**INTERLOCAL AGREEMENT
BETWEEN THE CITY OF FRESNO and COUNTY OF FRESNO
(ALL OF FRESNO COUNTY, STATE OF CALIFORNIA)**

**EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT (JAG) PROGRAM
FY 2024 LOCAL SOLICITATION**

This Agreement, which incorporates Grant Management System Award Number, 15PBJA-24-GG-05328-JAGX including the Certifications and Assurances, is made and entered into this 8th day of April 2025, by and between the County of Fresno, acting by and through its governing body, the County Board of Supervisors (COUNTY), and the City of Fresno, acting by and through its governing body, the City Council (CITY), all of Fresno County, State of California, witnesseth:

RECITALS

WHEREAS, this Agreement is made under the authority of Section 930 through 930.6 of the Government Code; and

WHEREAS, each governing body, in performing governmental functions or in paying for the performance of governmental functions hereunder, shall make that performance or those payments only from current Edward Byrne Memorial Justice Assistance Grant Program (JAG) revenues annually appropriated and available to that party; and

WHEREAS, each governing body finds that the performance of this Agreement is in the best interests of all parties, that the undertaking will benefit the public, and that the division of costs/allocation of funds fairly divides JAG funding and compensates the performing party for the services or functions under this Agreement; and

WHEREAS, the County of Fresno is a disparate jurisdiction. Allocation amounts for disparate jurisdictions appearing on the 2024 JAG allocation list are suggested amounts based on what each jurisdiction would have been eligible to receive if there was no identified disparity. Disparate jurisdictions are responsible for determining individual allocations and documenting individual allocations in a Memorandum Of Understanding. The suggested allocation amounts are as follows: the CITY will receive \$297,935, and the COUNTY will receive \$75,640; and

WHEREAS, jurisdictions certified as disparate must identify a fiscal agent who will submit a joint application for the total eligible allocation. The fiscal agent will be responsible for oversight of subawardee spending and monitoring of specific outcomes and benefits attributable to use of funds. Up to 10 percent of the JAG award funds may be used for costs associated with administering JAG funds; and

WHEREAS, the CITY and COUNTY believe it to be in their best interests to allocate the JAG funds as suggested on the 2024 JAG allocation noted above.

AGREEMENT

NOW THEREFORE, the COUNTY and CITY agree as follows:

Section 1.

The CITY and COUNTY have agreed that the CITY will act as Fiscal Agent for purposes of the FY 2024 JAG. The CITY and COUNTY have agreed neither party will seek costs associated with administering JAG funds. Contingent upon funding being available, CITY agrees to allocate funding to the COUNTY in the amount of \$75,640 from the FY 2024 JAG funds within 30 days of receipt of funds by CITY.

Section 2.

COUNTY and CITY agree to use funds for the JAG until expiration of the FY 2024 JAG term, whereupon any unused funds shall be remitted to the U.S. Department Of Justice (DOJ), Office of Justice Programs (OJP), Bureau of Justice Assistance (BJA), consistent with Program requirements.

Section 3.

Nothing in the performance of this Agreement shall impose any liability for claims against CITY other than claims for which liability may be imposed by the California Tort Claims Act.

Section 4.

Nothing in the performance of this Agreement shall impose any liability for claims against COUNTY other than claims for which liability may be imposed by the California Tort Claims Act.

Section 5.

The CITY and COUNTY agree to comply with all requirements of the Edward Byrne Memorial Justice Assistance Grant Program (34 U.S.C. 10153(a)), and in accordance with all applicable statutes, regulations, Office of Management and Budget (OMB) Circulars, and guidelines, including the OJP Financial Guide. The COUNTY agrees to provide the CITY, as Fiscal Agent, with all required financial reporting within 30 days after the end of each quarter and semi-annual programmatic reporting information no later than the 30 days following the end of each six-month period, in a format approved by the CITY.

Section 6.

The parties are acting in an independent capacity. Each of the parties agrees that it, including any and all of its officers, agents, and/or employees, shall have absolutely no right to employment rights and benefits available to the other party's employees. Each party shall be solely liable and responsible for providing to, or on behalf of, its own officers, agents, and/or employees all legally and contractually required employee benefits. In addition, each party shall be solely responsible and hold the other party harmless for all matters relating to payment of each party's employees, including, but not limited to, compliance with applicable social security withholding and all other regulations governing such matters. Further and without limitation, each party to this Agreement will be

responsible for its own actions in providing services under this Agreement and shall not be liable for any civil liability that may arise from the furnishing of the services by the other party.

CITY shall indemnify, hold harmless and defend County of Fresno and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by County of Fresno, CITY or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly from the negligent or intentional acts or omissions, or willful misconduct of CITY or any of its officers, officials, employees, agents or volunteers in the performance of this Agreement; provided nothing herein shall constitute a waiver by CITY of governmental immunities including California Government Code section 810 et seq.

County of Fresno shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the CITY, County of Fresno or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly from the negligent or intentional acts or omissions, or willful misconduct of County of Fresno or any of its officers, officials, employees, agents or volunteers in the performance of this Agreement; provided nothing herein shall constitute a waiver by County of Fresno of governmental immunities including California Government Code section 810 et seq.

In the event of concurrent negligence on the part of CITY or any of its officers, officials, employees, agents or volunteers, and County of Fresno or any of its officers, officials, employees, agents or volunteers, the liability for any and all such claims, demands and actions in law or equity for such losses, fines, penalties, forfeitures, costs and damages shall be apportioned under the State of California's theory of comparative negligence as presently established or as may be modified hereafter.

This section 6 shall survive termination or expiration of this Agreement.

Section 7.

The parties to this Agreement do not intend for any third party to obtain a right by virtue of this Agreement.

Section 8.

By entering into this Agreement, the parties do not intend to create any obligations express or implied other than those set out herein. Further, this Agreement shall not create any rights in any party not a signatory hereto.

Section 9.

Any and all notices between the parties provided for or permitted under this Agreement or by law shall be in writing and shall be deemed duly served when personally

delivered to each party, or in lieu of such personal service, when deposited in the United States Mail, postage prepaid, addressed to each party at the address provided on the signature page of this Agreement. For all claims arising out of or related to this Agreement, nothing in this section establishes, waives, or modifies any claims presentation requirements or procedures provided by law, including but not limited to the Government Claims Act (Division 3.6 of Title 2 of the Government Code, beginning with section 810).

Section 10.

Each party shall at any time during business hours, and as often as each party may reasonably deem necessary, make available to each other for examination all of its records and data with respect to the matters covered by this Agreement for a period of three years following JAG expiration.

Section 11.

The provisions of this Agreement are severable. The invalidity, or unenforceability of any one provision in this Agreement shall not affect the other provisions.

Section 12.

The parties acknowledge that this Agreement in its final form is the result of the combined efforts of the parties and that, should any provision of this Agreement be found to be ambiguous in any way, such ambiguity shall not be resolved by construing this Agreement in favor of or against any party, but rather by construing the terms in accordance with their generally accepted meaning.

Section 13.

This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous agreements, negotiations, proposals, commitments, writing, advertisements, publications, and understandings of any nature whatsoever unless expressly included in this Agreement.

Section 14.

Each party represents that it and the person signing on its behalf has full authority to execute and enter into this Agreement. **This Agreement is subject to ratification by the approval of the Fresno City Council, and approval of the Fresno County Board of Supervisors.**

Section 15.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on the parties hereto according to its terms and conditions.

Project Description: Four years after COVID-19 sparked a global pandemic, we have moved to an endemic phase. The economy suffered during the pandemic and local and state governments are slowly recovering even with infusion of revenue from the federal government. We are now experiencing high inflation with the cost of goods and services increasing, including high interest rates. These factors are affecting the property and sales tax revenue local governments rely on when building their general fund budgets. The City and County of Fresno are part of this growing issue and as a result Public Safety, specifically local law enforcement, continues to rely heavily on grant funds to fulfill needed, yet unfunded essential equipment. Continued utilization of funding to enhance existing programs and needed equipment is pivotal. The County of Fresno incorporates over one million residents including 546,718 in the City of Fresno alone. As the two largest agencies in the County, the Fresno Police Department and Fresno County Sheriff's Office will utilize funding for law enforcement equipment to augment current programs within our respective agencies. The	

2024 Justice Assistance Grant (JAG) funds will continue to allow local law enforcement agencies to control and reduce crime through the acquisition of necessary equipment, supplies and training. These basic needs are left unfunded in our local budgets but remain essential in the fight against crime. The Fresno Police Department will provide ammunition, special unit operational costs, communications and safety equipment for a variety of specialized enforcement units. All are crucial in policing a large urban setting. The Sheriff's Office will make effective use of their funds for the purchase of less-lethal weapons, such as tasers and taser cartridges. This equipment will be utilized by the deputy sheriff's when dealing with violent/potentially violent subjects and for corrections staff who are assigned to guard incarcerated people at off-site medical facilities (hospitals, skilled nursing facility, etc.).

Providing officer and citizen safety through the acquisition of equipment and support services to address crime will allow for expanded services to include grant compliance support and essential safety equipment through a coordinated effort. The community advisory board meetings implemented have enabled us to develop and prioritize our funding strategies to ensure we do our best serving the communities utilizing this funding in the most efficient manner.

Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) enforces federal civil rights laws and other provisions that prohibit discrimination by recipients of federal financial assistance from OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW).

Several civil rights laws, including Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance (recipients) to give assurances that they will comply with those laws. Taken together, these and other civil rights laws prohibit recipients from discriminating in the provision of services and employment because of race, color, national origin, religion, disability, and sex or from discriminating in the provision of services on the bases of age.

Some recipients of DOJ financial assistance have additional obligations to comply with other applicable nondiscrimination provisions like the Omnibus Crime Control and Safe Streets Act of 1968, which prohibits discrimination on the basis of religion in addition to race, color, national origin, and sex. Recipients may also have related requirements regarding the development and implementation of equal employment opportunity programs.

OCR provides technical assistance, training, and other resources to help recipients comply with civil rights obligations. Further, OCR administratively enforces civil rights laws and nondiscrimination provisions by investigating DOJ recipients that are the subject of discrimination complaints. In addition, OCR conducts compliance reviews of DOJ recipients based on regulatory criteria. These investigations and compliance reviews permit OCR to evaluate whether DOJ recipients are providing services to the public and engaging in employment practices in a nondiscriminatory manner.

For more information about OCR, your civil rights and nondiscrimination responsibilities, how to notify your employees or beneficiaries of their civil rights protections and responsibilities and how to file a complaint, as well as technical assistance, training, and other resources, please visit www.ojp.gov/program/civil-rights-office/outreach. If you would like OCR to assist you in fulfilling your civil rights or nondiscrimination responsibilities, please contact us at askOCR@oip.usdoj.gov or www.ojp.gov/program/civil-rights-office/about#ocr-contacts.

Award Conditions

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

Condition 1

Meaningful access requirement for individuals with limited English proficiency

The recipient, and any subrecipient at any tier, must take reasonable steps to ensure that individuals with limited English proficiency (LEP) have meaningful access to their programs and activities to comply with Title VI of the Civil Rights Act of 1964 (Title VI), which prohibits discrimination on the basis of national origin, including discrimination against individuals with LEP. Such steps may require providing language assistance services, such as interpretation or translation services. The Department of Justice guidance on compliance with this requirement may be found at "Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons" (67 Fed. Reg. 41455-41472) (<https://www.federalregister.gov/d/02-15207>) and is incorporated by reference here.

