3 and

4 WHEREAS, CONTRACTOR is willing to facilitate the CITY-COUNTY Agreement by
5 entering into this Agreement.

6 NOW, THEREFORE, in consideration of their mutual covenants and conditions, the
7 parties hereto agree as follows:

8 **1. SERVICES**

9 A. Subject to CITY timely paying COUNTY for FIRE Dispatching Services
10 (defined in Section 4.A. of the CITY-COUNTY Agreement) under the CITY-COUNTY
11 Agreement:

12 (1) COUNTY shall obtain and maintain dispatching equipment,
13 hardware, software (including software licenses), and other technologies, which will be utilized
14 for the triage and entry of information for FIRE Dispatching Services in COUNTY's EMS
15 Communications Center computer aided dispatch ("CAD") system, in connection with
16 CONTRACTOR's performance of FIRE Dispatching Services under this Agreement; and

17 (2) COUNTY shall be responsible for selection, configuration,
18 installation, and maintenance of all dispatching equipment, hardware, software and other
19 technologies associated with this Agreement. All dispatching equipment, hardware, software
20 (including software licenses), and other technologies purchased and/or obtained through this
21 Agreement shall be the sole property of COUNTY.

22 (3) CONTRACTOR, shall provide FIRE Dispatching Services
23 requiring responses by FIRE apparatuses as follows:

24 (a) CONTRACTOR shall provide all FIRE Dispatching
25 Services in accordance with FIRE's Policies and Procedures ("FIRE's Policies and
26 Procedures"), which shall be approved by COUNTY's EMS Director, or his or her designee
27 (the "COUNTY's Representative").

28 ///

1 (b) CONTRACTOR shall dispatch FIRE's apparatuses through
2 CITY's radios and electronic communications, and in accordance with FIRE's Policies and
3 Procedures approved by COUNTY's Representative.

4 (c) CONTRACTOR shall provide pre-arrival instructions to
5 callers requesting fire suppression service responses in accordance with FIRE's Policies and
6 Procedures approved by COUNTY's Representative.

7 (d) CONTRACTOR shall provide inter-agency coordination
8 regarding requests for fire suppression service, mutual aid and instant aid services, and order
9 specialized fire equipment from CITY or other agencies (*e.g.*, hazardous materials equipment,
10 or "jaws of life") which may be needed to handle an incident, and perform other related duties
11 in accordance with FIRE's Policies and Procedures approved by COUNTY's Representative.

12 (e) CONTRACTOR shall track all activity of FIRE's
13 apparatuses responses utilizing the COUNTY's EMS Communications Center CAD system.

14 (f) COUNTY shall provide one (1) radio operator for
15 dispatching of FIRE'S apparatuses twenty-four (24) hours a day, seven (7) days a week. CITY
16 understands that the radio operator is not dedicated for the sole purpose of CITY and that the
17 radio operator may be dispatching other fire and EMS providers.

18 (g) CONTRACTOR shall provide that a minimum of one (1)
19 dispatch supervisor shall be on duty at COUNTY's EMS Communications Center twenty-four
20 (24) hours a day, seven (7) days a week. The supervisor shall be available to CITY's on-duty

27 accordance with FIRE approved dispatch protocols, and excluding multiple unit responses,
28 reassigned responses and other situations beyond the COUNTY's EMS Communications Center

1 control; shall be sixty (60) seconds. The dispatch time will be measured from the time the
2 telephone is answered by the call taker to the time the first fire apparatus is alerted to the incident
3 either by radio, telephone, pager, or station alerting device. A review shall occur for all cases in
4 which dispatches are over ninety (90) seconds and results will be evaluated for improvement
5 opportunities by the Fire Dispatch Continuous Quality Improvement (CQI) Committee.

6 It is understood that because of the dynamic nature of emergency services, there are
7 situations when the sixty (60) second dispatch goal may not be achieved. Examples of these
8 situations include, but are not limited to:

- 9 1. calls with incomplete, inaccurate or no ANI/ALI
10 information (including CAD-to-CAD).
- 11 2. calls that do not geo-verify in the CAD.

15 Telecommunication Device for the Deaf (TDD) or audio relay device.

16 Calls for service that meet one of the above exemption
17 categories shall have a dispatch time of no more than ninety (90) seconds in a minimum of ninety-
18 five percent (95%) of calls received each month.

