2 Disabilities (ADA) standards. Existing curb, gutter, sidewalk, pavement, pavement  
3 striping, and storm drain inlets may be modified or reconstructed to accommodate the  
4 proposed improvements. The improvements will provide an improved travelling surface  
5 for vehicles and improve accessibility to pedestrians and those with mobility  
6 impairments.

7 B. The Project site is within the City's existing easements or public  
8 rights-of-way.

9 C. The work to be funded with CDBG funds is as follows:

10 1. Obtain all necessary permits.

11 2. Perform all necessary design engineering including, but not  
12 limited to, surveying; testing; preparation of plans, specifications, and cost estimates; bid  
13 documents and a cost or price analysis; review of bids and recommendation for award.

14 3. Prepare and advertise Project bid notices and award  
15 construction contracts including, but not limited to, the printing of bid documents;  
16 publishing of notices; and preparation of bid summary.

17 4. Perform all construction engineering including, but not limited  
18 to, shop drawing review and approval; contract change order preparation; surveying;  
19 staking; inspection; soil testing; materials testing; preparation of "as-built" drawings;  
20 labor compliance; and contract administration.

21 5. Provide related eligible improvements.

27 Project budget, payments for the Project from CDBG funds will be based on the actual  
28 costs and shall not exceed the total amount of \$244,431.

1 F. The proposed funding for the Project will be provided from the  
2 following sources:

3	CDBG	\$	244,431
4	Local Financial Contribution		110,952
	Total	\$	355,383

5 G. Prior to any changes that may occur which would modify the scope  
6 of the Project, the City shall submit a written request to the County. The City shall send  
7 its written request to:

8 Community Development Grants  
9 County of Fresno  
10 Department of Public Works and Planning  
11 Community Development Division  
2220 Tulare Street, 6th Floor  
Fresno, CA 93721

12 If the Director of the County Department of Public Works and Planning determines the  
13 modified Project is still eligible under the Federal CDBG regulations, the Director is  
14 authorized to permit such modifications. The County shall specify in a letter to the City  
15 that any modifications to the scope of the Project are authorized and that the City may  
16 proceed.

17 II. OBLIGATIONS OF THE COUNTY

18 A. The County shall provide up to, but not more than, \$244,431 of  
19 CDBG funds to the City for the Project. All funds shall be paid to the City in accordance  
20 with Section V-A of this Agreement.

21 B. The County shall review, within thirty (30) calendar days of receipt  
22 from the City, the engineer selection process description and summary of the analysis  
23 as prepared by the City to verify that a competitive process was conducted in  
24 accordance with U.S. Department of Housing and Urban Development (HUD)  
25 procurement standards. The County shall specify in a letter to the City that these  
26 conditions have been met and that the engineering contract can be awarded.

27 C. The County shall review, within thirty (30) calendar days of receipt  
28 from the City, the design plans and specifications for the Project as prepared by the City

1 for compliance with Federal regulations, and the total Project cost estimate to ensure  
2 sufficient funds are available to complete the Project. The County shall specify in a  
3 letter to the City that these conditions have been met and that the Project can be  
4 advertised.

5 D. The County shall also review, within twenty one (21) calendar days  
6 of receipt from the City, the name of the low bidder and cost or price analysis of the low  
7 bid proposal prepared by the City to determine whether the contractor will be reasonably  
8 compensated in accordance with Federal requirements, and to verify the contractor is  
9 bonded and has not been disbarred or suspended from participating in Federal projects.  
10 The County shall specify in a letter to the City that the conditions of this Section have  
11 been met and that the contract can be awarded.

12 E. The County shall attend the pre-construction meeting between the  
13 City and the contractor to discuss labor compliance requirements for the Project, Project  
14 monitoring, and to inform the City and contractor that the County will conduct field  
15 reviews to ensure labor compliance and other conditions of the construction contract are  
16 being met.

17 F. The County shall conduct periodic inspections of the Project, as  
18 may be required, to ensure that the intended use and group of beneficiaries of the  
19 Project have not changed. Upon completion of the Project, but prior to the City's  
20 acceptance of the Project, the County shall conduct a final inspection of the Project.  
21 The County shall specify in a letter to the City that the conditions of this Section have  
22 been met.

