Content

Three separate
“windows” on the screen

Top

- The top, first window, holds the “Realize Fresno County” video.
- The video is two minutes in length and loops continuously
- Here are a few examples of images included in the video

Center

- The middle window features a welcome message, map, and web/social media info
- Each slide is displayed for 2 minutes
 - This offsets the movement of the other two windows and allows for a more balanced visual experience

Last

- The last, third window, displays the slide show
 - Each district is represented in the slide show
 - Each slide is displayed for 30 seconds
