The following language will be included in each applicable contract:

"The contractor agrees to limit administrative cost to a maximum of 15% of the total program budget and to limit employee benefits to a maximum of 20% of total salaries for those employees working under this agreement during the term of this agreement. Failure to conform to this provision will be grounds for contract termination at the option of the County of Fresno."

The above provision shall be applied to renewal or multi-year contracts with non-profit organizations which primarily serve Fresno County and professional services contracts where

Fresno County is the sole client, such as:

It shall be the responsibility of the County Administrative Officer to review requests for exemptions to this policy and to make recommendations to the Board of Supervisors on such requests for exemption.

ADMINISTRATIVE POLICY NUMBER 34

Competitive Bids and Requests for Proposals

Fresno County Administrative Policy No. 34 provides that no person, firm or subsidiary thereof who has been awarded a consulting services contract by the County, may submit a bid for, or be awarded a contract for, the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed appropriate in the end product of the consulting services contract. Any bidder that wishes an exemption from this contract limitation must set forth the request for exemption, as well as a complete explanation of why the exemption should be granted, in the bidder's response to the RFP. Only the Board of Supervisors, on a four-fifths (4/5) vote finding that such waiver is in the best interests of the County, can waive this policy.

Definitions: Purchasing Authority and Responsibility – In accordance with the State of California Government Code Section 25500 et seq., and the Fresno County Ordinance Code Chapter 2.56, the Board of Supervisors has established a County CAO. The Board has designated the County Administrative Officer as the CAO. Unless otherwise restricted, all necessary authority and responsibility has been delegated to the CAO to satisfy the acquisition requirements of the County. The CAO may defer day-to-day acquisition management to the Purchasing Manager as appropriate.

Policy Statement: Competitive bids or requests for proposals shall be secured for all contracts for goods or services which are proposed to be acquired by the County except when in unusual or extraordinary circumstances, a department head, requests an exception to competitive bidding. All such requests must be documented by the department head

Quotation No. 17-017

including a detailed description of the facts justifying the exception. The request must receive concurrence of the procurement authority who will sign that particular contract i.e. the Board of Supervisors or CAO/Purchasing Manager. The following circumstances are examples which constitute "Suspension of Competition":

- In an emergency when goods or services are immediately necessary for the preservation of the public health, welfare, or safety, or for the protection of County property.
- When the contract is with a federal, state, or local governmental agency.
- When the department head, with the concurrence of the CAO, finds that the cost of preparing and administering a competitive bidding process in a particular case will equal or exceed the estimated contract amount or \$1,000 whichever is more.
- When a contract provides only for payment of per diem and travel expenses and there is to be no payment for services rendered.
- When obtaining the services of expert witnesses for litigation or special counsel to assist the County.
- When in unusual or extraordinary circumstances, the Board of Supervisors or the CAO/Purchasing Manager determines that the best interests of the County would be served by not securing competitive bids or issuing a request for proposal.

Contracts for services should not usually cover a period of more than one year although a longer period may be approved in unusual circumstances. Multiple year contracts must include provisions for early termination and must be contingent on available funding. Unless exempted as provided for above, no contract for service shall extend, either by original contract or by extension, beyond three years unless competitive bids have been sought or a Request for Proposal has been processed.

During any competitive bidding procedure, all bids shall be opened publicly and the dollar amount of each bid shall be read aloud. Under no circumstance shall a bid which is received at the designated place of opening after the closing time be opened or considered.

Contracts for goods or services shall not be effective until approved by the Board of Supervisors or, if appropriate, the CAO/Purchasing Manager. Contractors and vendors shall be advised by the responsible department head that performance under the contract may not commence prior to such approval.

Medical Professional Contracts

The competitive recruitment process, annual performance evaluation, and periodic salary surveys are equivalent to competitive bids for independent physicians contracting with the County on a fee for service basis.

A salary survey for physician services shall be conducted every two years.

Contracts for physician services shall not extend, either by original contract or by extension, beyond five years unless competitive bids have been sought or unless exempted as provided above.

Contracts for Legal Services

The competitive recruitment process, annual performance evaluation, and periodic salary surveys are equivalent to competitive bids for independent law firms and attorneys contracting with the County on a fee for service basis.

A salary survey for legal services shall be conducted every two years.

The selection of and contracting with firms to provide legal services shall be

coordinated through the County Counsel's Office. The County Counsel shall assist in securing a law firm with the requisite legal expertise and price structure that would provide the best service to the County. County Counsel shall be involved throughout the process of selecting a firm, developing a contract, and monitoring the billing and services provided throughout the contract period.

Prohibited Bids Concerning End Product of Consulting Contracts

No person, firm, or subsidiary thereof who has been awarded a consulting services contract by the County, shall be awarded a contract for the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed appropriate in the end product of the consulting services contract. This policy may be waived by the Board of Supervisors on a four-fifths (4/5) vote finding that such waiver is in the best interests of the County.

Management Responsibility: The County Administrative Officer is responsible for preparing and issuing written procedures to assure compliance with this policy by all County officials and departments.

ADMINISTRATIVE POLICY NUMBER 71

Prohibiting the Use of Public Funds for Political Advocacy

Fresno County Administrative Policy No. 71 provides that no County assets, including money, shall be used for political campaigns of any type.