Condition 2

Compliance with general appropriations-law restrictions on the use of federal funds (FY 2024)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of

federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at <https://ojp.gov/funding/Explore/FY24AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Condition 3

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38.

Among other things, 28 C.F.R. Part 38 states that recipients may not use direct Federal financial assistance from the Department to support or engage in any explicitly religious activities except when consistent with the Establishment Clause of the First Amendment and any other applicable requirements. An organization receiving Federal financial assistance also may not, in providing services funded by the Department of Justice, or in their outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations. In addition, Part 38 states that a faith-based organization that participates a Department of Justice funded program retains its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law.

Recipients and subrecipients that provide social services under this award must give written notice to beneficiaries and prospective beneficiaries prior to the provision of services (if practicable) which shall include language substantially similar to the language in 28 CFR Part 38, Appendix C, sections (1) through (4). A sample written notice may be found at <https://www.ojp.gov/program/civil-rights-office/partnerships-faith-based-and-other-neighborhood-organizations>.

In certain instances, a faith-based or religious organization may be able to take religion into account when making hiring decisions, provided it satisfies certain requirements. For more information, please see <https://www.ojp.gov/funding/explore/legaloverview2024/civilrightsrequirements>.

Condition 4

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other

legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

Condition 5

Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

Condition 6

Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this award from OJP.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

Condition 7

Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

Condition 9

Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

Condition 10

Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

Condition 11

Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

Condition 12

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

Among other items, 28 C.F.R. § 42.106(d), 28 C.F.R. § 42.405(c), and 28 C.F.R. § 42.505(f) contain notice requirements that covered recipients must follow regarding the dissemination of information regarding federal nondiscrimination requirements.

Condition 13

Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

Condition 14

Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

Condition 15

Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the

hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

Condition 16

Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

Condition 17

Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

Condition 18

Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene

requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

Condition 19

OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://www.ojp.gov/funding/implement/training-guiding-principles-grantees-and-subgrantees>.

Condition 20

Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

Condition 21**Requirement to report potentially duplicative funding**

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

Condition 22**Required training for Grant Award Administrator and Financial Manager**

The Grant Award Administrator and all Financial Managers for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2021, will satisfy this condition.

In the event that either the Grant Award Administrator or a Financial Manager for this award changes during the period of performance, the new Grant Award Administrator or Financial Manager must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after the date the Entity Administrator enters updated Grant Award Administrator or Financial Manager information in JustGrants. Successful completion of such a training on or after January 1, 2021, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://onlinegfmt.training.ojp.gov/>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

Condition 23**Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)**

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

Condition 24**Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)**

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited

conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

Condition 25

Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

Condition 26

Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

Condition 27

Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

Condition 28

Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards

Consistent with Executive Order 14074, "Advancing Effective, Accountable Policing and Criminal Justice Practices To Enhance Public Trust and Public Safety," OJP has prohibited the use of federal funds under this award for purchases or transfers of specified equipment by law enforcement agencies. In addition, OJP requires the recipient, and any subrecipient ("subgrantee") at any tier, to put in place specified controls prior to using federal funds under this award to acquire or transfer any property identified on the "controlled equipment" list. The details of the requirement are posted on the OJP web site at <https://www.ojp.gov/funding/explore/prohibited-and-controlled-equipment> (Award condition: Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards), and are incorporated by reference here.

Condition 29

Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may

be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Condition 30

All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

Condition 31

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

Among other items, 28 C.F.R. § 54.140 contains notice requirements that covered recipients must follow regarding the dissemination of information regarding federal nondiscrimination requirements.

Condition 32

The recipient understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

Condition 33

Verification and updating of recipient contact information

The recipient must verify its Grant Award Administrator, Financial Manager, and Authorized Representative contact information in JustGrants, including telephone number and e-mail address. If any information is incorrect or has changed, the award recipient's Entity Administrator must make changes to contact information through DIAMD. Instructions on how to update contact information in JustGrants can be found at <https://justicegrants.usdoj.gov/training/training-entity-management>.

Condition 34

FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated

executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

Condition 35

Body-worn cameras, policies and procedures

In accepting this award, the recipient agrees not to use award funds for purchases of body-worn cameras or related expenses for any agency unless that agency has policies and procedures in place that reinforce appropriate agency Use of Force policies and training and address technology usage, evidence acquisition, data storage and retention, as well as privacy issues, accountability and discipline.

Condition 36

Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards, and is listed on the NIJ Compliant Body Armor Model List. In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information and the NIJ Compliant Body Armor List may be found by following the links located on the NIJ Body Armor page: <https://nij.ojp.gov/topics/equipment-and-technology/body-armor>. In addition, if recipient uses funds under this award to purchase body armor, the recipient is strongly encouraged to have a "mandatory wear" policy in effect. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

Condition 37

The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

Condition 38

Any written, visual, or audio publications funded in whole or in part under this award, with the exception of press releases, shall contain the following statements: "This project was supported by Grant No. <AWARD_NUMBER> awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Department of Justice's Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, the Office for Victims of Crime, and the SMART Office. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice." The current edition of the DOJ Grants Financial Guide provides guidance on allowable printing and publication activities.

Condition 39

Any Web site that is funded in whole or in part under this award must include the following statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a Web-based service, including any pages that provide results or outputs from the service: "This Web site is funded in whole or in part through a grant from the Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice. The full text of the foregoing statement must be clearly visible on the home page. On other pages, the statement may be included through a link, entitled "Notice of Federal Funding and Federal Disclaimer," to the full text of the statement.

The recipient (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.

Condition 41

The recipient agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.

Condition 42

Protection of human research subjects

The recipient (and any subrecipient at any tier) must comply with the requirements of 28 C.F.R. Part 46 and all OJP policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

Condition 43

Justification of consultant rate

Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.

Condition 44

The recipient agrees that no funds under this grant award (including via subcontract or subaward, at any tier) may be used for unmanned aircraft systems (UAS), which includes unmanned aircraft vehicles (UAV), or for any accompanying accessories to support UAS.

Condition 45

Compliance with 28 C.F.R. Part 23

With respect to any information technology system funded or supported by funds under this award, the recipient (and any subrecipient at any tier) must comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 34 U.S.C. 10231(c)-(d). The recipient may not satisfy such a fine with federal funds.

Condition 46

Justice Information Sharing

Information sharing projects funded under this award must comply with DOJ's Global Justice Information Sharing Initiative (Global) guidelines. The recipient (and any subrecipient at any tier) must conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: https://it.ojp.gov/gsp_grantcondition. The recipient (and any subrecipient at any tier) must document planned approaches to information sharing and describe compliance with the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

Condition 47**Required monitoring of subawards**

The recipient must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

Condition 48

In accepting this award, the recipient agrees that grant funds cannot be used for Facial Recognition Technology (FRT) unless the recipient has policies and procedures in place to ensure that the FRT will be utilized in an appropriate and responsible manner that promotes public safety, and protects privacy, civil rights, and civil liberties and complies with all applicable provisions of the U.S. Constitution, including the Fourth Amendment's protection against unreasonable searches and seizures and the First Amendment's freedom of association and speech, as well as other laws and regulations. Recipients utilizing funds for FRT must make such policies and procedures available to DOJ upon request.

Condition 49**Avoidance of duplication of networks**

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the recipient can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

Condition 50**Law enforcement task forces - required training**

Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, must complete required online (internet-based) task force training. Additionally, all future task force members must complete this training once during the period of performance for this award, or once every four years if multiple OJP awards include this requirement.

The required training is available free of charge online through the BJA-funded Center for Task Force Integrity and Leadership (www.ctfli.org). The training addresses task force effectiveness, as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. If award funds are used to support a task force, the recipient must compile and maintain a task force personnel roster, along with course completion certificates.

Additional information regarding the training is available through BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

Condition 51**Compliance with National Environmental Policy Act and related statutes**

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this

condition must first be met. The activities covered by this condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bja.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

Condition 52

Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

Condition 53

All State and Local JAG recipients must submit quarterly Federal Financial Reports (SF-425). Additionally, State JAG and Local JAG Category Two (\$25K or more) must submit semi-annual performance reports through JustGrants and Local JAG Category One (Less than \$25K) must submit annual performance reports through JustGrants. Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website: <https://bjapmt.ojp.gov/>. For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage (<https://bjapmt.ojp.gov/help/jagdocs.html>). Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

Condition 54

Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

Condition 55

Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2022

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2022), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via an Award Condition Modification (ACM)). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through an Award Condition Modification (ACM), the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred "at-risk" earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

Condition 56

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS. With the exception of Forensic Genetic Genealogy, no profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA. Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS. Booking agencies should work with their state CODIS agency to ensure all requirements are met for participation in Rapid DNA (see National Rapid DNA Booking Operational Procedures Manual).

Condition 57

Recipients utilizing award funds for forensic genealogy testing must adhere to the United States Department of Justice Interim Policy Forensic Genealogical DNA Analysis and Searching (<https://www.justice.gov/olp/page/file/1204386/download>), and must collect and report the metrics identified in Section IX of that document to BJA.

Condition 58

Submission of eligible records relevant to the National Instant Background Check System

Consonant with federal statutes that pertain to firearms and background checks -- including 18 U.S.C. 922 and 34 U.S.C. ch. 409 -- if the recipient (or any subrecipient at any tier) uses this award to fund (in whole or in part) a specific project or program (such as a law enforcement, prosecution, or court program) that results in any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the National Instant Background Check System (NICS), or that has as one of its purposes the establishment or improvement of records systems that contain any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS, the recipient (or subrecipient, if applicable) must ensure that all such court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS are promptly made available to the NICS or to the "State" repository/database that is electronically available to (and accessed by) the NICS, and -- when appropriate -- promptly must update, correct, modify, or remove such NICS-relevant "eligible records".

In the event of minor and transitory non-compliance, the recipient may submit evidence to demonstrate diligent monitoring of compliance with this condition (including subrecipient compliance). DOJ will give great weight to any such evidence in any express written determination regarding this condition.

Condition 59

Prohibition on use of award funds for match under BVP program

JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

Condition 60

Extreme risk protection programs funded by JAG must include, at a minimum: pre-deprivation and post-deprivation due process rights that prevent any violation or infringement of the Constitution of the United States, including but not limited to the Bill of Rights, and the substantive or procedural due process rights guaranteed under the Fifth and Fourteenth Amendments to the Constitution of the United States, as applied to the States, and as interpreted by State courts and United States courts (including the Supreme Court of the United States). Such programs must include, at the appropriate phase to prevent any violation of constitutional rights, at minimum, notice, the right to an in-person hearing, an unbiased adjudicator, the right to know opposing evidence, the right to present evidence, and the right to confront adverse witnesses; the right to be represented by counsel at no expense to the government; pre-deprivation and post-deprivation heightened evidentiary standards and proof which mean not less than the protections afforded to a similarly situated litigant in Federal court or promulgated by the State's evidentiary body, and sufficient to ensure the full protections of the Constitution of the United States, including but not limited to the Bill of Rights, and the substantive and procedural due process rights guaranteed under the Fifth and Fourteenth Amendments to the Constitution of the United States, as applied to the States, and as interpreted by State courts and United States courts (including the Supreme Court of the United States). The heightened evidentiary standards and proof under such programs must, at all appropriate phases to prevent any violation of any constitutional right, at minimum, prevent reliance upon evidence that is unsworn or unaffirmed, irrelevant, based on inadmissible hearsay, unreliable, vague, speculative, and lacking a foundation; and penalties for abuse of the program.

