**NOTICE OF PUBLIC HEARING** Following the Board's adoption of Chapter 17.90, the Board adopted four successive temporary suspensions of collection of the fees through November 10, 2018. The Board will be considering amending Chapter 17.90 to discontinue public facilities impact fees established in 2008, starting on November 10, 2018, but maintain authorization to establish new public facilities impact fees in the future.

**NOTICE IS HEREBY GIVEN THAT** the Board of Supervisors ("Board") of the County of Fresno ("County") will hold a public hearing on September 25, 2018, at 9:00 AM or as soon thereafter as the matter may be heard, in the Board Chambers, County Hall of Records, Third Floor, 2281 Tulare Street, Fresno, California, 93721, to consider and take action on adopting the proposed Ordinance Amending Chapter 17.90 of Title 17, entitled, "Divisions of Land," of the Fresno County Ordinance Code, Relating to Authorizing Public Facilities Impact Fees and a Schedule of Fees (collectively, "Ordinance Amendment").

At the public hearing, the Board will conduct the first hearing on an Ordinance amending Title 17 - Divisions of Land, Chapter 17.90 - Public Facilities Impact Fees and Schedule of Fees, of the Fresno County Ordinance Code, to discontinue public facilities impact fees established in 2008 but maintaining authorization to establish new public facilities impact fees in the future; waive reading of the Ordinance in its entirety; and set the second hearing for October 9, 2018. Chapter 17.90 of the County's ordinance code authorizes the County to establish, impose, and collect public facilities impact fees as a requirement of the County, or a relevant city, as applicable, before the County or the relevant city, as applicable, issues a building permit for construction with respect to development. There are limited circumstances for exemptions from or conditional deferral of paying these fees. These County public facilities impact fees would provide financing for new, expanded, and improved County public facilities needed to meet the increased demand on the County's public facilities caused by development within the cities and unincorporated areas of the County, as provided in Chapter 17.90.

If the Board adopts the proposed Ordinance Amendment, it will take effect 30 days after its adoption. A copy of the Board agenda materials (including the proposed Ordinance Amendment) for the Board's actions on this matter will be made available for public review, commencing on or about the Wednesday immediately before the applicable Board public hearing date, at the office of the Clerk to the Board (at the address for the Board), and on the County's Internet web site at [www.co.fresno.ca.us](http://www.co.fresno.ca.us). Anyone may attend the public hearing and make any oral or written presentations at that time. Also, if anyone wishes to submit any written comments to the Board on this matter in advance of the hearing, he or she may do so by delivering those comments, either personally or by mail, to the Clerk to the Board at the above address for the Board. If you have any questions concerning this notice, please contact William Kettler, Development Services and Capital Projects Manager, Department of Public Works & Planning, at (559) 600-4233. Bernice Seidel, Clerk Board of Supervisors of the County of Fresno
