Steven E. White, PE, PLS
Director
Administration
Fresno County Department of Public Works & Planning

Dear Mr. White:

SUBJECT: REQUEST TO ACQUIRE RIGHT-OF-WAY WITHIN THE COUNTY OF FRESNO

The City of Fresno is reviewing final map T-6376 located on the west side of Armstrong Ave. just north of Church Ave. T-6376 will be required to annex into the City, construct ultimate street frontage improvements along Armstrong, and provide a safe route to school from their tract limits to the school located at the southeast corner of Church and Fowler. The tract will be within the City of Fresno limits but the safe route to school will be outside of city limits and is within the County's jurisdiction. The City is requesting that the County quitclaim the existing right-of-way for Armstrong and Church Avenues to the City of Fresno. This action will allow the safe route to school to be maintained by the City.

The City agrees that maintenance of the improvements can best be performed by one agency, and the City agrees to perform all maintenance for the improvements installed within the area.

Please contact Jairo Mata at 621-8714 if you need any additional information and to keep us informed of when the request will go to the County Board.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Mozier".

Scott Mozier, P.E., T.E.
Public Works Director

Enclosures: Church and Armstrong Legal and Exhibit
