The Honorable Alex Padilla

Washington, DC 20510

Dear Senator Padilla:

On behalf of the County of Fresno, we are writing to thank you for your hard work to help obtain federal funding for the Cantua Creek Sidewalk Improvement Project in the Fiscal Year 2024 final appropriations bills.

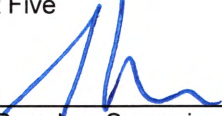

The funding you helped secure for this project will help improve streets, sidewalks, and drainage facilities in the rural impacted communities of Cantua Creek and El Porvenir, two unincorporated and rural communities. Street repairs, curb ramps, and drainage facilities will be installed and sidewalks leading to Cantua Creek Elementary School will be constructed. The important project will address flooding risks, improve safety, and increase accessibility.

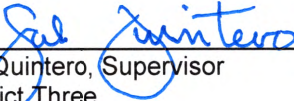

Thank you for your continued support for the County of Fresno and our residents. We appreciate your partnership and your leadership in the halls of Congress.

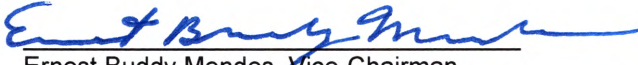

Sincerely,
