The certified statement of the election results shall be posted on the County Clerk/Registrar of Voters' internet website, as required by California Elections Code section 15372.

Pursuant to California Government Code section 23712, if a majority of the electors voting at an election vote in favor of a County Charter amendment proposed by the Board, it shall be deemed ratified, but it will not take effect until it is filed by the California Secretary of State according to the provisions of California Government Code section 23713.

California Government Code section 23713 requires the County Clerk/Registrar of Voters to file a certified copy of the complete text of the charter amendment proposal with the Office of the Fresno County Assessor-Recorder for recording, and another copy must be filed with the California Secretary of State.
