SUBJECT: Request to Consider Amended and Restated MOU between Fresno County and the City of Reedley

Mr. Rousseau,

This letter is to serve as an official request for the County of Fresno to consider processing an Amended and Restated Memorandum of Understanding (MOU) between the County and the City of Reedley.

Over the past few months, Reedley staff have had the opportunity to interface with Fresno County Planning staff to informally review and discuss draft changes and minor adjustments to the existing MOU, which was signed by both parties in October of 2006; including text amendments to Exhibit 1 (Annexation Standards), and Exhibits 3A (LAFCo Sphere of Influence Map) and 3B (Growth Areas), to provide current maps, and collaboratively allow for the City of Reedley to address orderly and appropriately-scaled growth. At this time, we feel concurrence has been reached to now formally request the processing of an amended MOU to address the appropriate changes desired by both parties at this time.

Should you have any questions or concerns, please feel free to contact me at (559) 637-4200 Ext. 212, or via email at nicole.zieba@reedley.ca.gov. Alternatively, questions can also be directed to Rob Terry, Community Development Director, who can be reached at (559) 637-4200 Ext. 286, or via email at rob.terry@reedley.ca.gov. Thank you for your time and consideration.

Sincerely,

Nicole Zieba
City Manager
