RECOGNITION

Pursuant to the provisions of the Fresno County Employee Relations Ordinance, the certification of the Fresno County Civil Service Commission, and appropriate State law, the County hereby recognizes the Association as the exclusive representative for the classifications of Deputy Probation Officer I, Deputy Probation Officer II, Deputy Probation Officer III and Deputy Probation Officer IV.

Should any classification be certified for inclusion by the Fresno County Civil Service Commission during the term of this MOU, the Employee Relations Ordinance, section 3.12.240 governs.

REPRESENTATIVE ACCESS

Authorized Association representatives will be granted access to work locations with the approval of the appropriate management representative for the purpose of conducting grievance investigations and observing working conditions.

RELEASE TIME

The Association may request that a reasonable number of employees, who serve as official representatives of the Association, be released from work, with prior department head approval, without loss of compensation when meeting and conferring with the County where matters within the scope of representation are being considered.

The Association shall submit a written request for release time to the department head, or designee, at least seventy-two (72) hours in advance of the meeting. The use of County time for

this purpose shall not be excessive, nor shall it interfere with the performance of County services as determined by the department head.

BULLETIN BOARDS

The County shall provide space for and permit the installation of Association bulletin boards (or provide reasonable space on County bulletin boards) for official Association notices at each central work location. Such bulletin boards shall be maintained in accordance with provisions of the County Employee Relations Ordinance.

No such bulletin boards shall be located in areas frequented by the public doing business with the County as determined by the County.

MEETING PLACE

The County, at the Association's request, shall reasonably make available conference rooms and other meeting areas for the purpose of holding Association meetings during off-duty time periods provided space can be made available without interfering with County needs. The Association shall provide timely advance notice (72 hours) of such meetings. The Association also agrees to pay any additional cost of security, supervision, damage, and cleanup and shall comply with County regulations for assignment and use of such facilities.

WORK SCHEDULES

The regular day shift will consist of eight (8) working hours between 5:00 a.m. and 7:00 p.m. as scheduled by the department head or his/her designee. No shift differential shall be paid when the entire eight (8) hour shift falls between these hours.

Program and/or caseload needs may necessitate that management assign a Deputy Probation Officer (DPO) to a shift other than one which falls within the defined day shift. This could also affect scheduled days off. Except in cases of emergency which would necessitate a lesser notice, as determined by the Chief Probation Officer, management will give a minimum of three (3) weeks notice to the affected employee(s) when their shift and/or days off are to be changed.

Shift assignment to a shift (other than defined day shift) shall first be solicited by management from qualified volunteers.

In the event management cannot make a selection, DPO's will be assigned based on management's determination of the most qualified person for the assignment.

Employees will be scheduled under the provisions of this article up to a maximum of two (2) years. After eighteen (18) months, the employee can request reassignment. Upon receipt of such notification, management will begin the reassignment process. Reassignment will occur no later than the end of the two (2) year period. The employee may opt to stay in his/her assignment beyond the two (2) year period of time. An employee will not be involuntarily reassigned under the provisions of this article for a twenty-four (24) month period after the completion of a involuntary assignment. This shall not apply to the current reassignment process which occurs within the defined regular day shift.

SHIFT PREMIUM

The regular day shift will consist of eight (8) working hours between 5:00 a.m. and 7:00 p.m. as scheduled by the department head. There shall be no shift premium payment applied to any regular day shift hours as defined herein. Any employee whose regular work hours begin and conclude between 5:00 a.m. and 7:00 p.m. shall not receive shift premium pay for overtime worked which extends the workday past 7:00 p.m. Employees working a flexible work schedule shall not be eligible for shift differential.

Whenever an employee who by assignment or by rotation works a regular shift, any portion of which occurs between the hours of 7:00 p.m. and 5:00 a.m., the employee shall be paid, in addition to the basic compensation, a five percent (5%) premium for all work hours which occur after 7:00 p.m. and before 5:00 a.m. There shall be no shift premium paid during periods of Annual Leave, sick leave use and during holiday time off.

