RE: Response to Bid Protest from second low bidder for 20-18-SW American Avenue Disposal Site Phase III Modules 3-8 Landfill Gas Collection and Control System Expansion.

Dear Members of the Board of Supervisors and the Departments of Public Works,

In Response to the bid protest from ETIC filed on March 12, 2021. All our bid items, 1-26, were loaded per the technical Specifications 01 20 00 measurement and payment 01 20 00-1 to 01 20 00-10. Each bid item includes all equipment, labor, material, tax, freight, profit and overhead accordingly.

Bid item 19- Provide and Install 6-inch valves (sheets 9, 11, 12 and 14) includes the butterfly valve per 23 09 13 Part 2.2 Butterfly Valves, valve spacers, flange adapters, back up ring, SS lugged bolt packs complete and fully functional.

Bid item 20- Provide and Install 12-inch valves (sheet 9) includes the butterfly valve per 23 09 13 Part 2.2 Butterfly Valves, valve spacers, flange adapters, back up ring, SS lugged bolt packs complete and fully functional.

Bid item 21- Provide and Install 18-inch valves (sheets 8 and 15) includes the butterfly valve per 23 09 13 Part 2.2 Butterfly Valves, valve spacers, flange adapters, back up ring, SS lugged bolt packs, nut or wheel operators, valve boxes and valve key, complete and fully functional.

BSE General Engineering, Inc. has over 30 years of experience in landfill gas recovery projects. We use this experience to provide quality cost affective services. While I cannot comment on what is included or not included in the competitors bid items, I can re-assure that we included everything required in ours.

Our experience and good working relationships with our material suppliers and manufacturers allow us to provide the highest quality landfill gas specific materials at competitive prices. We did not take any exceptions to the material specifications.

Regards,
