XXI. OWNERSHIP OF DOCUMENTS:

A. CONSULTANT understands and agrees that COUNTY shall retain full ownership rights of the drawings and the work-product of CONSULTANT for each project, to the fullest extent permitted by law. In this regard, CONSULTANT acknowledges and agrees that CONSULTANT's services are on behalf of COUNTY and are "works made for hire," as that term is defined in copyright law, by COUNTY; that the drawings and work-product to be prepared by CONSULTANT are for the sole and exclusive use of COUNTY, and shall be the sole property of COUNTY and its assigns, and the COUNTY and its assigns shall be the sole owner of all patents, copyrights, trademarks, trade secrets and other contractual and intangible rights of any kind or nature in connection therewith; that all the contractual or intangible rights of any kind or nature, title, and interest in and to the drawings and work-product will be transferred to COUNTY by CONSULTANT, and CONSULTANT will assist COUNTY to obtain and enforce patents, copyrights, trademarks, trade secrets, and other contractual and intangible rights relating to said drawings and work-product; that COUNTY shall be and become the owner of such drawings and work product, free and clear of any claim by CONSULTANT or anyone claiming any right through CONSULTANT. CONSULTANT further acknowledges and agrees that COUNTY's ownership rights in such drawings and work product shall apply regardless of whether such drawings or work product, or any copies thereof, are

MECHANICAL ENGINEERING CONSULTANT SERVICES AGREEMENT

1 in the possession of CONSULTANT, or any other person, firm, corporation, or entity. For the purpose of
2 this Agreement the terms "drawings and work-product" shall mean all reports and study findings
3 commissioned to develop the design of each project, drawings and schematic or preliminary design
4 documents of each project, certified reproducibles of the original final construction contract drawings of
5 each project, specifications of each project, the approved opinion of probable construction cost of each
6 project, record drawings of each project, as-built plans of each project, and discoveries, developments,
7 designs, improvements, inventions, formulas, processes, techniques, or specific know-how and data
8 generated or conceived or reduced to practice or learning by CONSULTANT, either alone or jointly with
9 others, that result from the tasks assigned to CONSULTANT by COUNTY under this Agreement. County
10 acknowledges and agrees that details, concepts, ideas, devices, configurations, and designs previously
11 developed or used by the CONSULTANT, or developed by the CONSULTANT without COUNTY
12 compensation, shall remain the property of the CONSULTANT and use is granted to COUNTY only for the
13 specific project undertaken under this agreement.

14 B. If a project is terminated prior to completion of the construction document phase of any project
15 under Article III, a reproducible copy and electronic files of documents as completed at the time of
16 termination of the project shall be submitted by CONSULTANT to the COUNTY, which may use them to
17 complete each project in future phases.

18 C. If the project is terminated at the completion of the construction document phase of any
19 project, a reproducible copy and electronic files of final construction contract drawings (both .dwg and .plt
20 files), specifications, and approved opinion of probable construction cost shall be submitted by
21 CONSULTANT to COUNTY.

22 D. Documents, including drawings and specifications, prepared by CONSULTANT for any project
23 pursuant to this Agreement are not intended or represented to be suitable for reuse by COUNTY or others
24 on extensions of the services provided for that project or any other project. Any use of completed
25 documents for other projects and/or any use of uncompleted documents will be at COUNTY's sole risk and
26 without liability or legal exposure to CONSULTANT.

27 E. COUNTY has requested that certain machine readable information and CAD data on
28 construction documents be provided by CONSULTANT for each project under this Agreement. Such

MECHANICAL ENGINEERING CONSULTANT SERVICES AGREEMENT

machine readable information and CAD data are more specifically described in Article III. CONSULTANT shall not be liable for claims, liabilities or losses arising out of, or connected with:

1. The modification or misuse by COUNTY, or anyone authorized by COUNTY, of such machine readable information and CAD data; or

2. Decline of accuracy or readability of machine readable information and CAD data due to inappropriate storage conditions or duration; or

3. Any use by COUNTY, or anyone authorized by COUNTY, of such machine readable information and CAD data for additions to any such project or for the completion of any such project by others, or for other projects.

XXII. TIME OF COMPLETION:

A. Upon request of the Capital Projects Division Manager or his/her designated representative, the CONSULTANT shall submit for the Capital Projects Division Manager or his/her designated representative's approval, schedules for the performance of the CONSULTANT's services which may be adjusted by mutual agreement as the projects proceed, and shall include allowances for periods of time required for the COUNTY's review and approval of submissions by authorities having jurisdiction over the projects. Time limits established by these schedules approved by Capital Projects Division Manager or his/her designated representative shall not, except as provided in this Agreement, be exceeded by the CONSULTANT.

