WHEREAS, it is a goal of COUNTY and CITY to consolidate dispatching services in Fresno County; and

1 WHEREAS, it has been determined by CITY and COUNTY that there is a need to
2 provide EMS dispatching services and FIRE Dispatching Services through a centralized and
3 combined effort by COUNTY's EMS Communications Center and FIRE; and

4 WHEREAS, CITY and COUNTY intend to enter into an agreement which will continue
5 the provision of FIRE Dispatching Services by COUNTY (the "CITY-COUNTY Agreement");
6 and

7 WHEREAS, CONTRACTOR is willing to facilitate the CITY-COUNTY Agreement by
8 entering into this Agreement.

9 NOW, THEREFORE, in consideration of their mutual covenants and conditions, the
10 parties hereto agree as follows:

11 **1. SERVICES**

12 A. Subject to CITY timely paying COUNTY for FIRE Dispatching Services
13 (as defined in Section 4.A. of the CITY-COUNTY Agreement) under the CITY-COUNTY
14 Agreement:

15 (1) COUNTY shall obtain and maintain dispatching equipment,
16 hardware, software (including software licenses), and other technologies, which will be utilized
17 for the triage and entry of information for FIRE Dispatching Services in COUNTY's EMS
18 Communications Center computer aided dispatch ("CAD") system, in connection with
19 CONTRACTOR's performance of FIRE Dispatching Services under this Agreement; and

20 (2) COUNTY shall be responsible for selection, configuration,
21 installation, and maintenance of all dispatching equipment, hardware, software and other
22 technologies associated with this Agreement. All dispatching equipment, hardware, software
23 (including software licenses), and other technologies purchased and/or obtained through this
24 Agreement shall be the sole property of COUNTY.

25 (3) CONTRACTOR, shall provide FIRE Dispatching Services
26 requiring responses by FIRE apparatuses as follows:

27 (a) CONTRACTOR shall provide all FIRE Dispatching
28 Services in accordance with FIRE's Policies and Procedures ("FIRE's Policies and

Procedures”), which shall be approved by COUNTY’s EMS Director, or designee, (the “COUNTY’s Representative”).

(b) CONTRACTOR shall dispatch FIRE’s apparatuses through CITY’s radios and electronic communications, and in accordance with FIRE’s Policies and Procedures approved by COUNTY’s Representative.

(c) CONTRACTOR shall provide pre-arrival instructions to callers requesting fire suppression service responses in accordance with FIRE’s Policies and Procedures approved by COUNTY’s Representative.

(d) CONTRACTOR shall provide inter-agency coordination regarding requests for fire suppression service, mutual aid and instant aid services, and order specialized fire equipment from CITY or other agencies (*e.g.*, hazardous materials equipment, or “jaws of life”) which may be needed to handle an incident, and perform other related duties in accordance with FIRE’s Policies and Procedures approved by COUNTY’s Representative.

(e) CONTRACTOR shall track all activity of FIRE’s apparatuses responses utilizing the COUNTY’s EMS Communications Center CAD system.

(f) COUNTY shall provide one (1) radio operator for dispatching of FIRE’s apparatuses twenty-four (24) hours a day, seven (7) days a week. CITY understands that the radio operator is not dedicated for the sole purpose of CITY and that the radio operator may be dispatching other fire and EMS providers.

(g) CONTRACTOR shall provide that a minimum of one (1) dispatch supervisor shall be on duty at COUNTY’s EMS Communications Center twenty-four (24) hours a day, seven (7) days a week. The supervisor shall be available to CITY’s on-duty fire administration as needed.

(h) CONTRACTOR shall maintain an up-to-date manual of FIRE’s Policies and Procedures (approved by COUNTY’s Representative, as provided herein) for all dispatch staff, and shall provide for training and continuing education of dispatch staff as needed.

