IJ.09	Goal #10	Direct	002	Fresno County OES	video infrastructure protection program grant manager/administrator. Staff time is included for the overall grant management unit that includes the video assessment system project oversight. This oversight provides protection of soft targets throughout the County of Fresno through identifying and developing potential critical infrastructure sites for camera installations in accordance with grant guidelines. Grant manager/administrator completes site surveys with vendors, negotiates and approves scopes of work, checking pricing and inventory of equipment delivered to sites, and develops a plan for proceeding with overall project goals. IJ.01	Goal #1	Subaward	004	Law enforcement Communications equipment enhancement project	Multi-agency communications Equipment will enhance information collection and sharing with Federal and state agencies, including DHS. Project will fill the lack of current and up to date communications equipment by improving operational communications between multiple disciplines and jurisdictions that have upgraded to modern digital capable repeaters. Improved communications will enhance planning, response, and recovery efforts to future events, including all hazards by working with Federal, state, and local agencies. Purchasing and upgrading current equipment will be the first step to a secure communications network. Digital equipment will include special electronic coding that allows 2-way encryption which also secures the communications even more. SCIP GOAL 3. This activity meets HSGP's LETPA requirement because Interoperable Communications Equipment is on the list of allowable equipment articulated in Information Bulletin 485 and the Fiscal Year 2007 Law Enforcement Terrorism Prevention Program Guidance. The Equipment being purchased here has a law enforcement terrorism prevention nexus as it will be used by law enforcement officers for anti-terrorism activities such as (Eligible Equipment Use). IJ.09	Goal #5	Direct	005	All hazards emergency equipment	Project includes the purchase of CBRNE new up-to-date equipment for first responders, including Fire, and Law to enhance search and rescue capabilities. This equipment is crucial for adapting to emerging threats, thereby improving response and recovery efforts during incidents involving criminal or open-source threats. Additionally, the project encompasses the procurement of necessary tools, equipment, and training resources to support and maintain Community Emergency Response Teams (CERT), with a particular emphasis on historically underserved communities. Agencies will also acquire CBRNE Search and Rescue equipment to enhance their response capabilities to CBRNE incidents and other hazards. This initiative aims to improve search and rescue operations, thereby enhancing overall community preparedness. The equipment purchased will be both mobile and portable, ensuring its availability when needed, while not for routine use. This project aligns with the Homeland Security Grant Program's (HSGP) Law Enforcement Terrorism Prevention Activities (LETPA) requirement, as outlined in Information Bulletin 485 and the Fiscal Year 2007 Law Enforcement Terrorism Prevention Program Guidance. IJ.10	Goal #2	Direct	006	Strengthening Security Infrastructure	The Strengthening Security Infrastructure project seeks to bolster the defense mechanisms of critical infrastructure facilities through the acquisition and installation of equipment, thereby fortifying perimeter security and mitigating potential threats. By strategically deploying this specialized equipment, it will enhance operational efficiency and facilitate prompt responses to security breaches. This initiative aligns with regulatory requirements and best practices in homeland security, fostering compliance and preparedness for evolving risks. The equipment will be specifically deployed to protect the Fresno Fire Department Headquarters, ensuring the safety and integrity of this vital facility. Through diligent implementation and ongoing vigilance, we endeavor to establish a resilient security framework that safeguards our communities and critical assets against unauthorized access and malicious activities.	SHSP	FS	Equipment	Physical Protective Measures	Build	Both	No	27,001					27,001	
IJ.05	Goal #6	Direct	007	Enhancing Threat Response Capabilities	Equipment will improve transportation of response equipment that will advance access to, analyzing, and promptly disseminating open source, unclassified, and classified information, including suspicious activity reports, tips/leads, and actionable intelligence related to identifying, assessing, and mitigating various threats against the City of Fresno and other State-sponsored events. These threats encompass terrorism, threats to life, targeted violence, and other hazards within the DHS mission scope. Additionally, the provision of equipment for detecting, identifying, and mitigating hazardous materials at events and emergency scenes within the City of Fresno and the State of California is crucial. This equipment will bolster the capabilities of the HMRT in monitoring and gathering data, facilitating seamless information sharing with coordinating jurisdictions during large-scale events both in the City of Fresno and across the State of California.	SHSP	FS	Equipment	Operational Coordination	Build	Both	No	36,000					36,000	
IJ.09	Goal #6	Subaward	008	Enhancing Equipment Transport Capability	The safe and efficient transportation of vital equipment to events plays a crucial role in countering the threats posed by violent extremism. To enhance our capabilities in this regard, the Fresno Fire Department has initiated the acquisition of two trailers. One trailer will be dedicated to transporting essential equipment utilized by the HMRT, thereby expanding their operational efficiency, and enabling swift deployment and response to incidents of violent extremism. The second trailer will serve to strengthen community engagement in emergency management by transporting educational materials and resources aimed at informing and empowering Fresno residents. The project meets the diverse needs of the Fresno community and foster a safer and more resilient environment for all.	SHSP	FS	Equipment	Operational Coordination	Build	Both	No	47,000					47,000	
IJ.04	Goal #5	Subaward	009	Strengthening Community Preparedness	The acquisition of publications and reference materials tailored to enhance firefighting strategies, emergency response procedures, and community preparedness efforts, aiming to strengthen community preparedness through comprehensive information access, enhanced training, and continuous improvement. The department will identify and select relevant publications, manuals, and guides, subsequently procuring and distributing them throughout the City of Fresno. This project aligns with the department's commitment to proactive preparedness and collaboration with stakeholders to mitigate the impact of emergencies and disasters, ultimately fostering a safer, more resilient community. IJ.02	Goal #2	Subaward	010	Video Assessment System	A joint project consisting of Multi agency Law disciplines within the county of Fresno. Agencies will purchase and install surveillance equipment at identified critical infrastructure sites to support the prevention of terrorist attacks and also support response capabilities to any threats that may arise from such identified terrorist threats. Various equipment will be mobile. The project will consist of various agencies replacing and upgrading broken equipment and the Sheriff's department continuing to build out its multi-year video infrastructure protection project that will include protection of sites considered to be soft targets and will allow the use of mobile and fixed video surveillance cameras to help protect identified critical infrastructure sites within Fresno County. The video will be stored and monitored at various police headquarters with the ability to pan tilt and zoom cameras as needed. Majority of the cameras are operating via width band space; however, when a portion of that space was re-assigned agencies had to rely on fiber but fiber is not a viable option as the cameras are not compatible with the fiber option. Installation will employ an upgraded level of data encryption with secure login. This activity meets HSGP's LETPA requirement because Physical Security Enhancement Equipment is on the list of allowable equipment articulated in Information Bulletin 485 and the Fiscal Year 2007 Law Enforcement Terrorism Prevention Program Guidance. The (Equipment) being purchased here has a law enforcement terrorism prevention nexus as it will be used by law enforcement officers for anti-terrorism activities such as (Eligible Equipment Use). IJ.11	Goal #4	Subaward	011	Enhancing Election Security	Fresno County will be purchasing and installing physical /site security measures to enhance security at critical infrastructure sites including election sites. Project will include equipment and installation costs for equipment such as required software and hardware for the security system. This activity meets HSGP's LETPA requirement because Physical Security Enhancement Equipment is on the list of allowable equipment articulated in Information Bulletin 485 and the Fiscal Year 2007 Law Enforcement Terrorism Prevention Program Guidance. IJ.06	Goal #4	Subaward	012	Fire service communications upgrade equipment	Equipment will be utilized by fire service during incidents for reporting and communicating with local, state and federal agencies including DHS. Project will support all first responders, including law enforcement and EMS to enhance operational communication capabilities between multiple disciplines. When a critical incident occurs Fire agencies will deploy and will need to access and share pertinent database information that they have authorization for. Project will allow agencies to upgrade equipment to more modern and compatible digital communications equipment with other agencies. This equipment will enhance the ability to share intelligence and information for Identification, assessment, and reporting of threats of violence. IJ.06	Goal #4	Subaward	016	Secure Public Safety Data resilience project.	CAD system implementation project used to track and manage public safety incident data. Fresno County is in need of a streamlined and secure form of turning raw data into meaningful information. Project includes a new system and software utilized by first responders to access data which includes an integrated protection for electronic data from cyberattacks aimed towards Public Safety agencies, telecom operators, local governments and medical facilities by providing secure and safe access to a variety of incidents. The ability to share accurate and secure information between agencies within the local jurisdiction is essential to planning and response capabilities. The project can also be used on mobile devices securely to maintain safe and accessible communication during critical incidents. Multi-agency, multi-discipline operational equipment for first responders. The equipment will establish and maintain a unified structure that appropriately integrates all critical stakeholders and support the execution of core capabilities while also supporting public safety operations across California to prevent against domestic terrorist acts. Project includes crime analyst software that will assist in identifying individuals that maybe at high risk of committing crimes. The Fresno County Sheriff, Municipal police and fire departments and EMS within Fresno County will be purchasing equipment to support terrorism prevention efforts. Equipment purchases will fill the need for first responders to improve its coordination capabilities of CBRNE detection, identification and mitigation capabilities for identifying and disabling domestic terrorist threats such as Improvised Explosive Devices, active shooter threats and (arson) pyro-terrorists. Additionally, the protective equipment is critical for the safety of all first responders enabling them to keep the community safe by intercepting, apprehending or securing threats and/or hazards that are life threatening and while responding to accessible violent and dangerous situations. FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

As the duly authorized representative of the Applicant, I hereby certify that the Applicant has the legal authority to apply for federal assistance and the institutional, managerial, and financial capability (including funds sufficient to pay any non-federal share of project cost) to ensure proper planning, management, and completion of the project described in this application, within prescribed timelines.

The requirements outlined in these assurances apply to Applicant and any of its subrecipients.

I further acknowledge that the Applicant is responsible for reviewing and adhering to all requirements within the:

- (a) Applicable Federal Regulations (see below);
- (b) Federal Program Notice of Funding Opportunity (NOFO);
- (c) Federal Preparedness Grants Manual;
- (d) California Supplement to the NOFO; and
- (e) Federal and State Grant Program Guidelines.

Federal Regulations

Government cost principles, uniform administrative requirements, and audit requirements for federal grant programs are set forth in Title 2, Part 200 of the Code of Federal Regulations (C.F.R.) and adopted by the Department of Homeland Security (DHS) at 2 C.F.R. Part 3002.10. Updates are issued by the Office of Management and Budget (OMB) and can be found at <http://www.whitehouse.gov/omb/>.