Whenever an employee who is eligible for shift premium is required to perform overtime work between the hours of 7:00 p.m. and 5:00 a.m., such employee's basic compensation plus the shift differential will be used in determining any cash payment for overtime hours worked.

The parties agree to increase shift premium from 5% to 6% effective July 2, 2018.

OVERTIME

Compensation

All employees covered by this MOU shall be paid at the rate of time and one-half (1½) for overtime worked. In determining whether or not overtime hours have been worked, only productive work hours (actual hours worked) shall apply. Overtime is authorized work performed by employees in excess of eight (8) hours a day or over forty (40) hours in a work week. Overtime shall be paid at time and one-half (1½) of the employee's base rate of pay ("County Overtime") unless the overtime meets the definition of overtime under the provisions of FLSA. In the latter instance, overtime shall be calculated at a rate of one and one-half (1½) times the employee's regular rate of pay as defined by the provision of FLSA ("FLSA" Overtime). Should the calculated "FLSA" overtime be greater than the calculated "County" overtime, an adjusting entry (earn code 90-FLSA OT) shall be made.

Overtime shall also include all authorized consecutive hours worked over eight (8) hours in a day and which extend into a new day. This provision shall include hours worked before or at the end of a normal work schedule. However, overtime paid in this setting shall not be included in any overtime/double-time overtime computation for regularly assigned work hours on the new day.

Compensatory Time Off

If, in lieu of cash compensation, compensatory time off is chosen by the employee, the employee may accumulate up to sixty (60) hours. Employees may request to be paid in cash at anytime for accrued hours. Use of compensatory time off balances shall be at a time mutually agreed upon by the employee and department head or his/her representative. Compensatory time off balances may be paid off annually in cash at a time selected by the department head at his/her discretion.

Eighth Consecutive Day

Should employees of this Unit be scheduled by management to work more than seven (7) consecutive work days, commencing on the eighth (8th) day, the employee will be compensated at two (2) times his/her regular hourly rate for overtime worked until such time as two (2) consecutive days off are received.

This payment shall only apply when the employee has been scheduled by management and ordered to work more than seven (7) consecutive work days and does not apply when the work is as a result of the employee volunteering.

To clarify which employees are volunteers, each current employee shall be provided a form upon which to waive eighth (8th) day overtime eligibility. Employees may either complete the form (thereby indicating waiver) or discard it. Employees who return the form shall not be entitled to double-time overtime pay for the eighth (8th) consecutive day worked nor days thereafter.

The above pay may not be applicable as determined by management in cases of a local or state of emergency as specified in Chapter 2.44 of the Fresno County Ordinance Code.

Assignment

In the event management determines the need to order overtime, employees shall be selected based on management's determination of who would best meet the department's need for the specified overtime assignment. Management will make every effort to consider volunteer requests first, providing the volunteers are qualified (as determined by management) to perform the assignment.

STANDBY

The parties agree to the terms and conditions regarding Standby compensation as set forth below:

1. Standby is defined as any time outside of an employee's normally scheduled work hours where the employee is scheduled or designated for Standby assignment. Standby for AB109 Post Release Community Supervision (PRCS) Offender Violation Booking Process is a prescheduled standby pay and shall be paid through the designated AB109 fund;
2. When on Standby assignment, the employee shall remain available by telephone (e.g. mobile) and/or as designated by management and have access to the necessary equipment (e.g. computer). Further, the employee shall be in fit condition to perform assigned duties, and shall refrain from any activities which may impair the employee's ability to receive and to respond to calls;
3. Employees scheduled or designated for Standby assignment shall be compensated at the rate of two dollars and fifty cents (\$2.50) per hour. Additionally, compensation for calls received and responded to shall be at one and one half (1 ½) times the normal rate of pay for work performed in fifteen (15) minute intervals. The maximum number of fifteen (15) minute intervals in an hour shall be four (4). Two (2) or more calls addressed within fifteen (15) minutes shall be considered one (1) fifteen (15) minute interval;

