Exhibit A – General Program Description

I. Recitals

Government Code section 6500 *et seq.* allows California public entities to form separate entities to exercise powers held by its members. California Counties have under the authority of the Government Code formed the California Mental Health Services Authority (CalMHSA). CalMHSA is authorized by its Joint Exercise of Powers Act to jointly develop, and fund mental health services under, among other things, Division 5 of the California Welfare and Institutions Code, including the provision of necessary administrative services.

Sections 4330 through 4335 of the Welfare and Institutions Code provide for Counties, including Counties acting jointly, to contract with the State Department of State Hospitals for use of State Hospital facilities for their civil commitments under Division 5 of the California Welfare and Institutions Code. Certain members of CalMHSA desire to authorize CalMHSA to jointly negotiate and contract with the State Department of State Hospitals for use of such facilities on their behalf, and to explore and potentially implement related, alternative, or replacement services

Based on the foregoing, the parties do hereby enter into this Participation Agreement for the CalMHSA State Hospitals Program to authorize CalMHSA to contract for State Hospital beds on behalf of Program Participants and to evaluate and implement collaborative opportunities in the development of programs for special populations requiring secure 24-hour treatment services (i.e., IMD, court commitments, acute treatment, incompetent to stand trial, etc.

II. Name of Program

The CalMHSA State Hospitals Program (SHP).

III. Program Goals

- A. **CONTRACTING:** In accordance with Welfare and Institutions Code section 4330 *et seq.*, Participants will come together to act jointly through CalMHSA in contracting with the California Department of State Hospitals (DSH) for access and use of state hospital bed resources, and to ensure compliance by DSH with all applicable requirements and provisions of CalMHSA's contract with DSH.
- B. **FISCAL:** Work closely with DSH in the analysis of cost containment strategies that create efficiency in the purchasing of state hospital beds and overall cost.
- C. **QUALITY OF CARE:** Work collaboratively with the DSH in establishing "standardization of services" and consistency in services provided to ensure the quality and levels of patient care needed by counties.

- D. **ALTERNATIVE OPTIONS FOR SERVICES:** Work collectively across counties in the identification and determination of the feasibility of utilizing alternatives to state hospital resources, and facilitate implementation of such alternatives if so directed by Participants.
- E. **OTHER OPPORTUNITIES:** Evaluate collaborative opportunities in the development of programs for special populations requiring secure 24 hour treatment services (i.e., IMD, court commitments, acute treatment, incompetent to stand trial, etc.).
- F. **OTHER:** As defined by participants

IV. Program Outcomes

As directed by Participants, CalMHSA will collectively work in achieving efficiencies as a single administrative body engaging in a single negotiation of terms and rates for bed utilization, establish quality assurance standards and procedures, review shared financial analysis, and explore and facilitate opportunities and alternatives.

A. CONTRACTING:

1. Develop new contract terms that address all critical responsibilities, establish performance standards, protect counties from improper inflation of rates, clearly denote bed classification and processes, and require the state to indemnify counties for liability due to the state's negligent acts.
2. Provide counties the ability to audit DSH costs, appeal DSH decisions, and pursue recourse for unfair dealings by DSH.
3. Develop fair and accurate rates.
4. Enable counties to have more control over realignment funds owed to them. (WIC Section Code 17601)
5. Maximize flexibility of bed utilization.

B. FISCAL:

1. Create a baseline to use as a projection of bed use by county and type of bed.
2. Create and maintain an actual cost reimbursement structure. (WIC Section Code 4330)
3. Ensure accuracy of costs charged based on actual use by county and for each bed type.
4. Create a fair and established process for assigning beds.
5. Stabilize and flat line individual county costs.
6. Facilitate an efficient and timely process for invoicing Participants.
7. Develop a process for county notification and reconciliation of federal reimbursement for services (Medicare).
8. Begin establishment of a database in order to efficiently evaluate DSH and state hospital services and contract compliance, as well as to evaluate alternatives.
9. Use database to enhance bed rate efficiency by bed type.

C. QUALITY OF CARE SERVICES:

1. Create a baseline for performance measurements and review for compliance.

2. Provide for regular audits/reviews of performance activity of the counties and Hospitals to ensure expectations are being met.
3. Enhance patient care.
4. Reduce bed use and/or length of stay, leading to less cost.
5. Allow CalMHSA to research options for patient services not provided.
6. Ensure standardization across the board and creation of a system to measure against.
7. Track services not provided but needed by counties.
8. Allow counties to be more informed and better served, and for DSH to be more informed, resulting in better service to counties. Enhance processes and outcomes.

D. ALTERNATIVES:

1. Determine what services are needed but not provided by DSH.
2. Evaluate alternative treatment providers.
3. Evaluate alternative treatment resources, allowing counties greater control.
4. Evaluate alternative sites
5. Facilitate alternatives as directed by Participants

E. OTHER OPPORTUNITIES:

1. Develop a list of challenges in the area of care where a collective solution (two or more counties, regionally, or statewide) could benefit the members.

PARTICIPATION AGREEMENT

EXHIBIT D - BUDGET DETAIL AND PAYMENT PROVISIONS

STATE HOSPITAL BED PURCHASE AND USAGE

I. CONTRACT AMOUNT AND PAYMENT PROVISIONS

The amount payable by Participant to CalMHSA concerning this Agreement shall be \$1,402 per bed, per fiscal year, unless the county does not procure any beds, commencing FY 2019-20. If Participant does not currently procure state hospital beds, there is no amount due, until such time a bed is procured. The annual rate will commence in the fiscal year that a bed is procured. The amount for operations does not include the financial obligation of the Participant for actual bed use. The amount reflected here was computed based on the information contained in the Exhibit B of the DSH MOU. The amount represents the application of the State Hospital Rates for the Fiscal Year as published by DSH, which by this reference is made a part hereof, to Participant's contracted beds. In addition, this amount includes an administrative charge assessed on the number of contracted beds listed in Exhibit B of the DSH MOU, based the SHSP administrative budget adopted for the fiscal year by the Participants.

Participants who currently do not regularly (each year) versus sporadically procure beds shall be responsible for a minimum charge for indirect costs to sustain the Program. Amount to be determined upon completion of an assessment of participant's state hospital bed procurement history.

II. BUDGET CONTINGENCIES

This Agreement is subject to any restrictions, limitations, or conditions enacted by the Legislature and contained in the Budget Act or any statute enacted by the Legislature which may affect the provisions, terms, or funding of this Agreement in any manner.