Condition 61

Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

Condition 62

Exceptions regarding Prohibited and Controlled Equipment under OJP awards

Notwithstanding any provision to the contrary in the other terms and conditions of this award, including in the condition regarding "Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards," the requirements for the "Transfer/Sale of Award-Funded Controlled Equipment to Other LEAs" and the requirements for the "Transfer/Sale of Award-Funded Controlled Equipment to NON-LEAs" do not apply to this award.

Condition 63

Use of program income

Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.

Condition 64

Initial period of performance; requests for extension.

The recipient understands that for award amounts of less than \$25,000 under JAG (Category 1), the initial period of performance of the award is two years. The recipient further understands that any requests for an extension of the period of performance for an award of less than \$25,000 will be approved automatically for up to a total of two additional years, pursuant to 34 U.S.C. 10152(f) and in accordance with the program solicitation associated with this award.

Any request for an extension of the period of performance beyond a four-year award period will require approval, and the approval (if any) will be at the discretion of the Director of BJA.

Condition 65

The recipient may not expend or draw down more than 10% of the award funds until the recipient submits the required signed Memorandum of Understanding (MOU), BJA has reviewed and approved that MOU, and an Award Condition

Modification (ACM) has been issued to remove this condition. Obligations, expenditures, and drawdowns prior to the ACM are made at the recipient's risk and may be disallowed if not in compliance with program requirements or approved budget.

Condition 66

Withholding of funds for Required certification from the chief executive of the applicant government

The recipient may not expend or draw down any award funds until the recipient submits the required "Certifications and Assurances by the Chief Executive of the Applicant Government," properly-executed (as determined by OJP), and an Award Condition Modification has been issued to remove this condition.

Condition 67

Withholding of funds for Budget narrative or information

The recipient may not expend or draw down any award funds until the recipient submits, and OJP reviews and accepts, the required budget information or narrative for the award, and an Award Condition Modification has been issued to remove this condition.

Condition 68

The recipient may not expend or draw down any award funds until-- (1) the program office has verified that the recipient has submitted all necessary documentation elements required consistent with the award conditions entitled, "Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards" and "Expenditures Prohibited Without Waiver," and (2) an Award Condition Modification (ACM) has been issued to remove this condition. Additional information about expenditures that are prohibited or controlled under this award may be found at <https://bja.ojp.gov/doc/jag-controlled-purchase-list.pdf>.

PROPOSAL NARRATIVE

JAG 2024

The County of Fresno encompasses 6,000 square miles of Central California with a diversity of terrain that varies from open farmlands of the western county to rugged mountain peaks of over 11,000 feet to the east in the Sierra Nevada Mountain range. The State Department of Finance estimates the total population of Fresno County is 1,017,431 for 2024, an increase of 0.6% over 2023, making it the tenth most populous county in California. By geographic size it is the sixth largest county in California and is home to the fifth largest city in the State of California possessing the same name. Nestled in the heart of the Central San Joaquin Valley, Fresno County is rich with agriculture. The City of Fresno (herein referred to as the city) has an estimated total population of 546,718 and is made up of 116.00 square miles. Coupled with the smaller neighboring City of Clovis, these two cities make up over 66% of the county's entire population.

DESCRIPTION OF THE ISSUE

The city has certainly endured tough times in previous years with our sworn staffing levels being as low as 849 compared to today's 926. The hiring of police officers is prioritized to fill the department's authorized sworn positions. The department has rapidly added to its ranks with the approval and authorization of our administration and governing body.

With past legislation changes including Proposition 47, Proposition 57 and Assembly Bill 109, law enforcement has seen a drastic increase in the need for additional police officers as well as additional resources to combat the release of prison and jail populations onto our city streets. The release of habitual offenders coupled with jail overcrowding has put a greater demand on our agency to ensure the safety of our residents. With the augmentation of grant funding, our agencies can take leaps forward to improve the quality of life for the citizens in our County and provide valuable law enforcement resources to draw from, as well as support the JAG specific area of promoting public trust between communities and criminal justice agencies.

PROPOSAL NARRATIVE

JAG 2024

The critical economic situation in the Fresno region has severely impacted the ability to address crime and continues to present an even more critical need to maintain and acquire necessary tools, communication technologies, and safety equipment for our complement of sworn officers. With more sworn officers on the streets and an increased number of calls for service, the need to ensure each officer is adequately equipped is even more critical for their safety as well as the community in which they serve. In addition, with the passage of Safer Streets for All Act in the State of California, which decriminalizes loitering in a public place with the “intent” to engage in sex work; this Act has reduced the department’s ability to apprehend pimps for pimping and pandering and provide services to those victims who are “human trafficking victims” and bring suspects who are exploiting them to justice.

With the help of the Fresno County Sheriff’s Office, the Fresno Police Department (FPD) acting as the fiscal agent will be responsible for implementing this project. FPD has a long history of success with large grant funded projects. We are confident that we can successfully meet the goals and objectives of the 2024 Justice Assistance Grant project.

In recent years the city has seen a steady pattern of high violent crime numbers compared to other states and national averages. In 2023, the FPD received 1,165,494 calls to dispatch (387,934 emergency 9-11 calls and 777,560 non-emergency calls). Currently, the city’s worst violent crimes include, but are not limited to, homicides, shootings, and robberies. Of these calls in 2023, there were 35 homicides, 366 total shootings, and 941 robberies. Over the past five years, Fresno has averaged 57 homicides, 514 total shootings and 911 robberies.

Per the 2022 FBI UCR Crime Data Explorer (most recent data available) for the city, the total violent crime rate is 127.7% higher than the national average and 73.5% higher than the California average. We are also experiencing a recent spike in shootings that are directly related to human trafficking that affects the violent crime in Fresno and holds our citizens hostage in their already

PROPOSAL NARRATIVE

JAG 2024

neglected and impoverished neighborhoods. It shows how violence affects innocent citizens who deserve to be safe and secure. Gang activity and crime continue to be an issue within the city. Many of the violent crimes committed can be attributed to the high volume of gang activity. This proves to be a very challenging issue for law enforcement as many victims are scared to report or follow through with reporting or prosecution of the violent crime committed.

More recently, we have seen an increase in violence against police officers. In 2023, Selma Police Officer Gonzalo Carrasco Jr., 24-years old, was shot and killed in the line of duty by a Bulldog gang member. In addition, an FPD Officer was shot in his chest during a traffic stop by a Bulldog gang member. Fortunately, the officer's vest stopped the round which would have likely been fatal. On a separate incident, multiple FPD Officers came under gunfire while responding to a call for service.

We have taken many strides towards the reduction of crime in our city in the past, however, our organization has a long way to go to further ensure the safety of our officers and the community; thereby resulting in the need to look for additional resources to protect our officers and better serve our citizens. We have used non-traditional methods for recruiting, including partnering with the military in hiring those who are leaving the military and still want to serve their community. In addition, due to exceptional training and mentorship, we have closed in on the gap and acquired energetic new officers. These officers allow us to continue our focused policing strategies on gang eradication, proactive enforcement, and prevention efforts. Coupled with support from our community, we can curb the uptick in criminal activity on our streets.

A key area of priority and emphasis is preventing and combating hate crimes. Based on city wide hate crime case factors, there were a total of 8 cases in 2022, and a total of 19 cases in 2023 and 19 in 2024 year to date. The cases were narrowed down by the bias, which were Race/Ethnicity, Sexual Orientation and Religion. There has been an increase in Sexual Orientation. In 2023 there

PROPOSAL NARRATIVE

JAG 2024

were 6 cases and in 2024 year to date, 10 cases have been reported. The victims were made up of Black, Hispanic, White, Asian Indian/Punjabi, and Other. In 2023, a church building was a victim of hate crime. All hate crimes are fully investigated when they occur and are sent to the Fresno County District Attorney's Office for prosecution.

Like other law enforcement agencies, we are facing challenges brought on by current economic conditions. As a result, we have had to implement significant organizational changes to meet community needs with fewer resources. Priorities have been modified, staff members have been reassigned, and department operations have been restructured. These economic constraints, combined with other issues, have required us to focus our resources on our highest priority duties. Funding priorities surround the need to augment existing programs with equipment, supplies and services to ensure that these programs are a success.

The Sheriff's Office is responsible for the apprehension of criminal suspects for crimes committed in the unincorporated areas of Fresno County, providing judicial protection, bailiff services, public screening, court security and the operation of jail facilities for the County. Criminal justice programs have become increasingly dependent on the award of grant funds to augment many basic law enforcement needs. As State and Federal funds continue to decline, local agencies struggle to fund law enforcement programs related to criminal justice. The lack of funding for law enforcement equipment becomes a greater concern for citizen and officer safety.

A disparity exists between the city and the County of Fresno, as certified by the Bureau of Justice Assistance. Per a Memorandum of Understanding (MOU) by and between the city and County of Fresno, the city has been named fiscal agent for the purpose of this grant funding. Funding is allocated and determined by the JAG formula.

A key component of the department is fiscal responsibility and professional standards to ensure effective and timely service to the community is met while adhering to the highest industry

standards of law enforcement. Fiduciary responsibilities are essential to our success. FPD's Grants Management Unit (GMU) oversees the fiscal, programmatic, and compliance policies/procedures associated with grant funding and local government.

Funding allocated for the City of Fresno:

The overall mission is to "enhance safety, service and trust with our community and to serve our community with honesty, compassion and respect." This becomes more challenging as local agencies have endured drastic budget cuts and staff reductions while serving in economically challenged communities. This agency continues to need equipment and supplies to combat crime and to ensure the safety of our sworn officers and the community they have vowed to protect and serve. The focus of this funding will be to augment necessary and critical safety equipment to support our law enforcement officers, reduce liability, and ensure adequate equipment is available. JAG funding will fund new and 5-year replacement ballistic vests for our sworn officers to adhere to the department's mandatory wear policy, safety equipment and protective clothing for our Traffic Bureau (motor officers), purchase and repair of portable radios used by our sworn personnel for calls for service, tactical operations and interoperability, operational costs and replacement parts for our Air Support Unit (Skywatch) 20+ year old helicopters, unforeseen and critical operations, training, and equipment costs for the K-9 Unit and ammunition including less lethal for use by our sworn personnel during their quarterly and annual certified training.

Riding a police motorcycle exposes the officer to environmental hazards that are not usually experienced by those officers operating a patrol car. To combat this, we provide our motor officers, in our Traffic Bureau, with the best safety equipment available to lessen their exposure to these hazards. Our motorcycle officers are provided with mid-calf length, leather riding boots to protect their lower legs from road debris and vehicle fluid. Their pants are doublelayered riding

PROPOSAL NARRATIVE

JAG 2024

breeches, designed to protect the wearer from road lacerations in the event of a fall. We issue an Arai law enforcement version, ³/₄ motorcycle helmet that is both DOT and SNELL compliant. Also provided to each motorcycle officer are a pair of leather riding gloves that are designed to protect the officer's hands in the event of an unintended dismount. Our cold weather gear consists of both a leather jacket as well as a nylon jacket. The nylon jacket comes equipped with Kevlar panels sewn into the back, elbows, and shoulders. Although these panels are not designed to be bullet resistant, they are designed to protect against serious injury if the rider comes in contact with the roadway. The design thickness of the leather jacket is such that it accomplishes the same task as the nylon jacket's ballistic panels. Lastly, each officer is issued a pair of cold weather gloves to protect the officers' hands from the winter environment. We realize that it is impossible to completely protect a motorcycle officer from the inherent hazards he or she faces when riding a police motorcycle, but by providing this safety equipment we hope to decrease the chances of serious injury.