1 (j) The goal for the immediate dispatch of a fire apparatus, in
2 accordance with FIRE approved dispatch protocols, and excluding multiple unit responses,
3 reassigned responses and other situations beyond the COUNTY's EMS Communications Center
4 control; shall be sixty (60) seconds. The dispatch time will be measured from the time the
5 telephone is answered by the call taker to the time the first fire apparatus is alerted to the incident
6 either by radio, telephone, pager, or station alerting device. A review shall occur for all cases in
7 which dispatches are over ninety (90) seconds and results will be evaluated for improvement
8 opportunities by the Fire Dispatch Continuous Quality Improvement (CQI) Committee.

9 It is understood, because of the dynamic nature of emergency services, there are
10 situations when the sixty (60) second dispatch goal may not be achieved. Examples of these
11 situations include, but are not limited to:

- 12 1. Calls not received through the 9-1-1 telephone system.
- 13 2. Calls that do not immediately geo-verify in the CAD.
- 14 3. Calls in which the public safety answering points (PSAP) dispatcher
15 does not immediately transfer the calling party.
- 16 4. Calls in which the reporting party is either unable or unwilling to
17 immediately provide all required information as part of the call taking
18 process (i.e., non-English speaking, hysterical, or uncooperative).
- 19 5. Calls not meeting Priority 1 medical-aid criteria during initial
20 questioning.

21 B. It is understood by the parties hereto that (i) CONTRACTOR's provision
22 of FIRE Dispatching Services herein does not include any CONTRACTOR or COUNTY
23 provision of fire suppression services, (ii) all fire suppression services for all fire suppression
24 calls to be dispatched by CONTRACTOR are to be provided by CITY pursuant to the CITY-
25 COUNTY Agreement, (iii) CONTRACTOR is providing FIRE Dispatching Services herein on
26 a non-exclusive basis, (iv) COUNTY's compensation paid to CONTRACTOR for its
27 performance of FIRE Dispatching Services herein is for supplemental services that are in
28 addition to any other services that CONTRACTOR provides, and for which CONTRACTOR

1 acknowledges that CONTRACTOR is paid in accordance with the EMS PROVIDER
2 Agreement, and (v) CONTRACTOR shall first obtain COUNTY's written permission to
3 provide any other dispatching services through the COUNTY's EMS Communications Center.
4 Notwithstanding anything stated to the contrary herein, CONTRACTOR covenants, warrants,
5 and represents to COUNTY that (i) Any funds that COUNTY may pay to CONTRACTOR, or
6 that CONTRACTOR otherwise may collect from performing service in connection with the
7 EMS PROVIDER Agreement, including, but not limited to, COUNTY compensation and
8 CONTRACTOR's fees and charges for services rendered to patients, shall not be diverted or
9 otherwise used, either directly or indirectly, by CONTRACTOR to subsidize CONTRACTOR's
10 performance of this Agreement, and (ii) CONTRACTOR shall not directly or indirectly charge
11 any costs or expenses incurred in connection with the performance of this Agreement to any of
12 CONTRACTOR's other operations for or approved by COUNTY, including but not limited to
13 CONTRACTOR's operations in the COUNTY's EMS Communications Center for COUNTY
14 under the EMS PROVIDER Agreement and/or for other COUNTY-approved agencies (*e.g.*,
15 agencies that may be outside of Fresno County such as the County of Kings or cities or special
16 districts, if any, within Fresno County).

17 C. CONTRACTOR's performance of FIRE Dispatching Services herein shall
18 enhance CONTRACTOR's peak load capacity, disaster readiness and overall efficiency in
19 providing dispatching services in COUNTY's EMS Communications Center, and shall not
20 detract from CONTRACTOR's performance of its obligations under the EMS PROVIDER
21 Agreement, or any other agreement, if any, entered into or authorized by COUNTY.

22 D. COUNTY shall perform the following functions:

23 (1) COUNTY shall provide COUNTY-approved FIRE Policies and
24 Procedures to CONTRACTOR.

25 (2) COUNTY shall assure that all calls to CITY for EMS and fire
26 suppression services are immediately transferred to COUNTY's EMS Communications Center.

27 (3) COUNTY agrees to provide for an internal quality improvement
28 program, which includes the participation of CONTRACTOR and FIRE.

