Exhibit A – Attachment 1
Fresno County Scope of Work
Hospital Preparedness Program (HPP)

HPP Capability 1: Healthcare System Preparedness

Objective: Strengthen the ability of a community's healthcare system to prepare, respond, and recover from incidents that have a public health and medical impact in the short and long term. The healthcare system role in community preparedness involves coordination with emergency management, public health, mental/behavioral health providers, community and faith-based partners, state, local, and territorial governments to do the following: 1) Provide and sustain a tiered, scalable, and flexible approach to attain needed disaster response and recovery capabilities while not jeopardizing services to individuals in the community; 2) Provide timely monitoring and management of resources; 3) Coordinate the allocation of emergency medical care resources; and 4) Provide timely and relevant information on the status of the incident and healthcare system to key stakeholders. Healthcare system preparedness is achieved through a continuous cycle of planning, organizing and equipping, training, exercises, evaluations and corrective actions.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Develop, refine, or sustain Healthcare Coalitions ☒ Function 2: Coordinate healthcare planning to prepare the healthcare system for a disaster ☒ Function 3: Identify and prioritize essential healthcare assets and services ☒ Function 4: Determine gaps in the healthcare preparedness and identify resources for mitigation of these gaps ☒ Function 5: Coordinate training to assist healthcare responders to develop the necessary skills in order to respond ☒ Function 6: Improve healthcare response capabilities through coordinated exercise and evaluation ☒ Function 7: Coordinate with planning for at-risk individuals and those with special medical needs	7/1/14 – 6/30/~~17~~ **18** 7/1/16- 6/30/~~17~~ **18** 7/1/14 – 6/30/~~17~~ **18**	1. Maintain Hospital Preparedness Coordinator and HPP Partnership Coordinator. 2. Support Operational Area Healthcare Coalition by providing resources to participating healthcare facilities for planning and other preparedness activities. 3. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. Submit annual performance measure data as required by the federal government. 6. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Exhibit A – Attachment 1
Fresno County Scope of Work
Hospital Preparedness Program (HPP)

HPP Capability 2: Healthcare System Recovery

Objective: Collaborate with Emergency Management and other community partners, (public health, business, education and other partners) to develop efficient processes and advocate for the rebuilding of public health, medical, and mental/behavioral health systems to at least a level of functioning comparable to pre-incident levels and improved levels where possible. The focus is an effective and efficient return to normalcy or a new standard of normalcy for the provision of healthcare delivery to the community.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Develop recovery processes for the healthcare delivery system ☒ Function 2: Assist healthcare organizations to implement Continuity of Operations (COOP)	7/1/14 – 6/30/~~17~~ **18**	1. Support healthcare facility and operational area recovery planning. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Exhibit A – Attachment 1
Fresno County Scope of Work
Hospital Preparedness Program (HPP)

HPP Capability 3: Emergency Operations Coordination

Objective: Strengthen ability for healthcare organizations to engage with incident management at the Emergency Operations Center or with on-scene incident management during an incident to coordinate information and resource allocation for affected healthcare organizations. This is done through multi-agency coordination representing healthcare organizations or by integrating this coordination into plans and protocols that guide incident management to make the appropriate decisions. Coordination ensures that the healthcare organizations, incident management, and the public have relevant and timely information about the status and needs of the healthcare delivery system in the community. This enables healthcare organizations to coordinate their response with that of the community response and according to the framework of the National Incident Management System (NIMS).

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Healthcare organization multi-agency representation and coordination with emergency operations ☒ Function 2: Assess and notify stakeholders of healthcare delivery status ☒ Function 3: Support healthcare response efforts through coordination of resources ☒ Function 4: Demobilize and evaluate healthcare operations	7/1/14 – 6/30/~~17~~ **18** 7/1/14 – 6/30/16 7/1/14 – 6/30/~~17~~ **18**	1. Maintain HPP Coordinator, Partnership Coordinator, and Healthcare Coalition and maintain operational area response plans to ensure coordination across healthcare providers, emergency management, emergency medical services, and public health. 2. Maintain emergency operation centers within Healthcare Coalition member facilities and train healthcare staff in emergency response activities including ICS (Hospital Incident Command, Nursing Facility Incident Command, and Clinic Incident Command). For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Attend CDPH annual workshop, healthcare provider related workshops, Homeland Security, other approved emergency preparedness workshops, and CDC and ASPR sponsored workshops. 4. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. Revise work plan as directed by CDPH. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Exhibit A – Attachment 1

Hospital Preparedness Program (HPP)