Funding is also being requested for our Air Support Unit, named "Skywatch" to provide operational costs to conduct patrol, special surveillance, photo missions, site surveys, which include homeland security operatives and tactical flight operations. Fuel costs have drastically increased and costs to operate Skywatch have exceeded existing resources. The helicopter parts and repair costs are expensive, due to the nature and age of the equipment. Budget reductions in funding for this unit will not cover all the costs of operations and maintenance, therefore a need for grant augmentation exists.

The K-9 Unit typically incurs costs that are unforeseen and/or over existing resources allocated within general fund dollars. Grant funding allows for the unanticipated and additional operational costs, such as veterinary costs, feed and/or professional service as needed, and the annual subscription of the Ace K-9 HOT-N-POP PRO® system in our K-9 vehicles. The HOT-N-

PROPOSAL NARRATIVE

JAG 2024

POP PRO® combines the features of two best-selling canine safety products into one easy to use temperature alarm and door popper system. This innovative unit monitors vital components including temperature sensors and vehicle battery voltage and shows the information on a 32-character backlit alphanumeric display. Under alarm conditions, the unit activates an S.O.S. horn honk signal, siren, light-bar activation and dual window drop to immediately equalize the internal temperature of the vehicle. The door popper feature releases the K-9 from the vehicle by remote control worn in a holster. In addition, the special Door Pop Stopper™ feature disables the K-9 Door Popper® when the vehicle is in gear. Features are software based to allow for future upgrades. Resources such as our Air Support Unit and K-9 Unit are vital to our organization and overall mission and our citizens have come to expect and support these units.

FPD is certified by the State of California's Commission on Peace Officer Standards & Training (POST) to present over 40 courses to law enforcement statewide. Many of our courses are offered in conjunction with the Fresno City College Police Academy. FPD Training Unit and state-of-the-art Regional Training Center provides on an average, 40,000 hours of tactical and safe emergency vehicle operations training to department members on an annual basis. Half of these hours utilize tactical training along with a live fire range training component to better enhance firearm operations and tactics for our department members. Statistics have shown that firearm skills are perishable and only through repetitive and enhanced training can you sustain these skills. The purchase of ammunition will ensure our department members viable sustainability of these fundamental skills. Funding for ammunition will enhance the safety of our officers as they participate in ongoing police training to include qualifications, perishable skills training, and special unit training. All members of the agency must demonstrate proficiency with each weapon issued, prior to being authorized to carry the weapon in the field. This is a critical safety training component for all sworn officers.

PROPOSAL NARRATIVE

JAG 2024

Funding allocated for the County of Fresno:

The Sheriff's Office is responsible for the apprehension of criminal suspects for crimes committed in the unincorporated areas of Fresno County, providing judicial protection, bailiff services, public screening, court security and the operation of jail facilities for the County. Criminal justice programs have become increasingly dependent on the award of grant funds to augment many basic law enforcements needs. As State and Federal funds continue to decline, local agencies struggle to fund law enforcement programs related to criminal justice. The lack of funding for law enforcement equipment becomes a greater concern for citizen safety as well as officer safety.

JAG funding will enable the Sheriff's Office to purchase tasers, taser cartridges, and taser batteries for both the Deputy Sheriff's to provide an intermediate level of force when dealing with violent and potentially violent subjects and for use by Corrections Staff who are assigned to guard incarcerated people at off-site medical facilities. The taser will be used as a de-escalation tool to reduce suspect/incarcerated people/officer injuries, keeping community members, and Sheriff Officers safer during law enforcement and civilian interactions.

PROJECT DESIGN AND IMPLEMENTATION

Due to the recent changes in the Legislation in the criminal justice realm, local law enforcement agencies have had to readjust their focus and priorities as it relates to crime fighting strategies all while ensuring the community's safety and trust. Over the last several years, the FPD has implemented and enhanced several advisory boards, including but not limited to the Bringing Broken Neighborhoods Back to Life, Police Chief's Advisory Board, Youth Advisory Council, Citizen's Police Academy, Teen Police Academy, Community Engagement Unit, and the Residents Academies (English, Spanish, Hmong, and Sheikh). The participants in these groups are all civilian members of our community (both city and county) and serve many different facets

from faith-based, community based or for personal knowledge.

The main goal of these groups is to ensure that we are meeting the needs of our community by focusing on community-based policing efforts in promoting and building relationships to enhance officer and public safety. Both sworn and non-sworn (professional staff) department members attend these meetings with the mission of educating and informing the public about how officers do their jobs, why certain equipment and tactics are used, how agencies develop policies and procedures, and how the community can help make their city safe. It is the intent of FPD to continue to engage the community in our crime fighting efforts and seek solutions to reducing crime in our neighborhoods.

The meetings have enabled both FPD and the Fresno County Sheriff's Office to develop and prioritize our funding strategies to ensure we do our best serving the communities utilizing the funding from JAG 2024 in the most efficient manner.

CAPABILITIES AND COMPETENCIES

Acting as the Fiscal Agent, per MOU and agreed to by all parties, is FPD's GMU. FPD is the largest agency in this area and is a professional organization that prides itself on delivering the highest level of quality service and protection to the community. FPD is organized into four divisions with all divisions commanded by a Deputy Chief and management support staff under their direction. The divisions are: Administrative Services, Support and Special Services, Patrol, and Investigative Divisions. GMU, under the Administrative Services Division, is managed by a Business Manager and employs a Management Analyst II. They are responsible for all oversight of department's grant related activities, and understand the fiduciary responsibility associated with federal, state, and local funding. The Unit has participated in several audits over the years to demonstrate transparency and accountability for those funds. They will provide the mechanism for separate tracking and reporting of grant expenditures and receivables and ensure timely reporting.

PROPOSAL NARRATIVE

JAG 2024

Systems are in place to track grant projects separately from general fund expenses and manage subrecipient funding. They currently manage over 18 active grant projects with several covering multiple funding cycles and works closely with the City of Fresno's Budget and Management Office, Finance Department, as well as Personnel Services to stay compliant with all grant regulations.

PLAN FOR COLLECTING THE DATA REQUIRED OF THIS SOLICITATION'S

PERFORMANCE MEASURES:

FPD has been deemed National Incident Based Reporting System (NIBRS) compliant. County of Fresno will go live January 1, 2025. To adequately supply data for the project activities of this grant, we will utilize NIBRS data, department-initiated crime analysis, and any other necessary means to provide accurate data in a timely fashion. The responsibility of compiling all data and entering it into the Bureau of Justice Assistance (BJA) Performance Measurement Tool (PMT) and Just Grants will rest on the Business Manager in the GMU. With the recent change and roll-out of the JAG Performance Accountability Measures, both the FPD and the Fresno Sheriff's Office have had experience with completing this data entry. All data will be vetted through our internal controls to ensure accuracy.

As law enforcement operations costs increase, local funding resources decline, leaving many necessary resources without financial support. We are economically challenged to find the resources to fund basic tools and equipment necessary in daily operations. This project funding continues to vitally assist the city and County of Fresno in their shared dedication and determination to make our community safer for its residents.

Ammunition purchases will ensure that Fresno Police Department (FPD) members have the equipment necessary to sustain the required skills through adequate training. The caliber of ammo will be below .50. The Training Unit provides on average 55,000 hours of tactical training to sworn department members on an annual basis. During half of these hours, they participate in tactical training utilizing live fire range simulations to enhance firearm usage, accuracy and safety for all sworn officers and members of the community. Statistics have shown that shooting is a perishable skill that requires repetitive and periodic training to maintain this skill. The purchase of ammunition will ensure our department members have the equipment necessary to maintain these skills. Ammunition will be utilized to conduct ongoing police training for our officers including qualifications, perishable skills training, special unit training, and SWAT tactical training.

Total Cost for Ammunition (FPD) - \$75,200

Safety equipment and/or supplies are needed to continue to support officers working in special units such as Special Weapons And Tactics (SWAT), Traffic Bureau, Bicycle Patrol, Mobile Field Force (MFF), Explosive Ordnance Disposal (EOD) Unit, and Special Response Teams (SRT). This may include safety equipment such as tactical vests, motorcycle helmets, protective equipment, weapons, and accessories. Not only does this equipment allow officers to conduct their assigned duties, but it provides them with the tools to enhance their capabilities in a safe and

effective manner. The Fresno Police Department's Traffic Bureau officers require specialized uniforms and boots for their safety when operating their police issued motorcycle. These uniforms are different than and in addition to the uniforms worn by patrol officers. The cost of these uniforms is not part of the city's budget nor part of the officer's uniform allowance but are essential safety equipment for those officers that are assigned a motorcycle. JAG funding allows our department to provide essential safety equipment to those officers assigned to special units that is not budgeted in the City's general fund.

Total Cost for Safety Equipment (FPD) - \$17,803

Each year the Air Support Unit or "Skywatch" patrol is at risk of being grounded without additional funding to support their services. With various outside resources, such as JAG funding, we will be able to continue the use of our air patrol to assist officers on the ground with daily coverage. The funding will provide maintenance and operations costs in order to conduct patrol, special surveillance operations, photo missions, and site surveys of incidents. Fuel costs have drastically increased recently and costs to operate Skywatch has exceeded existing resource capabilities to financially sustain the program without additional support. It may be necessary to purchase or repair other parts for our Forward Looking Infrared (FLIR) devices on each helicopter. The FLIR is a "heat-seeking device" the helicopter observer uses to track suspects on the ground from the air. Helicopter parts are expensive and are increasing due to the technology and nature of the equipment needed.

Total Cost for Skywatch Operations (FPD) - \$115,045

Funding for our ballistic vest program is also being requested. Our agency has implemented a mandatory wear policy for ballistic vests and a five-year life cycle for each vest as recommended

by the manufacturer. Ballistic vests are a fundamental piece of equipment and whether utilized or not can be a matter of life or death. All new officers will receive a new ballistic vest that meets current standards and is fitted to the individual. Also, every officer's vest is on a documented five-year life cycle and is replaced then. Grant funding will be utilized to augment current funding for this program and is essential to meet the demand and the needs of officers.

Total Cost for Ballistic Vests (FPD) - \$61,200

Another crucial piece of equipment that officers rely on daily is a portable radio. These communication devices are the officer's lifeline when handling calls for service, special tactical operations, and virtually any function that a police officer is responsible for. Without this vital piece of equipment, the ability to conduct their day-to-day activities safely and efficiently would be impossible. Funding for new radios, parts to maintain existing radios, and accessories are essential and a top priority for our agency.

Total Cost of Radio Equipment (FPD) - \$15,687

The County of Fresno will purchase tasers for use by Deputy Sheriffs to provide an intermediate level of force when dealing with violent/potentially violent subjects and for Corrections staff to who are assigned to guard incarcerated people at off-site medical facilities (hospitals, skilled nursing facility, etc.).

OJP is committed to advancing work that promotes civil rights and equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety, protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

Statutory Authority

The JAG Program is authorized by Title I of Public Law 90-351 (generally codified at 34 U.S.C. 10101-10726), including subpart 1 of part E (codified at 34 U.S.C. 10151-10158); see also 28 U.S.C. 530C(a).

