BULLETIN BOARDS

The County shall provide space for and permit the installation of Union bulletin boards for official Union notices at each central work location where the Union represents members of this Unit. Such bulletin boards shall be maintained by the Union in accordance with provisions of the County's Employee Relations Ordinance, shall be approximately 4' x 3' and shall be available for Union posting only.

MEETING SPACE

The County, at the Union's request, shall reasonably make available conference rooms and other meeting areas for the purpose of holding Union meetings during off-duty time periods. The Union shall provide timely advance notice (24 hours) of such meetings. The Union also agrees to pay any documented additional costs of security, supervision, damage and cleanup, and shall comply with County regulations for assignment and use of such facilities.

RELEASE TIME

When the Union wishes to be represented by a County employee(s) rather than a business representative at meetings within the scope of representation which affect the Unit, such employee representative(s) will have release time for presentations to County boards, committees and commissions and for meeting with management at the department and county-wide level. A written notice will be provided to the County's negotiating representative and the department head at least twenty-four (24) hours prior to the scheduled meeting unless waived by mutual agreement. Reasonable release time will be approved if it does not interfere with the performance of County services, as determined by the department head.

The Union shall provide, in writing, a list of all shop stewards to the Labor Relations Manager and the appropriate department head(s) in January and July in each year. Further, the Union shall notify the Labor Relations Manager and the appropriate department head(s) each time there is a change of stewards.

The County shall adhere to representation rights as detailed in U.S. Supreme Court decision on N.L.R.B. versus J. Weingarten, Inc. Alleged misapplications of "Weingarten Rights" shall not be subject to the Fresno County Employee Grievance Procedure.

UNION/MANAGEMENT MEETINGS

The parties recognize that timely resolution of operational/service issues is in the best interest of employees, the County and the customers we serve. Therefore, the parties agree that employees are required to follow their chain of command (beginning at the lowest level supervisor/manager as appropriate) to resolve operational issues that arise and to make recommendations regarding such operations/services issues.

The Union representative and no more than two stewards shall have the opportunity to meet with the department head for Internal Services Department or his/her designee in or around January and July of each year to discuss issues that were not resolved through the normal chain of command and/or make recommendations regarding operations/service issues. If the Union desires to meet, they shall submit an agenda of the issues that they wish to discuss to the department head in advance of the scheduled meeting. The Union or management may schedule additional meetings, by mutual agreement. This language does not preclude employees from seeking remedy through any other lawful avenue.

DUES DEDUCTIONS

Each employee may or may not become a Union member at their option. A registry shall be maintained in the Payroll section of the Auditor-Controller/Treasurer-Tax Collector's Office for Union inspection.

Union members may withdraw their membership during the last month prior to the expiration of the MOU, when the MOU expires and there is no successor MOU/extension in effect, or when their job classification is removed from the Unit.

The County shall deduct, once each pay period, the amount of regular and periodic dues, fees and other monies as may be agreed upon between the County and the Union under the authority of an authorization card furnished by the County and signed and dated by the employee.

Said deduction, together with a written statement of the names with amounts deducted, shall be forwarded promptly to the Union office.

Nothing in this article shall be construed as limiting management's authority to make temporary assignments. Where management makes such a temporary assignment and a special salary upgrade has not been requested or authorized, and there is no compensation paid to the employee, the employee shall receive a letter for his/her personnel file documenting the assignment.

PERSONNEL FILES

Each employee's personnel file is strictly confidential. Without the employee's written permission, only management, with a need for access, or departmental personnel staff shall have access to the file. Only employees, or their business representatives in the presence of the employee, shall have access to their own personnel file and be entitled to copies of anything therein except letters of reference.

DISCIPLINARY ACTION

Employees facing disciplinary action as defined by the Fresno County Personnel Rules implementing either disciplinary suspension, administrative salary reduction, disciplinary demotion or dismissal, may elect to be accompanied by a representative of their choosing at any administrative proceeding conducted prior to the imposition of such discipline.

In addition, the actual Skelly Hearing time shall be on County paid time. Any other meetings with the Union representative or preparation time shall be on the employee's own time (e.g., annual or vacation leave).

In order to be authorized travel by private vehicle, the employee must possess an appropriate valid California driver's license and required insurance with limits of not less than \$100,000/\$300,000 public liability and \$25,000 property damage or a combined single limit of \$300,000.

their regularly assigned duties to be alert to unhealthy and/or unsafe conditions, practices, and equipment and to report any such unhealthy and/or unsafe conditions, practices, and equipment to their immediate supervisor.

Chemical Exposure: The County, upon request of the employee, will make available from the field the safety data sheet that accompany all chemicals as required by Environmental Protection Agency and California Occupational Safety and Health Agency.

It is further agreed that complaints filed pursuant to this article shall be filed through the department's Illness and Injury Prevention Program and shall not be filed through the Employee Grievance Procedure.

GRIEVANCE PROCEDURE

All Unit employees are covered by the Fresno County Employee Grievance Procedure as described below. Refer to the attachment for a copy of the grievance form.

PURPOSE

It is a mutual obligation on the part of administrative, supervisory and non-supervisory employees of the County of Fresno to provide efficient and continuous services to the public. Employee morale is an important factor in maintaining a high level of public service and the administration has a responsibility to provide an orderly and expeditious method for resolving problems which may arise from working relationships and conditions. This procedure is intended to provide an orderly method for processing grievances in the interest of obtaining a fair and equitable solution.

GRIEVANCE PROCEDURE

Before filing a grievance, be certain to read this entire procedure, including the rules and definitions.