4. When an employee is scheduled or designated for Standby assignment on a County holiday, as defined within this MOU, the employee shall receive holiday pay of eight (8) hours for that day, and shall also receive Standby compensation at the rate of three dollars (\$3.00) per hour, as defined herein;
5. Employees scheduled or designated for Standby assignment are not considered to be prescheduled by management to work more than seven (7) consecutive work days. Therefore, the period of time spent by an employee on Standby assignment and the actual time worked by an employee as a result of a Standby assignment, shall not be included in the seven (7) consecutive work day period described in the Overtime provisions within this MOU.

Management reserves the right and authority to discontinue Standby at any time. A two (2) week notice, if practicable, shall be given to the impacted employee(s). Such discontinuance shall not be appealable or subject to grievance.

ALTERNATIVE WORK SCHEDULE – ADULT COMPLIANCE TEAM

In recognition of the Public Safety Realignment Act as outlined in AB 109 effective October 1, 2011, and the requisite participation of two (2) Deputy Probation Officers in the Adult Compliance Team (ACT), the parties agree to the terms and conditions regarding an Alternative Work Schedule (AWS) as required by the ACT and as set forth effective May 28, 2012:

The parties acknowledge and understand that the AWS shall consist of four (4) 10-hour workdays per 7-day workweek (i.e. 80 hours per 14-day pay period); however, due to the distinctive work requirements of the ACT for which the AWS is necessary, the AWS may be subject to variation in the specific workdays and starting/ending times within a given 7-day workweek to meet the needs of the ACT but must remain within the four (4) 10-hour days per workweek parameter;

The Probation Department shall submit a memo to Human Resources – Labor Relations identifying the name of the employee(s) assigned to the ACT and subject to the AWS. Upon review and approval, Labor Relations shall execute an AWS agreement with the Deputy Probation Officers Association;

The AWS shall be governed by this Article. It is acknowledged and understood that County overtime shall only be paid for authorized work performed in excess of ten (10) hours in a day or forty (40) hours in a 7-day workweek. Furthermore, the employee(s) shall be paid for holidays worked or taken (including holidays falling on a regular day off) as specified within the Holidays Article. Lastly, the employee(s) shall not be eligible for shift premium;

Management reserves the right and authority to discontinue this AWS at any time. A 2-week notice, if practicable, shall be given to the impacted employee(s). Such discontinuance shall not be appealable nor grievable;

The AWS shall be effective through the term of the MOU pending continuance of necessary funding.

AGENCY SHOP

Employees covered by this Memorandum of Understanding (MOU) shall, as a condition of continuing employment, become and remain members of Fresno County Deputy Probation Officers Association - Unit 11 or shall pay to the Association a service fee in lieu of membership dues. Such dues or service fees are set in accordance with the bylaws of the Association.

Association members may only withdraw their membership during the last month prior to the expiration of the MOU. Any employee withdrawing their Association membership shall be subject to the Agency Shop service fee.

Any employee hired by the County in a position subject to this MOU shall be provided, by the County, with an Agency Shop Provision Form during their first pay period of employment (e.g. New Employee Orientation) advising the employee of the Agency Shop agreement with the Association and requirement that all employees subject to the MOU must either join the Association or pay a service fee in lieu of membership dues, unless the employee claims a religious exemption. The County shall automatically deduct the service fee established by the Association the first pay period following the date of hire, unless the employee has provided a dues deduction form electing membership in the Association, or the employee has provided verification of the religious exemption. If the employee has not properly completed the authorization form of his/her choice and returned said form to the County within 30 days of the date of hire, the County shall continue to automatically deduct the service fee and, thereafter, until such time as the Agency Shop Provision Form is properly completed and returned to the County.