In the event Cal OES determines that changes are necessary to the subaward after a subaward has been made, including changes to period of performance or terms and conditions, Applicants will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate Applicant acceptance of the changes to the subaward.

State and federal grant award requirements are set forth below. The Applicant hereby agrees to comply with the following:

1. Proof of Authority

The Applicant will obtain proof of authority from the city council, governing board, or authorized body in support of this project. This written authorization must specify that the Applicant and the city council, governing board, or authorized body agree:

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

- (a) To provide all matching funds required for the grant project and that any cash match will be appropriated as required;
- (b) Any liability arising out of the performance of this agreement shall be the responsibility of the Applicant and the city council, governing board, or authorized body;
- (c) Grant funds shall not be used to supplant expenditures controlled by the city council, governing board, or authorized body;
- (d) The Applicant is authorized by the city council, governing board, or authorized body to apply for federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-federal share of project cost, if any) to ensure proper planning, management and completion of the project described in this application; and
- (e) The official executing this agreement is authorized by the Applicant.

This Proof of Authority must be maintained on file and readily available upon request.

2. Period of Performance

The period of performance is specified in the Award. The Applicant is only authorized to perform allowable activities approved under the award, within the period of performance.

3. Lobbying and Political Activities

As required by Section 1352, Title 31 of the United States Code (U.S.C.), for persons entering into a contract, grant, loan, or cooperative agreement from an agency or requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan, the Applicant certifies that:

- (a) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

- (b) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (c) The Applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

The Applicant will also comply with provisions of the Hatch Act (5 U.S.C. §§ 1501- 1508 and §§ 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with federal funds.

Finally, the Applicant agrees that federal funds will not be used, directly or indirectly, to support the enactment, repeal, modification or adoption of any law, regulation, or policy without the express written approval from the California Governor's Office of Emergency Services (Cal OES) or the federal awarding agency.

4. Debarment and Suspension

As required by Executive Orders 12549 and 12689, and 2 C.F.R. § 200.214 and codified in 2 C.F.R. Part 180, Debarment and Suspension, the Applicant will provide protection against waste, fraud, and abuse by debarring or suspending those persons deemed irresponsible in their dealings with the federal government. The Applicant certifies that it and its subrecipients:

- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;
- (b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

- (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (4)(b) of this certification; and
- (d) Have not within a three-year period preceding this application had one or more public transaction (federal, state, or local) terminated for cause or default.

Where the Applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

5. Non-Discrimination and Equal Employment Opportunity

The Applicant will comply with all state and federal statutes relating to non-discrimination, including:

- (a) Title VI of the Civil Rights Act of 1964 (Public Law (P.L.) 88-352 and 42 U.S.C. § 2000d et. seq.) which prohibits discrimination on the basis of race, color, or national origin and requires that recipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services;
- (b) Title IX of the Education Amendments of 1972, (20 U.S.C. §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex in any federally funded educational program or activity;
- (c) Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794), which prohibits discrimination against those with disabilities or access and functional needs;
- (d) Americans with Disabilities Act (ADA) of 1990 (42 U.S.C. § 12101 et seq.), which prohibits discrimination on the basis of disability and requires buildings and structures be accessible to those with disabilities and access and functional needs;
- (e) Age Discrimination Act of 1975, (42 U.S.C. §§ 6101-6107), which prohibits discrimination on the basis of age;
- (f) Public Health Service Act of 1912 (42 U.S.C. §§ 290 dd—2), relating to confidentiality of patient records regarding substance abuse treatment;
- (g) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), relating to nondiscrimination in the sale, rental or financing of housing as implemented by the Department of Housing and Urban Development at 24 C.F.R. Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units — i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators) — be designed and constructed with certain accessible features (See 24 C.F.R. § 100.201);

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

- (h) Executive Order 11246, which prohibits federal contractors and federally assisted construction contractors and subcontractors, who do over \$10,000 in Government business in one year from discriminating in employment decisions on the basis of race, color, religion, sex, sexual orientation, gender identification or national origin;
- (i) Executive Order 11375, which bans discrimination on the basis of race, color, religion, sex, sexual orientation, gender identification, or national origin in hiring and employment in both the United States federal workforce and on the part of government contractors;
- (j) California Public Contract Code § 10295.3, which prohibits discrimination based on domestic partnerships and those in same sex marriages;
- (k) DHS policy to ensure the equal treatment of faith-based organizations, under which the Applicant must comply with equal treatment policies and requirements contained in 6 C.F.R. Part 19;
- (l) The California's Fair Employment and Housing Act (FEHA) (California Government Code §§ 12940-12957), as applicable. FEHA prohibits harassment and discrimination in employment because of ancestry, familial status, race, color, religious creed (including religious dress and grooming practices), sex (which includes pregnancy, childbirth, breastfeeding and medical conditions related to pregnancy, childbirth or breastfeeding), gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, mental and physical disability, genetic information, medical condition, age, pregnancy, denial of medical and family care leave, or pregnancy disability leave, military and veteran status, and/or retaliation for protesting illegal discrimination related to one of these categories, or for reporting patient abuse in tax supported institutions;
- (m) Any other nondiscrimination provisions in the specific statute(s) under which application for federal assistance is being made; and
- (n) The requirements of any other nondiscrimination statute(s) that may apply to this application.

Civil Rights Policies for Program Beneficiaries and Subrecipients of DHS funding, pertaining to the following are available on the Cal OES website:

- Non-discrimination in Programs & Services

6. Drug-Free Workplace

As required by the Drug-Free Workplace Act of 1988 (41 U.S.C. § 701 et seq.), the Applicant certifies that it will maintain a drug-free workplace and a drug-free awareness program as outlined in the Act.

7. Environmental Standards

The Applicant will comply with state and federal environmental standards, including:

- (a) The California Environmental Quality Act (CEQA) (California Public Resources Code §§ 21000-21177), to include coordination with the city or county planning agency;
- (b) CEQA Guidelines (California Code of Regulations, Title 14, Division 6, Chapter 3, §§ 15000-15387);
- (c) The Federal Clean Water Act (CWA) (33 U.S.C. § 1251 et seq.), which establishes the basic structure for regulating discharges of pollutants into the waters of the United States and regulating quality standards for surface waters;
- (d) The Federal Clean Air Act of 1955 (42 U.S.C. § 7401) which regulates air emissions from stationary and mobile sources;
- (e) Institution of environmental quality control measures under the National Environmental Policy Act (NEPA) of 1969 (P.L. 91-190); the Council on Environmental Quality Regulations for Implementing the Procedural Provisions of NEPA; and Executive Order 12898 which focuses on the environmental and human health effects of federal actions on minority and low-income populations with the goal of achieving environmental protection for all communities;
- (f) Evaluation of flood hazards in floodplains in accordance with Executive Order 11988;
- (g) Executive Order 11514 which sets forth national environmental standards;
- (h) Executive Order 11738 instituted to assure that each federal agency empowered to enter into contracts for the procurement of goods, materials, or services and each federal agency empowered to extend federal assistance by way of grant, loan, or contract shall undertake such procurement and assistance activities in a manner that will result in effective enforcement of the Clean Air Act and the Federal Water Pollution Control Act Executive Order 11990 which requires preservation of wetlands;
- (i) The Safe Drinking Water Act of 1974, (P.L. 93-523);
- (j) The Endangered Species Act of 1973, (P.L. 93-205);

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

- (k) Assurance of project consistency with the approved state management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.);
- (l) Conformity of Federal Actions to State (Clear Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); and
- (m) The Wild and Scenic Rivers Act of 1968 (16 U.S.C. § 1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.

The Applicant shall not be: 1) in violation of any order or resolution promulgated by the State Air Resources Board or an air pollution district; 2) subject to a cease-and-desist order pursuant to section 13301 of the California Water Code for violation of waste discharge requirements or discharge prohibitions; or 3) determined to be in violation of federal law relating to air or water pollution.

8. Audits

For subrecipients expending \$1,000,000 or more in federal grant funds annually, the Applicant will perform the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and C.F.R., Part 200, Subpart F Audit Requirements.

9. Cooperation and Access to Records

The Applicant must cooperate with any compliance reviews or investigations conducted by DHS. In accordance with 2 C.F.R. § 200.337, the Applicant will give the awarding agency, the Comptroller General of the United States and, if appropriate, the state, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award. The Applicant will require any subrecipients, contractors, successors, transferees and assignees to acknowledge and agree to comply with this provision.

10. Conflict of Interest

The Applicant will establish safeguards to prohibit the Applicant's employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

11. Financial Management

False Claims for Payment - The Applicant will comply with 31 U.S.C §§ 3729-3733 which provides that Applicant shall not submit a false claim for payment, reimbursement, or advance.

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

12. Reporting - Accountability

The Applicant agrees to comply with applicable provisions of the Federal Funding Accountability and Transparency Act (FFATA) (P.L. 109-282), including but not limited to (a) the reporting of subawards obligating \$30,000 or more in federal funds, and (b) executive compensation data for first-tier subawards as set forth in 2 C.F.R. Part 170, Appendix A. The Applicant also agrees to comply with the requirements set forth in the government-wide financial assistance award term regarding the System for Award Management and Universal Identifier Requirements located at 2 C.F.R. Part 25, Appendix A.

13. Whistleblower Protections

The Applicant must comply with statutory requirements for whistleblower protections at 10 U.S.C. § 2409, 41 U.S.C. § 4712, and 10 U.S.C. § 2324, 41 U.S.C. § 4304 and § 4310.

14. Human Trafficking

The Applicant will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. § 7104) which prohibits the Applicant or its subrecipients from: (1) engaging in trafficking in persons during the period of time that the award is in effect; (2) procuring a commercial sex act during the period of time that the award is in effect; or (3) using forced labor in the performance of the award or subawards under the award.

15. Labor Standards

The Applicant will comply with the following federal labor standards:

- (a) The Davis-Bacon Act (40 U.S.C. §§ 276a to 276a-7), as applicable, and the Copeland Act (40 U.S.C. § 3145 and 18 U.S.C. § 874) and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-333), regarding labor standards for federally-assisted construction contracts or subcontracts, and
- (b) The Federal Fair Labor Standards Act (29 U.S.C. § 201 et seq.) as they apply to employees of institutes of higher learning (IHE), hospitals and other non-profit organizations.

