As discussed, OPEX is interested in procuring a Mail Matrix from County of Fresno, ROV. The Mail Matrix has a fair market value of \$20,000 for which OPEX offers a Used Model 72 as a trade. The freight cost for shipping the Model 72 via a third party shipper is the responsibility of County of Fresno, ROV. An estimated shipping cost of \$544.81 has been pre-determined. Otherwise, if buyer delivers the Model 72, buyer will cover shipping costs. The cost to disassemble and remove OPEX Mail Matrix, associated equipment and freight will be at buyer's expense. Our offer is valid until **March 2, 2018** and OPEX reserves the right to re-evaluate this offer as necessary.