Any employee of the County subject to this MOU who wishes to request religious exemption, consistent with State and Federal law, must file such request with the Association. In addition, the employee will continue to have the deduction of an amount, equal to the monthly fair share service fee, to be paid to a non-religious, non-labor charitable fund selected as described in the paragraph below. The Religious Exemption Form is available from the Association only.

For purposes of this section, charitable deduction means a contribution to any other non-religious, non-labor charitable organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of the employee's choice.

Fresno County Deputy Probation Officers Association – Unit 11 shall submit copies of the financial report required pursuant to the Labor-Management Disclosure Act of 1959 to the Department of Human Resources, Labor Relations Division once annually. Copies of such reports shall be available to employees subject to the Agency Shop provision of this MOU from the Association.

The County shall deduct from the pay of each employee in a position subject to this MOU, Association dues or an amount equal to the service fee established by the Association or religious exemption fee, and shall mail all said deductions to the Association no later than the end of the month after which said amounts were deducted.

The County shall, upon request, provide the Association with printouts containing information of a non-confidential nature on Unit employees such as: name, date of hire, salary, and classification. The Association shall pay an at-cost fee to be determined by the Department of Human Resources for all printouts.

Fresno County Deputy Probation Officers Association – Unit 11 shall indemnify, defend and hold the County, its officers, agents and employees harmless from and against any and all claims, demands, losses, defense costs, or liability of any kind or nature which may be imposed upon them relating to the County's compliance with the agency fee obligation, including claims relating to the Association's use of the monies collected under these provisions.

The addition of classifications and/or employees to the bargaining unit in this MOU shall not require an election herein for the application of this agency shop provision to such classification and/or employees. However, employees whose classifications have been certified for inclusion in this Unit shall not be subject to the terms and conditions of the MOU until such time as a successor MOU is negotiated, this includes but is not limited to Agency Shop.

ANNUAL LEAVE

All employees covered by this MOU hired on or before October 9, 1983, will participate in the Annual Leave II (formally known as New Annual Leave Plan) as governed by the Fresno County Salary Resolution, Section 600.

All employees hired after October 9, 1983, will participate in the Annual Leave IV Plan as governed by the Fresno County Salary Resolution, Section 600.

BEREAVEMENT LEAVE

Each employee occupying a permanent position shall be eligible for paid Bereavement Leave up to a maximum of twenty-four (24) hours (to begin no later than 15 working days after notification and, if non consecutive, to conclude no later than 30 calendar days from notification) per bereavement for the death of a qualifying relative. A qualifying relative shall be defined as the employee's: legally recognized spouse, mother, father, brother, sister, child (including California Health and Safety Code, Section 102950), grandmother, grandfather, or grandchild. Also qualifying shall be an employee's corresponding relative through their legally recognized spouse: spouse's mother, spouse's father, spouse's brother, spouse's sister, spouse's child (including California Health and Safety Code, Section 102950), spouse's grandmother, spouse's grandfather, or spouse's grandchild. Employees may request use of annual leave when the employee desires time off in excess of twenty-four (24) hours for bereavement-related purposes.

In determining the number of hours to be permitted for a bereavement, the department head will, in addition to other factors, consider potential interruption of service.

Employees taking Bereavement Leave shall submit a statement under penalty of perjury on a form provided by the County stating the name of the deceased, place of death, relationship to the employee, and circumstance showing that the time taken as Bereavement Leave was reasonably necessary in order for the employee to attend to any necessary family obligations.

COMPUTER PROGRAMMING MODIFICATIONS

Notwithstanding any language in this MOU to the contrary, the respective articles of this MOU, which will involve modifications to existing computer programs of the County, shall not become effective until the beginning of the payroll period following the completion of such modifications.

Furthermore, the provisions of this article shall not be used to extend the effective date of salary changes.