B. CONSULTANT shall diligently proceed with the agreed scope of services and shall provide such services in a timely manner. Failure of the CONSULTANT to meet any deadline listed in the above-referenced schedules once such failure continues more than seven (7) calendar days past the specified completion date (unless the delay is attributable to the COUNTY or State), is sufficient cause to immediately terminate this Agreement, at the option of the COUNTY, in accordance with Section XXIV.C.

XXIII. TERM:

The term of this Agreement shall be for a period of three (3) years, commencing on the effective date as first set forth hereinabove. This Agreement may be extended for a maximum of two (2) additional consecutive one-year periods upon approval of both parties no later than thirty (30) days prior to the first day of the next twelve (12) month extension period. The Director of the Department of Public Works and

MECHANICAL ENGINEERING CONSULTANT SERVICES AGREEMENT

Planning or his/her designee is authorized to execute such written approval on behalf of COUNTY based on CONTRACTOR's satisfactory performance.

XXIV. TERMINATION OF AGREEMENT:

A. This Agreement may be terminated without cause at any time by the COUNTY upon thirty (30) calendar days written notice. If the COUNTY terminates this Agreement, the CONSULTANT shall be compensated for services satisfactorily completed to the date of termination based upon the compensation rates and subject to the maximum amounts payable agreed to in Article V, together with such additional services satisfactorily performed after termination which are expressly authorized by the COUNTY Representative in order to conclude the work performed to date of termination.

B. If the CONSULTANT purports to terminate the Agreement, or otherwise refuses to perform pursuant to the Agreement, for reasons other than material breach by the COUNTY, the CONSULTANT shall reimburse the COUNTY, up to a maximum of seven thousand, five hundred dollars (\$7,500) for the actual expense of issuing a Request For Proposal (RFP), engaging a new CONSULTANT, and the new CONSULTANT's cost in becoming familiar with the previous CONSULTANT's design.

C. The COUNTY may immediately suspend or terminate this Agreement in whole or in part, where in the determination of the COUNTY there is:

1. An illegal or improper use of funds;
2. A failure to comply with any term of this Agreement;
3. A substantially incorrect or incomplete report submitted to the COUNTY;
4. Improperly performed service.

D. In no event shall any payment by the COUNTY constitute a waiver by the COUNTY of any breach of this Agreement or any default which may then exist on the part of the CONSULTANT, nor shall such payment impair or prejudice any remedy available to the COUNTY with respect to the breach or default. The COUNTY shall have the right to demand of the CONSULTANT the repayment to the COUNTY of any funds disbursed to the CONSULTANT under this Agreement, which, in the judgment of the COUNTY and as determined in accordance with the procedures of Article IX ("Errors or Omissions Claims and Disputes"), were not expended in accordance with the terms of this Agreement. The CONSULTANT shall promptly refund any such funds upon demand.

MECHANICAL ENGINEERING CONSULTANT SERVICES AGREEMENT

E. The terms of this Agreement, and the services to be provided thereunder, are contingent on the approval of funds by the appropriating government agency. Should sufficient funds not be allocated, the services provided may be modified, or this Agreement terminated at any time by giving the CONSULTANT thirty (30) days advance written notice.

XXV. CONFLICT OF INTEREST:

The CONSULTANT shall comply with the provisions of the Fresno County Department of Public Works Conflict of Interest Code, attached hereto as Exhibit B and incorporated herein. Such compliance shall include the filing of annual statements pursuant to the regulations of the State Fair Political Practices Commission.

XXVI. DISCLOSURE OF SELF-DEALING TRANSACTIONS

A. This provision is only applicable if the CONSULTANT is operating as a corporation (a for-profit or non-profit corporation) or if during the term of this Agreement, the CONSULTANT changes its status to operate as a corporation.

B. Members of the CONSULTANT'S Board of Directors shall disclose any self-dealing transactions that they are a party to while the CONSULTANT is providing goods or performing services under this Agreement. A self-dealing transaction shall mean a transaction to which the CONSULTANT is a party and in which one or more of its directors has a material financial interest. Members of the CONSULTANT'S Board of Directors shall disclose any self-dealing transactions that they are a party to by completing and signing a Self-Dealing Transaction Disclosure Form (attached as Exhibit C and incorporated herein by this reference); and submitting it to the COUNTY prior to commencing with the self-dealing transaction or immediately thereafter.

XXVII. ENTIRE AGREEMENT:

This Agreement constitutes the entire agreement between the COUNTY and the CONSULTANT with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications, and understandings of any nature whatsoever unless expressly included in this Agreement.

XXVIII. SEVERABILITY:

Should any provision herein be found or deemed to be invalid, this Agreement shall be construed

MECHANICAL ENGINEERING CONSULTANT SERVICES AGREEMENT

as not containing such provision, and all other provisions which are otherwise lawful shall remain in full force and effect, and to this end the provisions of this Agreement are hereby declared to be severable.
