18 I. PROJECT DESCRIPTION, LOCATION, BUILDING REQUIREMENTS AND
19 BUDGET

20 A. DESCRIPTION:

21 1. The Project consists of the development of two (2) single family
22 residences which shall be HOME-assisted and shall satisfy HOME occupancy requirements for
23 no less than the required HOME Period of Affordability. The Period of Affordability will be a
24 maximum of fifteen (15) years beginning on the date the Project is completed and closed in
25 HUD's Integrated Disbursement & Information System (IDIS). The Project will consist of three
26 (3) and/or four (4) bedroom single family residences.

27 2. The Project will utilize a mutual self-help housing model in the
28 construction of the residences, whereby each homebuyer or volunteer will contribute labor in

1 the construction of the residence. The Borrower shall maintain and provide to the County
2 records of actual hours spent by each volunteer in performing voluntary labor, which shall be
3 credited as sweat equity. Such records can be used as one of the methods to calculate
4 compliance with the HOME match requirement.

5 3. The Project will provide new housing units that will be affordable to
6 households earning no more than eighty percent (80%) of area median income for Fresno
7 County, as reported annually by HUD.

8 B. LOCATION:

9 The Project will be developed on two (2) individual lots that are part of an
10 approximately 16.14 acre site (the "Property") located along Wilda, Pendleton and Earl Streets,
11 east of Troutdale Lane and north of Stathem Street, in the unincorporated community of
12 Riverdale, California and will consist of two (2) single family residences.

13 C. BUILDING REQUIREMENTS:

14 1. All aspects of the building construction will meet or exceed the
15 County's minimum building construction standards and the International Energy Conservation
16 Code, and must comply with all applicable local building codes.

17 2. Housing Quality Standards: The Project shall meet the requirements
18 of 24 CFR § 92.251 relating to property standards and all applicable local housing code
19 requirements for the duration of this Agreement, and any modifications or amendments or
20 successor agreements thereto.

21 D. BUDGET:

22 1. This Agreement does not provide the Borrower any legal claim to any
23 amount of HOME loan funds to be used for the specific Project at the site unless and until the
24 Property has received environmental clearance, received authorization from HUD to use grant
25 funds, and has met the other terms of this Agreement.

26 2. The total preliminary Project budget estimate is Four Hundred and
27 Seventy Eight Thousand Dollars (\$478,000). The proposed work to be funded with County
28 HOME loan funds for the development of the two (2) single family residences is as follows:

Expenses to be paid with HOME loan funds:

Construction Costs	\$390,000
TOTAL HOME loan funds	\$390,000

Notwithstanding the estimates described in the above preliminary Project budget, disbursements for the Project from HOME loan funds will be based on the actual costs and shall not exceed the total amount of Three Hundred Ninety Thousand Dollars (\$390,000). Disbursement of HOME funds is subject to approval and execution of loan, security, and related documents acceptable to the County, in its sole discretion.

E. FUNDING:

1. Notwithstanding any other provision of this Agreement, the parties hereto agree and acknowledge that this Agreement does not constitute a commitment of loan funds or site approval, and that such "commitment of loan funds" or approval may occur only upon satisfactory completion of the environmental review and receipt by the County of a Release of Funds from the U.S. Department of Housing and Urban Development under 24 CFR § 58. In addition, no commitment of loan funds will be made until all requirements contained in this Agreement or any other loan, security or other related documents are met by the Borrower, as determined by the County. The parties further agree that the loan of any funds to the Project is conditioned upon the County's determination to proceed with, modify or cancel the Project based on the results of the Project's environmental review as specified in Section III of this Agreement. The County will give written notification to the Borrower when these requirements have been met.