16. Worker's Compensation

The Applicant must comply with provisions which require every employer to be insured to protect workers who may be injured on the job at all times during the performance of the work of this Agreement, as per the workers compensation laws set forth in California Labor Code §§ 3700 et seq.

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

17. Property-Related

If applicable to the type of project funded by this federal award, the Applicant will:

- (a) Comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of federal participation in purchase;
- (b) Comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires federal award subrecipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more;
- (c) Assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. § 470), Executive Order 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. § 469a-1 et seq.); and
- (d) Comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. § 4831 and 24 CFR Part 35) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

18. Certifications Applicable Only to Federally-Funded Construction Projects

For all construction projects, the Applicant will:

- (a) Not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with federal assistance funds to assure nondiscrimination during the useful life of the project;
- (b) Comply with the requirements of the awarding agency with regard to the drafting, review and approval of construction plans and specifications; and
- (c) Provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

19. Use of Cellular Device While Driving is Prohibited

The Applicant is required to comply with California Vehicle Code sections 23123 and 23123.5. These laws prohibit driving motor vehicle while using an electronic wireless communications device to write, send, or read a text-based communication. Drivers are also prohibited from the use of a wireless telephone without hands-free listening and talking, unless to make an emergency call to 911, law enforcement, or similar services.

20. California Public Records Act and Freedom of Information Act

The Applicant acknowledges that all information submitted in the course of applying for funding under this program, or provided in the course of an entity's grant management activities that are under Federal control, is subject to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the California Public Records Act, California Government Code §7920.000 et seq. The Applicant should consider these laws and consult its own State and local laws and regulations regarding the release of information when reporting sensitive matters in the grant application, needs assessment, and strategic planning process.

21. Acknowledgment of Federal Funding from DHS

The Applicant must acknowledge its use of federal funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with federal funds.

22. Activities Conducted Abroad

The Applicant must coordinate with appropriate government authorities when performing project activities outside the United States and obtain all appropriate licenses, permits, or approvals.

23. Best Practices for Collection and Use of Personally Identifiable Information (PII)

DHS defines PII as any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual. If the Applicant collects PII, the Applicant is required to have a publicly-available privacy policy that describes standards on the usage and maintenance of the PII they collect. The Applicant may refer to the DHS Privacy Impact Assessments: Privacy Guidance and Privacy Template as a useful resource.

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

24. Copyright

Recipients must affix the applicable copyright notices of 17 U.S.C. §§ 401 or 402 to any work first produced under federal awards and also include an acknowledgement that the work was produced under a federal award (including the federal award number and federal awarding agency). As detailed in 2 C.F.R. § 200.315, a federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes and to authorize others to do so.

25. Duplicative Costs

Applicants are prohibited from charging any cost to this federal award that will be included as a cost or used to meet cost sharing or matching requirements of any other federal award in either the current or a prior budget period. (See 2 C.F.R. § 200.403(f)). However, recipients may shift costs that are allowable under two or more federal awards where otherwise permitted by federal statutes, regulations, or the federal financial assistance award terms and conditions.

26. Energy Policy and Conservation Act

The Applicant must comply with the requirements of 42 U.S.C. § 6201 which contain policies relating to energy efficiency that are defined in the state energy conservation plan issued in compliance with this Act.

27. Federal Debt Status

The Applicant is required to be non-delinquent in its repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowances, and benefit overpayments. See OMB Circular A-129.

28. Fly America Act of 1974

The Applicant must comply with Preference for United States Flag Air Carriers: (a list of certified air carriers can be found at: Certificated Air Carriers List | US Department of Transportation, <https://www.transportation.gov/policy/aviation-policy/certificated-air-carriers-list>) for international air transportation of people and property to the extent that such service is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. § 40118) and the interpretative guidelines issued by the Comptroller General of the United States in the March 31, 1981, amendment to Comptroller General Decision B-138942.

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

29. Hotel and Motel Fire Safety Act of 1990

In accordance with Section 6 of the Hotel and Motel Fire Safety Act of 1990, the Applicant must ensure that all conference, meeting, convention, or training space funded in whole or in part with federal funds complies with the fire prevention and control guidelines of the Federal Fire Prevention and Control Act of 1974, as amended, 15 U.S.C. § 2225a.

30. Non-supplanting Requirement

If the Applicant receives federal financial assistance awards made under programs that prohibit supplanting by law, the Applicant must ensure that federal funds do not replace (supplant) funds that have been budgeted for the same purpose through non-federal sources.

31. Patents and Intellectual Property Rights

Recipients are subject to the Bayh-Dole Act, 35 U.S.C. § 200 et seq. and applicable regulations governing inventions and patents, including the regulations issued by the Department of Commerce at 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms under Government Awards, Contracts, and Cooperative Agreements) and the standard patent rights clause set forth at 37 C.F.R. § 401.14.

32. SAFECOM

If the Applicant receives federal financial assistance awards made under programs that provide emergency communication equipment and its related activities, the Applicant must comply with the SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications.

33. Terrorist Financing

The Applicant must comply with Executive Order 13224 and United States law that prohibit transactions with, and the provisions of resources and support to, individuals and organizations associated with terrorism. The Applicant is legally responsible for ensuring compliance with the Order and laws.

34. Reporting of Matters Related to Recipient Integrity and Performance

If the total value of the Applicant's currently active grants, cooperative agreements, and procurement contracts from all federal assistance offices exceeds \$10,000,000 for any period of time during the period of performance of this federal financial assistance award, the Applicant must comply with the requirements set forth in the

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

government-wide Award Term and Condition for Recipient Integrity and Performance Matters located at 2 C.F.R. Part 200, Appendix XII, the full text of which is incorporated here by reference in the award terms and conditions.

35. USA Patriot Act of 2001

The Applicant must comply with requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT Act), which amends 18 U.S.C. §§ 175–175c.

36. Use of DHS Seal, Logo, and Flags

The Applicant must obtain written permission from DHS prior to using the DHS seals, logos, crests, or reproductions of flags, or likenesses of DHS agency officials. This includes use of DHS component (e.g., FEMA, CISA, etc.) seals, logos, crests, or reproductions of flags, or likenesses of component officials.

37. Performance Goals (HSGP and NSGP)

In addition to the Biannual Strategy Implementation Report submission requirements outlined in the Preparedness Grants Manual, the Applicant must demonstrate how the grant-funded project addresses the core capability gap associated with each project. The capability gap reduction must be addressed in the Project Description of the BSIR for each project.

38. Applicability of DHS Standard Terms and Conditions to Tribes

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon the Applicant and flow down to any of its subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and

Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

39. Required Use of American Iron, Steel, Manufactured Products, and Construction Materials

The Applicant must comply with the "Build America, Buy America" Act (BABAA), enacted as part of the Infrastructure Investment and Jobs Act and Executive Order 14005. Applicants receiving a federal award subject to BABAA requirements may not use federal financial assistance funds for infrastructure projects unless:

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

- (a) All iron and steel used in the project are produced in the United States – this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;
- (b) All manufactured products used in the project are produced in the United States – this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and
- (c) All construction materials are manufactured in the United States – this means that all manufacturing processes for the construction material occurred in the United States.

The "Buy America" preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. It does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

Per section 70914(c) of BABAA, FEMA may waive the application of a Buy America preference under an infrastructure program in certain cases.

40. E.O. 14074 – Advancing Effective, Accountable Policing and Criminal Justice Practices to Enhance Public Trust and Public Safety

Recipient State, Tribal, local, or territorial law enforcement agencies must comply with the requirements of section 12(c) of E.O. 14074. Recipient State, Tribal, local, or territorial law enforcement agencies are also encouraged to adopt and enforce policies consistent with E.O. 14074 to support safe and effective policing.

FY 2024 Standard Assurances For Cal OES Federal Non-Disaster Preparedness Grant Programs

IMPORTANT

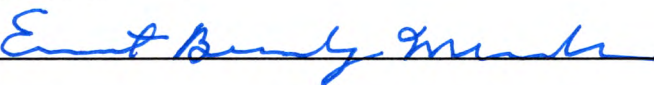

The purpose of these assurances is to obtain federal and state financial assistance, including any and all federal and state grants, loans, reimbursement, contracts, etc. Applicant recognizes and agrees that state financial assistance will be extended based on the representations made in these assurances. These assurances are binding on Applicant, its successors, transferees, assignees, etc. as well as any of its subrecipients. Failure to comply with any of the above assurances may result in suspension, termination, or reduction of grant funds.

All appropriate documentation, as outlined above, must be maintained on file by the Applicant and available for Cal OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Applicant may be ineligible for award of any future grants if Cal OES determines that the Applicant: (1) has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

All of the language contained within this document must be included in the award documents for all subawards at all tiers. Applicants are bound by the DHS Standard Terms and Conditions 2024, Version 2, hereby incorporated by reference, which can be found at: <https://www.dhs.gov/publication/fy15-dhs-standard-terms-and-conditions>.

The undersigned represents that he/she is authorized to enter into this agreement for and on behalf of the Applicant.

Program Standard Assurances Addendum

As the duly authorized representative of the Applicant/Subrecipient, I hereby certify that the Applicant/Subrecipient, and any of its second-tier subrecipients or representatives, will comply with all applicable local, state, and federal statutes, including but not limited to the following state and federal statutes prohibiting hate-based conduct:

- (a) California Penal Code section 422.6(a);
- (b) California Penal Code section 404.6;
- (c) California Penal Code section 422(a);
- (d) California Civil Code section 52.1;
- (e) 18 U.S.C. § 249;
- (f) 42 U.S.C. § 3631;
- (g) 18 U.S.C. § 247; and
- (h) 18 U.S.C. § 241, 245.

Additionally, Applicant/Subrecipient will not engage, and certifies that it will take steps to ensure that its second-tier subrecipients and representatives do not engage, in conduct contrary to the purposes of the grant program and/or that threatens the safety and security of Californians, including, but not limited to, acts of violence or unlawful intimidation on the basis of race, gender, religion, national origin, sexual orientation, or other protected classifications. Prohibited conduct includes, but is not limited to, violation of the federal and state laws identified herein.

The undersigned represents that he/she is authorized to enter into this Addendum for and on behalf of the Applicant/Subrecipient. Applicant/Subrecipient understands that failure to comply with this Addendum or any of the assurances may result in suspension, termination, reduction, or de-obligation of funding. Applicant/Subrecipient agrees to repay funds in the event there is a violation of grant assurances.