Specific Information

Statutory Formula

JAG awards are based on a statutory formula that is fully described within the JAG Technical Report. Once each fiscal year's overall JAG Program funding level is determined, BJA works with the Bureau of Justice Statistics to begin a four-step grant award calculation process, which generally consists of the following:

1. Computing an initial JAG allocation for each state, based on its share of violent crime and population (weighted equally).
2. Reviewing the initial JAG allocation amount to determine whether the state allocation is less than the minimum award amount defined in the JAG legislation (0.25 percent of the total). If this is the case, the state is funded at the minimum level, and the funds required for this are deducted from the overall pool of JAG funds. Each of the remaining states receives the minimum award plus an additional amount based on its share of violent crime and population.
3. Dividing each state's final award amount (except for the territories and the District of Columbia) between the state and its units of local governments at rates of 60 and 40 percent, respectively.
4. Determining award allocations for the units of local government, which are based on their proportion of the state's 3-year violent crime average. If the "eligible award amount" for a particular unit of local government, as determined on this basis, is

\$10,000 or more, then the unit of local government is eligible to apply directly to OJP (under the JAG Local Solicitation) for a JAG award. If the "eligible award amount" for a particular unit of local government, as determined on this basis, is less than \$10,000, the funds are not made available for a direct award to that particular unit of local government but instead are added to the amount that is awarded to the state.

Allocation Determination and Units of Local Government Requirements Regarding Use of JAG Funds

Eligible allocations under JAG are posted annually on the [JAG web page](#).

According to the JAG Program statute, a "disparity" may exist between the funding eligibility of a county and its associated municipalities. See [34 U.S.C. § 10156\(d\)\(4\)](#). Units of local government identified by BJA as disparate must select a fiscal agent that will submit an application for the allocation that includes all disparate municipalities. A memorandum of understanding (MOU) that identifies which jurisdiction will serve as the applicant or fiscal agent for joint funds must be completed and signed by each participating jurisdiction's authorized representative. Once an award is made, the fiscal agent will be responsible for distributing award funds to the other jurisdictions in the disparate group through subawards that include all appropriate award conditions. To verify eligibility, an applicant should visit the [JAG web page](#), click on their respective state, and note the following regarding the state's allocation table:

1. Disparate units of local government are listed in shaded groups, in alphabetic order by county. Units of local government identified as disparate must select one unit of local government to submit an application on behalf of the disparate group.
2. Counties that have an asterisk (*) under the "Direct Allocation" column did not submit the level of violent crime data to qualify for a direct award from BJA but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and be a signatory on the required MOU.
3. Direct allocations are listed alphabetically below the shaded disparate groupings.

Please note that disparate jurisdictions do not need to abide by the listed individual allocations, which are provided for information only. Jurisdictions in a funding disparity are responsible for determining individual amounts within the Eligible Joint Allocation and documenting individual allocations in the MOU. See the [JAG FAQs](#) for more information. A [sample MOU](#) is also available.

Statutory Program Areas

In general, JAG funds awarded to a unit of local government under the FY 2024 program may be used to hire additional personnel and/or purchase equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice or civil proceedings, including for any one or more of the following program areas:

1. Law enforcement programs.
2. Prosecution and court programs.
3. Prevention and education programs.
4. Corrections and community corrections programs.
5. Drug treatment and enforcement programs.
6. Planning, evaluation, and technology improvement programs.

7. Crime victim and witness programs (other than compensation).
8. Mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams.
9. Implementation of state crisis intervention court proceedings and related programs or initiatives, including but not limited to mental health courts, drug courts, veterans courts, and extreme risk protection order programs.

In connection with all of the above purposes, it should be noted that the JAG statute, at 34 U.S.C. § 10152, defines “criminal justice” as “activities pertaining to crime prevention, control, or reduction, or the enforcement of the criminal law, including, but not limited to, police efforts to prevent, control, or reduce crime or to apprehend criminals, including juveniles, activities of courts having criminal jurisdiction, and related agencies (including but not limited to prosecutorial and defender services, juvenile delinquency agencies and pretrial service or release agencies), activities of corrections, probation, or parole authorities and related agencies assisting in the rehabilitation, supervision, and care of criminal offenders, and programs relating to the prevention, control, or reduction of narcotic addiction and juvenile delinquency.”

BJA Areas of Emphasis

BJA recognizes that many state and local justice systems currently face challenging fiscal environments, and an important, cost-effective way to relieve those pressures is to share or leverage resources through cooperation among federal, state, and local criminal justice agencies and community-based public safety partners. Key areas of priority for BJA include: Prevention and Prosecution of Hate Crimes, Election Security, Enhancing Justice System Reform Strategies, Advancing Equity and Support for Underserved Communities, and Violent Crime Reduction.

BJA encourages recipients of FY 2024 JAG funds to coordinate with federal criminal justice agencies and other stakeholders, including communities most impacted by crime and violence, in addressing these challenges. Additional details on the BJA areas of emphasis can be found below.

Prevention and Prosecution of Hate Crimes

Hate crimes (sometimes called bias-motivated crimes) are criminal offenses motivated by some form of bias toward victims based on their perceived or actual race, color, ethnicity, religion, national origin, sexual orientation, gender, gender identity, or disability. Hate crimes have a devastating effect beyond the harm inflicted on any one victim. They reverberate through families, communities, and the entire nation as others fear that they too may be threatened, attacked, or forced from their homes because of what they look like, who they are, where they worship, whom they love, or whether they have a disability. As with most other crimes, hate crimes in the United States are primarily investigated under state law and prosecuted by local, state, and tribal authorities. However, reluctance from victims and witnesses to contact law enforcement about hate crime incidents may arise from perceptions of bias, distrust of law enforcement or the criminal justice system, or barriers such as language and concerns about immigration status. Hate crimes are chronically underreported to and under-identified by law enforcement. Tools such as the U.S. Bureau of Justice Statistics' National Crime Victimization Survey (NCVS) and the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting (UCR) program and FBI's Crime Data Explorer (CDE) shed some light on trends among those hate crimes reported to law enforcement or through NCVS. Although hate crimes are often

underreported, in recent years, there have been alarming spikes in hate crimes and threats of violence across the country, often fueled by online hate forums. In 2022, the most recently published data, hate crimes were at their highest recorded levels as reported to the FBI UCR program. In addition to those incidents reported through the UCR program, in 2023, jurisdictions from across the country reported increases in threats and attacks motivated by antisemitism or Islamophobia, target certain educational institutions such as Historically Black Colleges and Universities, or target individuals on the basis of their gender identity or sexual orientation.

During a [November 2023 United Against Hate Virtual Forum](#), Attorney General Merrick Garland addressed the recent spike in hate crimes, and reemphasized that, “Combating hate-fueled violence remains central to the Justice Department’s mission.” A critical part of that mission is equipping state, local, and tribal justice agencies with the tools and resources to address hate crimes. [Research from the National Institute of Justice \(NIJ\)](#) indicates that despite the known underreporting of hate crimes, many state and local law enforcement agencies do not have adequate tools to identify, investigate, and respond to hate crimes, and only 23 percent of law enforcement agencies that responded to the survey reported any hate crime investigations in 2018.

BJA encourages JAG recipients to utilize funding to promote change and accountability by supporting state, local, and tribal efforts to prevent hate crimes, build trust with communities to encourage reporting of hate-related criminal offenses and incidents, and promote efforts to fully investigate and prosecute hate crimes when they do occur. This includes ensuring those agencies that have not yet transitioned to the National Incident Based Reporting System (NIBRS) doing so expeditiously to ensure that national hate crime statistics are as accurate as possible. More information on BJA’s portfolio addressing hate crimes, including the [Emmett Till Cold Case Investigations](#) and [Matthew Shepard and James Byrd, Jr. Hate Crimes Programs](#), can be found [Hate Crime | Bureau of Justice Assistance](#).

Election Security

In 2021, the Department launched a law enforcement task force to address the rise in threats against election workers, administrators, officials, and others associated with the electoral process. For more information regarding the Department’s efforts to combat threats against election workers, read the [Deputy Attorney General’s memo](#). The task force, announced by Attorney General Merrick B. Garland and launched by Deputy Attorney General Lisa O. Monaco in June 2021, has led DOJ’s efforts to address threats of violence against election workers, and to ensure that all election workers—whether elected, appointed, or volunteer—are able to do their jobs free from threats and intimidation. The task force engages with election-related stakeholders and state and local law enforcement to assess allegations and reports of threats against election workers, and it has investigated and prosecuted these matters where appropriate, in partnership with FBI Field Offices and U.S. Attorneys’ Offices throughout the country.

[On January 9, 2024, the Department provided updated information](#) pertaining to its efforts to “ensure that all qualified voters have the opportunity to cast their ballots and have their votes counted free of discrimination, intimidation, or criminal activity in the election process, and to ensure that our elections are secure and free from foreign malign influence and interference.”

The [broad criminal justice purposes supported by the JAG Program](#) permit JAG funds to be used to deter, detect, and protect against threats of violence against election workers,

administrators, officials, and others associated with the electoral process. BJA encourages state and local JAG applicants to utilize JAG funding to prevent and respond to violent threats of this kind.

Enhancing Justice System Reform Strategies

The justice system serves an important role in protecting communities and seeking justice for victims. For the justice system to serve that role effectively, it must be fair, open, and equitable; utilize evidence-based approaches; and promote restorative practices and rehabilitation. For far too long, however, the justice system has not lived up to its promise. Racial disparities and other inequities, as well as overly harsh sentences, have driven up incarceration rates, which can create mistrust in the justice system and divert resources away from other urgent community needs. To build strong, safe, and healthy communities, it is critical to address the underlying, entrenched issues of inequity and disparity in the criminal justice system so that all persons receive equal treatment under the law. Jurisdictions should carefully review the ways in which the structures and incentives within their own systems are driving correctional populations and racial disparities and realign operations and target resources toward community solutions.

On May 25, 2023, the Department released a series of 10 new reports and guidance documents as part of its ongoing efforts to implement Executive Order 14704 on Advancing Effective, Accountable Policing and Criminal Justice Practices to Enhance Public Trust and Public Safety. The announcement included commitments to update guidance prohibiting racial profiling by federal law enforcement agencies; develop methods to promote accreditation standards to encourage adoption of policies in the Executive Order by state, tribal, local, and territorial (STLT) law enforcement agencies; release a report on the Department's efforts to implement the First Step Act; and issue guidance on officer wellness, investigating in-custody deaths, and responses to individuals in crisis, among others.

The Office of Justice Programs is committed to advancing bold, effective justice reform solutions that deliver safety, equity, and justice for all. Justice system reform includes, but is not limited to, a wide range of investments in community safety and justice such as accountability of law enforcement to build and enhance community trust, alternatives to incarceration, ensuring the right to continuous and effective defense counsel, community supervision reforms, support for mental health and substance use treatment services, supporting community-driven programs and partnerships, and improving pretrial processes. Efforts to continue to address the backlog of court cases that grew dramatically during the pandemic would fall in this category. BJA also encourages state court leaders to access no-cost training and technical assistance (TTA) to support strategic planning, assessment of needs and strategies and new approaches to address rights protected under the sixth amendment to the U.S. Constitution, such as speedy trial, fair and impartial juries, the right to call and cross-examine witnesses, and the right to counsel. Visit <https://www.strengthenthesixth.org/> for more information.

Finally, BJA has launched a Justice Reinvestment Initiative (JRI) website which provides detailed information, including state snapshots, on how state leaders can work with experts to conduct agency-spanning data analysis; develop and implement data-driven, tailored solutions to address complicated criminal justice challenges; and maximize resources to achieve stronger and safer communities. BJA encourages JAG recipients to utilize funding for projects that promote all aspects of justice system reform.