Step 1: Informal Resolution

When an employee(s) becomes aware that a problem exists, the employee(s) shall discuss the matter informally with the lowest ranking immediate supervisor whose job classification is not included in the same certified representation unit. This discussion shall be sought by the employee(s) not later than fourteen (14) days after the alleged problem occurred or was discovered. The provisions outlined in Steps 2 and 3 do not act to restrict the employee or the immediate supervisor from seeking advice and counsel when it appears that settlement can be reached informally.

Step 2: Department Review

If within ten (10) days a mutually acceptable solution has not been reached during Step 1, and the employee(s) wishes to pursue the grievance, the employee(s) shall submit it in writing (employee(s) signature(s) required) on the attached Employee Grievance Form to the department head with a copy to the Labor Relations Manager no later than the end of the tenth (10th) day. Department heads are encouraged to

consult with the Labor Relations Manager, in consideration of a Step 2 response. The department head will give notice and hear the grievance, and render a written decision on the grievance form within fourteen (14) days of receipt of the formal grievance from the employee(s).

Notwithstanding the foregoing, if the grievance relates to the interpretation or application of a statute, ordinance or written policy of the Board of Supervisors, and the employee is dissatisfied with the decision of the Department Head, upon request of the employee within the time above-stated, the Department Head shall request the opinion of the County Counsel thereon, whose opinion shall be final.

Step 3: Labor Relations Review:

Grievances unresolved at Step 2, involving matters outside the department head's authority, or involving employees working in separate departments shall be submitted to the Labor Relations Division for resolution. If the grievance has been reviewed at Step 2, Labor Relations will attempt to mediate the grievance. If it has been referred directly to the Labor Relations Division without having gone through Step 2, Labor Relations will hear the matter, and provide a written response. In the latter instance, the intent, consistent with Step 2, is to identify issue and areas of agreement/disagreement and to have the parties present whatever available information/documentation necessary to fully attempt to resolve the grievance. Therefore, further clarification of the problem may be necessary and a clear statement of the issue shall be developed.

All processing of the grievance at Step 3 shall be completed within fifteen (15) working days of the department liaison's written decision, unless mutually waived.

Step 4: Mediation

Grievances unresolved at Step 3 may be submitted to Mediation upon written request by the employee or the employee's representative to the Labor Relations Manager within five (5) days of the completion of the Labor Relations Review. Should mediation be requested, the parties shall obtain the services of a mediator from the State Mediation and Conciliation Services in an effort to mediate grievance resolution before Arbitration is pursued. The parties shall not divulge in any form the offers made in mediation.

Step 5: Arbitrator

Grievances unresolved at Step 4 may be submitted to arbitration. If the employee is dissatisfied with the results of mediation, the employee may, within five (5) calendar days of completion of mediation, request that the grievance be presented to arbitration. Such request for arbitration shall be submitted to the Labor Relations Manager. The Arbitrator shall state in writing their factual findings and reasons for their decision.

If the decision of the Arbitrator can be implemented by the department head without Board of Supervisors' action, the recommendation shall be implemented by the department head. If the decision of the Arbitrator cannot be implemented by the department head, but requires Board of Supervisors' action, the recommendation will be submitted for consideration by the Board of Supervisors within thirty (30) days of the decision. The action of the Board of Supervisors shall be final and binding.

If the decision of the Arbitrator can be implemented by the department head and without Board of Supervisors' action, the County or the employee(s) may seek relief in a court of law. A party desiring to reserve the right to appeal the Arbitrator's decision in a court of law pursuant to these rules has the burden of preserving the record of the hearing. A party who plans to use a court reporter shall inform the other party in order to avoid duplication of costs. Appeal from decisions by the Arbitrator shall be on the record of the Arbitrator's hearing by administrative mandamus under California Code of Civil Procedure Section 1094.5, which appeal shall be filed within thirty (30) calendar days after the Arbitrator's decision.

GRIEVANCE PROCEDURE RULES

1. All parties so involved must act in good faith and strive for objectivity, while endeavoring to reach a solution at the earliest possible step of the procedure. The aggrieved employee(s) shall have the assurance that filing of a grievance will not result in reprisal of any nature.
2. A grievance shall be filed using the attached Employee Grievance Form. The Employee Grievance Form will be made available through the individual departments, the Labor Relations Division, and Stationary Engineers – Local 39.
3. The aggrieved employee(s) shall have the right to be represented or accompanied by a person of the employee(s) choice if the grievance is not resolved at the informal level as provided for in Step 1 of the grievance procedure. This representation may commence when the grievance is presented in writing at the formal level as provided in Step 2 of the grievance procedure.
4. The processing of a grievance shall be considered as County business. In granting an employee time and facilities involving the processing of a grievance, the department head or his/her designee shall take into consideration the "impact" on departmental operations.
5. Certain time limits in the grievance procedure are designed to quickly settle a grievance. It is realized, however, that on occasions, the parties concerned may be unable to comply with the established limitations. In such instances, the limitations may be extended upon the mutual agreement of all parties concerned.
6. Failure of the aggrieved employee(s) to file an appeal within the prescribed time limit for any step of the procedure shall constitute abandonment of the grievance. County management personnel involved shall abide by prescribed time limits. Failure to do so shall be considered an automatic ruling in favor of the grievant in any instance where the department head would have had the authority to grant such settlement. No such ruling shall be considered precedent-setting.

7. Any person responsible for conducting any conference, meeting, or hearing under the formal grievance procedure shall give due and timely notice to all persons concerned.
8. When two (2) or more employees experience a common grievance, they may initiate a single grievance proceeding. The initial hearing of the grievance shall be by the department head. If the employees work in separate departments, the grievance shall be referred immediately for grievance committee decision.