Federal Program Announcement

On April 16, 2024, the U.S. Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA) issued the Fiscal Year (FY) 2024 Homeland Security Grant Program (HSGP), [Notice of Funding Opportunity](#) (NOFO) and the FEMA [Preparedness Grants Manual](#).

Subrecipients must follow the programmatic requirements in the NOFO, FEMA Preparedness Grants Manual, and the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located in [Title 2, Code of Federal Regulations \(C.F.R.\), Part 200](#).

Information Bulletins

DHS issues [Information Bulletins](#) (IBs) to provide updates, clarification, and new requirements throughout the life of the grant.

Grant Management Memoranda

Cal OES issues [Grant Management Memoranda](#) (GMMs) which provide additional information and requirements regarding HSGP funds.

Purpose of the California Supplement

The FY 2024 HSGP California Supplement to the NOFO (State Supplement) is intended to complement, rather than replace, the NOFO and the FEMA [Preparedness Grants Manual](#). Applicants are highly encouraged to thoroughly read the NOFO and the Preparedness Grants Manual before referring to the State Supplement. The State Supplement will emphasize differences between the FY 2023 and FY 2024 HSGP and highlight additional California policies and requirements applicable to FY 2024 HSGP.

Eligible Subrecipients

Eligible Applicants, referred to as Subrecipients, include Counties/Operational Areas (OAs), Urban Areas (UAs), State Agencies (SAs), Departments, Commissions, and Boards who have or can obtain appropriate state Department of Finance budget authority for awarded funds, and federally recognized tribes located in California.

Tribal Allocations The NOFO strongly encourages Cal OES to provide HSGP funds directly to tribes in California. To implement this requirement, a special Competitive Funding Opportunity (CFO) will be issued to California's federally recognized tribes. All Subrecipients are encouraged to coordinate with tribal governments to ensure that tribal needs are considered in their grant applications.

Subrecipient Allocations FY 2024 HSGP Subrecipient final allocations are provided in Attachment A and reflect reductions to Subrecipients who did not submit minimum thresholds for National Priority Areas, including Subrecipients opting out of the award altogether, and increases to Subrecipients that are helping meet statewide minimum level National Priority Area requirements.

Supplanting Grant funds must be used to supplement existing funds, not replace (supplant) funds that have been appropriated for the same purpose. Subrecipients may be required to provide supporting documentation that certifies a reduction in non-federal resources that occurred for reasons other than the receipt or expected receipt of federal funds. Supplanting will result in the disallowance of the activity associated with this improper use of federal grant funds.

Public/Private Organizations Subrecipients may contract with other public or private organizations to perform eligible activities on approved HSGP projects.

Debarred/Suspended Parties Subrecipients must not make or permit any award (subaward or contract) at any tier, to any party, that is debarred, suspended, or otherwise excluded from, or ineligible for, participation in federal assistance programs.

Subrecipients must obtain documentation of eligibility before making any subaward or contract using HSGP funds and must be prepared to present supporting documentation to monitors/auditors.

Before entering into a Grant Subaward, the Subrecipient must notify Cal OES if it knows if any of the principals under the subaward fall under one or more of the four criteria listed at [2 C.F.R. § 180.335](#).

**Debarred/
Suspended
Parties
Cont.**

The rule also applies to Subrecipients who pass through funding to other local entities.

If at any time after accepting a subaward, Subrecipients learn that any of its principals fall under one or more of the criteria listed at [2 C.F.R. § 180.335](#), immediate written notice must be provided to Cal OES and all grant activities halted until further instructions are received from Cal OES. The rule also applies to subawards passed through by Subrecipients to local entities.

**Key Changes to
the FY 2024
HSGP**

National Priority Areas: There are six National Priority Areas (NPAs) for FY 2024. The primary change for FY 2024 is that only the Enhancing Election Security NPA maintains a 3% minimum spend. SHSP and UASI applicants must include one Investment Justification (IJ) for each NPA that has a minimum spend requirement, where applicable. For the NPAs with no minimum spend requirement, the Department of Homeland Security strongly encourages recipients to make investments in those areas as they are of critical national concern. For those NPAs that have an associated minimum spend, **all projects related to meeting the minimum spend for those NPAs must be included in the same IJ.**

The six NPAs, along with the relevant minimum spend requirement, are:

- Enhancing information and intelligence sharing and cooperation with federal agencies, including the Department of Homeland Security – NEW: no minimum spend;
- Enhancing the protection of soft targets/crowded places –NEW: no minimum spend;
- Enhancing cybersecurity – no minimum spend;
- Enhancing community preparedness and resilience – NEW: no minimum spend;
- Combating domestic violent extremism – NEW: no minimum spend ;
- Enhancing election security – 3% minimum.

**Key Changes to
the FY 2024
HSGP
Cont.****Purchasing Under a FEMA Award: 2024 OMB Revisions:**

The Office of Management and Budget (OMB) has updated parts of the OMB Guidance for Grants and Agreements in Title 2 of the Code of Federal Regulations. These updates will apply to FEMA awards with an award date on or after October 1, 2024.

Key changes include updates to the federal procurement standards at [2 C.F.R. §§ 200.317 – 200.327](#), which govern how FEMA award recipients and subrecipients must conduct purchases under a FEMA award.

FEMA will update its policy and guidance documents to incorporate these revisions, but for now, please refer to the [Purchasing Under a FEMA Award: 2024 OMB Revisions Fact Sheet](#) for more information.

Details on all the 2 C.F.R. revisions can be found on the [Federal Register's Guidance for Federal Financial Assistance webpage](#).

For more information on the federal procurement standards, visit [Contracting with Federal Funds for Goods and Services Before, During and After Disasters | FEMA.gov](#).

**FY 2024 National
Priorities**

DHS/FEMA annually publishes the [National Preparedness Report](#) (NPR) to report national progress in building, sustaining, and delivering the core capabilities outlined in the goal of a secure and resilient nation. This analysis provides a national perspective on critical preparedness trends for whole community partners to use to inform program priorities, allocate resources, and communicate with stakeholders about issues of concern.

HSGP Subrecipients are required to prioritize grant funding to demonstrate how investments support closing capability gaps or sustaining capabilities identified in the Threat Hazard Identification and Risk Assessment (THIRA)/Stakeholder Preparedness Review (SPR) process.

DHS/FEMA continually assesses changes to the threat landscape to further the National Preparedness Goal (NPG) of a secure and resilient nation. The following are national priority areas for FY 2024, including the corresponding percentage of funds required in each area:

- Enhancing information and intelligence sharing and cooperation with federal agencies, including DHS – no minimum;
- Enhancing the protection of soft targets/crowded places – no minimum;
- Enhancing cybersecurity – no minimum;
- Enhancing community preparedness and resilience – no minimum;
- Combating domestic violent extremism through enhanced intelligence collection & analysis, training, and community resilience – no minimum; and
- Enhancing election security – 3% minimum.

Subrecipients must spend a minimum of 30% of their SHSP and UASI awards across the six NPAs but have flexibility on how that funding is allocated. Only the Enhancing Election Security NPA has a minimum spend requirement of 3%. The remaining 27% can be allocated across any of the NPAs.

FY 2024 National Priorities Cont.

National Priority projects will be reviewed for effectiveness by DHS/FEMA and must be deemed effective prior to the obligation or expenditure of funds.

Projects requiring additional information for DHS/FEMA to determine effectiveness of the project, or projects deemed ineffective, will have a hold placed on their subaward pending submission of requested information and DHS/FEMA approval. Once a project is approved by DHS/FEMA, modifications to the project have special restrictions regarding modifications as indicated below:

Modifications which do not change the project scope and do not decrease the overall project budget can be processed via regular modification request.

Modifications which change the project scope or decrease the overall project budget will require DHS/FEMA approval and must be requested on the [National Priority Project Modification Form](#).

Effectiveness will be evaluated by DHS/FEMA, Cybersecurity and Infrastructure Security Agency, DHS Office of Intelligence and Analysis, DHS Center for Prevention Programs and Partnerships, and/or other DHS components, as appropriate. FEMA will determine whether the proposed approach is clear, logical, and reasonable to address the priority areas of interest and contribute to a culture of national preparedness, based on the following four factors:

- **Investment Strategy (40%):** Projects will be evaluated based on the quality and extent to which the strategy effectively demonstrates supporting the program objective of preventing, preparing for, protecting against, and responding to acts of terrorism, to meet its target capabilities, and otherwise reduce the overall risk to the high-risk urban area, the state, or the nation.
- **Budget (20%):** Projects will be evaluated based on the extent to which a budget plan for each investment demonstrates how grant expenditures maximize cost effectiveness.

**FY 2024 National
Priorities Cont.**

- **Impact/Outcomes (40%):** Projects will be evaluated on how this investment helps the jurisdiction close capability gaps identified in its Stakeholder Preparedness Review and addresses NPs outlined in the FY 2024 NOFO. Further, projects will be evaluated on their identification and estimated improvement of core capability(ies), the associated standardized target(s) that align with their proposed investment, and the ways in which improvements are measured and/or evaluated.
- **Past Performance (additional consideration):** Projects will be evaluated based on the Subrecipient's demonstrated capability to execute the proposed investments. Under this factor, FEMA will consider the information provided by the Subrecipient and may also consider relevant information from other sources.

A detailed description of allowable investments for each NP is included in the [FY 2024 HSGP NOFO \(Section A\)](#).

**National
Campaigns and
Programs**

Whole Community Preparedness – Subrecipients should engage with the whole community to advance individual and community preparedness and to work as a nation to build and sustain resilience. In doing so, Subrecipients are encouraged to consider the needs of individuals with access and functional needs and limited English proficiency in the activities and projects funded by the grant.

Subrecipients should utilize [established best practices for whole community inclusion](#) and engage with stakeholders to advance individual and jurisdictional preparedness and resilience. Subrecipients are encouraged to consider the necessities of all Californians in the activities and projects funded by the grant, including children, seniors, individuals with disabilities or access and functional needs, individuals with diverse culture and language use, individuals with lower economic capacity, and other underserved populations. Additional information regarding community preparedness and resilience is available through [Individuals and Communities](#).

**National
Campaigns and
Programs Cont.**

Active Shooter Preparedness – DHS developed a comprehensive [Active Shooter Preparedness website](#), which strives to enhance national preparedness through a whole-community approach by providing the necessary products, tools, and resources to help all stakeholders prepare for and respond to an active shooter incident. Subrecipients are encouraged to review the referenced active shooter resources and evaluate their preparedness needs.