HPP Capability 5: Fatality Management

Objective: Coordinate with organizations (e.g., law enforcement, healthcare, emergency management, and medical examiner/coroner) to ensure the proper recovery, handling, identification, transportation, tracking, storage, and disposal of human remains and personal effects; certify cause of death; and facilitate access to mental/behavioral health services for family members, responders, and survivors of an incident. Coordination also includes the proper and culturally sensitive storage of human remains during periods of increased deaths at healthcare organizations during an incident.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Coordinate surges of deaths and human remains at healthcare organizations with community fatality management operations ☐ Function 2: Coordinate surges of concerned citizens with community agencies responsible for family assistance ☐ Function 3: Mental/behavioral support at the healthcare organization level	7/1/~~14~~ 16– 6/30/~~17~~ **18**	1. Maintain HPP Coordinator, HPP Partnership Coordinator, and Healthcare Coalition. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Exhibit A – Attachment 1
Fresno County Scope of Work
Hospital Preparedness Program (HPP)

HPP Capability 6: Information Sharing

Objective: Conduct multijurisdictional, multidisciplinary exchange of public health and medical related information and situational awareness between the healthcare system and local, state, Federal, tribal, and territorial levels of government and the private sector. This includes the sharing of healthcare information through routine coordination with the Joint Information System for dissemination to the local, state, and Federal levels of government and the community in preparation for and response to events or incidents of public health and medical significance.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Provide healthcare situational awareness that contributes to the incident common operating picture ☒ Function 2: Develop, refine, and sustain redundant, interoperable communication systems	7/1/14 – 6/30/~~17~~ **18**	1. Maintain HPP Coordinator, Partnership Coordinator, and Healthcare Coalition and maintain communications plan and communication equipment for Local HPP Entity and Healthcare Coalition members. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

HPP Capability 10: Medical Surge

Objective: Strengthen ability to provide adequate medical evaluation and care during incidents that exceed the limits of the normal medical infrastructure within the community. This encompasses the ability of healthcare organizations to survive an all-hazards incident, and maintain or rapidly recover operations that were compromised.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: The Healthcare Coalition assists with the coordination of the healthcare organization response during incidents that require medical surge ☒ Function 2: Coordinate integrated healthcare surge operations with pre-hospital Emergency Medical Services (EMS) operations ☒ Function 3: Assist healthcare organizations with surge capacity and capability ☒ Function 4: Develop Crisis Standards of Care guidance ☒ Function 5: Provide assistance to healthcare organizations regarding evacuation and shelter in place operations	7/1/14 – 6/30/~~17~~ **18** 7/1/16 – 6/30/~~17~~ **18**	1. Maintain HPP Coordinator, Partnership Coordinator, and Healthcare Coalition. 2. Purchase, store and/or maintain medical supplies and equipment to ensure operational readiness to respond to a public health or medical emergency. Items may be purchased for healthcare coalition members. 3. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 4. Revise work plan as directed by CDPH. 5. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 6. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 7. Submit annual performance measure data as required by the federal government. 8. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Exhibit A – Attachment 1

HPP Capability 14: Responder Safety and Health

Objective: Strengthen the ability of healthcare organizations to protect the safety and health of healthcare workers from a variety of hazards during emergencies and disasters. This includes processes to equip, train, and provide other resources needed to ensure healthcare workers at the highest risk for adverse exposure, illness, and injury are adequately protected from all hazards during response and recovery operations.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Assist healthcare organizations with additional pharmaceutical protection for healthcare workers ☒ Function 2: Provide assistance to healthcare organizations with access to additional Personal Protective Equipment (PPE) for healthcare workers during response	7/1/14 16–6/30/~~17~~ **18**	1. Maintain HPP Coordinator, Partnership Coordinator, and Healthcare Coalition. 2. Healthcare Coalition members should maintain policies and procedures to ensure healthcare worker safety and purchase and maintain protective equipment for healthcare coalition member staff. 3. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 4. Revise work plan as directed by CDPH. 5. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 6. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 7. Submit annual performance measure data as required by the federal government. 8. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

HPP Capability 16: Program Management

Objective: Support Hospital Preparedness Program activities including application, progress reporting, invoicing, fiscal monitoring, and coordination across multiple capabilities including alignment with Hospital Preparedness Program (HPP).

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Coordination across multiple Capabilities ☒ Function 2: Fiscal Monitoring and Tracking ☒ Function 3: Grants Management ☒ Function 4: Reporting on Performance Measures	7/1/14 – 6/30/~~17~~ 18	1. Maintain local HPP Coordinator, Partnership Coordinator and Healthcare Coalition to coordinate activities across capabilities. 2. Support staff to prepare application, progress reports, fiscal reports, invoicing, performance measures and other data reporting. 3. Support program operations including office supplies and equipment, communications, laptops, cell phones, fax machines, satellite phones, and other forms of communication necessary for daily operations or emergency response.

