Drug Medi-Cal Organized Delivery System
Modality of Service Descriptions**

Covered services under the Drug Medi-Cal Organized Delivery System (DMC-ODS) shall be furnished in an amount, duration, and scope that is no less than the amount, duration, and scope for the same services furnished to persons served under fee-for-service Medicaid, as set forth in 42 CFR 440.230. Contractors shall ensure that the services are sufficient in amount, duration, or scope to reasonably be expected to achieve the purpose for which the services are furnished. Contractors may not arbitrarily deny or reduce the amount duration, or scope of a required service solely because of diagnosis, type of illness, or condition of the person served.

Contractors are required to ensure services are provided timely as further described in the Fresno County Substance Use Disorder Provider Manual.

In all levels of care, contractors are required to either offer medications for addiction treatment (MAT) directly or demonstrate effective referral mechanisms in place to the most clinically appropriate MAT services. Providing a person served the contact information for a MAT program is insufficient.

Placement in an appropriate level of care must be determined through an assessment based on the American Society of Addiction Medicine (ASAM) criteria and prescribed by the contractor's medical director.

DRUG MEDI-CAL SERVICES:

EARLY INTERVENTION SERVICES (ASAM LEVEL 0.5)

Early intervention services (EIS) are available to persons served under 21 who are screened and determined to be at risk of developing an SUD. At risk persons served may receive any service component covered under the outpatient level of care (ASAM 1.0) as early intervention services. An SUD diagnosis is not required for early intervention services.

A full assessment utilizing the ASAM criteria is not required for a person served under the age of 21 to receive EIS. An abbreviated ASAM screening tool may be used. If the person served under 21 meets diagnostic criteria for SUD, a full ASAM assessment shall be performed and the person served shall receive a referral to the appropriate level of care indicated by the assessment.

EIS services may be delivered in a wide variety of settings and can be provided in person, by telehealth, or by telephone.

EIS services do not limit or modify the Early Periodic Screening, Diagnostic and Treatment (EPSDT) mandate.

OUTPATIENT SERVICES (ASAM LEVEL 1.0)

Outpatient services consist of up to nine (9) hours per week of medically necessary services for adults and up to six (6) hours per week of services for adolescents. Services may exceed the maximum hours based on individual medical necessity.

Services can be provided by an LPHA or registered/certified counselor in-person, by telephone, or telehealth in any appropriate setting in the community, in accordance with HIPAA and 42 CFR Part 2. Group size is limited to no less than two (2) and no more than twelve (12) persons served. Outpatient services may be provided in person, by telehealth or by telephone.

Outpatient services include the following service components:

- Assessment
- Care Coordination
- Counseling (individual/group)
- Family Therapy
- Medication Services
- MAT for opioid use disorders
- MAT for alcohol use disorders and non-opioid SUDs
- Patient Education
- Recovery Services
- SUD Crisis Intervention Services

INTENSIVE OUTPATIENT SERVICES (ASAM LEVEL 2.1)

Intensive outpatient involves structured programming provided to persons served as medically necessary for a minimum of nine (9) hours and a maximum of nineteen (19) hours for adults and a minimum of six (6) hours and a maximum of nineteen (19) for adolescents. Providers may exceed maximum treatment hours when determined to be medically necessary.

Intensive outpatient treatment services include the same service components listed under Outpatient 1.0.

Services can be provided by an LPHA or registered/certified counselor in-person, by telephone, or telehealth in any appropriate setting in the community, in accordance with HIPAA and 42 CFR Part 2. Group size is limited to no less than two (2) and no more than twelve (12) persons served.

OPIOID (NARCOTIC) TREATMENT PROGRAMS (ASAM LEVEL 1.0)

Narcotic treatment program services shall be provided in accordance with Title 9, Division 4, Chapter 4 and CFR 42.

Narcotic Treatment Programs (NTP), also known as Opioid Treatment Programs (OTP), are outpatient programs that provide Food and Drug Administration (FDA)-approved medications and biological products to treat SUDs when ordered by a physician as medically necessary.