1 **2. TERM**

2 A. This Agreement shall become effective on the 1st day of July, 2017 and
3 shall continue in full force and effect, and terminate on the 30th day of June, 2020 at 11:59 P.M.,
4 unless sooner terminated as provided herein.

5 B. This Agreement may be renewed with approval of COUNTY and
6 CONTRACTOR through written amendment and modification of terms and conditions herein
7 set forth.

8 C. Notwithstanding anything stated to the contrary herein, this Agreement
9 shall automatically terminate on any earlier date that the CITY-COUNTY Agreement
10 terminates.

11 **3. TERMINATION**

12 A. Non-Allocation of Funds - The terms of this Agreement, and the services
13 to be provided hereunder, are contingent on the approval of funds by the appropriating
14 governmental agency, provided however, should sufficient funds not be allocated, (i) the
15 services provided may be modified at any time upon the parties' mutual written agreement, or
16 (ii) this Agreement may be terminated at any time by the COUNTY giving at least sixty (60)
17 days' advance written notice of an intention to terminate to the CONTRACTOR.

18 B. Without Cause - Under circumstances other than those set forth above,
19 this Agreement may be terminated by CONTRACTOR or COUNTY upon the giving of at least
20 sixty (60) days' advance written notice of an intention to terminate to the other party.

21 C. Material Breach - Either party may terminate this Agreement at any time
22 for cause for the other party's material breach of its obligations herein if not less than seven (7)
23 days advance written notice has been given to the other party and such breach remains uncured
24 within that seven (7) day period. The party receiving such notice may respond to said notice and
25 any charges contained therein within that seven (7) day period. A "Material Breach" by
26 CONTRACTOR, as that term is defined by and used in the EMS PROVIDER Agreement, also
27 shall be deemed to be a material breach by CONTRACTOR under this Agreement. Any notice
28 by COUNTY to CONTRACTOR of CONTRACTOR's Material Breach under the EMS

1 Provider Agreement shall satisfy the requirement of COUNTY giving notice to CONTRACTOR
2 of a material breach under this Agreement without the necessity of such notice referring to
3 CONTRACTOR's performance under this Agreement.

4 D. COUNTY shall compensate or provide funding to CONTRACTOR for
5 any services performed under this Agreement prior to any termination of this Agreement.

6 **4. COMPENSATION FOR SERVICES**

7 A. For CONTRACTOR's performance of FIRE Dispatching Services herein,
8 COUNTY agrees to pay CONTRACTOR and CONTRACTOR agrees to receive compensation
9 pursuant to Schedule A, attached hereto and incorporated herein by this reference. In no event
10 shall compensation for COUNTY's performance of FIRE Dispatching Services under this
11 Agreement be in excess of the amounts listed as follows:

12 (1) For the period of July 1, 2017 through June 30, 2018, the amount
13 of this Agreement shall not exceed Ten Thousand Three Hundred Ninety-One and No/100
14 Dollars (\$10,391.00).

15 (2) For the period of July 1, 2018 through June 30, 2019, the amount
16 of this Agreement shall not exceed Ten Thousand Five Hundred Five and 30/100 Dollars
17 (\$10,505.30).

18 (3) For the period of July 1, 2019 through June 30, 2020, the amount
19 of this Agreement shall not exceed Ten Thousand Six Hundred Twenty and 86/100 Dollars

21 B. COUNTY's obligation to compensate CONTRACTOR herein is subject to
22 COUNTY receiving sufficient and timely payments of funds from CITY under the CITY-
23 COUNTY Agreement. Subject to the foregoing sentence, COUNTY, promptly following
24 COUNTY's receipt of such CITY funds, shall pay CONTRACTOR no later than the fifteenth
25 (15th) day of the month in which the services are provided by CONTRACTOR without the
26 necessity of CONTRACTOR submitting invoices to COUNTY. All payments shall be remitted
27 to CONTRACTOR at the following address: American Ambulance, 2911 East Tulare Street,
28 Fresno, CA 93721.