2. Attachment A to this Agreement, which is incorporated herein by reference, lists the potential funding sources and proposed funding amounts for the Project. Notwithstanding the funding sources and amounts identified in Attachment A, disbursements for the Project from HOME loan funds will be contingent upon reliable evidence acceptable to the County in its sole discretion that the Borrower has obtained all funding necessary to meet the total Project cost. In addition, the Borrower may not advertise or award the Project until the County has received authorization from HUD to use the grant funds, as described in Section I,

1 Part D-1.

2 F. CHANGES TO PROJECT:

3 The Borrower will give written notification to the County Department of
4 Public Works and Planning, Community Development Division of any event that changes the
5 scope of the Project and/or the funding sources. The Director of the Department of Public
6 Works and Planning, or his designee, at his discretion, is authorized to permit minor changes to
7 the scope of the Project and/or the funding sources, provided the Director or his designee
8 determines that such changes do not substantively alter the scope of the Project, the maximum
9 amount of HOME loan funds allocated to the Project or the Project's eligibility under the
10 Federal HOME regulations, as more fully set forth in Section VII, Paragraph K of this
11 Agreement.

12 II. OBLIGATIONS OF THE COUNTY

18 statutory and regulatory requirements. Notwithstanding changes in the funding sources and
19 amounts identified in Attachment A, disbursements for the Project from HOME Program funds
20 will be contingent upon the County's receipt, review and approval of highly reliable evidence
21 acceptable to County in its sole discretion that the Borrower has obtained or will obtain all
22 funding to meet the Project development costs. Evidence may include, but not be limited to,
23 funding commitments and/or loan documentation from other lenders.

24 2. The County, at its sole discretion, may accept any of the following as

4 \$124,123 toward the project which will reduce the amount owed on the loan. The Borrower
5 agrees to sell the homes for no less than the appraised value of the maximum sales price

17 eligible homebuyer is required to invest, of their own funds, a minimum of one and a half
18 percent (1.5%) of the home sales price (total development cost) towards the purchase of their
19 home. The County may choose to credit the value of sweat equity earned by each homebuyer
20 as part of this required homebuyer investment. The County requires each HAP applicant
21 attend a sixteen-hour homeownership course comprised of an eight-hour pre-purchase course
22 and an eight-hour maintenance course. The County may allow eligible homebuyers, who
23 purchase homes in the Habitat Riverdale Development, to credit their construction labor
24 experience as a substitute for the eight-hour maintenance course requirement.

25 C. LOAN DOCUMENTS:

26 1. Promissory Note: The County will prepare a Promissory Note for
27 execution by the Borrower ("Note") in a form and content acceptable to the County, in the

19 Agreement. The County will provide Borrower with written notification that this requirement has
20 been met.

21 2. The County shall attend the pre-construction meeting between the
22 Borrower and any project or construction management company contracting with the Borrower

7 Any costs incurred prior to the County's written notification to Borrower that grant

9 jeopardize use of County HOME funds for the Project.

10 IV. OBLIGATIONS OF THE BORROWER

11 A. FUNDING:

12 1. The Borrower hereby certifies the authenticity and accuracy of the
13 information provided to the County with regards to the fiscal soundness of the Borrower and
14 Borrower's capacity to undertake the proposed Project. The Borrower further certifies that it
15 has examined the Project neighborhood market conditions and determined there is adequate
16 need for the Project.

17 2. The Borrower will provide any and all sums of money in excess of
18 Three Hundred Ninety Thousand Dollars (\$390,000) that may be necessary to complete the
19 Project. Prior to disbursement of County HOME loan funds, the Borrower shall secure or

12 2. Disbursement Requests

13 a. The Borrower will submit written requests to the County
14 for loan disbursements to pay actual costs incurred in the performance of this Agreement. Any
15 such request for disbursement from HOME loan funds will be accompanied by a written
16 certification from the Borrower that the request for disbursement is consistent with the amount
17 of work that has been completed and that to the best of the Borrower's knowledge, the work is
18 in accordance with this Agreement.

19 b. Requests for disbursement shall be accompanied by
20 supporting documentation acceptable to the County detailing the items comprising the total
21 sought to be reimbursed, such as invoices or vouchers for services or materials purchased,
22 contractors' costs or other costs chargeable to the Project. After appropriate review and
23 progress inspection, the County shall make disbursements to the Borrower from HOME loan
24 funds provided in this Agreement for all verified eligible costs specified herein. The Project's
25 proposed disbursement schedule is provided in Attachment C to this Agreement, which is
26 incorporated herein by reference.