SAVINGS CLAUSE

The provisions of this MOU are declared to be severable and if any section, subsection, sentence, clause, or phrase of this MOU shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this MOU, but they shall remain in effect, it being the intent of the parties that this MOU shall stand notwithstanding the invalidity of any part. Should any portion of this MOU be found invalid or unconstitutional, the parties will meet and confer to arrive at a mutually satisfactory replacement for the portion found to be invalid or unconstitutional.

PART-TIME EMPLOYEE BENEFITS

Incumbents of part-time permanently allocated positions shall continue to receive all currently prorated benefits provided by the County. In addition, the County shall pay one-half (½) of the County health insurance benefit contribution for each such part-time employee who regularly works fifty percent (50%) or more of the hours required of full-time employees. The County shall continue to pay the full County health insurance contribution for employees who regularly work eighty percent (80%) or more of the hours required of full-time employees.

Health insurance coverage shall be optional for part-time employees who regularly work fifty percent (50%) or more of the hours required of full-time employees. When such employee options for health insurance coverage, the County shall pay one-half (½) of the County health insurance premium contribution and the employee shall be required to pay one-half (½) the current employee any remaining premium rate. Eligible part-time employees may also enroll dependents on the same basis as full-time employees.

Part-time employees who regularly work less than fifty percent (50%) of the hours required of full-time employees shall not be eligible for health insurance coverage.

Employees occupying permanently allocated positions who work eighty percent (80%) or more of a full-time position shall be credited with eight (8) hours of holiday pay; the above employees who work less than eighty percent (80%) of a full-time position shall be credited with four (4) hours of holiday pay.

HEALTH INSURANCE

1. Effective December 19, 2016, the County will contribute, on behalf of each employee the following amount per pay period based on the employee's plan selection:

Employee Only	\$283	N/A	\$283
Employee plus Child(ren)	\$283	\$95	\$378
Employee plus Spouse	\$283	\$95	\$378
Employee plus Family	\$283	\$100	\$383

2. A minimum of one (1) health benefit plan, one (1) dental benefit plan, one (1) vision benefit plan, and one (1) pharmacy benefit plan will be available to employees and their dependents. If, during the term of this agreement, any of the health benefit plan(s), dental benefit plan(s), vision benefit plan, mental health plan, or the pharmacy benefit plan is unable to fulfill its contractual obligation, the County, upon consultation with the Health Benefits Advisory Committee (HBAC), if necessary, will secure a suitable replacement.
3. Any employee participating in the County's Health Benefit Program must enroll in one of the Health Insurance Plan(s), unless an employee chooses to opt out of the County's Health Benefit Program.
4. Unless otherwise court ordered, eligible employees may choose to opt out of the County's Health Benefit Program (including any related life insurance program) by completing the Opt Out Form and by providing written proof that they have medical coverage from another group health insurance plan. In addition, the employee must verify that a discontinuance of the County's Health Benefit Program does not constitute a violation of any court order or legal obligation that the employee may be subject to. Eligible employees may only opt out during the designated open enrollment period for each respective Health Benefit Plan Year as defined by Human Resources or via a qualifying event (must be turned in within 30 days of the effective date of other group health insurance). Group health insurance plan is defined as employer-sponsored medical coverage.

In the event an employee, who has opted out of the County's Health Benefit Program, subsequently loses his/her alternate medical coverage due to a qualifying event as defined by the Consolidated Omnibus Budget Reconciliation Act (COBRA), the employee may re-enroll in the County's Health Benefit Program. It shall be the responsibility of the employee to notify Employee Benefits within 30 days of the qualifying event.

Any employee who opted out of the County's Health Benefit Program for any Plan Year and desires to maintain their opt out status for subsequent Health Plan Years, must submit a new Opt Out Form during the open enrollment period for each respective Health Plan Year as defined by Human Resources. If an Opt Out Form for any Health Plan Year is not received in the Employee Benefits Division within the respective open enrollment period for each Plan Year as defined by Human Resources, said employee shall be enrolled in the non-Kaiser HMO Health Plan and DHMO Dental Plan. Additionally, any employee who has opted out of the County's Health Benefit Program may re-enroll in the Program during the annual Open Enrollment period.

