NOTICE TO BIDDERS / SUMMARY PROJECT DESCRIPTION
(Public Contract Code § 22037):
CONTRACT NUMBER: 16-14-C SLURRY SEALS VARIOUS LOCATIONS IN FRESNO COUNTY.
Sealed proposals will be received at the Fresno County Department of Public Works and Planning (Department), Office of the Design Engineer, Seventh Floor, Fresno County Plaza Building, 2220 Tulare Street, Fresno, CA 93721 until 2:00 P.M., (1400 hours and 00 seconds) Thursday, January 19, 2017, at which time the bidding will be closed. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code Section 4104, shall not be qualified to bid unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work without proof of current registration with the Department of Industrial Relations pursuant to Labor Code Section 1725.5 to perform public works. The work to be done consists, in general, of placing a slurry seal of asphaltic emulsion and sand mixture on various existing roads in Fresno County. The base bid will require the placement of slurry seal over approximately 13.63 miles of roadway. The placement of slurry seal on an additional 12.37 miles of local residential streets in County Islands in the Fresno Metropolitan Area and in the Shaver Lake area is included as additive bids. Other items or details not mentioned herein that are required by the plans, Standard Specifications or these special provisions shall be performed, constructed, furnished or installed. These roads are showing signs of distress such as alligator, block, longitudinal, and transverse cracking. The County's Pavement

Management System indicates that seals would extend the useful life of these roads. Interested prospective bidders are hereby directed to review, before preparation and submittal of a bid, the full version of the Notice to Bidders for this Project on the Department's website at <http://co.fresno.ca.us/planholders>.
