Subject: Acquisition and Acceptance of right-of-way in the vicinity of Herndon and DeWolf Avenues.

Dear Mr. White:

The City of Clovis is in need of acquiring right-of-way in the vicinity of Herndon and DeWolf Avenues. The right of way is needed for a Measure C funded capital improvement project, which will improve Herndon Avenue from Temperance Avenue to DeWolf Avenue. The City requests that the County of Fresno grant the City the authority to acquire the proposed new right of way.

The City understands that County review, approval, plan check, and inspection will be required for any portion of the project located within County jurisdiction. Responsibility for the maintenance of improvements constructed will be identified per a separate agreement.

Please contact Ryan Burnett at 324-2336 if you need additional information.

Sincerely,

Michael Harrison, PE, PLS
City Engineer