Exhibit A – Attachment 1
Fresno County Scope of Work
Public Health Emergency Preparedness (PHEP)

PHEP Capability 1: Community Preparedness

Objective: The ability of communities to prepare for, withstand, and recover — in both the short and long terms — from public health incidents. By engaging and coordinating with emergency management, healthcare organizations (private and community-based), mental/behavioral health providers, community and faith-based partners, state, local, and territorial, public health's role in community preparedness is to do the following: 1) Support the development of public health, medical, and mental/behavioral health systems that support recovery; 2) Participate in awareness training with community and faith-based partners on how to prevent, respond to, and recover from public health incidents; 3) Promote awareness of and access to medical and mental/behavioral health resources that help protect the community's health and address the functional needs of at-risk individuals; 4) Engage public and private organizations in preparedness activities that represent the functional needs of at-risk individuals 5) Identify those populations that may be at higher risk for adverse health outcomes; and 6) Receive and/or integrate the health needs of populations who have been displaced due to incidents that have occurred in their own or distant communities.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Determine risks to the health of the jurisdiction ☒ Function 2: Build community partnerships to support health preparedness ☒ Function 3: Engage with community organizations to foster public health, medical, and mental/behavioral health social networks ☒ Function 4: Coordinate training or guidance to ensure community engagement in preparedness efforts	7/1/14 – 6/30/~~17~~ **18**	1. Maintain Public Health Emergency Preparedness Coordinator and staff trained in emergency preparedness outreach. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by California Department of Public Health (CDPH). 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Exhibit A – Attachment 1

Public Health Emergency Preparedness (PHEP)

PHEP Capability 3: Emergency Operations Coordination

Objective: Maintain Emergency operations coordination: the ability to direct and support an event or incident with public health or medical implications by establishing a standardized, scalable system of oversight, organization, and supervision consistent with jurisdictional standards and practices and with the National Incident Management System.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Conduct preliminary assessment to determine need for public activation ☒ Function 2: Activate public health emergency operations ☒ Function 3: Develop incident response strategy ☒ Function 4: Manage and sustain the public health response ☒ Function 5: Demobilize and evaluate public health emergency operations	7/1/14 – 6/30/~~17~~ **18** 7/1/14 – 6/30/16 7/1/14 – 6/30/~~17~~ **18**	1. Maintain staff trained in emergency response activities. 2. Maintain or maintain access to emergency operations center for local public health and medical response with the health department or county. 3. Attend CDPH annual workshop, healthcare provider related workshops, Homeland Security, other approved emergency preparedness workshops, and CDC and ASPR sponsored workshops. 4. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 5. Revise work plan as directed by CDPH. 6. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 7. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules, emergency operations center maintenance and software) as described in approved work plan under each selected function for each budget year. 8. Submit annual performance measure data as required by the federal government. 9. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

PHEP Capability 7: Mass Care

Objective: Maintain ability to coordinate with partner agencies to address the public health, medical, and mental/behavioral health needs of those impacted by an incident at a congregate location. This capability includes the coordination of ongoing surveillance and assessment to ensure that health needs continue to be met as the incident evolves.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Determine public health role in mass care operations ☒ Function 2: Determine mass care needs of the impacted population ☒ Function 3: Coordinate public health, medical, and mental/behavioral health services ☒ Function 4: Monitor mass care population health	7/1/14 – 6/30/~~17~~ **18** 7/1/16 – 6/30/~~17~~ **18**	1. Maintain partnership with local mass care lead. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

PHEP Capability 8: Medical Countermeasure Dispensing

Objective: Maintain ability to provide medical countermeasures (including vaccines, antiviral drugs, antibiotics, antitoxin, and any others needed.) in support of treatment or prophylaxis (oral or vaccination) to the identified population in accordance with public health guidelines and/or recommendations.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Identify and initiate medical countermeasure (MCM) dispensing strategies ☒ Function 2: Receive medical countermeasures ☒ Function 3: Activate dispensing modalities ☒ Function 4: Dispense medical countermeasures to identified population ☐ Function 5: Report adverse events	7/1/14 – 6/30/~~17~~ **18** 7/1/14 – 6/30/16 7/1/14 – 6/30/~~17~~ **18**	1. Maintain Public Health Emergency Preparedness Coordinator and staff trained in emergency response activities. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, Rand drills as required, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Meet annual MCM distribution requirements including inventory system drill and facility call down drill. 7. Participate in annual statewide medical and health exercise.

