

AGREEMENT FOR THE COLLECTION OF SPECIAL ASSESSMENTS

This agreement, dated August 23rd, 2016, is between the California Municipal Finance Authority, a joint exercise of powers authority (CMFA), and the County of Fresno, a political subdivision of the State of California (County).

Recitals

CMFA, as part of its Property Assessed Clean Energy, or "PACE," program known as the CMFA, intends to levy voluntary contractual assessments on properties within the County of Fresno, under Chapter 29 of Part 3 of Division 7 of the Streets and Highways Code.

CMFA has obtained a final judgment, entered on June 2, 2015, in San Diego County Superior Court Case No. 37-2015-00002615-CU-MC-NC, a validation action filed by CMFA pursuant to Code of Civil Procedure section 860, establishing that the voluntary contractual assessments levied by CMFA are valid assessments under California law, including, without limitation, under Article XIII D of the California Constitution.

The County desires to recover from CMFA the County's costs for incorporating voluntary contractual assessments into the assessments of the general taxes of the County on property.

Streets and Highways Code section 5898.20, Government Code section 29304, and Government Code section 51800 authorize CMFA to contract with the County for such a fee.

The parties therefore agree as follows:

Section 1. Employment of County

CMFA engages County to perform professional, technical, and staff services and provide assistance as described in this agreement.

Section 2. Scope of Services

1 Upon the request of CMFA as provided in Exhibit 1 to this agreement, the County
2 shall perform the services described in that Exhibit 1.

3 **Section 3. County's Personnel and Working Relationship with CMFA**

4 **A.** Except as otherwise provided in Exhibit 1, all of the services to be performed
5 by the County under this agreement shall be performed by County personnel, and all
6 personnel engaged in the work shall be fully qualified and shall be authorized or
7 permitted under state and local law to perform his or her part of those services.

8 **B.** Except as provided in Exhibit 1, none of the work or services covered by this
9 agreement shall be subcontracted by the County unless approved in writing in advance
10 by CMFA.

11 **Section 4. Compensation**

12 CMFA shall pay, and the County shall receive, payment as provided in Exhibit 1,
13 including allowable costs of the County, as provided below, for the services rendered
14 under this agreement; provided, however, no such costs shall be payable for services
15 customarily included in the placement or correction of an assessment on the tax roll, or
16 the collection thereof, so long as the fees described in Exhibit 1 under the categories
17 "Assessment enrollment to Property Tax System", "Collection fee" and "Roll Correction"
18 as applicable have been paid by CMFA. These allowable costs include the following:

19 **A. Direct Costs**

20 **1. Personnel**

21 The County shall be compensated for the services of personnel
22 assigned under this agreement. Compensation shall be on the basis of actual
23 salary and benefits paid to said personnel, or based on the hourly charge
24 shown in the County's Master Schedule of Fees, Charges and Costs
25 Recovered, if applicable, for actual time spent on the work necessary to fulfill
26 the terms of this agreement. Time shall be recorded on the time sheets
27 regularly used by the County in carrying out its ordinary work apart from this
28

1 agreement. No additional or special forms for recording hours spent on the
2 tasks specified in this agreement are required.

3 **2. Travel Expenses and Subsistence**

4 The County shall be paid actual costs due upon documentation of
5 travel expenses and subsistence where such expenses are directly related to
6 the performance of this agreement. Mileage for trips within the Fresno-Clovis
7 Metropolitan area may be reimbursed, but are subsumed under Section 4.B.
8 of this agreement, "Indirect Costs (Overhead)." The County shall be
9 reimbursed for out-of-area transportation costs not to exceed the cost of
10 travel by the most direct and economical mode. Transportation by private
11 automobile shall be reimbursed at the rate ordinarily charged by the County
12 in lieu of actual costs. Reimbursement for lodging and meals shall be based
13 on the actual cost incurred by the County's personnel, to not exceed the
14 limitations applied by the County.

15 **3. Other Direct Costs**

16 The cost of other material and services as may be required hereunder
17 but which are not normally provided as part of the overhead of COUNTY at
18 cost. Such other materials and services shall include, but shall not be limited
19 to, the following: report reproduction, purchase of maps and charts,
20 telephone expense, and specialized educational needs.

21 **B. Indirect Costs (Overhead)**

22 In addition to the payment provided above, CMFA shall compensate the
23 County for indirect costs to be calculated on the basis of Federal OMB Circular
24 A-87.

25 If CMFA requests services listed in Sections 4.A. or 4.B. hereof, then prior
26 to the provision of those services the County shall provide CMFA a written cost
27 estimate for the provision of those services, and CMFA shall have the right to
28 withdraw its request for those services.

1 **Section 5. Method of Payment**

2 Beginning fiscal year 2016-17, CMFA will reimburse the County for all costs
3 incurred in performing the services described in Exhibit 1. The County's Auditor-
4 Controller/Treasurer-Tax Collector is authorized to deduct those costs from
5 apportionments to CMFA and retain them as compensation for services rendered under
6 this agreement. The County will itemize all costs incurred, deducted, and retained and
7 will provide that itemization to CMFA with the remittance advice for the apportionment.

8 **Section 6. Records**

9 The County shall maintain complete and accurate records with respect to costs
10 incurred under this agreement. All such records shall be maintained on a generally-
11 accepted accounting basis and shall be clearly identified and readily accessible. The
12 County shall provide to the authorized representatives of CMFA free access to such
13 books and records at all proper times, and the right to audit the same, and to make
14 transcripts therefrom as necessary, and to allow inspection of all work, data, documents,
15 proceedings, and activities related to the performance of this agreement for a period of
16 three (3) years from the date of final payment for work performed under this agreement.
17 In addition to the above accounting records, the County shall maintain records to show
18 actual time and allowable costs submitted for reimbursement with respect to the scope
19 of services set forth herein.

20 **Section 7. Changes to the Agreement**

21 This agreement may not be modified except in writing signed by both parties.

22 **Section 8. Term**

23 This agreement is effective on the date first written above through June 30, 2017,
24 and renews automatically for each fiscal year (July 1 through June 30) after unless
25 either party gives written notice of nonrenewal no later than the immediately preceding
26 June 1.

27 **Section 9. Termination**

1 Either party may terminate this agreement without cause at any time by giving
2 written notice of such termination to the other party and specifying an effective date of
3 termination that is not less than 30 days after the notice is given. If the agreement is
4 terminated as provided in this Section 9, the County shall be reimbursed its allowable
5 costs in accordance with Section 4 of this agreement through the date of termination.

6 **Section 10. Representations and Warranties**

7 CMFA represents and warrants that the taxes, fees, or assessments that it levies,
8 and that the County collects under this agreement, comply with all requirements of state
9 law, including but not limited to Articles XIII C and XIII D of the California Constitution
10 (Proposition 218).

11 **Section 11. Release**

12 CMFA hereby releases and forever discharges the County and its officers, agents,
13 and employees from any and all claims, demands, liabilities, costs and expenses,
14 damages, causes of action, and judgments, in any manner arising from CMFA's
15 responsibility under this agreement, or other action taken by CMFA in establishing any
16 tax, fee, or assessment, and implementing the collection of such taxes, fees, or
17 assessments as contemplated in this agreement.

18 **Section 11.5. Insurance**

19 Without limiting the COUNTY's right to obtain indemnification from
20 CMFA or any third parties, CMFA, at its sole expense, shall maintain in full force and effect,