23 III. OBLIGATIONS OF THE CITY

24 A. The City shall provide any and all sums of money in excess of  
25 \$244,431 that may be necessary to complete the Project. For the purposes of awarding  
26 the construction of the Project within the Agreement amount, the bid documents should  
27 include any proposed additive or deduct alternatives.

28 B. The City shall perform, or cause to be performed, all engineering

1 work required for the Project.

2 C. In selecting an engineer to perform any engineering work required  
3 for the Project, the City shall go through a competitive process in accordance with  
4 County Policy and HUD procurement standards. Prior to selection of the engineer, the  
5 City shall prepare a written description of the process, perform a cost or price analysis,  
6 and submit the process description and summary of the analysis to the County  
7 Community Development Division for review. The City shall obtain a letter from the  
8 County specifying that the conditions of this Section have been met.

9 D. The City shall specify in agreements with its consultants that all  
10 engineering work funded with CDBG funds shall become the property of the City upon  
11 payment by the City for the cost of such engineering work.

12 E. The City shall furnish evidence that it has free and clear title to all  
13 parcels of land on which Project improvements will be located, with any liens or  
14 encumbrances noted, and/or that it has obtained or can obtain all necessary easements,  
15 rights-of-way, licenses, permits and State and local approvals required for the  
16 completion of the Project.

17 F. Upon completion of the design engineering, the City shall submit the  
18 plans and specifications to the County Community Development Division. The County  
19 will ensure Federal CDBG requirements have been adhered to and review cost  
20 estimates to ensure sufficient funds are available. The City shall obtain a letter from the  
21 County specifying these conditions have been met and that the City is approved to  
22 advertise for bids to construct the Project.

23 G. The City shall advertise for bids and shall award the construction  
24 contract to the lowest responsible bidder. At least ten (10) calendar days prior to the bid  
25 opening, the City shall notify the County of the date, time, and location of the bid  
26 opening.

27 H. Within seven (7) calendar days following the bid opening, the City  
28 shall furnish the County Community Development Division with the name of the low

1 bidder and cost or price analysis of the low bid proposal prepared by the City so that the  
2 County can verify with the Labor Relations and Equal Opportunity Division of the HUD  
3 Area Office that the low bidder is bonded and has not been debarred or suspended from  
4 participating in Federal projects, and that the contractor will be reasonably compensated  
5 in accordance with Federal requirements. The City shall obtain a letter from the County  
6 specifying these conditions have been met and that the City is approved to award the  
7 Project for construction.

8 I. The City shall conduct a pre-construction meeting with the  
9 contractor and shall notify the County Community Development Division at least ten (10)  
10 calendar days prior to the meeting so a representative of the County can be in  
11 attendance to discuss CDBG labor compliance requirements for the Project.

12 J. Prior to the construction start date, the City shall give written notice  
13 thereof to the County Community Development Division.

14 K. All proposed construction contract change orders shall not proceed  
15 until prior written approval has been given by the County. Request for approval of a  
16 change order(s) shall include a narrative description of the work, a cost or price analysis  
17 in accordance with HUD requirements, a map depicting the location of the work  
18 addressed with the requested change order, and a written certification from the City that  
19 the approval of the change order is consistent with the final construction cost estimate  
20 approved by the County. In addition, the City shall certify that the change order is within  
21 the scope of the Project and is necessary to complete the Project.

22 L. The City shall send its written description of the engineer selection  
23 process, cost or price analyses, design plans, specifications, name of low bidder and low  
24 bid proposal, public notices, and all written correspondence to:

25  
26 Community Development Grants  
27 County of Fresno  
28 Department of Public Works and Planning  
Community Development Division  
2220 Tulare Street, 6th Floor  
Fresno, CA 93721

1  
2 M. The City shall comply with the mitigation measures, conditions and  
3 notes identified in Initial Study/Environmental Assessment No. 7149 (the "Assessment").  
4 A copy of the Assessment will be provided to the City.

5 N. Upon completion of the Project, the City shall notify the County  
6 Community Development Division thereof so a representative of the Division can  
7 perform an inspection of the Project to determine that it was completed in accordance  
8 with the scope of work approved and authorized pursuant to this executed Agreement.