19 B. It is understood by the parties hereto that (i) CONTRACTOR's provision
20 of FIRE Dispatching Services herein does not include any CONTRACTOR or COUNTY
21 provision of fire suppression services, (ii) all fire suppression services for all fire suppression
22 calls to be dispatched by CONTRACTOR are to be provided by CITY pursuant to the CITY-

24 a non-exclusive basis, (iv) COUNTY's compensation paid to CONTRACTOR for its
25 performance of FIRE Dispatching Services herein is for supplemental services that are in
26 addition to any other services that CONTRACTOR provides, and for which CONTRACTOR
27 acknowledges that CONTRACTOR is paid in accordance with the EMS PROVIDER Fresno
28 County Agreement no. 07-292, and (v) CONTRACTOR shall first obtain COUNTY's written
29 permission to provide any other dispatching services through the COUNTY's EMS

1 Communications Center. Notwithstanding anything stated to the contrary herein,
2 CONTRACTOR covenants, warrants, and represents to COUNTY that (i) Any funds that
3 COUNTY may pay to CONTRACTOR, or that CONTRACTOR otherwise may collect from
4 performing service in connection with the EMS PROVIDER Agreement, including, but not
5 limited to, COUNTY compensation and CONTRACTOR's fees and charges for services
6 rendered to patients, shall not be diverted or otherwise used, either directly or indirectly, by
7 CONTRACTOR to subsidize CONTRACTOR's performance of this Agreement, and (ii)
8 CONTRACTOR shall not directly or indirectly charge any costs or expenses incurred in
9 connection with the performance of this Agreement to any of CONTRACTOR's other
10 operations for or approved by COUNTY, including but not limited to CONTRACTOR's
11 operations in the COUNTY's EMS Communications Center for COUNTY under the EMS
12 PROVIDER Agreement and/or for other COUNTY-approved agencies (*e.g.*, agencies that may
13 be outside of Fresno County such as the County of Kings or cities or special districts, if any,
14 within Fresno County).

15 C. CONTRACTOR's performance of FIRE Dispatching Services herein shall
16 enhance CONTRACTOR's peak load capacity, disaster readiness and overall efficiency in
17 providing dispatching services in COUNTY's EMS Communications Center, and shall not
18 detract from CONTRACTOR's performance of its obligations under the EMS PROVIDER
19 Agreement, or any other agreement, if any, entered into or authorized by COUNTY.

20 D. COUNTY shall perform the following functions:

21 (1) COUNTY shall provide COUNTY-approved FIRE Policies and
22 Procedures to CONTRACTOR.

23 (2) COUNTY shall assure that all calls to CITY for EMS and fire
24 suppression services are immediately transferred to COUNTY's EMS Communications Center.

25 (3) COUNTY agrees to provide for an internal quality improvement
26 program, which includes the participation of CONTRACTOR and FIRE.

27 **2. TERM**

28 This Agreement shall become effective on the 1st day of July, 2017 and terminate

1 on the 30th day of June, 2020, unless sooner terminated as provided herein.

2 Notwithstanding anything stated to the contrary herein, this Agreement shall
3 automatically terminate on any earlier date that the CITY-COUNTY Agreement terminates.

4 **3. TERMINATION**

5 A. Non-Allocation of Funds - The terms of this Agreement, and the services
6 to be provided hereunder, are contingent on the approval of funds by the appropriating
7 governmental agency, provided however, should sufficient funds not be allocated, (i) the
8 services provided may be modified at any time upon the parties' mutual written agreement, or
9 (ii) this Agreement may be terminated at any time by the COUNTY giving at least sixty (60)
10 days' advance written notice of an intention to terminate to the CONTRACTOR.

11 B. Without Cause - Under circumstances other than those set forth above,
12 this Agreement may be terminated by CONTRACTOR or COUNTY upon the giving of at least
13 sixty (60) days' advance written notice of an intention to terminate to the other party.

14 C. Material Breach - Either party may terminate this Agreement at any time
15 for cause for the other party's material breach of its obligations herein if not less than seven (7)
16 days' advance, written notice has been given to the other party and such breach remains uncured
17 within that seven (7) day period. The party receiving such notice may respond to said notice and
18 any charges contained therein within that seven (7) day period. A "Material Breach" by
19 CONTRACTOR, as that term is defined by and used in the EMS PROVIDER Agreement, also
20 shall be deemed to be a material breach by CONTRACTOR under this Agreement. Any notice
21 by COUNTY to CONTRACTOR of CONTRACTOR's Material Breach under the EMS
22 Provider Agreement shall satisfy the requirement of COUNTY giving notice to CONTRACTOR
23 of a material breach under this Agreement without the necessity of such notice referring to
24 CONTRACTOR's performance under this Agreement.