2 documentation shall be sent to:

3 Affordable Housing Programs Manager
4 Department of Public Works and Planning
5 Community Development Division
6 2220 Tulare Street, 6th Floor
7 Fresno, CA 93721

8 d. The County shall not be obligated to make any
9 disbursement of funds for the Project under this Agreement if the request for disbursement is
10 submitted by the Borrower more than sixty (60) days after the Notice of Completion has been
11 filed with the County Recorder's Office. The Director of the Department of Public Works and
12 Planning, or his designee, prior to the deadline, may grant an extension to the sixty (60) day
13 period if the Borrower can demonstrate just cause for the delay.

14 3. All requests for disbursements will be processed via Special Run
15 check processing or a wire transfer as determined by the County and processed by the
16 County's Auditor-Controller-Treasurer/Tax Collector ("ACTTC").

17 4. Outside Agreements: The County will not be bound by any agreement
18 between the Borrower and any of its partners, agents, employees or subcontractors. The
19 County will be bound only by the terms of this Agreement. It is understood and agreed by the
20 parties hereto that no third party beneficiary status or rights are created by or under this
21 Agreement and that no other person, firm, corporation, or entity shall be deemed a third party
22 beneficiary of this Agreement.

23 5. Generally Accepted Accounting Principles: The Borrower will establish
24 accounting and bookkeeping procedures in accordance with Generally Accepted Accounting
25 Principles (GAAP) and standard bookkeeping practices, including, but not limited to, employee
26 timecards, payrolls and other records of all transactions to be paid with HOME loan funds in
27 accordance with the performance of this Agreement. All records and accounts will be available
28 for inspection by the County, the State of California, the Federal government and if applicable,
the Comptroller General of the United States or any of their duly authorized representatives, at

1 all reasonable times for a period of at least five (5) years following the termination or expiration
2 of this Agreement or the closure of all other related pending matters, whichever is later. The
3 Borrower will certify accounts when required or requested by the County.

4 B. AUDITS:

5 The Borrower is required to comply with the provisions of the Single Audit
6 Act of 1984 (31 USC Sections 7501 et seq.), as amended. Whenever the Borrower receives
7 HOME loan funds from the County for a project, a copy of any audit performed by the Borrower
8 in accordance with said Act will be forwarded to the Affordable Housing Programs Manager
9 within nine (9) months of the end of any fiscal year in which loan funds were distributed,
10 borrowed, and/or outstanding for the Project. Failure to perform the requisite audit functions as
11 required by this paragraph may result in the County performing any necessary audit task or, at
12 the County's option, in the County contracting with a public accountant to perform the audit. All
13 audit costs related to the Borrower's failure to perform the requisite audit are the sole
14 responsibility of the Borrower and such audit work costs incurred by the County shall be billed
15 to the Borrower as determined by the County's ACTTC. The Borrower agrees to take prompt
16 and appropriate corrective action on any instance of material non-compliance with applicable
17 laws and regulations.

18 C. INDEMNIFICATION:

19 The Borrower will indemnify, save, hold harmless, and at the County's
20 request, defend the County, its partners, officers, agents, and employees from and against any
21 and all costs and expenses, damages, liabilities, claims and losses whatsoever, occurring or
22 resulting to the County in connection with the performance, or failure to perform, by the
23 Borrower, its partners, officers, agents, employees, or any persons, firms, or corporations
24 furnishing or supplying work, services, materials, or supplies in connection with the
25 performance of this Agreement, and from any and all claims and losses occurring or resulting
26 to any person, firm, or corporation who may be injured or damaged, including damage, injury,
27 or death arising out of or connected with the performance, or failure to perform, of the
28 Borrower, its partners, officers, agents or employees under this Agreement.