Soft Targets and Crowded Places – States, territories, UAs, and public and private sector partners are encouraged to identify security gaps and build capabilities that address security needs and challenges related to protecting locations or environments that are easily accessible to large numbers of people on a predictable or semi-predictable basis that have limited security or protective measures in place, including town centers, shopping malls, open-air venues, outside hard targets/venue perimeters, and other places of meeting and gathering. For more information, please see DHS's [Hometown Security Program](#).

Community Lifelines – FEMA created Community Lifelines to reframe incident information and impacts using plain language and unity of effort to enable the integration of preparedness efforts, existing plans, and identifies unmet needs to better anticipate response requirements. Additional information may be found at the [Community Lifelines Implementation Toolkit website](#).

Strategic Framework for Countering Terrorism and Targeted Violence – DHS adopted the [DHS Strategic Framework for Countering Terrorism and Targeted Violence](#) which explains how the department will use the tools and expertise that have protected and strengthened the country from foreign terrorist organizations to address the evolving challenges of today.

**National
Campaigns and
Programs Cont.**

Countering Violent Extremism (CVE) Training - Foreign terrorist groups and individual terrorist thought leaders recruit or inspire Westerners to carry out attacks against western and U.S. targets, including individuals living in communities with the U.S. via, but not limited to, print, video, and social media, as well as through personal interaction. But we also know that violent extremism is not a phenomenon restricted solely to one community and that any effort to counter violent extremism must be applicable to all ideologically motivated violence. Efforts to provide information and training regarding CVE should emphasize the strength of local communities' approach.

**National
Cybersecurity
Review**

The [National Cybersecurity Review \(NCSR\)](#) is a required assessment for all Subrecipients of State Homeland Security Program (SHSP) and Urban Areas Security Initiative (UASI) funding to be completed between October 2024 and February 2025.

The NCSR is a no-cost, anonymous, and annual self-assessment designed to measure gaps and capabilities of state, local, tribal, territorial, nonprofit, and private sector agencies' cybersecurity programs.

Additionally, FEMA recognizes that some subawards will not be issued until after the NCSR has closed. In these cases, Subrecipients will be required to complete the first available NCSR offered after the subaward has been issued by Cal OES.

The Chief Information Officer (CIO), Chief Information Security Officer (CISO), or equivalent should complete the NCSR. If there is no CIO or CISO, the most senior cybersecurity professional should complete the assessment. Additional information may be found in [IB 439](#) and [429a](#).

**NIMS
Implementation**

Prior to the allocation of any federal preparedness awards, Subrecipients must ensure and maintain the adoption and implementation of the [National Incident Management System](#) (NIMS).

**Law Enforcement
Terrorism
Prevention
Activities**

At least 35% of the grant funding under SHSP and UASI must be dedicated to Law Enforcement Terrorism Prevention Activities (LETPA). This required LETPA allocation can be from SHSP, UASI, or both and may be met by funding projects in any combination of the six NPAs and any other investments.

Allowable expenditures can be found in the authorizing legislation, [Preparedness Grants Manual](#), [Information Bulletin \(IB\) No. 473 Supplemental Guidance for LETPA Expenditures](#), the [National Prevention Framework](#), and [National Protection Framework](#).

For an activity to be counted towards the LETPA requirement, it must have a law enforcement terrorism prevention nexus. If an activity is listed in the authorizing legislation or can be directly tied to a capability in the National Prevention Framework or shared capability in the National Protection Framework, then it is presumed to have law enforcement nexus and be a LETPA. For all other claimed activities, nexus to law enforcement and terrorism prevention must be clearly explained.

Refer to [IB 485 - FY23 LETPA Supplemental Guidance](#) to the NOFO for further direction on how to account for LETPA activities, best practices for submitting LETPA investments, and information on how to distinguish LETPA from other activities .

**Management
and
Administration**

The Management and Administration (M&A) allowance for Subrecipients is set at a maximum of 5% for FY 2024 HSGP.

Indirect Costs

Indirect costs are allowable under the FY 2024 HSGP Grant Award.

Subrecipients with an indirect cost rate approved by their cognizant federal agency may claim indirect costs based on the established rate. Indirect costs claimed must be calculated using the base approved in the indirect cost negotiation agreement. A copy of the approved negotiation agreement is required at the time of application.

Indirect Costs Cont.

Indirect costs are in addition to the M&A allowance and must be included in the Grant Award application as a "Project" and reflected in the FMFW on the Indirect Cost Tab if being claimed under the award.

Indirect costs must be claimed no more than once annually, and only at the end of the Subrecipient's fiscal year. An exception to this rule applies if there is a mid-year change to the approved indirect cost rate; in this case, costs incurred to date must be claimed. At that time, a Grant Subaward Modification reflecting the rate change must also be submitted to Cal OES, along with a copy of the new Indirect Cost Rate Agreement.

The FEMA Preparedness Grants Manual, published by FEMA, states that State and local governments are **not** permitted to use the de minimis rate. These costs are allowable only when an exception is granted to the SAA by FEMA per 2 C.F.R. Part 200, Appendix VII, paragraph D.1.b. Subrecipients should not include these costs in their future applications until further notice. If necessary, subrecipients may work with their Grants Analyst to modify their existing projects to remove these costs that were included in their advanced application.

Organization Costs – Overtime

Operational overtime costs are allowable for increased security measures at critical infrastructure sites if associated with detecting, deterring, disrupting, and preventing acts of terrorism and other catastrophic events.

Pursuant to page 52 of the Fiscal Year (FY) 2024 Homeland Security Grant Program (HSGP), [Notice of Funding Opportunity](#), all operational overtime requests must clearly explain how the request meets the criteria of one or more of the listed Authorized Operational Overtime Categories.

Requests must address the threat environment as it relates to the event or activity requiring operational overtime support and explains how the overtime activity is responsive to the threat.

Post-event operational overtime requests will only be considered on a case-by-case basis, where it is demonstrated exigent circumstances prevented

**Organization
Costs – Overtime

submission of a request in advance of the event or activity. Requests for overtime costs must be submitted to Cal OES via [Allowability Request Log \(ARL\) Form](#) at the time of application, if the activity will occur within one year of the final application submission. All subsequent requests must be submitted at least 60 days in advance of the activity.

All operational overtime costs must be formally pre-approved in writing by DHS/FEMA.

Personnel Cap

Pursuant to [6 U.S.C. § 609\(b\)](#), SHSP and UASI funds may be used for personnel costs, totaling up to 50 percent of each fund source. A Subrecipient may request this requirement be waived by DHS/FEMA, via Cal OES. Requests for personnel cap waivers must be submitted separately for each fund source in writing on official letterhead, with the following information:

- Documentation explaining why the cap should be waived;
- Conditions under which the request is being submitted; and
- A budget **and** method of calculation of personnel costs both in percentages of the Grant Award **and** in total dollar amount (waivers must be calculated separately for SHSP and UASI, outlining salary, fringe benefits, and any M&A costs).

Subrecipient requests to exceed the personnel cap must be received by Cal OES at the time of application. Subaward modifications impacting the personnel cap will be reviewed on a case-by-case basis and may require the submittal of the above-mentioned information.

Please see [IB 421b](#) for more information on the waiver process.

Allowable HSGP equipment is listed on the [FEMA Authorized Equipment List](#) (AEL) website.

**Equipment
Typing/
Identification
and Use**

Subrecipients that allocate HSGP funds towards equipment are required to type and identify the capability associated with that equipment. The [FEMA Resource Typing Library Tool \(RTLTL\)](#) can be used to help determine the type and capability.

Per FEMA policy, the purchase of weapons and weapon accessories are not allowed with HSGP funds. Special rules apply to pharmaceutical purchases, medical countermeasures, and critical emergency supplies; refer to page A-10 of the [FEMA Preparedness Grants Manual](#) for additional information.

Expenditures for general purpose equipment are allowable if they align to and support one or more core capabilities identified in the NPG, and in addition, are deployable/sharable through the Emergency Management Assistance Compact and allowable under 6 U.S.C. § 609. Refer to the NOFO and Preparedness Grants Manual for examples of allowable general-purpose equipment.

**Equipment
Maintenance/
Sustainment**

Use of HSGP funds for maintenance contracts, warranties, repair or replacement costs, upgrades, and user fees are allowable as described in FEMA [IBs 336](#) and [379](#), as well as Grant Programs Directorate (GPD) Policy [FP-205-402-125-1](#).

**Emergency
Communications
Projects**

All Subrecipient emergency communications projects must comply with the SAFECOM Guidance on Emergency Communications Grants and describe in their FMFW how such activities align with the goals of the Statewide Communications Interoperability Plan.

**Telecom
Equipment and
Services
Prohibitions**

Effective August 13, 2020, section 889(f)(2)-(3) of the [John S. McCain National Defense Authorization Act for FY 2019 \(NDAA\)](#) and [2 C.F.R. § 200.216, 200.471](#), and Appendix II to 2 C.F.R. Part 200 prohibit DHS/FEMA Recipients and Subrecipients (including their contractors and subcontractors) from using any FEMA funds under open or new awards for the following telecommunications equipment or services:

**Telecom
Equipment and
Services
Prohibitions Cont.**

- 1) Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, (or any subsidiary or affiliate of such entities);
- 2) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
- 3) Telecommunications or video surveillance services provided by such entities or using such equipment; or
- 4) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the People's Republic of China.

Additional guidance is available in [FEMA Policy #405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services](#)

**Prohibited and
Controlled
Equipment**

Effective May 25, 2022, [Executive Order \(EO\) 14074, Advancing Effective, Accountable Policing and Criminal Justice Practices to Enhance Public Trust and Public Safety](#), Section 12(a) of EO 14074 directs the Department of Homeland Security (DHS) to review its grant programs and, consistent with applicable law, prohibits the use of grant funding to purchase certain types of military equipment by state, local, tribal, and territorial law enforcement agencies (LEAs).

For all awards issued on or after January 1, 2023, the policy directly prohibits certain types of equipment outright (prohibited equipment), whereas other types of equipment may be controlled, or LEAs are required to submit certifications prior to purchase.

Even if equipment is listed as controlled equipment and is not outright prohibited, that does not automatically

make it allowable under a particular FEMA program. Subrecipients should refer to applicable program guidance or contact your Grants Analyst to determine if a particular type of equipment is allowable under that program.