9 O. Upon approval of Project completion by the County, the City shall  
10 provide the County Community Development Division with a resolution of acceptance, or  
11 similar documentation, demonstrating that the Project was completed in accordance with  
12 the scope of work approved and authorized pursuant to this executed Agreement and  
13 any approved subsequent amendments thereto and/or change orders, and that the City  
14 has accepted the Project. Prior to the final request for payment, the City shall also  
15 provide the County with a copy of the recorded Notice of Completion (NOC), a written  
16 summary of all Project work completed with CDBG and other funds, and documentation  
17 to demonstrate compliance with Section 3 of the Housing and Urban Development Act of  
18 1968, as amended.

19 P. During the contract period, the City shall complete and submit  
20 annually each June 1, and upon completion of the Project, a Project Outcome  
21 Measurement Report (POM) form, a copy of which is attached hereto as Exhibit 1 and  
22 incorporated herein by reference. The POM shall contain the following information for  
23 the County's Federal reporting purposes to HUD:

- 24 1. Total number of households/persons assisted.
- 25 2. Number of total households/persons assisted that:
  - 26 a. Now have new access to this type of public facility or
  - 27 infrastructure improvement.
  - 28 b. Now have improved access to this type of public

1 facility or infrastructure improvement.

2 c. Now are served by a public facility or infrastructure  
3 that is no longer substandard.

4 Q. The City shall be responsible for maintenance of the improvements  
5 after construction is completed and shall do so from non-CDBG resources.

6 R. The City must inform the County in writing of any program income  
7 generated by the expenditure of CDBG funds. Any program income generated as a  
8 result of the Project must be paid to the County. For purposes of this Agreement,  
9 program income is defined as proceeds from the disposition of CDBG-acquired real  
10 property, and principal and interest on CDBG loans. If the City contributed financially to  
11 the improvement Project, the City may retain a share of the program income in  
12 proportion to the City's contribution to the Project, after the City has provided a written  
13 accounting acceptable to the County.

14 S. The City must obtain prior written approval from the County  
15 whenever there is any modification or change in the use of any real property improved,  
16 in whole or in part, using CDBG funds. If any real property improved with CDBG funds is  
17 sold and/or is utilized by the City for a use which does not qualify under the CDBG  
18 Program, the City shall reimburse the County in an amount equal to the current fair  
19 market value for the property, less any proportional share thereof attributable to  
20 expenditures of non-CDBG funds. These requirements shall continue in effect for the  
21 life of the improvements. In the event the CDBG Program is closed-out, the  
22 requirements of this Section shall remain in effect for activities or property funded with  
23 CDBG funds, unless action is taken by the Federal government to relieve the County of  
24 these obligations.

25 T. The City acknowledges that the County may periodically inspect the  
26 Project to ensure the property is being used as described in this Agreement. The City  
27 agrees to provide any necessary information to the County to carry out such inspections.  
28 Furthermore, the City agrees to take corrective action if the County determines that

1 modifications to the use and location of the Project have resulted in a violation of the  
2 Federal CDBG regulations.

3 IV. CONFORMANCE WITH APPLICABLE LAWS AND REGULATIONS

4 A. The City, its consultants, contractors, and subcontractors shall  
5 comply with all applicable State and Federal laws and regulations governing projects  
6 that utilize Federal funds.

7 B. Whenever the City uses the services of a contractor, the City shall  
8 require that the contractor comply with all Federal, State and local laws, ordinances,  
9 regulations and Fresno County Charter provisions applicable in the performance of their  
10 work.

11 C. This Project is subject to the requirements of Section 3 of the  
12 Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701(u).  
13 Accordingly, the City shall require the prime contractor to complete and submit  
14 documentation prior to award of the construction contract and upon Project completion  
15 that compliance with the Section 3 clause has been met.

16 D. Whenever the City receives at least \$100,000 for a project from the  
17 County's CDBG Program under this Agreement, the City shall complete and submit to  
18 the County Community Development Division a "Certification of Payments to Influence  
19 Federal Transactions" form and a "Standard Form LLL - Disclosure of Lobbying  
20 Activities" form. Likewise, before the City awards a contract using at least \$100,000 of  
21 such CDBG funds, the City shall require the consultant and/or contractor and all their  
22 sub-consultants and/or subcontractors to complete and submit these two (2) forms  
23 described hereinabove to both the City and the County.