1 D. TIME OF PERFORMANCE:

2 1. The term of this Agreement will commence on the date upon which this
3 Agreement is executed by the County and will expire when the Period of Affordability ends
4 fifteen (15) years after the date the Project is completed and closed in IDIS, or when the loan of
5 Three Hundred Ninety Thousand Dollars (\$390,000) and such other amounts, including but not
6 limited to liquidated damages, if applicable, as set forth in the Promissory Note, have been
7 repaid.

8 2. The Project as described in Section I of this Agreement will commence
9 on the day the Agreement is executed by the County and will be completed with construction
10 within twelve (12) months of the construction start date.

11 3. The following schedule shall apply to the Project:
12 a. Homebuyers secured by: October, 2017
13 b. All other funding sources secured by: October, 2017
14 c. Provide all necessary documents to execute loan
15 documents by: October, 2017
16 d. Begin Construction by: October, 2017

19 the County Department of Public Works and Planning, or his designee, of any events that
20 occur, which may affect the Project Schedule and completion date noted above, or any event
21 that may have significant impact upon the Project or affect the attainment of the Project's
22 objectives. The Project's proposed schedule is provided in Attachment D to this Agreement,
23 which is incorporated herein by reference. The Director of the County Department of Public
24 Works and Planning, or his designee, is authorized to make adjustments in the Project
25 schedule if, in the Director's or his designee's judgment, the delays are beyond the control of
26 the parties involved.

28 ///

1 E. BREACH OF AGREEMENT:

2 In the event the Borrower fails to comply with any of the terms of this
3 Agreement, the County may, at its option, deem the Borrower's failure to be a material breach
4 of this Agreement and utilize any of the remedies set forth in 24 CFR § 85.43 or that it deems
5 appropriate. Should the County deem a breach of this Agreement to be a material breach; the
6 County will immediately be relieved of its obligations to make further loan disbursements as
7 provided herein. Termination of this Agreement due to breach will not, in any way whatsoever,
8 limit the rights of the County in seeking any other legal relief in a court of law or equity,
9 including the recovery of damages. In addition to the Agreement being terminated by the
10 County in accord with a material breach of this Agreement by the Borrower, the County in
11 accord with 24 CFR § 85.44 may also terminate this Agreement for convenience.

12 F. TERMINATION:

13 1. Non-Allocation of Funds: The terms of this Agreement, and the funds
14 provided thereunder, are contingent on the award and/or commitment of funds by HUD to the
15 County, and to the award and/or commitment of funds to the Project by the Sources of Funds
16 identified in Attachment A of this Agreement. Should HUD fail to award County funds, or
17 should the County determine in its sole discretion that sufficient funds have not been allocated
18 by other sources to complete the development of the two (2) single family residences
19 comprising the Project, the County may terminate this Agreement by giving the Borrower thirty
20 (30) days advance written notice, and the Borrower shall promptly repay to the County any and
21 all HOME loan funds previously paid, pursuant to all applicable laws and regulations.

22 2. Termination for Convenience: This Agreement may also be terminated
23 for convenience by the County or HUD in accordance to the requirements of 24 CFR § 85.44.
24 In addition, HUD has the ability to terminate this Agreement for convenience under 24 CFR §
25 85.44. In the event the County or HUD terminates this Agreement solely for convenience, the
26 Borrower promptly shall repay to the County any and all HOME loan funds, pursuant to all
27 applicable laws and regulations. However, in the event of termination, the County, at its sole
28 discretion, may negotiate with the Borrower alternate terms of repayment of HOME loan funds.

1 3. For Cause: The County may elect to terminate this Agreement for
2 cause as set forth in Paragraph E of this Section VII.

3 G. VENUE; GOVERNING LAW:

4 Venue for any action arising out of or relating to this Agreement shall only be
5 in Fresno County, California. The rights and obligations of the parties and all interpretation and
6 performance of this Agreement shall be governed in all respects by the laws of the State of
7 California.