Additional information regarding Prohibited and Controlled Equipment is available on [FEMA Policy 207-22-0002](#).

**Small Unmanned
Aircraft Systems**

All requests to purchase Small Unmanned Aircraft Systems (SUAS) with FEMA grant funding must comply with [FEMA Policy 207-22-0002](#) and include copies of the policies and procedures in place to safeguard individuals' privacy, civil rights, and civil liberties of the jurisdiction that will purchase, take title to, or otherwise use the SUAS equipment. The Authorized Equipment Listing for [03OE-07-SUAS](#) details questions that must be included in the Aviation Request justification. Reference the [Presidential Memorandum: Promoting Economic Competitiveness While Safeguarding Privacy, Civil Rights, and Civil Liberties in Domestic Use of Unmanned Aircraft Systems](#) for additional information.

Subrecipients must submit Cal OES' UAS-Drone Request Form, Controlled Equipment Self-Certification Form and FEMA's Controlled Equipment Request Form for FEMA approval. Requests for drone/UAS accessories follow the same UAS process that requires FEMA review and approval.

FEMA approval is required before a SUAS can be purchased with HSGP grants funds.

**Emergency
Operations Plans**

Subrecipients should update their Emergency Operations Plan (EOP) at least once every two years to remain compliant with the [Comprehensive Preparedness Guide 101 version 2.0](#).

Conflict of Interest

To eliminate and reduce the impact of conflicts of interest in the subaward process, Subrecipients and pass-through entities must follow their own policies and procedures regarding the elimination or reduction of conflicts of interest when making subawards. Subrecipients and pass-through entities are also required to follow any applicable federal, state, local, and tribal statutes or regulations governing conflicts of interest in the making of subawards.

Subrecipients must disclose to their Grants Analyst, in writing, any real or potential conflict of interest as defined by the federal, state, local, or tribal statutes or regulations, which may arise during the administration of the HSGP subaward within five days of learning of the conflict of interest.

Build America, Buy America Act (BABAA)

Under FEMA financial assistance programs, the BABAA requirements apply to:

- New awards made on or after January 2, 2023,
- New funding that FEMA obligates to existing awards or through renewal awards on or after January 2, 2023; and
- Infrastructure projects.

Funds provided under this program may not be used for a project for infrastructure unless the iron and steel, manufactured products, and construction materials used in that infrastructure are produced in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Additionally, the Buy America preference does not apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

**Build America,
Buy America Act
(BABAA) Cont.**

When necessary, Subrecipients may apply for a waiver from these requirements. Additional information regarding the BABAA can be found on FEMA's website under [Buy America Preference Buy America Preference](#).

**FY 2024
Investments**

The State prioritized the following investment strategies for the FY 2024 subawards:

1. Enhance Information and Intelligence Sharing and Cooperation with Federal Agencies, including DHS **(National Priority);**
2. Enhance the Protection of Soft Targets/Crowded Places **(National Priority);**
3. Enhance Cybersecurity **(National Priority);**
4. Enhancing Community Preparedness and Resilience **(National Priority);**
5. Combating Domestic Violent Extremism **(National Priority);**
6. Strengthen Emergency Communications Capabilities Through Planning, Governance, Technology, and Equipment;
7. Enhance Medical and Public Health Preparedness;
8. Strengthen Information Sharing and Collaboration (non-Fusion Center);
9. Enhance Multi-Jurisdictional/Inter-Jurisdictional All-Hazards/Whole Community Incident Planning, Response & Recovery Capabilities;
10. Protect Critical Infrastructure and Key Resources (includes Food and Agriculture); and
11. Enhance Election Security **(National Priority).**

**California
Homeland
Security Strategy
Goals**

The State prioritized the following California Homeland Security Strategy Goals for the FY 2024 subawards:

1. Enhance Information Collection, Analysis, and Sharing, in Support of Public Safety Operations Across California;
2. Protect Critical Infrastructure and Key Resources from All Threats and Hazards;
3. Strengthen Security and Preparedness Across Cyberspace;
4. Strengthen Communications Capabilities through Planning, Governance, Technology, and Equipment;
5. Enhance Community Preparedness;
6. Enhance Multi-Jurisdictional/Inter-Jurisdictional All-Hazards Incident Catastrophic Planning, Response, and Recovery Capabilities;
7. Improve Medical and Health Capabilities;
8. Enhance Incident Recovery Capabilities;
9. Strengthen Food and Agriculture Preparedness; and
10. Enhance Homeland Security Exercise, Evaluation, and Training Programs.

**State Initiative
Funding**

For FY 2024, Cal OES shall retain 20% of the SHSP and 17.3% of the UASI funding for state initiatives.

“On Behalf Of”

Cal OES may, in conjunction with local approval authorities, designate funds “on behalf of” local entities who choose to decline or fail to utilize their subaward in a timely manner.

**Public Alert and
Warning**

Cal OES encourages Subrecipients to consider the use of this funding to assist their jurisdiction’s alignment with the [State of California Alert and Warning Guidelines](#), developed pursuant to Senate Bill 833 of the 2018 Legislative Session.

Financial Management Forms Workbook

The FY 2024 Cal OES FMFW includes:

Grant Subaward Face Sheet – Use the Grant Subaward Face Sheet to apply for grant programs. The Grant Subaward Face Sheet must be signed and submitted in portrait format. An active UEI# (Formerly DUNS#) is required. UEI registration information is available sam.gov.

Authorized Body of 5 – Provide the contact information of Authorized Agents (AA), delegated via the Governing Body Resolution (GBR) or Signature Authorization Form, including staff related to grant activities. More than one person is recommended for designation as the AA; in the absence of an AA, an alternate AA can sign requests.

Project Ledger – The project ledger is used in the application process to submit funding information and is used for submitting cash requests, Grant Subaward Modifications, and assists with the completion of the Biannual Strategy Implementation Report (BSIR).

Planning Tab – Provides detailed information on grant-funded planning activities with a final product identified.

Organization Tab – Provides detailed information on grant-funded organizational activities.

Equipment Tab – Detailed information must be provided under the equipment description for all grant-funded equipment. AEL numbers must be included for all items of equipment. Always refer to the AEL for a list of allowable equipment and conditions, if any.

Training Tab – Provides detailed information on grant-funded training activities. All training activities must receive Cal OES approval prior to starting the event, including a Training Feedback number. The [Training Request Form](#) must be submitted and approved to obtain a Training Feedback number and should be submitted at **least** 30 days in advance.

Exercise Tab – Provides detailed information on grant-funded exercises.

M&A Tab – Provides information on grant-funded M&A activities.

Indirect Costs Tab – Provides information on indirect costs.

Consultant-Contractor Tab – Provides detailed information on grant-funded consultants and contractors.

Authorized Agent Page – The AA Page must be submitted with the application, all cash requests, and Grant Subaward Modifications. The AA Page must include a valid signature on file with Cal OES and the date.

**Subrecipient
Grants
Management
Assessment**

Per [2 C.F.R. § 200.332](#), Cal OES is required to evaluate the risk of non-compliance with federal statutes, regulations, and grant terms and conditions posed by each Subrecipient of pass-through funding. The [Subrecipient Grants Management Assessment Form](#) contains questions related to an organization's experience in the management of federal grant awards. It is used to determine and provide an appropriate level of technical assistance, training, and grant oversight to Subrecipients during the subaward. The questionnaire must be completed and returned with the grant application.

**Application
Attachments**

Federal Funding Accountability and Transparency Act (FFATA) Financial Disclosure – Use the [FFATA Financial Disclosure Form](#) to provide the information required by the Federal Funding Accountability and Transparency Act of 2006.

Intelligence Analysts Certificates – Pursuant to the Preparedness Grants Manual, Cal OES must have certificates for completion of training for fusion center analytical personnel. Please provide copies of certificates for each intelligence analyst, if applicable.

UASI Footprint (UASIs Only) – The Urban Area Working Group (UAWG) establishes the 'footprint' of the UA. A map or list defining the footprint must be included with the application.

UAWG Member Roster (UASIs Only) – A list of all current UAWG members with positions or titles.

Indirect Cost Rate Agreement – If claiming indirect costs at a federally-approved rate, please provide a copy of the approved indirect cost rate agreement.

Standard Assurances

The Standard Assurances list the requirements to which the Subrecipients will be held accountable. All Applicants will be required to submit an electronic signed, copy of the [FY 2024 Standard Assurances](#) as part of their FY 2024 HSGP application. The required Standard Assurances can be found only in PDF format on the Cal OES website.

NOTE: Self-created Standard Assurances will not be accepted.

Program Standard Assurances Addendum

The Program Standard Assurances Addendum specifies additional requirements that Subrecipients must meet. All Subrecipients must submit an electronic signed [Program Standard Assurances Addendum](#) as part of the FY 2024 HSGP application. The required Program Standard Assurances Addendum can be found only in PDF format on the Cal OES website.

Operational Areas and Urban Areas

Governing Body Resolution – The GBR appoints AAs (identified by the individual's name or by a position title) to act on behalf of the governing body and the Applicant by executing any actions necessary for each application and subaward. All Applicants are required to submit a copy of an approved GBR with their grant application. Resolutions may be valid for up to three grant years given the following:

- The resolution identifies the applicable grant program (e.g., EMPG and/or HSGP);
- The resolution identifies the applicable grant years, (e.g., FY 2024, FY 2025, FY 2026; and
- Adheres to any necessary elements required by local protocols, rules, etc., if applicable.

Resolutions that only identify a single grant program will only be valid for that single program. Resolutions that do not identify applicable grant years will only be valid for the grant year in which the resolution was submitted.

Authorized Agent Information – For each person or position appointed by the governing body, identify the individual in the All changes in AA and contact information must be provided to Cal OES in writing. If the GBR identifies the AA by name, a new Resolution is needed when changes are made. If the GBR identifies the AA by position and/or title, changes may be made

by submitting a request on the entity's letterhead, signed by an existing AA. Cal OES will not accept signatures of an AA's designee, unless authorized by the GBR. A change to an AA's designee must be submitted on agency letterhead and signed by the AA, announcing the change to their designee.