Advancing Equity and Support for Underserved Communities

Consistent with the Presidential Memorandum on Restoring the Department of Justice's Access-to-Justice Function and Reinvigorating the White House Legal Aid Interagency Roundtable and Executive Order 13985, Advancing Racial Equity and Support for Underserved Communities Through the federal government, the Department is committed to ensuring equal access to justice and identifying and reducing disparities that exist throughout the criminal and civil legal systems, as well as removing barriers to ensure equal opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality. This commitment is evidenced by the April 14, 2022, Equity Action Plan designed to increase equity, opportunity, and resources for the most vulnerable communities. BJA encourages JAG recipients to use funds to support efforts at the state, territory, local, and tribal levels to institute more effective and equitable criminal justice policies and practices, foster public trust, and enhance public safety and security by increasing engagement with community members and building partnerships with community organizations to develop a shared vision and approach to addressing crime. This includes support for strategies to ensure the protection of defendants' and incarcerated individuals' constitutional rights and safety, as well as efforts to address wrongful convictions and conviction integrity. This also includes supporting technological or personnel upgrades to provide more equitable access to justice, including language access resources, resources to better serve those with disabilities, rural communities, and indigent defense representation. Finally, this can include efforts to build partnerships between the criminal justice system and nonprofits to provide support for collaborative, community-driven and informed efforts, such as community-based diversion programs outside of the criminal justice system, increasing access to resources to support the right to counsel, and developing community-driven and informed prevention programs or responses to violent crime.

Violent Crime Reduction

In May 2021, the Department launched a comprehensive violent crime reduction strategy to protect American communities from violent crimes, including gun violence. On December 11, 2023, Attorney General Merrick B. Garland announced the release of the Justice Department's Violent Crime Reduction Roadmap, a one-stop shop of federal resources to assist local jurisdictions in developing, implementing, and evaluating strategies to prevent, intervene in, and respond to violent crime. The Roadmap helps connect jurisdictions with the information and resources they need to meet the complex and evolving challenges to help reduce violent crime.

Additionally, on April 3, 2024, Attorney General Garland delivered remarks at a convening of grantees under OJP's Community Based Violence Intervention and Prevention Initiative. He emphasized that the Department's approach to disrupting violent crime is "centered on our partnerships—both with the communities harmed by violent crime and with the law enforcement agencies that protect those communities. Our department-wide anti-violent crime strategy leverages the resources of our federal prosecutors, agents, investigators, grant programs, and criminal justice experts toward those ends. We are working closely with local and state law enforcement agencies, with officials across government, and with the communities most affected by this violence, and with the community organizations on the front lines—all toward one goal: the goal of making our communities safer."

BJA encourages JAG grantees to invest funds to tailor programs and responses to state and local crime issues through the use of data and analytics; coordinate with United States Attorneys Project Safe Neighborhoods grantees and community violence intervention strategies

in order to leverage funding for crime and violence reduction projects and coordinate their law enforcement activities with those of federal law enforcement agencies such as the FBI, the Bureau of Alcohol, Tobacco, Firearms and Explosives, the Drug Enforcement Administration, the United States Marshals Service, and the Department of Homeland Security; and form partnerships with federal, state, and local law enforcement and prosecutors to identify persons who use guns to commit a crime and who purchase or sell guns illegally. This includes ensuring that persons prohibited from purchasing firearms (see e.g., 18 U.S.C. § 922(g)) are prevented from doing so by ensuring complete, accurate, and timely access to the FBI's National Instant Criminal Background Check System (NICS) and the timely submission of all necessary records into the FBI databases, which will help prevent illegal transfers of firearms to those who are prohibited from owning firearms under current law. BJA also encourages JAG grantees to invest in implementing programs that provide training, assistance, and resources to law enforcement agencies to mitigate the current crisis in law enforcement recruitment and retention; enhance community policing approaches; bolster the security of at-risk places of worship such as synagogues, churches, and mosques; provide security for election workers; enforce commonsense gun laws; and upgrade systems and/or purchase technology that support agency strategies to reduce violent crime and enhance their capacity to better address crime.

Additional Uses of JAG Funds

JAG funds awarded under this solicitation may also be used to:

- Support reentry projects with the goal of improving outcomes for incarcerated individuals returning to the community from prison or jail.
- Support public defense systems, including the hiring and retention of attorneys.
- Support projects related to preventing, detecting, seizing, and/or stopping the presence and use of contraband cellphones within correctional facilities. This includes the purchasing of managed access systems and other mitigation technologies (as permitted by applicable law).
- Purchase fentanyl and methamphetamine detection equipment, including handheld instruments and training for law enforcement safety, as well as opioid reversal agents.
- Purchase drug-detection canines to combat the rise of drug trafficking, including that of methamphetamines.
- Support efforts to seal and expunge criminal history information in accordance with state laws and policies.
- Support efforts to attract and retain an inclusive, diverse, expert, and accountable law enforcement workforce that reflects the community it serves.
- Support virtual reality de-escalation training.
- Purchase humane remote restraint devices that enable law enforcement to restrain an uncooperative subject without inflicting pain.
- Purchase gunfire detection technology.
- Support implementation of Rapid DNA at the booking station to include assisting with the initial costs associated with updating criminal history systems, integration with booking station systems, and purchasing new technologies associated with Rapid DNA at the booking station (Note: JAG funds may not be used for Rapid DNA testing of evidentiary material; see the "DNA Testing of Evidentiary Materials and Uploading DNA Profiles to a Database" section for more information on the topic).
- Purchase an Electronic Tracing System (eTrace)

- Purchase a NIBIN Enforcement Support System (NESS)

Additionally, JAG funds awarded under this solicitation may be used for any purpose indicated here: Purposes for Which Funds Awarded Under the Edward Byrne Memorial Justice Assistance Grants (JAG) Program May Be Used.

Limitations on the Use of JAG funds

Administrative Costs

Up to 10 percent of a JAG award, including up to 10 percent of any earned interest, may be used for costs associated with administering the award, which can include indirect costs.

Supplanting

JAG funds may not be used to supplant state or local funds but must be used to increase the amount of such funds that would, in the absence of federal funds, be made available. See the JAG FAQs for examples of supplanting. Although supplanting is prohibited, BJA encourages the leveraging of federal funding.

Matching Funds

Absent specific federal statutory authority to do so, JAG award funds may not be used as a match for other federal awards.

Prohibited and Controlled Equipment and Associated Procedures under JAG

The JAG statute, at 34 U.S.C. § 10152(d), specifically identifies a list of prohibited items. In addition, consistent with Executive Order 14074, Advancing Effective, Accountable Policing and Criminal Justice Practices To Enhance Public Trust and Public Safety of May 25, 2022, the use of OJP grant funds for the purchase or transfer of certain equipment has been designated as prohibited or controlled starting with FY 2023 OJP grant funds. Details and associated procedures for requesting prior approval, where applicable, can be found in the JAG Prohibited and Controlled Equipment Guidance and the JAG FAQs.

Other Program Requirements

A unit of local government that applies for and receives an FY 2024 JAG award must note the following:

Trust Fund

Units of local government may draw down JAG funds either in advance or on a reimbursement basis. To draw down in advance, a trust fund must be established in which to deposit the funds. The trust fund must be in an interest-bearing account, unless one of the exceptions in 2 C.F.R. § 200.305(b)(8) apply. If subrecipients draw down JAG funds in advance, they also must establish a trust fund in which to deposit the funds. For additional information, see 2 C.F.R. § 200.305.

Certifications and Assurances by the Chief Executive of the Applicant Government (Which Incorporates the 30-Day Governing Body Review Requirement)

A JAG application is not complete, and a unit of local government may not access award funds, unless the chief executive of the applicant unit of local government (e.g., the mayor) properly executes, and the unit of local government submits, the "Certifications and Assurances by the Chief Executive of the Applicant Government." The most up-to-date version of this certification can be found at: FY24 JAG—Certifications and Assurances by the Chief Executive of the Applicant Government. Please note that this certification contains assurances that the governing

body notification and public comment requirements, which are required under the JAG statute (at 34 U.S.C. § 10153(a)(2)), have been satisfied. Please note that this certification contains assurances that the governing body notification and public comment requirements, which are required under the JAG statute (at 34 U.S.C. § 10153(a)(2)), have been satisfied.

Please note that only direct JAG award recipients must provide this certification to OJP and that prior to making any subawards (including subawards to disparate jurisdictions), the direct JAG award recipient must collect a completed certification from the proposed subrecipient. Any such certifications must be maintained by the direct JAG award recipient and made available to OJP upon request. OJP will not deny an application for a JAG award for failure to submit these “Certifications and Assurances by the Chief Executive of the Applicant Government” by the application deadline, but a unit of local government will not be able to access award funds (and its award will include a condition that withholds funds) until it submits these certifications and assurances properly executed by its respective chief executive (e.g., the mayor).

Minimum Requirements for Extreme Risk Protection Order Programs (ERPOs)

An extreme risk protection order (ERPO) empowers law enforcement, and in some states, family members, health care providers, and others to petition a court for a civil order that temporarily prevents a person from accessing firearms if they are found to be a danger to themselves. If grantees use their JAG funds to support ERPO programs, ERPO programs must include, at a minimum:

1. Pre-deprivation and post-deprivation due process rights that prevent any violation or infringement of the Constitution of the United States, including, but not limited to, the Bill of Rights and the substantive or procedural due process rights guaranteed under the 5th and 14th amendments to the Constitution of the United States, as applied to the States and as interpreted by State courts and United States courts (including the Supreme Court of the United States). Such programs must include at the appropriate phase to prevent any violation of constitutional rights, at minimum, notice, the right to an in-person hearing, an unbiased adjudicator, the right to know opposing evidence, the right to present evidence, and the right to confront adverse witnesses.
2. The right to be represented by counsel at no expense to the government.
3. Pre-deprivation and post-deprivation heightened evidentiary standards and proof which mean not less than the protections afforded to a similarly situated litigant in Federal court or promulgated by the State’s evidentiary body, and sufficient to ensure the full protections of the Constitution of the United States, including but not limited to the Bill of Rights and the substantive and procedural due process rights guaranteed under the 5th and 14th amendments to the Constitution of the United States, as applied to the States and as interpreted by State courts and United States courts (including the Supreme Court of the United States). The heightened evidentiary standards and proof under such programs must, at all appropriate phases to prevent any violation of any constitutional right, at minimum, prevent reliance upon evidence that is unsworn or unaffirmed, irrelevant, based on inadmissible hearsay, unreliable, vague, speculative, and lacking a foundation.
4. Penalties for abuse of the program.

Prior to the expenditure of FY24 JAG funds for an ERPO program, a Certification of Compliance with Pub. L. No. 90-351, Title I, Sec. 501(a)(1)(I)(iv) must be signed by a principal legal officer and submitted to BJA. See the JAG FAQs for additional information.

Body-worn Cameras (BWCs)

A JAG award recipient that proposes to use FY 2024 funds to purchase BWC equipment or implement or enhance BWC programs must provide to OJP a certification(s) that each direct recipient receiving the equipment or implementing the program has policies and procedures in place related to BWC equipment usage, data storage and access, privacy considerations, and training. The certification form related to BWC policies and procedures can be found at: JAG—Body-Worn Camera (BWC) Policy Certification.