8 H. INDEPENDENT CONTRACTOR:

9 In performance of the work, duties, and obligations assumed by the
10 Borrower under this Agreement, it is mutually understood and agreed that the Borrower,
11 including any and all of the partners, officers, agents and employees, will at all times be acting
12 and performing as an independent contractor, and shall act in an independent capacity and not
13 as an officer, agent, servant, employee, joint venture, partner, or associate of the County.
14 Furthermore, the County shall have no right to control, supervise or direct the manner or
15 method by which the Borrower shall perform its work and function. However, the County shall
16 retain the right to administer this Agreement so as to verify that the Borrower is performing its
17 obligations in accordance with the terms and conditions thereof. The Borrower and the County
18 shall comply with all applicable provisions of law and the rules and regulations, if any, of
19 governmental authorities having jurisdiction over matters of the subject thereof.

20 Because of its status as an independent contractor, the Borrower shall have
21 absolutely no right to employment rights and benefits available to County employees. The
22 Borrower shall be solely liable and responsible for providing to, or on behalf of, its employees
23 all legally required employee benefits. In addition, the Borrower shall be solely responsible and
24 save the County harmless from all matters relating to payment of the Borrower's employees,
25 including compliance with Social Security withholding, and all other laws and regulations
26 governing such matters. It is acknowledged that during the term of this Agreement, the
27 Borrower may be providing services to others unrelated to the County or to this Agreement.

28 ///

1 I. MODIFICATION:

2 Any matters of this Agreement may be modified from time to time by the
3 written consent of the parties without, in any way, affecting the remainder.

4 J. NON-ASSIGNMENT:

5 Neither party shall assign, transfer or sub-contract this Agreement nor their
6 rights or duties under this Agreement without the written consent of the other party. Any
7 transfer or assignment without the County's prior consent shall be voidable and, at the County's
8 sole discretion, shall constitute a material breach of this Agreement. No consent to any
9 assignment shall constitute a further waiver of the provisions of this Section.

10 K. AUTHORIZATION AND NOTICES:

11 1. County Authority: The Director of the County's Department of Public
12 Works and Planning, or his duly authorized designee, at his discretion, is hereby authorized to
13 enter into and sign in the name of the County, all loan documents, security documents and
14 other related documents, and any amendments thereto, subject to the prior review and
15 approval of County Counsel and the Auditor-Controller/Treasurer-Tax Collector, as shall be
16 necessary for the purpose of developing the Project as described in Section I of this
17 Agreement. Additionally, in the County's experience, changes in circumstances frequently
18 occur that require a quick response from the County, lest the project and/or its financing fail. In
19 such cases, where the County's response is time-sensitive, the Director, or his duly authorized
20 designee, hereby is authorized, but not required, to consent to the following below-noted
21 matters in the name of the County, subject to the prior review and approval of County Counsel
22 and the Auditor-Controller/Treasurer-Tax Collector: (1) changes to Attachments to this
23 Agreement that do not alter the terms of the Agreement or substantively alter the scope of the
24 Project; (2) non-substantive changes to the scope of the Project, so long as the Director or his
25 designee determines that the Project remains eligible under the Federal HOME regulations; (3)
26 changes of funding sources from those specific other entities named in Attachment A, so long
27 as the Director or his designee determines that the Project remains eligible under the Federal
28 HOME regulations and this Agreement; (4) changes of the specific dollar amounts set forth in

Attachment A coming from other entities, or the total thereof, provided the total monies coming from the County under this Agreement does not increase and further provided that the Director or his designee determines that the Project remains viable, is fully funded and eligible under the Federal HOME regulations and this Agreement; (5) to sign subordination documents solely in order to facilitate the placement of permanent financing, and only within the first two years after the Notice of Completion is recorded; and (6) to terminate the Agreement if it has been determined that the Borrower is not able to acquire the funds necessary to meet the terms described in the Agreement.

2. Borrower Authority: The Executive Director/CEO of Habitat for Humanity Fresno, Inc. has authority to enter into and sign this Agreement, and the loan, security and all other related documents, and any amendments thereto on behalf of the Borrower, as shall be necessary for the purpose of borrowing the funds to develop the Project as described in Section I of this Agreement.