Operational Areas Only

Approval Authority Body – OAs must appoint an Anti-Terrorism Approval Body (Approval Authority) to have final approval of the OA's application for HSGP funds. Each member of the Approval Authority must provide written agreement with the OA's application for HSGP funds. The Approval Authority shall consist of the following representatives, and additional voting members may be added by a simple majority vote of the following standing members:

- County Public Health Officer or designee responsible for Emergency Medical Services
- County Fire Chief or Chief of Fire Authority
- Municipal Fire Chief (selected by the OA Fire Chiefs)
- County Sheriff
- Chief of Police (selected by the OA Police Chiefs)

Urban Areas Only

Urban Area Working Groups – Membership in the UAWG must provide either direct or indirect representation for all relevant jurisdictions and response disciplines (including law enforcement, fire service, EMS, hospitals, public health, and emergency management) that comprise the defined UA. It also must be inclusive of local Citizen Corps Council and tribal representatives. The UAWG should also ensure the integration of local emergency management, public health, and health care systems into a coordinated sustained local capability to respond effectively to a mass casualty incident. Additional group composition criteria are found in the FEMA [Preparedness Grants Manual](#).

Threat Hazard Identification and Risk Assessment – Subrecipients are required to submit a THIRA for all 32 core capabilities. Beginning in 2019, UAs are required to submit a THIRA every three years. An annual capability assessment will still be required.

**Urban Areas
Only Cont.**

Stakeholder Preparedness Review – The SPR is an annual grant requirement for all states, territories, and UAs. It is an annual capability assessment, which helps jurisdictions identify capability gaps and prioritize investment requirements to reach the targets set in their THIRA.

**Fusion
Centers Only**

All fusion center investments must align to, and reference, specific performance areas of the assessment that the funding is intended to support.

Fusion Centers are also required to follow all Reporting and Administrative Metrics for California Fusion Centers, as set forth in the Governor's Homeland Security Advisor/Cal OES Director's letter dated March 16, 2016. These operational and administrative metrics set forth an integrated and coordinated approach for regular and proactive information and intelligence sharing between all fusion centers in the California State Threat Assessment System (STAS).

**State
Agencies and
Tribes Only**

State Agencies, and federally recognized tribes may submit the Signature Authorization Form in lieu of a GBR, signed by the most senior ranking official, such as the Secretary, Director, President, Chancellor, or Chairperson.

Application Submission	Subrecipients must submit an electronic copy of their completed FMFW to their Grants Analyst for review. After the application is approved, a completed copy of the FMFW, along with all other application components must be submitted, with official signatures, by the application due date. During the application process, if it is determined not all allocated funds can be expended by the end of the period of performance, please inform a Grants Analyst as soon as possible. The completed application should be received by Cal OES no later than the date provided in the FY 2024 HSGP Timeline, referenced as Attachment B.
Late or Incomplete Application	Late or incomplete applications may be denied. If an application is incomplete, the Grants Analyst may request additional information. Requests for late submission of applications must be made in writing to the Grants Analyst prior to the application due date. Cal OES has sole discretion to accept or reject a late or incomplete grant application.
HSGP Contact Information	The Grants Analyst Regional Assignments Map is linked and available on the Cal OES website under “Regional Assignments”.
Subaward Approval	Subrecipients will receive a formal notification of award no later than 45 days after Cal OES accepts the federal grant award. The award letter must be signed, dated, and returned to Cal OES within 20 calendar days. Once the completed application, along with the signed award letter, is received and approved, reimbursement of eligible subaward expenditures may be requested using the Cal OES FMFW.

Payment Request Process

To request an advance or cash reimbursement of HSGP funds, Subrecipients must first complete a payment request using the Cal OES HSGP FMFW, returning it to the appropriate Grants Analyst. Subrecipients who fail to follow the workbook instructions may experience delays in processing the payment request.

Payments can only be made if the Subrecipient has an approved application.

Advances and Interest Earned on Advances

An Advance payment is a payment that is requested before Subrecipients have disbursed the funds for program purposes. Subrecipients may be paid an advance, provided they maintain a willingness and ability to maintain procedures to minimize the time elapsing between the receipt of funds and their disbursement. The timing and amount of advance payments must be as close as administratively feasible to the actual disbursements by the Subrecipient for project costs.

Federal rules require advances to be deposited in interest-bearing accounts. Interest earned in amounts up to \$500 per year may be retained by Subrecipients for administrative expenses; any additional interest earned on federal advance payments must be returned annually to Cal OES.

Semi-Annual Drawdown Requirements

All Subrecipients must report expenditures and request funds at least semi-annually throughout the period of performance. Semi-annual drawdowns should occur by March and October of each calendar year following final approval of the subaward application, except for the final cash request, which must be submitted within 20 calendar days after the end of the period of performance.

Modifications

Post-award budget and scope modifications must be requested using the [Cal OES HSGP FMFW v1.24](#), signed by the Subrecipient's AA, and submitted to the Grants Analyst.

The Subrecipient may implement grant modification activities, and incur associated expenses, only after receiving written final approval of the modification from Cal OES.

**Modifications
Cont.**

Subrecipients must provide a written justification with all modification requests. The justification may be included in the body of the e-mail transmitting the request, or in a document attached to the transmittal e-mail. Please reference [GMM 2018-17](#) for additional information regarding modification requests.

Modifications to NP Projects have additional restrictions as indicated below:

Modifications which do not change the project scope and do not decrease the overall project budget can be processed via regular modification request.

Modifications which change the project scope or decrease the overall project budget will require DHS/FEMA approval and must be requested on the [National Priority Project Modification Form](#).

**Training
Requirements**

All grant-funded training activities must receive Cal OES approval prior to starting the training event. Cal OES shall allow Subrecipients to develop a “placeholder” for future training conferences when an agenda has not been established at the time Subrecipient applications are due. Please work with a Grants Analyst and the Training Branch to identify a possible “placeholder” for these types of training activities.

When seeking approval of non-DHS/FEMA developed courses, course materials must be submitted with the approval requests. Conditional approvals are not offered.

Subrecipients must complete a [Training Request Form](#) and submit it electronically to the Cal OES Training Branch to be approved with a Training Feedback Number before beginning any training activities. This includes project components like travel to, materials for, or attendance in training courses. Training Feedback Numbers should be obtained no later than 30 days before the first day of the training or related activities. Requests that are submitted with less than 30 days prior to the start of the training or activity are not guaranteed to be approved in time and run the risk of training being unallowable. Training Feedback numbers must

Training Requirements Cont.

be included on the FMFW Training Ledger to be considered for reimbursement.

For more information on this or other training-related inquiries, contact the [Cal OES Training Branch](#) at (916) 845-8745 or Training@CalOES.ca.gov.

Exercises, Improvement Plans, and After-Action Reporting

Subrecipients should engage stakeholders to identify long-term training and exercise priorities. These priorities should address capability targets and gaps identified through the THIRA and SPR process, real-world events, previous exercises, and national areas for improvement identified in the NPR.

Subrecipients must report on all exercises conducted with HSGP grant funds. An After-Action Report (AAR)/Improvement Plan (IP) or Summary Report (for Seminars and Workshops) must be completed and submitted to Cal OES within 90 days after exercise/seminars/workshops are conducted. It is acceptable to submit an *Exercise Summary Report for Seminars and Workshops* in lieu of a full AAR/IP.

Please e-mail AAR/IPs and Summary Reports to:

- hseep@fema.dhs.gov
- exercise@caloes.ca.gov
- Olivia.Rudolphy@caloes.ca.gov

For exercise-related issues and/or questions, please email the Cal OES Exercise Team at exercise@caloes.ca.gov.

Exercise costs will not be considered for reimbursement until an AAR/IP is received by Cal OES.

Procurement Standards and Written Procedures

Subrecipients are required to conduct procurement activities in with documented procurement procedures that align with federal procurement standards outlined in [2 C.F.R. Part 200](#). In cases where there is a conflict between the local procedures and federal standards, the more stringent requirements must be followed. Additionally, subrecipients must implement written conflict of interest policies that govern the actions of employees involved in the selection, award, and administration of contracts. These policies should include provisions for disciplinary actions in the event of violations.

**Procurement
Thresholds**

Under 2 C.F.R. Part 200, procurement thresholds are defined as follows:

- **Micro-purchase threshold:** This is the maximum amount for which purchases can be made without requiring competitive quotes or formal procurement processes, provided the price is reasonable. The micro-purchase threshold is set at **\$10,000**.
- **Simplified acquisition threshold:** This sets the maximum amount for which federal procurement procedures may be simplified. The threshold is **\$250,000**. For purchases at or below this amount, subrecipients may use streamlined methods, such as obtaining competitive price or rate quotations from an adequate number of qualified sources. Purchases exceeding \$250,000 require more formal procurement procedures, including sealed bids or competitive proposals.

Subrecipients must adhere to these thresholds and, in cases of conflict between local procurement procedures and federal requirements, must apply the more stringent threshold.

**Procurement
Documentation**

Subrecipients must maintain records that document the procurement process, including the rationale for the procurement method, contract type, contractor selection or rejection, and the basis for the contract price. To be allowable, costs must be properly documented. Acceptable documentation includes, but is not limited to:

- Solicitation materials (e.g., requests for quotes, bids, or proposals)
- Responses to solicitations (e.g., quotes, bids, or proposals)
- Independent cost estimates and post-solicitation cost/price analyses, if applicable
- Contract documents and amendments
- Evidence of required contract provisions
- Other documents mandated by federal regulations at the time the grant was awarded

Noncompetitive Procurement

All noncompetitive procurements exceeding the simplified acquisition threshold requires Cal OES **prior** written approval to be eligible for reimbursement. This method of procurement must be approved by the local Purchasing Agent prior to submitting a request for Cal OES approval. A copy of the Purchasing Agent's approval must be included with the Cal OES [Request for Noncompetitive Procurement Authorization](#) form. Cal OES may request additional documentation that supports the procurement effort.

Cal OES will not reimburse for any noncompetitive procurement contracts for any HSGP terrorism-related training, regardless of the cost of the training. Exceptions to this policy may be approved in limited circumstances, e.g., related to a procurement effort that has resulted in inadequate competition. Please refer to GMM2017-01A and [GMM2021-05](#) for additional guidance.

Performance Bond

Due to the risks associated with delays in vendor delivery of large equipment procurements, DHS/FEMA allows Subrecipients to obtain a "performance bond" for items that are paid for up front to ensure delivery of the equipment within the grant period of performance.

Cal OES requires Subrecipients to obtain a performance bond when procuring any equipment item over \$250,000, or for any vehicle, aircraft, or watercraft that requires full or partial payment **prior** to receiving the final product(s).

Performance Bond Waivers may be granted on a case-by-case basis and must be submitted to Cal OES prior to procurement.

