ADOPTED ORDINANCE NO. 17-005  
SUMMARY

NOTICE is hereby given that at its regularly scheduled meeting on February 28, 2017, the Fresno County Board of Supervisors adopted Ordinance No. 17-005, an Ordinance of the County of Fresno, State of California, amending section 2800 of the Fresno County Code.

## SUMMARY OF ORDINANCE

Title 8, Chapter 8.23 will provide for the establishment and implementation of a Reporting System for Recycling Haulers (RSRH), requiring any person or entity engaged in commercial hauling of recyclable materials to register with the County and to submit, on a quarterly basis, information on the volume and types of such materials they collect within the County's unincorporated area. Violations of the requirements of Chapter 8.23 shall be subject to enforcement as an infraction with potential imposition of administrative citations or fines. Title 8, Chapter 8.24 will establish a Non-Exclusive Waste Hauler Agreement (NEWHA) Program, applicable with respect to all haulers who engage in transactions within the County involving the collection, for compensation, of solid waste amounting to ten (10) cubic yards or more. Such transactions are not governed by the provisions of Chapter 8.21, which in 2005 established the Exclusive Service Area Program that will continue to regulate residential and commercial collection within the unincorporated area of solid waste amounting to less than ten (10) cubic yards. Chapter 8.24 shall provide additional regulation and oversight, and haulers engaged in providing services under the NEWHA Program will be required to obtain the requisite permit, and to execute and comply with the provisions of the Non-Exclusive Waste Hauler Agreement.
