Dear: Board of Supervisors

This is to inform you that pursuant to an amendment to Section 23803 of the Business and Professions Code which became effective January 1, 1998, the Department is required to notify local governing bodies of any petition to remove or modify conditions on an alcoholic beverage license.

Please be advised that the above-referenced licensee, whose currently licensed premises is within your jurisdiction, has petitioned the Department to remove or modify certain conditions on their alcoholic beverage license. I have enclosed the following items for your information and consideration:

1. A copy of Section 23803 of the Business and Professions Code.
2. A copy of the existing Petition for Conditional License, which contains the license conditions, and the grounds for their original imposition.
3. A copy of the licensee's letter describing the conditions the licensee is seeking to remove or modify.

According to the provisions of Section 23803 Business and Professions Code, you have thirty (30) days to file a written objection to the modification/removal of these conditions. If you have any questions or need any additional assistance in this matter, please do not hesitate to contact this office at (559) 225-6334.

Sincerely,