Environmental Planning and Historic Preservation (EHP)

DHS/FEMA is required to ensure all activities and programs that are funded by the agency comply with federal Environmental Planning and Historic Preservation (EHP) regulations. Subrecipients proposing projects or activities (including, but not limited to, training, exercises, the installation of equipment, and construction or renovation projects) that have the potential to impact the environment, or a historic structure must participate in the EHP screening process. EHP Screening Memos must include detailed project information, explain the goals and objectives of the proposed

Planning and
Historic
Preservation (EHP)
Cont.**

project and include supporting documentation.

DHS/FEMA may also require the Subrecipient to provide a confidential California Historical Resources Information System (CHRIS) report in addition to the EHP Screening Form. Determination on the necessity of a CHRIS report is based upon information disclosed on the form. GrantAnalysts will provide additional instructions should this report be required.

[EHP Screening Requests](#) should be submitted to Cal OES as early as possible. All projects/activities triggering EHP must receive DHS/FEMA written approval prior to commencement of the funded activity.

Updated information may be referenced in the [FEMA GPD EHP Policy Guidance](#).

**Construction and
Renovation**

When applying for construction activity at the time of application, including communication towers, Subrecipients must submit evidence of approved zoning ordinances, architectural plans, any other locally required planning permits, and a notice of federal interest. Additionally, Subrecipients are required to submit an SF-424C Budget and Budget Detail that cites project costs. Communication tower construction requests also require evidence that the Federal Communications Commission's Section 106 review process was completed.

Subrecipients using funds for construction projects must comply with the Davis-Bacon Act. Subrecipients must ensure that their contractors or subcontractors for construction projects pay workers no less than the prevailing wages for laborers and mechanics employed on projects of a character like the contract work in the civil subdivision of the state in which the work is to be performed.

Project construction using SHSP and UASI funds may not exceed \$1,000,000 or 15% of the grant subaward (for the purposes of limitations on funding levels, communications towers are not considered construction).

**Construction and
Renovation Cont.**

Written approval for construction must be provided by DHS/FEMA prior to the use of any HSGP funds for construction or renovation. No construction activities (including site preparation, utility installations, and any groundbreaking activities) or equipment installations on existing structures, may begin until the EHP review process is complete.

**Inventory Control
and Property
Management**

Subrecipients must use standardized resource management concepts for resource typing and credentialing, in addition to maintaining an inventory by which to facilitate the effective identification, dispatch, deployment, tracking, and recovery of resources.

Subrecipients must have an effective inventory management system, to include:

- Property records that document description, serial/ID number, fund source, title information, acquisition date, cost, federal cost share, location, use, condition, and ultimate disposition;
- A physical inventory conducted at least every two years;
- A control system to prevent loss, damage, and theft of grant purchased equipment and supplies; and
- Adequate maintenance procedures to keep the property in good condition.

**Equipment
Disposition**

When original or replacement equipment acquired under the HSGP is no longer needed for program activities, the Subrecipient must contact the Grants Analyst to request disposition instructions. See [2 C.F.R. § 200.313](#).

**Performance
Reporting**

Subrecipients must complete a BSIR each Winter and Summer using the DHS/FEMA [Grants Reporting Tool](#) (GRT) for all awards prior to FY 2024. All subsequent BSIR reports will be submitted in FEMA GO. BSIR must be completed for the duration of each subaward period of performance or until all grant activities are completed and the subaward is formally closed by Cal OES. Failure to submit a BSIR could result in subaward reduction, suspension, or termination.

Access to the BSIR for all awards prior to FY 2024 may be obtained through the GRT. To create a new account, please click the link that reads, "Register for an account" and follow the instructions provided. The Subrecipient will be required to

ensure up-to-date project information is entered. The Project Ledger in the FMFW may assist with the BSIR data entry process. For additional assistance with the GRT, please contact your Grants Analyst.

Extension Requests

Extensions to the initial period of performance identified in the subaward will only be considered through formal, written requests to your Grants Analyst. Upon receipt of the extension request, Cal OES will:

1. Verify compliance with performance reporting requirements by confirming the Subrecipient has submitted all necessary performance reports;
2. Confirm the Subrecipient has provided sufficient justification for the request; and
3. If applicable, confirm the Subrecipient has demonstrated sufficient progress in past situations where an extension was authorized by Cal OES.

Extension requests will be granted only due to compelling legal, policy, or operational challenges, must be project-specific and will only be considered for the following reasons:

1. Contractual commitments with vendors that prevent completion of the project within the period of performance;
2. The project must undergo a complex environmental review which cannot be completed within this timeframe;
3. Projects are long-term by design and therefore, acceleration would compromise core programmatic goals; and
4. Where other special circumstances exist.

To be considered, extension requests must be received no later than 60 days prior to the end of the Subrecipient's period of performance and must contain specific and compelling justifications as to why an extension is required. All extension requests must address the following:

1. Grant program, fiscal year, and award number;
2. Reason for delay;
3. Current status of the activity/activities;
4. Approved period of performance termination date and new project completion date;

Extension Requests Cont.

5. Amount of funds drawn down to date;
6. Remaining available funds, both federal and non-federal;
7. Budget outlining how remaining federal and non-federal funds will be expended;
8. Plan for completion, including milestones and timeframes for each milestone and the position/person responsible for implementing the plan for completion; and
9. Certification the activity/activities will be completed within the extended period of performance without any modification to the original Project Scope.

General questions regarding extension requirements and the extension request form, should be directed to your Grants Analyst. For additional information, please see IB 379.

Extension requests for personnel and salaries do not meet the requirements of IB 379 and will not be granted. Subrecipients are expected to complete all grant-funded personnel activities by the end of the subaward period of performance.

Progress Reports on Grant Extensions

All Subrecipients that receive Cal OES approval to extend their FY 2024 Grant Subaward period of performance may be required to submit progress reports indicating completed and future project milestones on all extended projects. Progress reports must be submitted electronically to the Subrecipient's Grants Analyst. Deadlines for the submission of progress reports will be established at the time of extension approval.

Monitoring

Cal OES Grants Monitoring actively monitors Subrecipients, through day-to-day communications, programmatic site visits, desk, and on-site compliance assessments. The purpose of the compliance assessment is to ensure Subrecipients are in compliance with applicable state and federal regulations, grant guidelines, and programmatic requirements.

Monitoring activities may include, but are not limited to:

- Verifying entries recorded on the FMFW categories are properly supported with source documentation;
- Eligibility of and support for expenditures, typically covering two to three years of data;
- Comparing actual Subrecipient activities to those approved in the grant application and subsequent

**Monitoring
Cont.**

modifications, including the review of timesheets and invoices as applicable;

- Procurements and contracts;
- Ensuring equipment lists are properly maintained and physical inventories are conducted;
- Ensuring advances have been disbursed in accordance with applicable guidelines; and
- Confirming compliance with Standard Assurances; and
- Information provided on performance reports and payment requests

NOTE: It is the responsibility of all Subrecipients that pass down grant funds to other entities, to maintain and utilize a formal process to monitor the grant activities of their subawards. This requirement includes, but is not limited to, on-site verification of grant activities, as required. It is common for Subrecipients to receive findings in a programmatic site visit or compliance assessment, which require a Corrective Action Plan (CAP) to be submitted by Subrecipients. Those Subrecipients who fail to submit a CAP, as required, shall have a “hold” placed on any future reimbursements until the “finding” is resolved.

**Failure to Submit
Required Reports**

Periodic reporting is required by the grant. Subrecipients who miss a single reporting deadline may receive a letter addressed to their Board of Supervisors informing them of the failure to report. County OAs and tribes who fail to report twice consecutively may have subsequent awards reduced by 10% until timely reporting is reestablished; UASIs may have a “hold” placed on any future reimbursements.

**Suspension/
Termination**

Cal OES may suspend or terminate grant funding, in whole or in part, or other measures may be imposed for any of the following reasons:

- Failure to submit required reports.
- Failure to expend funds in a timely manner consistent with the grant milestones, guidance, and assurances.
- Failure to comply with the requirements or statutory progress toward the goals or objectives of federal or state law.
- Failure to make satisfactory progress toward the goals or objectives set forth in the Subrecipient application.
- Failure to follow Grant Subaward requirements or Special

**Suspension/
Termination Cont.**

Conditions.

- Proposing or implementing substantial plan changes to the extent that, if originally submitted, the application would not have been selected for funding.
- False certification in the application or document.
- Failure to adequately manage, monitor, or direct the grant funding activities of their Subrecipients.

Closeout

Before taking action, Cal OES will provide the Subrecipient reasonable notice of intent to impose corrective measures and will make every effort to informally resolve the problem. Cal OES will close-out Subrecipient awards when it determines all applicable administrative actions and all required work of the federal award have been completed. Subawards will be closed after:

- All funds have been requested and reimbursed, or disencumbered;
- Receiving all applicable Subrecipient reports indicating all approved work has been completed, and all funds have been distributed;
- Completing a review to confirm the accuracy of reported information;
- Reconciling actual costs to subawards, modifications, and payments; and
- Verifying the Subrecipient has submitted a final BSIR showing all grant funds have been expended.

Records Retention

The records retention period is three years from the date of the Cal OES Grant Closeout letter, or until any pending litigation, claim, or audit started before the expiration of the three-year retention period has been resolved and final action is taken.

For indirect cost rate proposals, cost allocation plans, or other rate computation records, the start of the record retention period is dependent on whether the proposal, plan, or other

computation is required to be submitted to the federal government (or to the pass-through entity) for negotiation purposes. See [2 C.F.R. § 200.334\(f\)](#).

**Records Retention
Cont.**

In order for any cost to be allowable, it must be adequately documented per [2 C.F.R. § 200.403\(g\)](#).

The Cal OES Grant Closeout Letter will notify the Subrecipient of the start of the records retention period for all programmatic and financial grant-related records.

If the State Administrative Agency's award remains open after the Subrecipient's submission of the final BSIR, Cal OES will complete any additional BSIR reporting required under the award on behalf of the Subrecipient.

Closed grants may still be monitored and audited. Failure to maintain all grant records for the required retention period could result in a reduction of grant funds, and an invoice to return costs associated with the unsupported activities.

If documents are retained longer than the required retention period, FEMA, the DHS Office of Inspector General, Government Accountability Office, and pass-through entity have the right to access these records as well. See [2 C.F.R. §§ 200.334, 200.336](#).