24 V. PAYMENT FOR THE PROJECT

25 A. At monthly intervals, the City shall submit a written request to the  
26 County for payment of specified costs incurred in the performance of this Agreement.  
27 The request for payment shall be accompanied by a written certification from the City  
28 that the request for payment is consistent with the amount of work that has been

1 completed, and that said work is in accordance with the contract documents and this  
2 Agreement. The request for payment shall also be accompanied by documentation  
3 acceptable to the County, such as invoices or vouchers for services or materials  
4 purchased, contractor's costs, or other costs chargeable to the Project. After  
5 appropriate review and inspection, the County shall make payment from CDBG funds  
6 provided in this Agreement for all eligible costs specified herein.

7 B. Any savings realized in the final cost of the Project, due to Project  
8 cost and/or scope of work reductions, liquidated damages, or any other reason, shall be  
9 used to reduce the amount of this Project paid for with CDBG funds and shall be  
10 credited to the City's CDBG allocation. However, if the City is required to provide any  
11 funds toward the Project, any cost savings shall be first used to reimburse the City for its  
12 contribution in excess of the total amount provided by this Agreement.

13 C. Payment for advertising and award shall be based on the actual  
14 costs of printing and noticing.

15 D. The County will not be bound by any agreement between the City  
16 and its agents.

17 E. Upon the completion of the Project, the City shall submit to the  
18 County Community Development Division a written request for final payment of costs  
19 which shall provide a detailed description of the Project pay items and costs. The  
20 County shall not be obligated to make any payments under this Agreement if the request  
21 for payment is submitted by the City more than sixty (60) days after the Notice of  
22 Completion has been filed with the County Recorder's Office. An extension to the sixty  
23 (60) day period may be granted by the Director of the County Department of Public  
24 Works and Planning prior to the deadline if the City can demonstrate just cause for the  
25 delay.

26 F. The County may withhold reimbursement to the City until a final  
27 POM, recorded NOC, and written summary of all Project work completed with CDBG  
28 and other funds, and evidence of compliance with the Section 3 clause as specified in

1 Sections III-O and IV-C, have been submitted to the County.

2 G. All requests for payment and supporting documentation shall be  
3 sent to:

4 Business Manager  
5 County of Fresno  
6 Department of Public Works and Planning  
7 Financial Services Division  
8 2220 Tulare Street, 6th Floor  
9 Fresno, CA 93721

10 H. The City shall establish accounting and bookkeeping procedures in  
11 accordance with standard accounting and bookkeeping practices, including, but not  
12 limited to, employee time cards, payrolls, and other records of all transactions to be paid  
13 with CDBG funds in accordance with the performance of this Agreement. All records  
14 and accounts shall be available for inspection by the County, the State of California, if  
15 applicable, the Comptroller General of the United States, and HUD or any of their duly  
16 authorized representatives, at all reasonable times, for a period of at least five (5) years  
17 following final payment under this Agreement or the closure of all other pending matters,  
18 whichever is later. The City shall certify accounts when required or requested by the  
19 County.

20 I. The City, as a sub-recipient of Federal financial assistance, is  
21 required to comply with the provisions of the Single Audit Act of 1984 (31 U.S.C.  
22 Sections 7501 et seq.), as amended. Whenever the City expends and/or receives  
23 CDBG funds from the County for the Project, a copy of any audit performed by the City  
24 in accordance with said Act shall be forwarded to the County Community Development  
25 Grants Program Manager within nine (9) months of the end of any City fiscal year in  
26 which funds were expended and/or received for the Project. Failure to perform the  
27 requisite audit functions as required by this paragraph may result in the County  
28 performing any necessary audit tasks, or, at the County's option, the County contracting  
with a public accountant to perform the audit. All audit costs related to the City's failure  
to perform the requisite audit are the sole responsibility of the City and such audit work

costs incurred by the County shall be billed to the City as determined by County's Auditor-Controller/Treasurer-Tax Collector. In the event the City is only required to perform an audit under the provisions of the Act because the City is receiving CDBG funds, the County may perform, or cause to be performed, the required audit to determine whether funds provided through this Agreement have been expended in accordance with applicable laws and regulations. Any audit-related costs incurred by the County under this provision shall be charged to the County CDBG Program. The City agrees to take prompt and appropriate corrective action on any instance of material non-compliance with applicable laws and regulations.

J. The City shall send a copy of the audit to:

Community Development Grants  
County of Fresno  
Department of Public Works and Planning  
Community Development Division  
2220 Tulare Street, 6th Floor  
Fresno, CA 93721