1 **5. INDEPENDENT CONTRACTOR**

2 A. In performance of the work, duties, and obligations assumed by
3 CONTRACTOR under this Agreement, it is mutually understood and agreed that
4 CONTRACTOR, including any and all of CONTRACTOR's officers, agents, and employees
5 will at all times be acting and performing as an independent contractor, and shall act in an
6 independent capacity and not as an officer, agent, servant, employee, joint venture, partner, or
7 associate of COUNTY. Furthermore, COUNTY shall have no right to control or supervise or
8 direct the manner or method by which CONTRACTOR shall perform its work and function,
9 except for CONTRACTOR's compliance with FIRE's Policies and Procedures, herein.
10 However, COUNTY shall retain the right to administer this Agreement so as to verify that
11 CONTRACTOR is performing its obligations in accordance with the terms and conditions
12 thereof. CONTRACTOR and COUNTY shall comply with all applicable provisions of law and
13 the rules and regulations, if any, of governmental authorities having jurisdiction over matters
14 which are directly or indirectly the subject of this Agreement.

15 B. Because of its status as an independent contractor, CONTRACTOR shall
16 have absolutely no right to employment rights and benefits available to COUNTY employees.
17 CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, its
18 employees all legally-required employee benefits. In addition, CONTRACTOR shall be solely
19 responsible and save COUNTY harmless from all matters relating to payment of
20 CONTRACTOR's employees, including compliance with Social Security, withholding, and all
21 other regulations governing such matters. It is acknowledged that during the term of this
22 Agreement, CONTRACTOR may be providing services to others unrelated to COUNTY or to
23 this Agreement.

24 **6. MODIFICATION**

25 Any matters of this Agreement may be modified from time to time by the written
26 consent of all the parties hereto without, in any way, affecting the remainder.

27 **7. HOLD-HARMLESS**

1 A. CONTRACTOR agrees to indemnify, save, hold harmless, and at
2 COUNTY's request, defend COUNTY and CITY, including their respective officers, agents,
3 and employees from any and all costs and expenses (including attorneys' fees and costs),
4 damages, liabilities, claims, and losses occurring or resulting to COUNTY or CITY (as
5 applicable) in connection with the performance, or failure to perform, by CONTRACTOR,
6 including its officers, agents, or employees under this Agreement, and from any and all costs and
7 expenses (including attorneys' fees and costs), damages, liabilities, claims, and losses occurring
8 or resulting to any person, firm, or corporation who may be injured or damaged by the
9 performance, or failure to perform, of CONTRACTOR, including its officers, agents, or
10 employees under this Agreement.

11 B. COUNTY agrees to indemnify, save, hold harmless, and at
12 CONTRACTOR's request, defend CONTRACTOR, including its officers, agents, and
13 employees from any and all costs and expenses (including attorneys' fees and costs), damages,
14 liabilities, claims, and losses occurring or resulting to CONTRACTOR in connection with the
15 performance, or failure to perform, by COUNTY or CITY, including their respective officers,
16 agents, or employees under this Agreement or under the CITY-COUNTY Agreement (as
17 applicable), and from any and all costs and expenses (including attorneys' fees and costs),
18 damages, liabilities, claims, and losses occurring or resulting to any person, firm, or corporation
19 who may be injured or damaged by the performance, or failure to perform, of COUNTY or
20 CITY, including their respective officers, agents, or employees under this Agreement or under
21 the CITY-COUNTY Agreement.

22 C. In the event of concurrent negligence on the part of CONTRACTOR or
23 any of its officers, agents or employees, and of COUNTY or CITY or any of their respective
24 officers, agents, or employees, the liability for any and all such claims, demands and actions in
25 law or equity for such costs and expenses (including attorneys' fees and costs), damages, and
26 losses shall be apportioned under the State of California's theory of comparative negligence as
27 presently established or as may be modified hereafter.