25 D. COUNTY shall compensate or provide funding to CONTRACTOR for
26 any services performed under this Agreement prior to any termination of this Agreement.

17 COUNTY receiving sufficient and timely payments of funds from CITY under the CITY-
18 COUNTY Agreement. Subject to the foregoing sentence, COUNTY, promptly following
19 COUNTY's receipt of such CITY funds, shall pay CONTRACTOR no later than the fifteenth
20 (15th) day of the month in which the services are provided by CONTRACTOR without the
21 necessity of CONTRACTOR submitting invoices to COUNTY. All payments shall be remitted
22 to CONTRACTOR at the following address: American Ambulance, 2911 East Tulare Street,
23 Fresno, CA 93721.

24 **5. INDEPENDENT CONTRACTOR**

25 A. In performance of the work, duties, and obligations assumed by
26 CONTRACTOR under this Agreement, it is mutually understood and agreed that
27 CONTRACTOR, including any and all of CONTRACTOR's officers, agents, and employees
28 will at all times be acting and performing as an independent contractor, and shall act in an

1 independent capacity and not as an officer, agent, servant, employee, joint venture, partner, or
2 associate of COUNTY. Furthermore, COUNTY shall have no right to control or supervise or
3 direct the manner or method by which CONTRACTOR shall perform its work and function,
4 except for CONTRACTOR's compliance with FIRE's Policies and Procedures, herein.
5 However, COUNTY shall retain the right to administer this Agreement so as to verify that
6 CONTRACTOR is performing its obligations in accordance with the terms and conditions
7 thereof. CONTRACTOR and COUNTY shall comply with all applicable provisions of law and
8 the rules and regulations, if any, of governmental authorities having jurisdiction over matters
9 which are directly or indirectly the subject of this Agreement.

10 B. Because of its status as an independent contractor, CONTRACTOR shall
11 have absolutely no right to employment rights and benefits available to COUNTY employees.
12 CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, its
13 employees all legally-required employee benefits. In addition, CONTRACTOR shall be solely
14 responsible and save COUNTY harmless from all matters relating to payment of
15 CONTRACTOR's employees, including compliance with Social Security, withholding, and all
16 other regulations governing such matters. It is acknowledged that during the term of this
17 Agreement, CONTRACTOR may be providing services to others unrelated to COUNTY or to
18 this Agreement.

19 **6. MODIFICATION**

20 Any matters of this Agreement may be modified from time to time by the written
21 consent of all the parties hereto without, in any way, affecting the remainder.

22 **7. HOLD-HARMLESS**

23 A. CONTRACTOR agrees to indemnify, save, hold harmless, and at
24 COUNTY's request, defend COUNTY and CITY, including their respective officers, agents,
25 and employees from any and all costs and expenses (including attorneys' fees and costs),
26 damages, liabilities, claims, and losses occurring or resulting to COUNTY or CITY (as
27 applicable) in connection with the performance, or failure to perform, by CONTRACTOR,
28 including its officers, agents, or employees under this Agreement, and from any and all costs and

1 expenses (including attorneys' fees and costs), damages, liabilities, claims, and losses occurring

5 performance, or failure to perform, of CONTRACTOR, including its officers, agents, or
6 employees under this Agreement.

7 B. COUNTY agrees to indemnify, save, hold harmless, and at
8 CONTRACTOR's request, defend CONTRACTOR, including its officers, agents, and
9 employees from any and all costs and expenses (including attorneys' fees and costs), damages,
10 liabilities, claims, and losses occurring or resulting to CONTRACTOR in connection with the
11 performance, or failure to perform, by COUNTY or CITY, including their respective officers,
12 agents, or employees under this Agreement or under the CITY-COUNTY Agreement (as
13 applicable), and from any and all costs and expenses (including attorneys' fees and costs),
14 damages, liabilities, claims, and losses occurring or resulting to any person, firm, or corporation
15 who may be injured or damaged by the performance, or failure to perform, of COUNTY or
16 CITY, including their respective officers, agents, or employees under this Agreement or under
17 the CITY-COUNTY Agreement.

