2. The counties must maintain a single vehicle log per vehicle and all mileage must be recorded daily with an indication of which program the vehicle was used for and the name of the driver. Vehicle logs must be maintained monthly.

### SECTION 3: REPORTING/INVOICING

- A. Monthly Activity Report:** The county must submit a Monthly Activity Report (Appendix B) for the CGMMV survey. Monthly Activity Reports need to be submitted no later than the fifth day of the month following when the activities took place. Questions about reporting can be directed to Terra Walber at [terra.walber@cdfa.ca.gov](mailto:terra.walber@cdfa.ca.gov) or by calling (916) 654-0312.
- B. Invoicing/Reimbursement:** The county must submit a monthly itemized invoice using the County Monthly Invoice (Appendix A) on county letterhead. Invoices must be submitted to the CDFA no later than thirty days after the end of the coinciding reporting period.
1. **Allowable Costs:** All invoiced expenses must fall within the parameters of the scope of work and work plan and must be directly related to administering and conducting CGMMV Program activities.
  2. **Monthly Activity Report Required for Reimbursement:** Invoices will not be submitted for reimbursement until submission of the Monthly Activity Report for the invoicing period has been completed by the county and verified by CDFA (see Section 3A. Monthly Activity Report above). Monthly Activity Report hours must match invoice hours before invoices will be submitted for reimbursement.
  3. **Hourly Rates on Invoices:** Invoices must reflect the actual hourly rates (salary and benefits) per individual/classification that worked on the program.
  4. **Personnel on Invoice Must Match Work Plan:** Invoices must reflect work performed by individuals whose classifications must be listed on the work plan.

  6. **Substantiation of Costs:** All personnel salary costs must be properly tracked or allocated to the cooperative agreement in accordance with Office of Management and Budget requirements and Federal cost principles. Please be sure that personnel costs can be traced back to original documents detailing the account to which personnel hours are billed. In addition, all invoiced personnel costs must match the work plan.

If the county plans to seek reimbursement for vehicle mileage, the documentation for mileage reimbursement must be tracked separately from all other programs and documentation must be available to support the reimbursement. In addition, all invoiced vehicle costs must match the work plan. On a related note, mileage rates used on invoices must be the same as contained in the work plan or reflect the current

federal mileage rate. The CDFA will send an email that will notify counties of new rates if the federal mileage rate changes during the term of the agreement.

All other expenses (travel, supplies, communications, miscellaneous supplies) for which the county will seek reimbursement under the agreement shall be directly related to the cost of administering and conducting the program. Documentation must be available to support the reimbursement. In addition, all invoiced expenses must match the work plan.