NTPs are required to administer, dispense, or prescribe medications to persons served covered under the DMC-ODS formulary including methadone, buprenorphine (transmucosal and long-acting injectable), naltrexone (oral and long-acting injectable), disulfiram, and naloxone. NTPs may also prescribe the medication for dispensing at a pharmacy. The medical evaluation for methadone treatment must be conducted in-person.

Persons served in OTP/NTP settings shall be offered no less than fifty (50) minutes of counseling services per calendar month although additional services may be provided based on medical necessity. Counseling services provided in the NTP modality can be provided in person, by telehealth or by telephone.

NTP services include the following service components:

- Assessment
- Care Coordination
- Counseling (individual/group)
- Family Therapy
- Medical Psychotherapy
- Medication Services
- MAT for opioid use disorders
- MAT for alcohol use disorders and non-opioid SUDs
- Patient Education
- Recovery Services
- SUD Crisis Intervention Services

PERINATAL/NON-PERINATAL RESIDENTIAL SUBSTANCE USE DISORDER TREATMENT SERVICES (EXCLUDING ROOM AND BOARD) (ASAM LEVELS 3.1, 3.3 and 3.5)

Residential treatment services are delivered to persons served when medically necessary in a short-term residential program corresponding to at least one of the following levels:

- Level 3.1 - Clinically Managed Low-Intensity residential Services.
- Level 3.3 - Clinically Managed Population-Specific High Intensity Residential Services.
- Level 3.5 - Clinically Managed High Intensity Residential Services.

Residential treatment services are provided in facilities licensed by the California Department of Health Care Services (DHCS) or the California Department of Social Services for adolescents that also have DMC certification and a DHCS Level of Care Designation or an ASAM LOC Certification demonstrating ability to delivery care consistent with ASAM treatment criteria. Residential providers are required to maintain a ASAM LOC certification for each level of care provided by the facility.

The Contactor must provide 24-hour care with trained personnel, including awake staff on the overnight shift to address persons served needs.

The length of stay in a short-term residential setting shall be determined by individualized clinical need. The statewide goal for the average length of stay for residential treatment services

is 30 days. Services must include preparation for a step down to a less intensive level of care, when clinically appropriate. Adolescent beneficiaries receiving residential treatment shall be stabilized as soon as possible and moved down to a less intensive level of treatment. Nothing in the DMC-ODS or in this paragraph overrides any EPSDT requirements.

Residential contractor(s) must seek prior authorization for residential treatment services upon admission and prior to the expiration of each authorized treatment period. Treatment authorization request processes can be found in the Fresno County SUD Provider Manual.

Residential services include the following service components:

- Assessment
- Care Coordination
- Counseling (individual/group)
- Family Therapy
- Medication Services
- MAT for opioid use disorders
- MAT for alcohol use disorders and non-opioid SUDs
- Patient Education
- Recovery Services
- SUD Crisis Intervention Services

All residential treatment services may be provided in person, by telehealth, or telephone. Telehealth and telephone services, when provided, shall supplement, not replace, the in-person services and the in-person treatment milieu; most services in a residential facility must be in-person.

The commercial general liability insurance certificate must also state that the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the County shall be excess only and not contributing with insurance provided under the Contractor’s policy.

- (E) **Waiver of Subrogation.** The Contractor waives any right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. - (F) **County's Remedy for Contractor's Failure to Maintain.** If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The County may offset such

charges against any amounts owed by the County to the Contractor under this Agreement.

(G) **Subcontractors.** The Contractor shall require and verify that all subcontractors used by the Contractor to provide services under this Agreement maintain insurance meeting all insurance requirements provided in this Agreement. In the event the Contractor discovers a Security Breach, the Contractor shall treat the Privacy Practices Complaint as a Security Breach. Within 24 hours of the Contractor's receipt of notification of such Privacy Practices Complaint, the Contractor shall notify the County whether the matter is a Security Breach, or otherwise has been corrected and the manner of correction, or determined not to require corrective action and the reason for that determination.