18 C. In the event of concurrent negligence on the part of CONTRACTOR or
19 any of its officers, agents or employees, and of COUNTY or CITY or any of their respective
20 officers, agents, or employees, the liability for any and all such claims, demands and actions in
21 law or equity for such costs and expenses (including attorneys' fees and costs), damages, and
22 losses shall be apportioned under the State of California's theory of comparative negligence as
23 presently established or as may be modified hereafter.

24 D. This Section 7 shall survive termination or expiration of this Agreement.

25 **8. INSURANCE**

26 CONTRACTOR shall obtain and maintain, at all times, insurance coverages, with
27 such policies, and in such amounts, as are provided in the EMS Provider Agreement. The
28 parties hereto agree that the provisions of the EMS Provider Agreement (including any future

1 amendments thereto) shall and will be incorporated herein by this reference, as though each and
2 every of such terms are set forth herein below. CONTRACTOR's failure to maintain all such
3 insurance coverages shall be deemed to be a material breach of this Agreement.

4 ///

5 ///

6 **9. CONFIDENTIALITY**

7 All services performed by CONTRACTOR under this Agreement shall be in strict
8 conformance with all applicable Federal, State of California and/or local laws and regulations
9 relating to confidentiality.

10 **10. NON-DISCRIMINATION**

11 During the performance of this Agreement, CONTRACTOR shall not unlawfully
12 discriminate against any employee or applicant for employment, or recipient of services,
13 because of race, religious creed, color, national origin, ancestry, physical disability, mental
14 disability, medical condition, genetic information, marital status, sex, gender, gender identity,
15 gender expression, age, sexual orientation, military or veteran status pursuant to all applicable
16 State of California and Federal statutes and regulations.

17 **11. DISCLOSURE OF SELF-DEALING TRANSACTIONS**

18 This provision is only applicable if the CONTRACTOR is operating as a
19 corporation (a for-profit or non-profit corporation) or if during the term of this agreement, the
20 CONTRACTOR changes its status to operate as a corporation.

21 Members of the CONTRACTOR's Board of Directors shall disclose any
22 self-dealing transactions that they are a party to while CONTRACTOR is providing goods or
23 performing services under this agreement. A self-dealing transaction shall mean a transaction to
24 which the CONTRACTOR is a party and in which one or more of its directors has a material
25 financial interest. Members of the Board of Directors shall disclose any self-dealing transactions
26 that they are a party to by completing and signing a Self-Dealing Transaction Disclosure Form,
27 attached hereto as Exhibit B and incorporated herein by reference, and submitting it to the
28 COUNTY prior to commencing with the self-dealing transaction or immediately thereafter.

3 with the respective services referred to under this Agreement. CONTRACTOR's books,
4 accounts and records of such services shall be kept separate and apart from CONTRACTOR's
5 other books, accounts and records of services kept in connection with the EMS PROVIDER
6 Agreement, and any other agreement entered into or approved by COUNTY. All of such
7 CONTRACTOR's books, accounts, and records shall be prepared and kept by CONTRACTOR
8 in an organized manner that facilitates an efficient review of the costs incurred and funds
9 received in order to give COUNTY a complete and clear understanding of the accounting
10 thereof. All of such CONTRACTOR's books, accounts and records shall be subject to public
11 disclosure as provided in the EMS PROVIDER Agreement (including any future amendments
12 thereto), which shall and will be incorporated herein by this reference, as though each and every

23 party shall, upon request by the other party, permit the other party to audit and inspect all such
24 records and data necessary to ensure the former party's compliance with the terms of this
25 Agreement.

27 (\$10,000.00), CONTRACTOR shall be subject to the examination and audit of the State

1 Auditor for a period of three (3) years after final payment under contract (Government Code
2 Section 8546.7).

3 **14. FORCE MAJEURE**

4 A. If either party hereto is rendered unable, wholly or in part, by Force
5 Majeure to carry out its obligations under this Agreement, that party shall give to the other
6 party hereto prompt written notice of the Force Majeure with full particulars relating thereto.
7 Thereupon, the obligations of the party giving the notice, so far as they are affected by the
8 Force Majeure, shall be suspended during, but no longer than, the continuance of the Force
9 Majeure, except for a reasonable time thereafter required to resume performance.

10 B. During any period in which either party hereto is excused from
11 performance by reason of the occurrence of an event of Force Majeure, the party so excused

15 during any such period of Force Majeure, take all reasonable action necessary to terminate any
16 temporary restraining order or preliminary or permanent injunctions to enable it to so
17 commence or resume performance of its obligations under this Agreement.
