DISCUSSION:

On June 10, 2025, your Board discussed department sponsorships and financial contributions to community events. Direction was given to the County Administrative Officer (CAO) to create a process for approval of events that County departments may participate in or contribute funding towards. Additionally, your Board directed the CAO to return at a later date to discuss and recommend what County departments may officially recognize or celebrate.

On July 8, 2025, Administrative Policy 80 - Department Contributions of Funds for Non-County Events or Causes, was approved by your Board ensuring that the County follows a consistent process when departments seek to make contributions of funds for non-County events, causes, or anything similar.

The Department participates in various outreach events to promote mental health, substance use disorder, and suicide prevention awareness which helps reduce stigma, increase literacy and awareness, and provide earlier access to supports. Such events may require a registration fee and/or sponsorship. The event below is presented for your Board's approval:

- Health & Wellness Fair - April 18, 2026 - \$100

Funds will be paid directly to the event organizer, Omega Mental Health, for registration fee. DBH will host an outreach table providing mental health, substance use disorder, and suicide prevention education materials.
