Final Allocation – Fourth Funding Round
County of Fresno
Total Approved Grant Award: \$1,371,806.00

Dear Susan Holt:

I am pleased to inform you that the California Health Facilities Financing Authority (Authority) approved a final allocation to the County of Fresno (County) under the Investment in Mental Health Wellness Grant Program for Children and Youth (Welf. & Inst. Code, §5848.5) (Program) at its December 1, 2022, meeting. The final allocation is set forth in the attachment to this letter.

Please be advised that the funding of this grant is conditioned upon the County meeting certain requirements as specified in the Program regulations (Cal. Code Regs, tit. 4, § 7313 et seq.), including signing a grant agreement and providing requested documentation acceptable to the Authority prior to the disbursement of funding. The Authority reserves the right to modify or cancel the commitment of grant funding upon failure to execute a grant agreement or other failure to comply with the Program regulations. The Authority may also modify or cancel the grant award if the Authority becomes aware of any matter that, if known at the time of application review and approval, would have resulted in the rejection of the application or the grant not being approved. The grant is also subject to availability of funding. The Authority is not liable in any manner whatsoever should that funding not be provided for any reason.

The Authority approved grant funding for capital costs in a total amount not to exceed \$586,982.00 to complete the project, within the grant period beginning December 1, 2022, and ending on July 31, 2024, unless the grant period is extended by the Authority. The Authority

also approved grant funding for mobile crisis support team personnel costs in an annual amount not to exceed \$784,824.00, for up to five years, subject to the availability of annual budget appropriations by the Legislature.

The County's project must be determined "ready, feasible, and sustainable" as per the Program regulations (Cal. Code Regs., tit. 4, §7319 (a)(4)) within nine months after December 1, 2022, which is September 1, 2023. A Request for Disbursement form with accompanying documents, as per Program regulations (Cal. Code Regs., tit. 4, §§ 7325 and 7325.1), as applicable, must be received by the Authority no later than April 30, 2024, or the County must submit a reasonable justification for an extension to be considered by the Authority board. Eligible costs are described in the Program regulations (Cal. Code Regs., tit. 4, §7315) and are limited to the project as further detailed in the grant agreement and attachment to this letter.

Kylie Stasko will serve as the grant officer to assist the County throughout the grant period. The grant officer will be in contact to discuss the next steps in the grant disbursement process, including the Authority's request for a resolution from the County's governing board authorizing the acceptance of the grant and all responsibilities flowing therefrom. If there are material changes to the project, please contact your grant officer immediately. Also, please feel free to contact the grant officer directly with questions or concerns by telephone at (916) 653-2771 or e-mail at Kylie.Stasko@treasurer.ca.gov.

On behalf of the Authority, I want to congratulate the County and wish the County success with this project. We look forward to working with the County to improve and expand mental health crisis services in California.

Sincerely,

Carolyn Aboubechara
Executive Director