PHEP Capability 9: Medical Materiel Management and Distribution

Objective: Maintain ability to acquire, maintain (e.g., cold chain storage or other storage protocol) transport, distribute, and track medical materiel (e.g., pharmaceuticals, gloves, masks, and ventilators) during an incident and to recover and account for unused medical materiel, as necessary, after an incident.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Direct and activate medical materiel management and distribution ☒ Function 2: Acquire medical materiel ☒ Function 3: Maintain updated inventory management and reporting system ☒ Function 4: Establish and maintain security ☒ Function 5: Distribute medical materiel ☐ Function 6: Recover medical materiel and demobilize distribution operations	7/1/14 – 6/30/~~17~~ **18** 7/1/14 – 6/30/16	1. Purchase, store, and/or maintain medical supplies and equipment to ensue operational readiness to respond to a public health or medical emergency. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Participate in annual statewide medical and health exercise.

PHEP Capability 10: Medical Surge

Objective: Maintain the ability to provide adequate medical evaluation and care during events that exceed the limits of the normal medical infrastructure of an affected community, encompassing the ability of the healthcare system to survive a hazard impact and maintain or rapidly recover operations that were comprised.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Assess the nature and scope of the incident ☒ Function 2: Support activation of medical surge ☐ Function 3: Support jurisdictional medical surge operations ☒ Function 4: Support demobilization of medical surge operations	7/1/~~14~~ 16–6/30/~~17~~ **18** 7/1/14 – 6/30/~~17~~ **18** 7/1/16 – 6/30/~~17~~ **18**	1. Maintain partnership with County Hospital Preparedness Program to align activities and goals. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Purchase, store, and/or maintain medical supplies and equipment to ensure operational readiness to respond to a public health or medical emergency. 7. Submit annual performance measure data as required by the federal government. 8. Participate in annual statewide medical and health exercise.

PHEP Capability 11: Non-Pharmaceutical Interventions

Objective: Maintain ability to recommend to the applicable local lead agency (if not local public health) and implement, if applicable, strategies for disease, injury and exposure control. Strategies include: isolation and quarantine; restrictions on movement and travel advisory/warnings; social distancing; external decontamination; hygiene; and precautionary protective behaviors.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Engage partners and identify factors that impact non-pharmaceutical interventions ☒ Function 2: Determine non-pharmaceutical interventions ☒ Function 3: Implement non-pharmaceutical interventions ☒ Function 4: Monitor non-pharmaceutical interventions	7/1/~~14~~ 16-- 6/30/~~17~~ **18**	1. Maintain Public Health Emergency Preparedness Coordinator and staff trained in emergency response activities. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Participate in annual statewide medical and health exercise.

PHEP Capability 12: Public Health Laboratory Testing

Objective: Maintain ability to conduct rapid and conventional detection, characterization, confirmatory testing, data reporting, investigative support, and laboratory networking to address actual or potential exposure to all-hazards. Hazards include chemical, radiological, and biological agents in multiple matrices that may include clinical samples, food, and environmental samples (e.g., water, air, and soil). This capability support routine surveillance, including pre-event or pre-incident and post-exposure activities.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Manage laboratory activities ☒ Function 2: Perform sample management ☒ Function 3: Conduct testing and analysis for routine surge capacity ☒ Function 4: Support public health investigations ☒ Function 5: Report laboratory results	7/1/14 – 6/30/~~17~~ **18** 7/1/16 – 6/30/~~17~~ **18** 7/1/14 – 6/30/~~17~~ **18**	1. Maintain Public Health Laboratory or access to Public Health Laboratory and maintain list of laboratory contacts. 2. Purchase and/or maintain laboratory supplies needed for a surge in laboratory testing including items such as reagents and other testing items. 3. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 4. Revise work plan as directed by CDPH. 5. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 6. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 7. Submit annual performance measure data as required by the federal government. 8. Participate in annual statewide medical and health exercise.

PHEP Capability 13: Public Health Surveillance and Epidemiological Investigation

Objective: Ensure ability to create, maintain, support, and strengthen routine surveillance and detection systems and epidemiological investigation processes, as well as to expand these systems and processes in response to incidents of public health significance.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Conduct public health surveillance and detection ☒ Function 2: Conduct public health and epidemiological investigations ☒ Function 3: Recommend, monitor, and analyze mitigation actions ☒ Function 4: Improve public health surveillance and epidemiological investigation systems	7/1/14 – 6/30/~~17~~ 18	1. Maintain capacity for surveillance and epidemiological investigation. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Participate in annual statewide medical and health exercise.