Further, before making any sub-awards (including sub-awards to disparate jurisdictions) for BWC-related expenses, the direct JAG award recipient must collect a completed BWC certification from the proposed subrecipient. Any such certifications must be maintained by the direct JAG award recipient and made available to OJP upon request. The BJA BWC Toolkit provides model BWC policies and best practices to assist criminal justice departments in implementing BWC programs.

Apart from the JAG Program, BJA provides funds under the Body-worn Camera Policy and Implementation Program (BWCP). BWCP allows jurisdictions to develop and implement policies and practices required for effective program adoption, and to address program factors including the purchase, deployment, and maintenance of camera systems and equipment; data storage and access; and privacy considerations. Interested JAG award recipients may wish to refer to the BWC Partnership Program web page for more information. JAG award recipients that are also BWC award recipients may not use JAG funds for any part of the 50 percent match required by the BWC Program.

Body Armor

Body armor purchased with JAG funds may be purchased at any threat level, make, or model from any distributor or manufacturer, as long as the following requirements are met: The body armor must have been tested and found to comply with the latest applicable National Institute of Justice ballistic or stab standards <https://cjtec.org/compliance-testing-program/compliant-product-lists/>. In addition, body armor purchased must be made in the United States.

Body armor purchased with JAG funds must be “uniquely fitted vests,” which means protective (ballistic or stab-resistant) armor vests that conform to the individual wearer to provide the best possible fit and coverage through a combination of (1) correctly sized panels and carrier determined through appropriate measurement and (2) properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features. Note that the requirement that body armor be “uniquely fitted” does not necessarily require body armor that is individually manufactured based on the measurements of an individual wearer. In support of OJP’s efforts to improve officer safety, the American Society for Testing and Materials (ASTM) International has made available the Standard Practice for Body Armor Wearer Measurement and Fitting of Armor (Active Standard ASTM E3003) at no cost. The Personal Armor Fit Assessment Checklist is excerpted from ASTM E3003. A mandatory wear concept and issues paper and a model policy are available from the BVP Customer Support Center, which can be contacted at vests@usdoj.gov or toll free at 1–877–758–3787. Additional information and FAQs related to the mandatory wear policy and certifications can be found in the JAG FAQs.

A JAG award recipient that proposes to purchase body armor with JAG funding must provide to OJP a certification(s) that it has a written “mandatory wear” policy in effect (see 34 U.S.C. § 10202(c)). The certification form related to mandatory wear can be found at: JAG Body Armor

Mandatory Wear Policy Certification. Further, before making any sub-awards (including sub-awards to disparate jurisdictions) for body armor purchases, the direct JAG award recipient must collect a completed body armor certification from the proposed subrecipient. Any such certifications must be maintained by the direct JAG award recipient and made available to OJP upon request.

Apart from the JAG Program, BJA provides funds under the Patrick Leahy Bulletproof Vest Partnership (BVP) Program. The BVP Program provides funding to state and local law enforcement agencies for the purchase of ballistic-resistant and stab-resistant body armor. For more information on the BVP Program, including eligibility and an application, refer to the BVP web page. JAG award recipients should note, however, that funds may not be used for any part of the 50 percent match required by the BVP Program.

Interoperable Communications

States (including any subrecipients) that are using JAG funds for emergency communications activities should comply with current SAFECOM Guidance, which is available at: <https://www.cisa.gov/safecom/funding>.

Additionally, emergency communications projects funded with JAG funds should support the Statewide Communication Interoperability Plan (SCIP) and be coordinated with the full-time statewide interoperability coordinator (SWIC) in the state of the project. As the central coordination point for a state's interoperability effort, the SWIC plays a critical role and can serve as a valuable resource. SWICs are responsible for the implementation of SCIP through coordination and collaboration with the emergency response community. CISA maintains a list of SWICs for each state and territory. Contact ecd@cisa.dhs.gov for more information. All communications equipment purchased with JAG funding should be identified during the quarterly performance measurement reporting.

DNA Testing of Evidentiary Materials and Uploading DNA Profiles to a Database

If JAG Program funds are to be used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System (CODIS), the national DNA database operated by the FBI, by a government DNA lab with access to CODIS. **JAG funds may not be used for Rapid DNA testing of evidentiary material (e.g., crime scene samples, sexual assault kits) because the FBI has not authorized results of this testing for upload to CODIS.** No DNA profiles generated with JAG funding may be entered into any other nongovernmental DNA database without prior written approval from BJA (exceptions include forensic genealogy). Additionally, award recipients utilizing JAG funds for forensic genealogy testing must adhere to the DOJ Interim Policy Forensic Genealogical DNA Analysis and Searching available at: <https://www.justice.gov/olp/page/file/1204386/download>. For more information about DNA testing as it pertains to JAG, please refer to the JAG FAQs.

Entry of Records into State Repositories

As appropriate and to the extent consistent with law, a special condition will be imposed that would require the following: Any program or activity that receives federal financial assistance under JAG that is likely to generate court dispositions or other records relevant to NICS determinations, including any dispositions or records that involve any noncitizen or migrant who is undocumented in the United States (18 U.S.C. § 922(g)(5)(A), must have a system in place to ensure that all such NICS-relevant dispositions or records are made available in a timely fashion.

National Incident-based Reporting System

In FY 2016, the FBI formally announced its intention to sunset the UCR program's traditional Summary Reporting System (SRS) and replace it with NIBRS by January 1, 2021. By statute, BJA JAG awards are calculated using summary part 1 violent crime data from the FBI's UCR program. Specifically, the formula allocations for JAG rely heavily on the ratio of "the average number of part 1 violent crimes of the UCR of the FBI reported by such State for the three most recent years reported by such State to the average annual number of such crimes reported by all States for such years" (34 U.S.C. 10156(a)(1)(B)). In preparation for the FBI's 2021 NIBRS compliance deadline, BJA imposed an administrative requirement for JAG award recipients that are not NIBRS compliant to dedicate 3 percent of their JAG award toward coming into full compliance with the FBI's NIBRS data submission requirement to both encourage and assist jurisdictions in working toward compliance and ensure they continue to have critical criminal justice funding available through JAG when SRS transitioned to NIBRS. A NIBRS set-aside is NOT required for FY 2024 awards; however, JAG recipients are encouraged to continue working toward and/or maintaining NIBRS compliance to ensure that JAG eligibility is not affected in future fiscal years. Local jurisdictions that are seeking NIBRS compliance certification should reach out directly to their respective state agency. Agencies with questions about the certification process may contact ucr-nibrs@fbi.gov. More information about NIBRS, including toolkits and updates from the FBI Criminal Justice Information Services team, can be found at: [NIBRS—FBI](#).

Solicitation Goals and Objectives

Goals

In general, the JAG Program is designed to provide states with additional personnel, equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice. Although the JAG Program provides assistance directly to states, through pass-through (and similar) requirements, the JAG Program also is designed to assist units of local government with respect to their criminal justice needs.

Objectives

The objectives are directly related to the JAG Program accountability measures described at: <https://bja.ojp.gov/sites/g/files/xyckuh186/files/media/document/jag-pmt-accountability-measures.pdf>.

For information about what the applicant needs to submit regarding Goals, Objectives, and Deliverables please see the "[How To Apply](#)" section on the [Application Goals, Objectives, Deliverables, and Timeline Web-Based Form](#).

Availability of Funds

This funding opportunity, and awards under this funding opportunity, are subject to the availability of funding and to any changes or additional requirements that may be imposed by the agency or by law. In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The FY 2024 enacted budget represents the largest cut to base resources that the Department of Justice (DOJ) has faced in the last 10 years. Therefore, to mitigate significant budget shortfalls, the funding available for this solicitation has been reduced by 2.5%. The Department understands how critical our grants are to our state, local, and tribal partners, and does not take this action lightly.

The allocations by state for the FY 2024 JAG Program can be found at:
<https://bjaojp.gov/program/jag/allocations>.

Type of Award

OJP expects to make awards under this funding opportunity as grants. See the "Administrative, National Policy, and Other Legal Requirements" section of the Application Resource Guide for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants.

Cost Sharing or Matching Requirement

This solicitation does not require a match.

Eligibility Information

For the purposes of this notice of funding opportunity, other units of local government include towns, boroughs, parishes, villages, or other general purpose political subdivisions of a State.

How To Apply

Application Resources

When preparing and submitting an application, the following resources may aid prospective applicants:

1. Grants.gov "How to Apply for Grants"
2. OJP "How To Apply" section in the Application Resource Guide
3. JustGrants Application Submission Training

This solicitation (notice of funding opportunity) incorporates guidance provided in the OJP Grant Application Resource Guide (Application Resource Guide), which provides additional information for applicants to prepare and submit applications to OJP for funding. **If this solicitation requires something different from any guidance provided in the Application Resource Guide, the difference will be noted in this solicitation and the applicant is to follow the guidelines in this solicitation, rather than the guidance in the Application Resource Guide that is in conflict.**

How To Apply

Registration

Before submitting an application, all applicants must register with the System for Award Management (SAM.gov). An applicant must renew their registration every 12 months. If an applicant does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Applicants are encouraged to start the SAM.gov registration process at least 30 days prior to the application deadlines. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not complete the process in time and will not be considered for late submission.

Submission

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants.

Step 1: After registering with SAM.gov, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://www.grants.gov/register> by the Grants.gov deadline. **To leave time to address any technical issues that may arise, an applicant should submit the SF-424 and SF-LLL as early as possible and recommended not later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov by the deadline, they will be unable to apply in JustGrants. Applicants can confirm Grants.gov submission by verifying their application status shows as "submitted" or "agency tracking number assigned."

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov) by the JustGrants deadline.

OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline. Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare all the requirements of the application. Applicants may save their progress

in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants.

An applicant will receive emails when successfully submitting in Grants.gov and JustGrants and should maintain all emails and other confirmations received from SAM.gov, Grants.gov, and JustGrants systems.

For additional information, see the “How To Apply” section in the [Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424** and the **SF-LLL** must be submitted in Grants.gov by 8:59 p.m. Eastern on October 16, 2024.

The **full application** must be submitted in JustGrants by 8:59 p.m. Eastern on October 22, 2024.

To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time (i.e., waiting until the due dates identified in this solicitation for those systems to begin the application steps) is not an acceptable reason to request a technical waiver.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application (Technical Waivers)

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented submission of the application on time.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. A tracking number is the most typical documentation and is generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks, and for this reason, long call wait times for support do not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov: contact the [SAM.gov Help Desk \(Federal Service Desk\)](#), Monday–Friday from 8:00 a.m. to 8:00 p.m. ET at 866-606-8220.
- Grants.gov: contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or support@grants.gov.
- JustGrants: contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833-872-5175, Monday–Friday from 7:00 a.m. to 9:00 p.m. ET and Saturday, Sunday, and federal holidays from 9:00 a.m. to 5:00 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must—

- describe the technical difficulties experienced (provide screenshots if applicable);
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded);
- include an attachment of the complete grant application and all the required documentation and materials;
- include the applicant's Unique Entity Identifier (UEI); and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information listed above), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [Application Resource Guide](#).

Application and Submission Information

Content of the SF-424 in Grants.gov

The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the [Application Resource Guide](#) for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*email address*) to assign the application to this user in JustGrants.