5. Any newly hired employee eligible to participate in the County's Health Benefit Program must enroll in one of the Health Insurance Plan(s), unless the newly hired employee chooses to opt out (as delineated in No. 4 above) of the County's Health Benefit Program no later than the first Monday of the second pay period of employment. Any newly hired employee who does not select one of the Health Insurance Plans and does not opt out of the County's Health Benefit Program by the stated deadline, shall be enrolled in the non-Kaiser HMO Health Plan and DHMO Dental Plan.
6. If during the term of this agreement the State or Federal government legislates mandatory benefit levels in excess of those covered by agreement between the County and health/dental plan(s) which results in increased premiums, either the County or the employee organization may request the other party to meet and confer regarding the terms and conditions set forth herein.
7. Pursuant to the HBAC agreement, the parties agree to continue to meet and discuss the County's health benefit program before the commencement of each Plan Year.

Employees in full-time positions who are working a flexible workweek, such as the four-day workweek, ten hours per day, shall be paid a maximum of eight hours of holiday pay. If the employee's regular schedule includes hours in excess of eight per day, a holiday off shall either be supplemented by Annual Leave, other accrued paid time, or unpaid leave.

Holidays Falling on Days Off

Employees shall be paid eight hours (or four hours as defined herein for part-time employees) of holiday time for a holiday falling on his or her regular day off.

CANINE HANDLERS

Any Deputy Probation Officer assigned to handle a canine used for probation/law enforcement duties is required to and is responsible for the general care, grooming and home kenneling of the canine, and that such activities are compensated as described below:

Definitions

“Home kenneling” is understood to be the maintenance of the canine at the home or residence of a Deputy Probation Officer, and shall include grooming time. “Grooming time” is understood to mean all the activities specifically related to the care and maintenance of the canine at the residence, including feeding, exercising, cleaning of the home kennel and any County vehicle involved in transportation, and bonding with the canine. Grooming time shall not include time spent in formal training and time spent in routine and/or emergency veterinary care.

Compensation

The parties agree that Deputy Probation Officers assigned canines for home kenneling shall be compensated for grooming time conducted outside of the hours of the Deputy Probation Officer’s normal shift. All such grooming time shall be compensated as overtime, consistent with the Overtime Article in this MOU. CTO may be elected subject to the 60 hour maximum. 30 minutes (.5) per day times 7 days per week will be allowed for grooming.

“Grooming time” shall not be considered scheduled work for purposes of invoking the double time provision.

Home Garaging

Each handler shall be assigned a vehicle specifically equipped for canine duty, which shall be kept at the handler’s place of residence and be utilized to transport the canine to and from duty.

County’s Responsibility

The County shall install kennels at the homes of canine handlers at no expense to the handler.

The County shall continue to pay for all food and veterinary care for the canines, as well as all other equipment related to training, grooming and safety as required by the Fresno County Probation Office Canine Manual and any additional equipment deemed necessary by the Probation Office.

Continuation of Canine Program

The County may reduce the number of canines or eliminate the canine program at any time.

CONTINUITY OF OPERATIONS

Continuous and uninterrupted service to the citizens of the County, and orderly employee/employer relations between the County and its employees are essential considerations of this MOU. Therefore, the Association agrees on behalf of itself and those County employees which it represents, both individually and collectively, that there shall not be any strikes, picketing, boycotting, work stoppages, sitdowns, sickouts, speed-ups, slow-downs, or secondary action such as refusal to cross picket lines or any other concerted refusal to render services or to obstruct the efficient operations of the County or refusal to work, including refusal to work overtime, or any other curtailment or restriction of work at any time.

The County shall not utilize a lock-out technique in its employee/employer relationships.
