CAUTION!!! - EXTERNAL EMAIL - THINK BEFORE YOU CLICK

[Report Suspicious](#)

Please give to Board of Supervisors before closed session, Thank you

Regarding negotiations about IHSS provider wages, please acknowledge the fact that with today's cost of living a \$20/hr wage is needed to pay for basic living needs. IHSS recipients need providers that will not leave their positions for better pay. Essential, skilled, personalized caregiving deserves a living wage. Investing in IHSS Care, is investing in Fresno County.

Thank you,
Mary Schluter
IHSS Provider, SEIU Local 2015 Member
