Dear Ms. Neff,

The County of Fresno regrets to inform you that DNA Paternity Testing services will no longer be required of DNA Diagnostics Center (DDC). Please note, all client DNA samples collected prior to September 4, 2020, will be tested and the interpreted results returned in accordance with contract provisions. All outstanding invoices will be settled by the County after October 1, 2020.

The County appreciates the services provided by your agency. Should you have any questions or concerns, please contact Staff Analyst John Arbie at (559) 600-1988.