- (D) The Contractor shall take prompt corrective action to respond to and remedy any Security Breach and take mitigating actions, including but not limiting to, preventing any reoccurrence of the Security Breach and correcting any deficiency in Security Safeguards as a result of such incident, all at the Contractor's sole expense, in accordance with applicable privacy rights, laws, regulations and standards. The Contractor shall reimburse the County for all reasonable costs incurred by the County in responding to, and mitigating damages caused by, any Security Breach, including all costs of the County incurred relation to any litigation or other action described section 4(E) of this Exhibit Q.

The Contractor shall fully cooperate with such assessment, audit or examination, as applicable, by providing the County or the third party on the County's behalf, access to all Authorized Employees and other knowledgeable personnel, physical premises, documentation, infrastructure and application software that is Used by the Contractor for Personal Information pursuant to this Agreement. In addition, the Contractor shall provide the County with the results of any audit by or on behalf of the Contractor that assesses the effectiveness of the Contractor's information security program as relevant to the security and confidentiality of Personal Information Used by the Contractor or Authorized Persons during the course of this Agreement under this Exhibit Q.

If the Contractor is authorized to dispose of any such Personal Information, as provided in this Exhibit Q, such certification shall state the date, time, and manner (including standard) of disposal and by whom, specifying the title of the individual. The Contractor shall comply with all reasonable directions provided by the Director with respect to the return or disposal of Personal Information and copies of Personal Information. If return or disposal of such Personal Information or copies of Personal Information is not feasible, the Contractor shall notify the County accordingly, specifying the reason, and continue to extend the protections of this Exhibit Q to all such Personal Information and copies of Personal Information. The Contractor shall not retain any copy of any Personal Information after returning or disposing of Personal Information as required by this section 6. The Contractor's obligations under this section 6 survive the termination of this Agreement and apply to all Personal Information that the Contractor retains if return or disposal is not feasible and to all Personal Information that the Contractor may later discover.

7. Equitable Relief. The Contractor acknowledges that any breach of its covenants or obligations set forth in this Exhibit Q may cause the County irreparable harm for which monetary damages would not be adequate compensation and agrees that, in the event of such breach or threatened breach, the County is entitled to seek equitable relief, including a restraining order, injunctive relief, specific performance and any other relief that may be available from any court, in addition to any other remedy to which the County may be entitled at law or in equity. Such remedies shall not be deemed to be exclusive but shall be in addition to all other remedies available to the County at law or in equity or under this Agreement.

8. Indemnity. The Contractor shall defend, indemnify and hold harmless the County, its officers, employees, and agents, (each, a "**County Indemnitee**") from and against any and all infringement of intellectual property including, but not limited to infringement of copyright, trademark, and trade dress, invasion of privacy, information theft, and extortion, unauthorized Use, Disclosure, or modification of, or any loss or destruction of, or any corruption of or damage to, Personal Information, Security Breach response and remedy costs, credit monitoring expenses, forfeitures, losses, damages, liabilities, deficiencies, actions, judgments, interest, awards, fines and penalties (including regulatory fines and penalties), costs or expenses of whatever kind, including attorneys' fees and costs, the cost of enforcing any right to indemnification or defense under this Exhibit Q and the cost of pursuing any insurance providers, arising out of or resulting from any third party claim or action against any County Indemnitee in relation to the Contractor's, its officers, employees, or agents, or any Authorized Employee's or Authorized Person's, performance or failure to perform under this Exhibit Q or arising out of or resulting from the Contractor's failure to comply with any of its obligations under this section 8. The provisions of this section 8 do not apply to the acts or omissions of the County. The provisions of this section 8 are cumulative to any other obligation of the Contractor to, defend, indemnify, or hold harmless any County Indemnitee under this Agreement. The provisions of this section 8 shall survive the termination of this Agreement.

9. Survival. The respective rights and obligations of the Contractor and the County as stated in this Exhibit Q shall survive the termination of this Agreement.

10. No Third Party Beneficiary. Nothing express or implied in the provisions of in this Exhibit Q is intended to confer, nor shall anything in this Exhibit Q confer, upon any person other than the County or the Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.
