement. The total allocation is retroactive to July 1, 2022 and is based on a combination of available State funds and each County's proportional share of workload units and mandated activities.

With your Board's approval of the FY 2022-23 County Subvention Program Certificate of Compliance, the County will receive an estimated \$149,525 to be used to offset a portion of the County VSO expenses. The Subvention Program is administered under the provisions of the Military and Veterans (M&V) Code, Sections 972 and 972.1. The projected revenues are based on current State estimates and subject to change once allocations are finalized.

In addition, the County meets the requirements of the Medi-Cal Cost Avoidance program as stated in the Medi-Cal Certificate of Compliance for FY 2022-23 and is eligible to receive an allocation from the Medi-Cal Cost Avoidance fund. Through this program, administered under the provisions of the M&V Code, Section 972.5, the County will receive an estimated \$6,031 in FY 2022-23. Approval of the recommended FY 2022-23 Medi-Cal Certificate of Compliance will enable the County to receive this allocation from the State.

The signed statements are necessary to receive funding and must be submitted to the CDVA immediately following Board approval, in order to be eligible for receipt of FY 2022-23 funds. As stated in both certificates of compliance, funds received can only be used to support VSO program operations. The related services are provided through assigned Department staff.