28 D. This Section 7 shall survive termination or expiration of this Agreement.

1 **8. INSURANCE**

2 CONTRACTOR shall obtain and maintain, at all times, insurance coverages, with
3 such policies, and in such amounts, as are provided in the EMS Provider Agreement. The
4 parties hereto agree that the provisions of the EMS Provider Agreement (including any future
5 amendments thereto) shall and will be incorporated herein by this reference, as though each and
6 every of such terms are set forth herein below. CONTRACTOR's failure to maintain all such
7 insurance coverages shall be deemed to be a material breach of this Agreement.

8 **9. CONFIDENTIALITY**

9 All services performed by CONTRACTOR under this Agreement shall be in strict
10 conformance with all applicable Federal, State of California and/or local laws and regulations
11 relating to confidentiality.

12 **10. NON-DISCRIMINATION**

13 During the performance of this Agreement, CONTRACTOR shall not unlawfully
14 discriminate against any employee or applicant for employment, or recipient of services,
15 because of race, religion, color, national origin, ancestry, physical disability, medical condition,
16 marital status, age or gender, pursuant to all applicable State of California and Federal statutes
17 and regulations.

18 **11. RECORDS**

19 A. Each party shall maintain its books, accounts and records in connection
20 with the respective services referred to under this Agreement. CONTRACTOR's books,
21 accounts and records of such services shall be kept separate and apart from CONTRACTOR's
22 other books, accounts and records of services kept in connection with the EMS PROVIDER
23 Agreement, and any other agreement entered into or approved by COUNTY. All of such
24 CONTRACTOR's books, accounts, and records shall be prepared and kept by CONTRACTOR
25 in an organized manner that facilitates an efficient review of the costs incurred and funds
26 received in order to give COUNTY a complete and clear understanding of the accounting
27 thereof. All of such CONTRACTOR's books, accounts and records shall be subject to public
28 disclosure as provided in the EMS PROVIDER Agreement (including any future amendments

thereto), which shall and will be incorporated herein by this reference, as though each and every of such terms are set forth herein below.

B. Each of the parties' books, accounts and records must be maintained for a minimum of three (3) years. Such books, accounts and records must also be maintained a minimum of three (3) years after the termination of this Agreement. The party generating the books, accounts and records shall maintain ownership thereof upon termination of this Agreement.

12. AUDITS AND INSPECTIONS

A. Each party shall at any time during business hours, and as often as the other party may deem necessary, make available to the other party for examination all of the former party's records and data with respect to the matters covered by this Agreement. Each party shall, upon request by the other party, permit the other party to audit and inspect all such records and data necessary to ensure the former party's compliance with the terms of this Agreement.

B. If this Agreement exceeds Ten Thousand and No/100 Dollars (\$10,000.00), CONTRACTOR shall be subject to the examination and audit of the State Auditor for a period of three (3) years after final payment under contract (Government Code Section 8546.7).

13. FORCE MAJEURE

A. If either party hereto is rendered unable, wholly or in part, by Force Majeure to carry out its obligations under this Agreement, that party shall give to the other party hereto prompt written notice of the Force Majeure with full particulars relating thereto. Thereupon, the obligations of the party giving the notice, so far as they are affected by the Force Majeure, shall be suspended during, but no longer than, the continuance of the Force Majeure, except for a reasonable time thereafter required to resume performance.

B. During any period in which either party hereto is excused from performance by reason of the occurrence of an event of Force Majeure, the party so excused shall promptly, diligently, and in good faith take all reasonable action required in order for it to

1 be able to promptly commence or resume performance of its obligations under this Agreement.
2 Without limiting the generality of the foregoing, the party so excused from performance shall,
3 during any such period of Force Majeure, take all reasonable action necessary to terminate any
4 temporary restraining order or preliminary or permanent injunctions to enable it to so
5 commence or resume performance of its obligations under this Agreement.

6 C. The party whose performance is excused due to the occurrence of an
7 event of Force Majeure shall, during such period, keep the other party hereto notified of all
8 such actions required in order for it to be able to commence or resume performance of its
9 obligations under this Agreement.

10 D. "Force Majeure" is defined as an Act of God, act of public enemy, war,
11 and other extraordinary causes not reasonably within the control of either of the parties hereto.