Intergovernmental Review: This funding opportunity is subject to [Executive Order \(E.O.\) 12372](#). An applicant may find the names and addresses of State Single Points of Contact (SPOCs) at the following website: <https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf>. If the applicant's State appears on the SPOC list, the applicant must contact its SPOC to find out about, and comply with, the State's process under E.O. 12372. On the SF-424, an applicant whose State appears on the SPOC list is to make the appropriate selection in response to question 19, once the applicant has complied with its State E.O. 12372 process. An applicant whose State does not appear on the SPOC list should answer question 19 by selecting “Program is subject to E.O. 12372 but has not been selected by the State for review.”

Content of the JustGrants Application Submission

Entity and User Verification (First Time Applicant)

For first time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from DIAMD-NoReply@usdoj.gov) to the individual listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after this individual receives confirmation from Grants.gov of their SF-424 and SF-LLL submissions. Register the Entity Administrator (the person who manages who can access JustGrants on behalf of the applicant), the Application Submitter, and Authorized Representative for the applicant with JustGrants as early as possible and (recommended) not later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Find additional information on JustGrants Application Submission in the Application Resource Guide.

Standard Applicant Information

The “Standard Applicant Information” section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and verify and confirm the organization’s unique entity identifier, legal name, and address.

Proposal Abstract

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information). Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. Examples of brief Proposal Abstracts are included below.

JAG Abstract Examples:

The city of [insert] will use JAG funds for overtime for increased patrols to bolster the security of at-risk nonprofit organizations such as synagogues, churches, mosques, and other places of worship.

The county of [insert] will use JAG funds to hire credible messengers as part of a community-based violence intervention initiative.

Disparate JAG Abstract Example:

The disparate jurisdictions of [insert] and [insert] will use JAG funds for technology improvements and equipment. Specifically, the county of [insert] will use JAG funds to replace its records management system to transition to NIBRS, and the city of [insert] will use JAG funds to purchase body worn cameras to promote public trust, accountability, and transparency.

Data Requested With Application

The following application elements should be submitted in the web-based forms in JustGrants.

Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High-Risk Status)

The Financial Management and System of Internal Controls Questionnaire helps OJP assess the financial management and internal control systems, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based Questionnaire form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High Risk Status\)](#) for additional guidance on how to complete the questionnaire.

Proposal Narrative

The Proposal Narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; and should not exceed 10 numbered pages.

Category 1—Eligible Allocation Amounts of Less than \$25,000

The proposal narrative for Category 1 applications must include a description of the project(s), including subawards, if applicable, to be funded with JAG funds over the 2-year grant period.

Category 2—Eligible Allocation Amounts of \$25,000 or More

The proposal narrative for Category 2 applications should include:

a. Description of the Issue

Identify the unit of local government's strategy/funding priorities for the FY 2024 JAG funds, the subaward process (if applicable, including disparates) and timeline, any progress or challenges, and a description of the programs to be funded over the 4-year grant period.

b. Project Design and Implementation

Describe the unit of local government's process, if any, for engaging stakeholders from across the justice continuum and how that input informs priorities. This should include a description of how local communities are engaged in the planning process, how state and local planning efforts are coordinated, and the challenges faced in coordination. The applicant should identify the stakeholders representing each program area who are participating in the strategic planning process, the gaps in the state's needed resources for criminal justice purposes, plans to improve the administration of the criminal justice system, and how JAG funds will be coordinated with state and related justice funds.

c. Capabilities and Competencies

Describe any additional strategic planning/coordination efforts in which the units of local government participate with other criminal justice entities within the local jurisdiction and/or state. Please provide an overview of any evidence-informed programs that have been implemented successfully and how those programs might inform implementation of strategic plan priorities.

d. Plan for Collecting the Data Required for This Solicitation's Performance Measures

The application should demonstrate the applicant's understanding of the performance data reporting requirements for this grant program and detail how the applicant will gather the required data should it receive funding.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included to provide notice that award recipients will be required to submit performance data as part of each award's reporting requirements.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the solicitation goals and objectives identified in the "Goals and Objectives" section. Applicants can visit OJP's performance measurement page at www.ojp.gov/performance for more information on performance measurement activities at OJP.

A list of performance measure questions for this program can be found at <https://bjapmt.ojp.gov/help/JAGDocs.html>. NOTE: BJA is in the process of reviewing and revising these performance measure questions. Any changes resulting from this review will be communicated to award recipients.

BJA will require award recipients to submit quarterly performance measure data in BJA's PMT located at <https://bjapmt.ojp.gov> and separately submit a semiannual, performance report in JustGrants. BJA will provide further guidance on the post-award submission process, if the applicant is selected for award.

Note on Project Evaluations

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "Note on Project Evaluations" section in the OJP Grant Application Resource Guide.

Budget and Associated Documentation

Funding Restrictions

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

Budget Worksheet and Budget Narrative (Attachment)

The applicant will complete the budget worksheet attachment and submit it by uploading it as an attachment in JustGrants. See the OJP Grant Application Resource Guide for additional information.

The budget narrative and budget worksheet (attachment) are critical elements, and applicants will be unable to successfully submit an application in JustGrants unless an attachment is uploaded in this section. If an applicant does not have a budget to submit at the time of application, an attachment must be uploaded noting as such, and BJA will add the appropriate special condition withholding funds for budget documentation. Please note that the budget narrative should include a full description of all costs, including administrative costs (if applicable).

For additional information about how to prepare a budget for federal funding, see the [“Application Resource Guide”](#) section on [Budget Preparation and Submission Information](#) and the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget training](#).

Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs

OJP strongly encourages every applicant that proposes to use award funds for any conference-, meeting-, or training-related activity (or similar event) to review carefully—before submitting an application—the [Application Resource Guide](#) for information on prior approval, planning, and reporting of conference/meeting/training costs.

Costs Associated With Language Assistance (if applicable)

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. See the [Application Resource Guide](#) for information on costs associated with language assistance.

Unmanned Aircraft Systems

The use of BJA grant funds for unmanned aircraft systems (UAS), including unmanned aircraft vehicles (UAV), and all accompanying accessories to support UAS or UAV, is unallowable.

Budget/Financial Attachments

Pre-Agreement (Pre-Award) Costs (if applicable)

Pre-agreement costs are defined as costs requiring approval incurred by the applicant prior to the start date of the period of performance of the federal award. OJP does not typically approve pre-agreement costs. If a successful applicant, in anticipation of the Federal award, but before the start date of the period of performance, incurs costs which are necessary for efficient and timely performance of the funded project, those costs may not be charged to the award. See the “Costs Requiring Prior Approval” section in the [DOJ Grants Financial Guide Post-Award Requirements](#) for more information.

Indirect Cost Rate Agreement (if applicable)

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and maintenance, depreciation, and administrative salaries. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A non-federal applicant should follow the guidelines applicable to its type of organization. If applicable, an applicant with a current federally approved indirect cost rate agreement will upload it as an attachment in JustGrants. See the [DOJ Financial Guide](#) for additional information on [Indirect Cost Rate Agreement](#).

This rule does not eliminate or alter the JAG-specific restriction in federal law that states charges for administrative costs may not exceed 10 percent of the award amount, regardless of the approved indirect cost rate.

Consultant Rate (if applicable)

Costs for consultant services require prior approval from OJP. If the proposed project expects to fund consultant services, compensation for individual consultant services is to be reasonable

and consistent with that paid for similar services in the marketplace. See the [DOJ Grants Financial Guide](#) for information on the consultant rates, which require prior approval from OJP.

Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable)

This solicitation expressly modifies the OJP Grant Application Resource Guide by not incorporating the “Limitation on Use of Award Funds for Employee Compensation; Waiver” provision in the “Financial Information” section of the OJP Grant Application Resource Guide.

Disclosure of Process Related to Executive Compensation (if applicable)

This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

Additional Application Components

The applicant will attach the additional requested documentation in JustGrants.

Memorandum of Understanding (MOUs) and Other Supportive Documents (if applicable)

For disparate jurisdictions, an MOU that identifies which jurisdiction will serve as the applicant or fiscal agent for joint funds must be completed and signed by the authorized representative for each participating jurisdiction. See the Allocation Determination and Units of Local Government Requirements Regarding Use of JAG Funds section and the [JAG FAQs](#) for more information. A [sample MOU](#) is also available.

Research and Evaluation Independence and Integrity Statement (if applicable)

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [Application Resource Guide](#).

Certifications and Assurances by the Chief Executive of the Applicant Government
[Body Armor Mandatory Wear Policy Certification](#) (If applicable)

[Body-worn Camera Policies Certification](#) (If applicable)

[ERPO Certification](#) (if applicable)

Disclosures and Assurances

The applicant will address the following disclosures and assurances.

Disclosure of Lobbying Activities

The SF-LLL attachment that was completed and submitted in Grants.gov is attached to this section.

Applicant Disclosure of Duplication in Cost Items

To ensure funding coordination across grant making agencies, and to avoid unnecessary or inappropriate duplication among grant awards, the applicant will disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds. Complete the JustGrants web-based Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

DOJ Certified Standard Assurances

Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing
Review and accept in JustGrants the DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing. See the [Application Resource Guide](#) for additional information.

Applicant Disclosure and Justification—DOJ High-Risk Grantees

If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ High-Risk Grantee is an award recipient that has received a DOJ High-Risk designation based on a documented history of unsatisfactory performance; financial instability; management system or other internal control deficiencies; noncompliance with award terms and conditions on prior awards or is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. See the [OJP Grant Application Resource Guide](#) for information on the application review process for this solicitation.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant entity. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant entity is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

Important note on Responsibility/Qualification Data (formerly FAPIIS): An applicant, at its option, may review and comment on any information about itself that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only BJA recommendations but also other factors as indicated in this section.

Federal Award Administration Information

Federal Award Notices

Generally, award notifications are made by the end of the current Federal fiscal year, September 30. See the [Application Resource Guide](#) for information on award notifications and instructions.

Evidence-Based Programs or Practices

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices (programs or practices that have been evaluated as effective), see the [Application Resource Guide](#).

Information Regarding Potential Evaluation of Programs and Activities

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information on what should be included in the application, see the [Application Resource Guide](#) section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [Application Resource Guide](#).

Civil Rights Compliance

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit it from discriminating on the basis of race, color, national origin, sex, religion, or disability in how the recipient delivers its program’s services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include Title VI of the Civil Rights Act of 1964 (Title VI), the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail here: [“Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements – FY 2024 Awards”](#) under the “Civil Rights Requirements” section, and additional resources are available from the [OJP Office for Civil Rights](#).

Part of complying with civil rights laws that prohibit national origin discrimination includes recipients taking reasonable steps to ensure that people who are limited in their English proficiency (LEP) because of their national origin have meaningful access to a recipient’s program and activity. An LEP person is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To help recipients meet this obligation to serve LEP persons, DOJ has published a number of resources, including a language access assessment and planning tool, which are available at <https://www.lep.gov/language-access-planning>. Additional resources are available at <https://www.ojp.gov/program/civil-rights-office/limited-english-proficient-lep>. If the award recipient proposes a program or activity that would deliver services or benefits to LEP

individuals, the recipient may use grant funds to support the costs of taking reasonable steps (e.g., interpretation or translation services) to provide meaningful access. Similarly, recipients are responsible for ensuring that their programs and activities are readily accessible to qualified individuals with disabilities. Applicants for OJP funding must allocate grant funds or explain how other available resources will be used to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services for deaf or hard of hearing individuals or the purchase of adaptive equipment for individuals with mobility or cognitive disabilities. For resources, see <https://www.ada.gov/> or contact OJP.

Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

Information Technology Security Clauses

An application in response to this solicitation may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.