PHEP Capability 14: Responder Safety and Health

Objective: Maintain ability to protect public health agency staff responding to an incident and the ability to support the health and safety needs of hospital and medical facility personnel, as requested.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Identify responder safety and health risks ☒ Function 2: Identify safety and personal protective needs ☒ Function 3: Coordinate with partners to facilitate risk-specific safety and health training ☒ Function 4: Monitor responder safety and health actions	7/1/14 – 6/30/~~17~~ **18** 7/1/16 – 6/30/~~17~~ **18**	1. Develop procedures to ensure safety of public health workforce and purchase and maintain protective equipment for employees according to these procedures. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. Submit annual performance measure data as required by the federal government. 7. Participate in annual statewide medical and health exercise.

PHEP Capability 15: Volunteer Management

Objective: The ability to coordinate the identification, recruitment, registration, credential verification, training, and engagement of volunteers to support the jurisdictional public health agency's response to incidents of public health significance.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Coordinate volunteers ☒ Function 2: Notify volunteers ☐ Function 3: Organize, assemble, and dispatch volunteers ☐ Function 4: Demobilize volunteers	7/1/~~14~~ 16–6/30/~~17~~ **18**	1. Maintain local administrative functions to ensure operational readiness of the Disaster Healthcare Volunteers system. 2. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. 3. Revise work plan as directed by CDPH. 4. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 5. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 6. PHEP Capability 16: Program Management

Objective: Support public health emergency preparedness program activities including application, progress reporting, invoicing, fiscal monitoring, and coordination across multiple capabilities including alignment with Hospital Preparedness Program (HPP).

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Coordination across multiple Capabilities ☒ Function 2: Fiscal Monitoring and Tracking ☒ Function 3: Grants Management ☒ Function 4: Reporting on Performance Measures	7/1/14 – 6/30/~~17~~ **18**	1. Maintain local Public Health Emergency Preparedness Coordinator. 2. Support staff to prepare application, progress reports, fiscal reports, invoicing, performance measures and other data reporting. 3. Support program operations including office supplies and equipment, communications, laptops, cell phones, fax machines, satellite phones, and other forms of communication necessary for daily operations or emergency response.

Pandemic Influenza Planning

Pandemic Influenza Capability 1: Planning and Preparedness Activities

Objective: The ability of communities to prepare for, withstand, and recover from public health incidents including a potential pandemic influenza. By engaging and coordinating with emergency management, healthcare organizations (private and community-based), mental/behavioral health providers, community and faith-based partners, state, local, and territorial, public health's role in preparing for, responding to, and recovering from a public health incident such as a pandemic influenza.

Activities to Support the Objective	Timeline	Evaluation/Deliverables
☒ Function 1: Develop, maintain and/or strengthen local pandemic influenza emergency response plan ☒ Function 2: Test pandemic influenza response in drills, exercises, and real events ☒ Function 3: Engage public and private partners to ensure coordinated response efforts ☒ Function 4: Maintain surveillance system for reporting severe and fatal cases of laboratory confirmed influenza as required by CDPH	7/1/14 – 6/30/~~17~~ **18**	1. Maintain Pandemic Influenza Coordinator and other trained staff needed to complete pandemic plans and testing of plans. 2. Maintain pandemic influenza operational response plans including plans for Government Authorized Alternate Care Sites. Purchase, store, and/or maintain supplies and equipment for operation of an alternate care site. 3. Hold mass vaccination clinics including the purchase of influenza or pneumococcal vaccine and other supplies for use in these clinics. Maintain capacity to store vaccine under refrigeration. 4. For each selected function, develop work plan activities for each budget year according to annual Local Application Guidance. Revise work plan as directed by California Department of Public Health (CDPH). 5. Submit mid-year and year-end progress reports to CDPH according to guidelines within the Local Application Guidance. 6. Complete and submit specific deliverables (response plans, After-Action Reports, meeting minutes, training schedules) as described in approved work plan under each selected function for each budget year. 7. Test capability in annual statewide medical and health exercise and/or other drills, exercises or real events.

Supplies means: consumables office supply these are item that may be destroyed, dissipated, wasted are products that consumers buy recurrently i.e., items which "get used up" or discarded.
For example consumable office supplies are such products as paper, pens, file folder, binders, post-it notes, computer disks, and toner or ink cartridges..etc..
Note: Supplies do not include capital goods such as computers, fax machines, and other business machines or office furniture these would need to be set up in there own line item.
Note: Budget should link back to the SOW i.e. subcontractors/conferences/meeting/training/travel/printing/major equipment etc.... these types of services must be identified in the SOW (who/what/when and where)
