BEFORE THE BOARD OF SUPERVISORS
COUNTY OF FRESNO
STATE OF CALIFORNIA

RESOLUTION NO. 23-343

PROCLAIM NOVEMBER 15, 2023 AS GEOGRAPHIC INFORMATION SYSTEMS (GIS) DAY

WHEREAS, the County of Fresno recognizes that an understanding, use, and application of geospatial technology is crucial to maintaining infrastructure, public health and safety, and agricultural management; coordinating emergency responses; issuing building and planning permits; providing public information on electoral districts; conducting fiscal studies; and sustaining our natural resources; and

WHEREAS, Geographic Information Systems (GIS) technology plays a vital role in improving the quality of life for the residents of Fresno County by enhancing public services and decision-making processes; and

WHEREAS, GIS technology has become an integral tool for numerous county departments, contributing to the efficiency of operations, infrastructure development, public health and safety, resource management, and many other facets of our community; and

WHEREAS, the County of Fresno recognizes that GIS professionals are at the forefront of harnessing the power of geospatial data and technology to serve the residents of Fresno County, and their dedication and expertise greatly contributes to the growth, safety, and success of our region; and

WHEREAS, GIS Day is an opportunity to celebrate the innovative applications of GIS within our county, showcasing the remarkable work of GIS professionals who play a pivotal role in shaping our community's future;

NOW THEREFORE, BE IT RESOLVED that the Fresno County Board of Supervisors do hereby proclaim November 15, 2023, as "GIS Day" and commend the dedicated GIS professionals who have worked tirelessly to advance the use of geospatial technology in various county departments.
